Good Afternoon.

As we discussed on the conference this morning, I am sending you are proposed Package Label.

This label will be produced with the (b)(4) software, which we are making steps to purchase.

I have also included the container label, which was sent to you in a prior addendum.

We look forward to your feedback. We will submit a formal addendum once we know you approve of the label content.

Thanks,

**Lori Masingil**
