1 VQIP Portal
To access the VQIP portal, log in to FDA Industry Systems (FIS) at https://www.access.fda.gov/. If you have previously created an FIS account, enter your Account ID and Password to log in. If you have not previously created an FIS account, follow the prompts and provide the requested information to establish an account.

1.1 Notice of Intent to Participate
After logging in to FDA Industry Systems (FIS) at https://www.access.fda.gov/, choose "Voluntary Qualified Importer Program" from the list of available systems under FSMA Programs(s) (Figure 1.1).

![Account Management](image)

Figure 1.1 – Account Management

The system will take you to the Voluntary Qualified Importer Program (VQIP) page. Select the “Notice of Intent to Participate” option on the left side of the screen (Figure 1.2) to inform FDA of your interest in participating in the program.
### Welcome to the Voluntary Qualified Importer Program (VQIP) Portal

Use this site to submit your Notice of Intent to Participate and your Application to participate in VQIP. You may submit your Notice of Intent to Participate and VQIP Application between January 1 and May 31 each year, prior to the beginning of the next VQIP fiscal year, which begins on October 1. Your Notice of Intent to Participate and VQIP Application are required by section 806(c) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 384b(c)).

FDA’s Voluntary Qualified Importer Program Guidance for Industry:

Voluntary Qualified Importer Program (VQIP) Application User Guide:
Step-by-Step Instructions

#### How do I submit a previously saved VQIP Application?

After you create and save an application you will be able to click on the “Edit/View Application” link on the left navigation menu, and use the navigation options to edit or continue filling in your previously saved application.

#### How do I submit my VQIP Application?

After you fill in the required information in the application, prior to submitting your application, the system will provide you with a summary screen that allows you to review all of the information in your application. After you review the summary screen and determine that you are ready to submit your application, the system will provide an option to submit your VQIP application with FDA.

#### Must I pay a fee to participate in VQIP?

Yes, there is an annual fee associated with your participation in VQIP. You must pay the fee after FDA approves your application and prior to the beginning of benefits on October 1.

### Figure 1.2 – Voluntary Qualified Importer Program (VQIP) Home Screen

Your firm name and the fiscal year for which the agency is currently accepting applications for VQIP will display on the Home screen. Select “Submit Notice of Intent to Participate” (Figure 1.3) to send your notice to FDA.
2 Submit a New VQIP Application

The system will return you to the Voluntary Qualified Importer Program (VQIP) home screen. You may log out and log in at any point to create your application. Logging into the VQIP Portal will return you to this VQIP Home Screen. Select “Create Application” to begin the application process (Figure 2.1).

At the top of every application page, there will be a status bar to track your progress through each step of the online application process (Figure 2.2). The help link (i.e., the red question mark, shown below) will open this VQIP Portal User Guide. At the top right of each page, there is a "FURLS Home" link. This will take you back to the FIS/FURLS home page (Figure 1.1) and the "VQIP Home" link will take you to the VQIP home page.
(Figure 1.2).

![Figure 2.2 – Status Bar](image1)

Each screen also includes navigation buttons such as the following (Figure 2.3):

- **PREVIOUS** - go back one screen and continue entering application information. Information entered on the current screen will not be saved.
- **NEXT** - go to the next screen and continue entering application information. Information entered on the current screen will not be saved.
- **SAVE** - save a partially complete application.

![Figure 2.3 – Navigation Buttons](image2)
2.1 Section A: Applicant and Firm Information

Applicant firm information and contact information are pre-filled based on your Online Account Administration (OAA) information.

Section 805(g) of the FD&C Act requires FDA to maintain a publicly available list of approved VQIP Importers. Select “Yes” or “No” to indicate whether you want to be included on the publicly available list of VQIP Importers (Figure 2.4).

Figure 2.4 – Option to be listed on the VQIP Importers List.

