Activity Outline
DDI Webinar Series: Tainted Products Marketed as Dietary Supplements
November 21, 2017 1:00-2:00pm EDT
Webinar

Description
This series of educational webinars is designed to aid physicians, physician assistants, nurses, pharmacists, pharmacy technicians, students, and other healthcare professionals, to provide better patient care by knowing how to find relevant FDA regulatory information that will improve drug safety. The goal of this presentation is to increase awareness of this public health issue, provide an overview of the steps FDA is taking to protect consumers from tainted products, and provide resources about tainted products and the means which the public can report issues related to these types of products.

4) Letter to Manufacturers of Dietary Supplements https://www.fda.gov/downloads/Drugs/ResourcesForYou/Consumers/BuyingUsingMedicineSafely/MedicationHealthFraud/UCM236985.pdf
5) Some Imported Dietary Supplements and Nonprescription Drug Products May Harm You https://www.fda.gov/ForConsumers/ConsumerUpdates/ucm466588.htm

Series Objectives
1. Explain how to utilize FDA's drug information, medication safety resources, and regulatory guidance documents, to improve delivery of patient care and optimize outcomes.
2. Describe and inform health care providers of recent labeling changes which would impact prescribing and medication management to optimize patient care.

Learning Objectives After completion of this activity, the participant will be able to:
1. Define a "tainted product"
2. Identify the product categories where tainted products are most commonly found
3. Describe one of the regulatory challenges associated with tainted products
4. Identify the resources available on the FDA website about tainted products
5. State how tainted products or adverse events related to tainted products are reported

Target Audience
This activity is intended for physicians, physician assistants, nurses, pharmacists, pharmacy technicians, students, and other healthcare professionals.

Schedule

Time	Title	Lecturer(s)
1:00 PM to 2:00 PM	DDI Webinar Series: Tainted Products Marketed as Dietary Supplements	CAPT Jason Humbert, M.H.S. Nicole Kornspan, M.P.H.

Continuing Education
Accreditation

In support of improving patient care, FDA Center for Drug Evaluation and Research is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

CME

FDA Center for Drug Evaluation and Research designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CPE

This knowledge-based activity has been assigned ACPE Universal Activity Number 0601-0000-17-142-L04-P, and ACPE Universal Activity Number 0601-0000-17-143-L04-T, for 1 contact hour.

CNE

FDA Center for Drug Evaluation and Research designates this activity for 1 contact hour.

Requirements for receiving CE credit
Physicians, pharmacists, nurses and those claiming non-physician CME: attendance is verified by a sign-in sheet and completion of the final activity evaluation. For multi-day activities, participants must sign in every day. Final activity evaluations must be completed within two weeks after the activity.

Pharmacy participants: partial credit cannot be awarded therefore you must attend the entire activity to receive CPE credit. No exceptions. Pharmacists will need their NABP e-profile ID number as well as their DOB in MMDD format in order to claim CE credit.

Statements of Credit
Physicians and Nurses Statements of Credit for CE will be issued 10 weeks after the last session of this activity. Pharmacists should log into the CPE monitor 10 weeks after the last session of the activity to obtain their CE credit.
