

# GDUFA Program Fee Arrears List

## Monday, April 15, 2024

The following companies have not satisfied the annual program fee as required under the Generic Drug User Fee Amendments (GDUFA). The program fee, incurred pursuant to FDARA, was due no later than October 1, 2017 for Fiscal Year (FY) 2018, October 1, 2018 for FY 2019, October 1, 2019 for FY 2020, October 1, 2020 for FY 2021, October 1, 2021 for FY 2022, October 1, 2022 for FY 2023 and October 2, 2023 for FY 2024. Failure to timely submit the annual program fee means that the Food and Drug Administration (FDA or Agency) will not be able to receive new or pending ANDAs that have not yet been received for filing from these companies, or from affiliates of these companies, within the meaning of FDARA until all outstanding fees are paid.

If your records indicate that the program fee was previously submitted, please contact [CDERCollections@fda.hhs.gov](mailto:CDERCollections@fda.hhs.gov) and provide the following information: company name, User Fee Payment I.D. Number (PIN), and the payment method, date and amount. Additionally, if you have reasons to believe that your company is not subject to the annual program fee or your company belongs in a different tier, please contact [CDERCollections@fda.hhs.gov](mailto:CDERCollections@fda.hhs.gov) and provide a brief explanation for your reasoning. The agency will review your explanation and respond to it promptly.

We encourage you to seek verification from your business partners that applicable fee(s) have been received in full by the Agency in order to minimize the risk that a receipt of an application will be jeopardized.