Select “Yes” or “No” to indicate whether you are a Customs-Trade Partnership Against Terrorism (C-TPAT) Tier 2 or Tier 3 member.

If you select “Yes,” you must add the C-TPAT Account Number (Figure 2.5). If you are not a C-TPAT Tier 2 or 3 member, select “No.”

After you have finished this activity, you will have completed Section A. Select “Next” to navigate to Section B.

Figure 2.5 – C-TPAT Status
2.2 Section B: Foreign Supplier Verification Program (FSVP) and Hazard Analysis and Critical Control Point (HACCP) Importer Information

In this section, you will be asked to enter the FSVP or HACCP Importer information for the foods you will include in your application. For each FSVP or HACCP Importer, use the drop-down arrow to select the type of Importer. When you enter the information for each food (Section E), associate the FSVP or HACCP Importer for the food from the list of Importers created from the information you entered in this Section B.

![Figure 2.6 – Add Contact: Select a Type of Importer](image)

After selecting the Type of Importer (Figure 2.6), the system will display a prompt: “Do you have a DUNS number for your FSVP/HACCP Contact?”

If you select “Yes,” the system displays a field to enter the DUNS number (Figure 2.7) for that Importer.

Enter the DUNS number and select “Search Address.” The system will display the Importer information. The system will also display the corresponding contact information for the VQIP Importer, as reflected in your OAA account.

If more than one firm is displayed, choose the correct address listed, and click “Select & Continue” (Figure 2.8). If you will serve as a FSVP/HACCP Importer for any of the foods you are importing under the program, add yourself by selecting “Add me as an FSVP/HACCP” (Figure 2.7).

![Figure 2.7 – Enter a DUNS Number or Add me as an FSVP/HACCP Importer](image)
If you do not have the DUNS number for the FSVP or HACCP Importer, you may select “No” (Figure 2.7). The system will display a screen where you can enter the FSVP or HACCP Importer contact information and search to find a match (Figure 2.9).

FURLS will search the database and return the DUNS number. If a DUNS number is not returned, check the search fields or follow up with the FSVP or HACCP Importer to obtain the DUNS number.

Once the DUNS number or applicant information is entered, the system will search for the match and display the corresponding contact information displayed in the left column (Figure 2.10).

After completing the required contact information and verifying the correct FSVP/HACCP address, select “Save.” The system will display the new contact information (Figure 2.11).

The icons to alter the contact information can be found in the Action column. The pencil icon will allow you to edit contact information & manage certifications. The magnifying glass icon will allow you to view the contact information details. The trash can icon will allow you to delete this contact information from your selection. You may add, edit, view, or delete contacts as necessary.

Once you have made the necessary edits, you will have completed Section B. Select “Next” to navigate to Section C.

![Figure 2.11 – FSVP/HACCP Contact Information](image)

### 2.3 Section C: Quality Assurance Program

Upload your written Quality Assurance Program and any supporting documents by selecting the “Browse” button. The system will open a dialog box where you can select the file(s) (Figure 2.12).

![Figure 2.12 – QAP: Add Attachment](image)

Once a file has been selected, the “Upload” and “Cancel” buttons will be activated. To attach the selected file to your application, select “Upload.”

A pop-up window appears where you have the option to add comments regarding the file you uploaded. Once you have added your comments, click “OK” (Figure 2.13).
The uploaded file will be displayed with options to Edit/View your comments related to the file. You may also delete the attachment by selecting the trash can icon in the Action column (Figure 2.14).

You may continue to add more files to this section by selecting “Browse.”

Once all files have been added, you will have completed Section C. Select “Next” to navigate to Section D.
2.4 Section D: Filer/Broker Information

The system will prompt you with a message: “Do you have a DUNS number for your Filer/Broker?”

If you select “Yes,” the system will display a field for you to enter the DUNS number (Figure 2.15) corresponding with a Filer/Broker.

Enter the DUNS number and select “Search Address” to have the system display the Filer/Broker information. If more than one firm is displayed, select the correct address from the list. Click “Select & Continue” (Figure 2.16).

