## RECORD OF TELEPHONE CONVERSATION

Subject: IR for 125428/0

Dear Elaine,

We have the following Information Request

CBER originally requested a copy of your (b) (4) endotoxin (b) (4) test method SOP (QBA060) in an information request dated March 3, 2017. However, Dynavax provided two other SOPs (RL-SOP-00860 and SOP DYN-QC-004) in their response(submission dated March 13, 2017). Please confirm if these SOPs number are correct or clarify how these are related to the SOP QBA060. In addition, CBER requests the SOP (QBA073) used for performing dilutions of test sample.

Kind regards,

Katherine
