BAC-Catcher Game

**Folding Instructions**

1. Cut along the dotted line.
2. Place the BAC-Catcher face down. Fold 2 corners together to form a triangle. Crease and unfold. Now fold the other 2 corners together, crease and unfold.
3. Now, fold each corner to the center point.
4. Turn the folded paper over and fold each corner into the center.
5. Fold the square in half. Unfold it and fold it in half the other way.
6. Using both hands, place your thumbs and index fingers under the flaps.

---

**How to Play**

- This game is for 2 players. Ask the other player to pick one of the printed squares -- for example, “Hot Stuff.”
- Open and close the BAC-Catcher in an alternating direction for each letter of the phrase H O T S T U F F (8 times).
- Ask the question closest to the phrase chosen and let the other player answer. Lift the flap to find the answer.
- Now give the BAC-Catcher to the other player. It’s your turn to answer.
- Alternate asking and answering until all the question are answered . . . everyone wins by learning about FOOD SAFETY.

**What’s the difference between a cold pack and a confused bank teller?**

- Why did the milk like to hang out in the refrigerator?
- Because it was cool!

**To stay away from the vegetables on the cutting board. He didn’t want to contaminate them!**

- Why did the chicken cross the road?
- Yuck, don’t do it!

**What do you get when you cross a tomato with raw meat?**

- Knock knock. What’s there?
- Temper. Temper. Who?
- Knock knock. Who’s there?
- Get back. Get back. Get back. Who?
- Knock knock. Where’s the tomato?
- Well, I’m glad to see you again. You’re doing fine. What’s wrong?
- Oh, you’ll never believe what just happened.
- The cold pack just ran into a confused bank teller.
- Oh, no.
- Yeah, he ran off to hang out in the refrigerator.
- It’s just not fair.

---

**Food that’s been microwaved the right way!**

- What do you get when you mix a freezer and a microwave?
- Time. Time and temperature! (How do you get when you mix a freezer and a microwave?)
- Knocks in 70º and chicken breasts to 160º. Cook your counterclockwise on your counter!
- Get bacteria off preparing food! (How do you get when you mix a freezer and a microwave?)

---

**Clean hands!**

- What do you get when you mix soap and warm fingers. Warm soap?
- Washed up! (How do you get when you mix soap and warm fingers. Warm soap?)