If you will serve as the Filer/Broker for any of the foods you are importing under the program, you may add yourself by selecting “Add me as a Filer/Broker” (Figure 2.15).

If you do not have the DUNS number for the Filer/Broker, you may select “No” (Figure 2.15). The system will display the screen reflected in Figure 2.17 (below). You may enter the Filer/Broker contact information and search to find a match (Figure 2.17).

FURLS will search its database and return the DUNS number. If a DUNS number is not returned, check the search fields or follow up with the Filer/Broker to obtain the DUNS number.
Once the DUNS number is entered, the system will search for the match and display the corresponding contact information in the left column (Figure 2.18).

</tr>
</tbody>
</table>

Once you complete the required contact information and verify it is the correct Filer/Broker address, select “Save.” The system will display the newly added contact information (Figure 2.19).

The icons to alter the contact information can be found in the Action column. The pencil icon will allow you to edit contact information & manage certifications. The magnifying glass icon will allow you to view the contact information details. The trash can icon will allow you to delete this contact information from your selection. You may add, edit, view, or delete contacts as necessary.

After you have finished, you will have completed Section D. Select “Next” to navigate to Section E.
2.5 Section E: Foreign Supplier Information
The system will display a prompt: “Do you have a DUNS number for your foreign supplier?”

If you select “Yes,” the system will display a field to enter the DUNS number (Figure 2.20) for the foreign supplier.

Enter the DUNS number and select “Search Address” to have the system display the foreign supplier information.

If more than one firm is displayed, select the correct address from the list and click “Select & Continue” (Figure 2.21).
If you select “No” (Figure 2.20), the system will display a screen where you can enter the foreign supplier information and search to find a match (Figure 2.22).

FURLS will search its database and return the DUNS number. If a DUNS number is not returned, check the search fields or follow up with the Foreign Supplier to obtain the DUNS number.
Once the DUNS number is entered, the system will search for the match, display the corresponding contact information in the left column, and complete the required fields in the right column (Figure 2.23). It will list all valid certifications for the DUNS number of the foreign supplier that was entered.

Select the desired certifications from the table by clicking on the box next to the certificate(s).

More information about managing certifications by amending an approved application is in Section 4.5, Foreign Supplier and Foods.

Answer “Yes” or “No” when prompted: “Is this the correct foreign supplier address?”

If you select “No,” you have the option to “Search Again.” Once you select “Yes,” click “Save.”

</table>

The system displays the available foods associated with the Foreign Supplier certificate you have selected in (Figure 2.24). *You will need to scroll to the right to view the entire table.*
Select the foods you will import from this Foreign Supplier by clicking on the box in the first column of each row (Figure 2.24).

If your application has only one FSVP/HACCP Importer, the system will automatically assign the food to the FSVP/HACCP Importer.

Click “Save” and “Return to Foreign Supplier” (Figure 2.25).

If you have added more than one FSVP/HACCP Importer (Section B), click on the “(0)” to view the FSVP/HACCP Importer(s) (Figure 2.26).
Select the FSVP/HACCP Importer(s) to associate the food from this Foreign Supplier to the desired FSVP and/or HACCP Importer (Figure 2.27).

Select “Close.”

When the FSVP/HACCP Importer(s) have been associated with a food from this Foreign Supplier, the FSVP/HACCP column will show “(1)” (Figure 2.28).

Select “Save” and “Return to Foreign Supplier.”
The system will display a table of the Foreign Suppliers added to your VQIP application (Figure 2.29). You may add more foreign suppliers. You may also edit, view, or delete the foreign suppliers via icons in the Action column.

The third icon in the Action column allows you to view and edit foods associated with a foreign supplier.

After you add all foreign suppliers, check the box to affirm the foods included in the application meet relevant FDA food labeling regulations.

