PENICILLIN G PROCAINE (penicillin G procaine injectable suspension)

SUPPLY UPDATE

Dear Customer,

Pfizer Injectables is committed to providing information on supply so that appropriate plans can be made to facilitate patient care and safety. We want to provide updated information on the supply status of the prefilled syringes containing Penicillin.

BICILLIN L-A

We are pleased to inform you that the supply of Bicillin L-A continues to improve and is no longer on allocation. We understand how important Bicillin-LA is to clinicians and patients and have prioritized its recovery. Please see supply updates in the table below in red.

Unit of Sale NDC	Presentation	Supply Status
60793-700-10	Pediatric 600,000 Units/1 mL PFS*	Available
60793-701-10	1,200,000 Units/2 mL PFS*	Available
60793-702-10	2,400,000 Units/4 mL PFS*	Available

*Prefilled Syringe

BICILLIN C-R

Pfizer's supply of Bicillin C-R still has select presentations available and select presentations on allocation. As we continue to prioritize Bicillin L-A we anticipate all presentations of Bicillin C-R will be recovered by April 2018. Please see supply updates in the table below in red.

Unit of Sale NDC	Presentation	Supply Status
60793-600-10	1,200,000 Units/2 mL PFS*	Allocation
60793-601-10	Pediatric 1,200,000 Units/2 mL PFS*	Allocation
60793-602-10	900/300 Pediatric 1,200,000 Units/2 mL PFS*	Available

*Prefilled Syringe

PENICILLIN G PROCAINE

This product is currently on backorder while we prioritize the production of Bicillin® L-A (penicillin G benzathine suspension).

Unit of Sale NDC	Presentation	Supply Status
60793-130-10	600,000 Units/1 mL PFS*	Not available
60793-131-10	1,200,000 Units/2 mL PFS*	Not available

*Prefilled Syringe

We are working closely with the FDA on the shortage of these critical drugs. This information is also being provided to the Centers for Disease Control and Prevention (CDC), American Society of Health-System Pharmacists (ASHP), and the Group Purchasing Organizations (GPO).

Please check the FDA and ASHP Drug Shortage websites for future updates. You can also contact our Supply Continuity Team between 7:00am – 6:00pm CT to discuss any product availability questions at 1-844-646-4398 (select option 1 [Customer], then option 3 [Supply Continuity Team]) or via email at PISupplyContinuity@Pfizer.com

For full Prescribing Information including BOXED WARNING, please visit www.pfizerinjectables.com.
