A temporary promotion will be considered.

Bargaining Unit Status: Non-Bargaining Unit Position

Position: Program Analyst

Office Location: FDA
Center for Tobacco Products
10903 New Hampshire Ave.
Silver Spring, MD 20993

Opening Date: **February 12, 2018**

Closing Date: **February 16, 2018**

Area of Consideration: **CTP-Wide**

The CTP Office of Science offers a fast-paced, dynamic environment and an opportunity to work with dedicated, energetic people who want to make a difference to improve public health. The position is ideal for someone who wishes to play a critical role in the organization and would enjoy the challenge of handling a variety of fast-paced and high-impact assignments.

Duties Include:

The incumbent serves as a Program Analyst in the Office of Science (OS), and is responsible for supporting broad administration and programmatic direction.

The incumbent performs a number of duties as described in the following:

- Supports the Immediate Office of the Office of Science.
- Performs research, identifies relevant information, and gathers data to support execution of a variety of program-related efforts.
- Identifies and analyzes issues, problems and challenges facing various programs and formulates possible courses of action for resolution.
- Reviews and evaluates established program policies and procedures to identify gaps where additional guidance is needed.
- Advises managers and program officials on management or program-related policies and procedures.
- Project manages myriad data calls.

- Prepares reports and provides recommendations to management.
- Gathers and summarizes information from questionnaires, interviews, and other data sources to help inform decision-making.
- Reviews and studies complex processes to identify opportunities for improvement.
- Performs special assignments and projects on behalf of the supervisor.
- Performs others duties as assigned.

Desired Knowledge and Skills:

- Knowledge of qualitative and/or quantitative methods for the assessment and improvement of program effectiveness.
- Knowledge of analytical tools and techniques which enables incumbent to analyze and evaluate the efficiency and effectiveness of programs.
- Excellent organizational and project management skills.
- Strong collaboration skills.
- Excellent oral and written communication skills.

Application Procedure:

Supervisory concurrence should be obtained before you apply to this Detail. The Detail opportunity is open to all qualified candidates at the GS-12/13 grade level or Commissioned Corps Officers (03).

Interested applicants should submit a copy of their resume, most recent copy of SF-50, and statement of interest via email to:

Rebecca Martin
Program Analyst
Office of Management, Center for Tobacco Products, FDA
Rebecca.Martin@fda.hhs.gov

Detail is reimbursable.
Travel Expenses will not be paid.

Candidates must express interest by February 16, 2018.