Once you have finished, you will have completed Section E. Select “Next” to navigate to Section F.
2.6 Section F: Comments

In this section you may provide comments regarding your application. You may use this space to further explain information you included in your application or to explain anticipated changes that may impact your application (Figure 2.30).

Once you have finished, you will have completed Section F. Select “Next” to navigate to Section G.

Figure 2.30 – Comments
2.7 Section G: Summary
Review your application before submitting it for processing (Figure 2.31 and 2.32). Selecting “Edit” in the upper right corner of each section prompts the corresponding data entry screen from which you can edit and save changes.

Once all sections have been verified, you will have completed Section G. Select “Next” to navigate to Section H.

Figure 2.31 – Application Summary, Part 1
2.8 Section H: e-Signature

An e-Signature is the electronic equivalent of a hand-written signature. Please read the statement carefully.

Acknowledge you have read and approved it by providing your e-signature and date at the bottom of the page (Figure 2.33).

Select “Submit” to submit the application for processing.

You may also provide the names and titles of individual who assisted with completion of the VQIP application.
2.9 Application Confirmation
The following message will appear, indicating that your application was submitted successfully (Figure 2.34).

![Confirmation Message](image)

Figure 2.34 – Confirmation Message

3 View Completed Application
To view the entire application in its final form, select “VQIP Home” at the top left side of the Menu.

Once directed to the VQIP Home Page, select Edit/View Application (Figure 3.1).

Select the “magnifying glass” under the Action tab to view the completed application.

4 Amend an Approved VQIP Application

Once your VQIP application is approved (Figure 4.1), you should promptly amend your VQIP application to provide information or documentation when you take any of the actions described in the VQIP Guidance for Industry. The system will provide the “Amendment” option (Figure 4.2).

Figure 4.1 – VQIP Home: Edit/View Application

Select “Amendment” from the menu on the left side of the screen. To view the Amendment Dashboard and begin the amendment process, select an applicable Fiscal Year from the drop-down. Select “Add Amendment” to navigate to the Program Amendment page (Figure 4.3).
The Program Amendment page will display as collapsed sections. Clicking the arrow to the left of the section expands the section. The “Next” button will be activated once an update is made to any of the section(s) (Figure 4.4).

The information displayed in these sections is carried over from the approved application. Proceed to the section you want to view or edit.
4.1 Applicant and Firm Information
After expanding the “Applicant and Firm Information” section, the system displays pre-populated information; this can be amended (Figure 4.5).

![Figure 4.5 – Applicant and Firm Information](image)

4.2 FSVP or HACCP Importer Information
After expanding the “FSVP or HACCP Importer Information” section, the system will display a table containing the previously submitted FSVP/HACCP Importers (Figure 4.6).

![Figure 4.6 -- FSVP or HACCP Importer Information](image)

You may choose an FSVP/HACCP Importer from the table to edit, view, or delete the FSVP/HACCP Importer by selecting the icons from the “Action” column (Figure 4.7).
The delete icon is only functional when:
- There are more than one FSVP/HACCP Importers in the table
- An FSVP/HACCP Importer is **NOT** associated with any Foreign Supplier in the Foreign Supplier and Foods section

*Note: The delete icon will be grayed out if the above conditions are not met (Figure 4.8).

To add additional contacts, select “Add FSVP/HACCP” (Figure 4.8). Selecting a “Type of Importer” from the drop-down (Figure 4.9) will display a prompt: “Do you have a DUNS Number for your FSVP or HACCP Contact?”

If you select “Yes,” the system displays a field to enter the DUNS number (Figure 4.10) for that Importer.

Enter the DUNS number and select “Search Address.” The system will display the Importer information.

If more than one firm is displayed, choose the correct address listed, and click “Select & Continue” (Figure 4.11).
If you do not have the DUNS number for the FSVP or HACCP Importer, you may select “No” (Figure 4.10). The system will then display a screen where you can enter the FSVP or HACCP Importer contact information and search for a match (Figure 4.12).

