Determining Funding Levels

Rapid Response Team (RRT) (Maintenance)

- Will be open competition for funding with each FOA iteration.
- Maintenance phase: Variable funding:
 - Level 1: \$150,000 (3-4 points)
 - Level 2: \$225,000 (5-7 points)

- Determination of applicant's funding level will be based on the following criteria:
 - State Population
 - FSMA High Risk/Non High Risk Firm Count
 - Count of multi-state outbreaks state is involved in (average over past 10 years)
- The universe of data utilized to calculate the percentile cutoffs consisted of all States eligible to apply for the Flexible Funding Model (i.e., States where at least one agency held a current food contract inspection as of Sep2017).