FURLS will search the database and return the DUNS number. If a DUNS number is not returned check the search fields or follow up with the FSVP or HACCP Importer to obtain the DUNS number.

Once the DUNS number or FSVP/HACCP contact information is entered, the system will search for the match and display the corresponding contact information displayed in the left-hand column (Figure 4.13).
After entering the required contact information and verifying the correct FSVP/HACCP address, select “Add FSVP/HACCP.” The system will display the newly added contact information in the “FSVP/HACCP Importer Contact(s)” table (Figure 4.14).
4.3 Quality Assurance Program

After expanding the “Quality Assurance Program” section, the system will display a table containing previously submitted attachments (Figure 4.15).

![Figure 4.15 – QAP](image)

To open an existing attachment, select the file name or view the comments related to the file by selecting “View” from the “Attachment(s)” table (Figure 4.16).

![Figure 4.16 – QAP: Attachment(s) Table](image)

You may add more files to your Amendment by selecting “Browse.” The system will open a dialog box where you can select the file(s) (Figure 4.17).

![Figure 4.17 – QAP: Add Attachment](image)

Once a file has been selected, the “Upload” and “Cancel” buttons will be activated. To attach the selected file to your amendment, select “Upload.”

A pop-up window appears where you have the option to add comments regarding the file you are uploading. Once you have added your comments, click “OK” (Figure 4.18).
The uploaded file will be displayed with options to “Edit/View” your comments related to the file. You may also delete the attachment by selecting the trash can icon in the “Action” column.

*Note: You will not be able to delete the previously submitted attachment(s) (Figure 4.19).

**4.4 Filer/Broker Information**

After expanding the “Filer/Broker Information” section, the system will display a table containing the previously submitted Filer/Broker(s) (Figure 4.20).
You may choose a Filer/Broker from the table to edit, view, or delete. To do so, select the corresponding icons from the Action column (Figure 4.21).

![Figure 4.21 – Filer/Broker Information Table](image)

The delete icon is only functional when there are more than one Filer/Brokers in the table. If just one Filer/Broker exists, the icon will be grayed out (Figure 4.22).

![Figure 4.22 – Filer/Broker Information Table: Delete Icon and Add Filer/Broker](image)

You may add additional Filer/Brokers by selecting “Add Filer/Broker” (Figure 4.22). The system will display a prompt: “Do you have a DUNS number for your Filer/Broker?”

If you select “Yes,” the system will display a field for you to enter the DUNS number (Figure 4.23) for a corresponding Filer/Broker.

![Figure 4.23 – Add Filer/Broker: Enter a DUNS Number](image)

Enter the DUNS number and select “Search Address” to have the system display the Filer/Broker information. If more than one firm is displayed, select the correct address from the list. Click “Select & Continue” (Figure 4.24).

![Figure 4.24 – Select the Filer/Broker Address](image)
If you do not have the DUNS number for the Filer/Broker, you may select “No" (Figure 4.23). The system will display a screen where you can enter the Filer/Broker contact information and search to find a match (Figure 4.25).

FURLS will search the database and return the corresponding DUNS number. If a DUNS number is not returned, check the search fields or follow up with the Filer/Broker.

![Figure 4.25 – Search for Filer/Broker DUNS Number](image)

Once the DUNS number is entered, the system will search for the match and display the corresponding contact information in the left-hand column (Figure 4.26).

![Figure 4.26 – Search Results for Filer/Broker DUNS Number](image)
After completing the required contact information and verifying the correct Filer/Broker address, select “Add Filer/Broker.” The system will display the newly added contact information in the “Filer/Broker Information” table (Figure 4.27).

Figure 4.27 – Filer/Broker Information

4.5 Foreign Supplier and Foods

After expanding the “Foreign Suppliers and Foods” section, the system will display a table containing the previously submitted Foreign Supplier(s) (Figure 4.28).

Figure 4.28 – Foreign Supplier Information

You may choose a Foreign Supplier from the table to edit, view, or delete the Foreign Supplier by selecting the icons from the Action column (Figure 4.29).

Figure 4.29 – Foreign Supplier Information Table

Select the edit icon from the action column (Figure 4.29). You may manage certifications by replacing, deleting, or adding certifications in the program (Figure 4.30).
To replace a certificate from the program, select the “Replace Certification(s)” checkbox (Figure 4.30).

![Figure 4.30 – Foreign Supplier Information Edit: Replace Certifications](image)

The system will display two tables, “Certifications to be Replaced” and “Certifications Available for Replacement” (Figure 4.31). The “Certifications to be Replaced” table lists the certifications submitted during the application. “Certifications Available for Replacement” table lists the certifications not submitted during the application and, those eligible for addition to the program.

To view the available certificates in the “Certifications Available for Replacement” table, select a certificate from the “Certifications to be Replaced” table (Figure 4.31).

*Note: Certifications in the “Certifications Available for Replacement” table will only appear if the selected certificates from the “Certifications to be Replaced” table have at least one product in common.
Once a certification is replaced, the certification will be moved from the “Certifications not yet in the Program” table to “Manage Products and Associations” table (Figure 4.32).

To delete a previously submitted certificate, select the trash can icon from the “Delete without Replace” column listed under “Manage Products and Associations” table (Figure 4.33).
To add new certification(s) to the existing Foreign Supplier, select the plus icon next to the desired certificate(s) listed under the “Certifications not yet in the Program” table (Figure 4.34).

![Figure 4.34 – Foreign Supplier Information Edit: Certifications not yet in the Program](image)

The system displays the available foods associated with the Foreign Supplier certificate you selected (Figure 4.35).

![Figure 4.35 – Foreign Supplier Information: Foods to be Imported for a Foreign Supplier](image)

Select the food(s) you will import from the Foreign Supplier by clicking on the box in the first column of each row (Figure 4.35). The system will display a “FSVP/HACCP Importer” pop-up. Select the appropriate FSVP/HACCP Importer(s) to associate the food from the Foreign Supplier with the desired FSVP and/or HACCP Importer (Figure 4.36).

Select “Close.”
Figure 4.36 – Foreign Supplier Information: Associate Food to Importer(s)

When the FSVP/HACCP Importer(s) have been associated with a food from this Foreign Supplier, the FSVP/HACCP column will show “1.” To amend the FSVP/HACCP Importer(s), select “1” (Figure 4.37).

Select “Close.”

Figure 4.37 – Foreign Supplier Information: Associated Food to Importer(s)

To amend the product(s) associated to the desired certification, you may select “(1)” (Figure 4.38).

Once a certification is added, it will be moved from the “Certifications not yet in the Program” table to “Manage Products and Associations” table (Figure 4.38).
Once you have made the necessary edits in Foreign Suppliers and Foods section, check the box to affirm the foods included in the amendment meet relevant FDA food labeling regulations (Figure 4.39).

Select “Done.”
You may add Foreign Supplier(s) by selecting “Add Foreign Supplier” (Figure 4.40). The system will prompt you with a message: “Do you have the DUNS number for the Foreign Supplier?”

If you select “Yes,” the system will display the field for you to enter a DUNS number (Figure 4.40) corresponding to a Foreign Supplier.

Figure 4.40 – Add Foreign Supplier: Enter a DUNS Number

Enter the DUNS number and select “Search” to have the system display the Foreign Supplier information.

If you do not have the DUNS number for the Foreign Supplier, you may select “No” (Figure 4.40). The system will display a screen where you can enter the Foreign Supplier contact information and search to find a match (Figure 4.41).

Figure 4.41 – Search for the Foreign Supplier DUNS Number

FURLS will search the database and return the DUNS number. If a DUNS number is not returned, check the search fields or follow up with the Foreign Supplier to obtain the DUNS number.

Once the DUNS number is entered, the system will search for the match and display the corresponding contact information in the left-hand column (Figure 4.42).
After completing the required contact information, respond to the question “Is this the correct Foreign Supplier address?”

If you select “No,” the system will display an option for you to search for the correct address again (Figure 4.43).

If you select “Yes,” the system will display the available Certification(s) that are associated to the corresponding Foreign Supplier (Figure 4.44).

To add certifications to the corresponding Foreign Supplier, select the checkbox next to the desired certificate (Figure 4.44).
The system displays the available foods associated with the Foreign Supplier certificate you selected (Figure 4.45).

Select the foods you will import from the Foreign Supplier by clicking on the box in the first column of each row (Figure 4.45). The system will display a “FSVP/HACCP Importer” pop-up. Select the appropriate FSVP/HACCP Importer(s) to associate the food from the Foreign Supplier with the desired FSVP and/or HACCP Importer (Figure 4.46).

Select “Close.”
When the FSVP/HACCP Importer(s) have been associated with a food from this Foreign Supplier, the FSVP/HACCP column will show “1.” To amend the FSVP/HACCP Importer(s), select “1” (Figure 4.47).

Select “Close.”

To amend the product(s) associated to the desired certification, you may select “(1)” (Figure 4.48).
Once you have added the Certification(s), check the box to affirm the foods included in the amendment meet relevant FDA food labeling regulations (Figure 4.49).

To add the Foreign Supplier, select “Add.” The system will display the newly added Foreign Supplier in the “Foreign Supplier(s)” table (Figure 4.49).
4.6 Reason for Amendment
Once you have made the necessary edits, the “Reason for Amendment” comment field will be activated at the bottom of the Program Amendment page. You may use this space to explain the reason for changes in your application (Figure 4.50).

4.7 e-Signature
An e-Signature is the electronic equivalent of a hand-written signature. Please read the statement carefully.

Acknowledge you have read and approved it by providing your e-signature and date at the bottom of the page (Figure 4.51).

Select “Submit” to submit the amendment for processing.

You may also provide the names and titles of individual who assisted with completion of the VQIP application.

5 Application Renewal
If you are an existing user of "Voluntary Qualified Importer Program," who has applied for benefits in the past, you will have the option to re-use your previously submitted application information for the next benefit year.

5.1 Notice of Intent to Participate
After logging in to FDA Industry Systems (FIS) at https://www.access.fda.gov/, choose "Voluntary Qualified Importer Program" from the list of available systems under FSMA Programs(s) (Figure 1.1).

The system will take you to the Voluntary Qualified Importer Program (VQIP) page. Select the "Notice of Intent to Participate" option on the left side of the screen (Figure 5.1) to inform FDA of your interest in participating in the program.

Your firm name and the fiscal year for which the agency is currently accepting applications for VQIP will display on the "Notice of Intent to Participate" page (Figure 5.2). You must submit the Notice of Intent to Participate in order to apply for benefits for the new fiscal year.

Select "Submit Notice of Intent to Participate" (Figure 5.2) to send your notice to FDA.
Figure 5.2 – Renew: Submit Notice of Intent to Participate

Once you submit the “Notice of Intent to Participate,” the system will include the submitted notice information in the “Notice of Intent to Participate” table (Figure 5.3).

Figure 5.3 – Renew: Submitted Notice of Intent to Participate

5.2 Create Application

The “Create Application” menu option will be displayed from the VQIP Home page after submitting the notice of intent to participate (Figure 5.4).
Select “Create Application” menu option (Figure 5.4) to begin the application process. You will be asked if you want to renew the application using the previously submitted information (Figure 5.5).

If you choose “Yes” (Figure 5.6), the application will be prefilled with your previously-entered application information; you can still edit the prefilled information in the application.

If you choose “No” (Figure 5.7), the previously-entered application information will not
be prefilled. All the application information must be entered.

Figure 5.7 – Renew: Create Application (“No”)

The “Next” button displayed at the bottom of the page will be activated once an option is selected (Figure 5.8).

Figure 5.8 – Renew: Create Application (“Next”)

Click the “Next” button (Figure 5.8) to begin editing or adding the application information. The system will display Section A, “Applicant and Firm Information” (Figure 5.9).

5.3 Section A: Applicant and Firm Information

Applicant firm information and contact information are pre-filled based on your OAA information. Though pre-filled, you may edit the following two questions, as necessary:

- “A benefit of VQIP is that FDA will post a publicly available list of approved VQIP importers on FDA’s VQIP Web page. Do you agree to have your name listed on this publicly available list?”
- “Are you a C-TPAT Tier 2 or 3 member?”
After you have completed Section A, you may select “Next” to navigate to Section B.

### 5.4 Section B: Foreign Supplier Verification Program (FSVP) and Hazard Analysis and Critical Control Point (HACCP) Importer Information

In this section, the system will display a table containing the previously submitted FSVP/HACCP Importers (Figure 5.10).
You may choose an FSVP/HACCP Importer from the table to edit, view, or delete. To do so, select the corresponding icons from the “Action” column (Figure 5.11).

You may also include additional contacts by selecting the “Type of Importer” from the drop-down (Figure 5.12). For step-by-step instructions on how to add an FSVP/HACCP Importer, refer to Section 2.2.
5.5 Section C: Quality Assurance Program

In this section, the system will display a table containing previously submitted attachments (Figure 5.13). You will have the ability to view or delete previously submitted attachments and edit previously submitted comments.

![Figure 5.13 – Renew: QAP - Attachment(s) Table](image)

You may add more files to your application by selecting “Browse” (Figure 5.14). The system will open a dialog box where you can select the file(s). For step-by-step instructions on how to add an attachment, refer to Section 2.3.

![Figure 5.14 – Renew: QAP - Add Attachment](image)

5.6 Section D: Filer/Broker Information

In this section, the system will display a table containing the previously submitted Filer/Broker(s) (Figure 5.15).
You may choose a Filer/Broker from the table to edit, view, or delete. To do so, select the corresponding icons from the “Action” column (Figure 5.16).

You may add additional Filer/Brokers by selecting “Yes” to “Do you have a DUNS Number for your Filer/Broker?” (Figure 5.17). For step-by-step instructions on how to add a Filer/Broker, refer to Section 2.4.
5.7 Section E: Foreign Suppliers and Foods
In this section, the system will display a table containing the previously submitted Foreign Supplier(s) (Figure 5.18).

You may choose a Foreign Supplier from the table to view or delete. To do so, select the corresponding icons from the “Action” column (Figure 5.19).

To select certifications and associate foods to the respective certifications for a Foreign Supplier, you must select the edit icon from the “Action” column displayed in the table (Figure 5.19).

It will list all the valid certifications available for the selected Foreign Supplier. Select the desired certifications from the table and then select the food(s) you will import from the Foreign Supplier. For step-by-step instructions on how to add certifications and associate foods, refer to Section 2.5.

You may add additional Foreign Suppliers by selecting “Yes” to “Do you have the DUNS number for the Foreign Supplier?” or “Add me as a Foreign Supplier” button.
Figure 5.20 – Renew: Add Foreign Supplier

5.8 Section F: Comments
In this section you may provide comments regarding your application. You may use this space to further explain information you included in your application or to explain anticipated changes that may impact your application (Figure 5.21).

Figure 5.21 – Renew: Comments

Once you have finished, you will have completed Section F. Select “Next” to navigate to Section G.

5.9 Section G: Summary
Review your application before submitting it for processing (Figure 5.22 and 5.23). Selecting “Edit” in the upper right corner of each section prompts the corresponding data entry screen from which you can edit and save changes.
