

JACK GEORGE CATON, JR.

CURRICULUM VITAE

PERSONAL

PLACE OF BIRTH: Los Angeles, California

MARITAL STATUS: Married, one child

NATIONALITY: USA

HOME ADDRESS: 29 Settlers Green
Pittsford, New York 14534

INSTITUTIONAL ADDRESS: Eastman Institute for Oral Health
625 Elmwood Avenue
Rochester, New York 14620

PRIVATE PRACTICE ADDRESS: 1724 Ridge Road East
Rochester, New York 14622

U.S. MILITARY: U.S. Army, 1967-1970, Captain

EDUCATION

1960-1961 University of San Francisco, San Francisco, California

1961-1963 Fresno State College, Fresno, California

1963-1967 University of California Dental School, San Francisco, California

1967-1968 U.S. Army Rotating Internship, Reynolds Army Hospital,
Fort Sill, Oklahoma

1970-1973 Department of Dental Research, University of Rochester,
Rochester, New York

1970-1973 Department of Periodontology, Eastman Dental Center,
Rochester, New York

HONORS

Outstanding student in Periodontology, American Society of Periodontology, 1967.

Outstanding student in Endodontics, American Association of Endodontics, 1967.

Fellowship, International College of Dentists, 1988.

Pierre Fauchard Society, 1989.

California Society of Periodontology, Award for "Outstanding Contributions to Periodontology", 1991.

William J. Gies Periodontology Award for "Contributions to the Scientific Literature in Periodontology", 1993.

Fellowship, American College of Dentists, 1993.

Fellowship, American Academy of Periodontology, 1995.

Award of Merit for "meritorious service and dedication to the members of the dental professions and community", Seventh District Dental Society, State of New York, 1998.

American Academy of Periodontology, Gold Medal, 2004

Special Citation for role in 2003 Workshop on Contemporary Science in Clinical Periodontics, American Academy of Periodontology, 2004.

Earl Robinson Award of the American Academy of Periodontology, for the best scientific paper on periodontal regeneration, 2005.

The William Jarvie and Harvey Burkhart Award, New York State Dental Association, 2006.

The Norton M. Ross Award for Excellence in Clinical Research, American Dental Association, for outstanding accomplishments in clinical investigations, 2008.

Outstanding Periodontal Educator Award, American Academy of Periodontology, 2009.

Distinguished Service Award, American Academy of Periodontology, 2016.

Master Clinician Award, American Academy of Periodontology, 2017.

DEGREES

D.D.S., University of California Dental School, 1967.
Rotating Dental Intern Certificate, U.S. Army, 1968.
M.S., University of Rochester, 1973.
Periodontology Specialty Certificate, Eastman Dental Center, 1973.
Diplomate, American Board of Periodontology, 1981.

POSITIONS HELD

1967-1968 Captain, Rotating Dental Intern, U.S. Army Dental Corps., Reynolds Army Hospital, Fort Sill, Oklahoma.

1968-1970 Captain, Clinic Chief, Deputy Dental Surgeon, U.S. Army Dental Corps, White Sands Missile Range, New Mexico.

1970-1973 N.I.H. Trainee, Periodontology Graduate Student, University of Rochester and Eastman Dental Center, Rochester, New York.

1973-1975 Assistant Director of Research, Department of Periodontology, Eastman Dental Center, Rochester, New York.

1973-1981 Assistant Professor, Department of Clinical Dentistry, School of Medicine and Dentistry, University of Rochester, Rochester, New York.

1975-1978 Research Associate, Department of Periodontology, Eastman Dental Center, Rochester, New York.

1977-1991 Coordinator of Clinical Periodontics, Department of Periodontology, Eastman Dental Center, Rochester, New York.

1978-1990 Senior Research Associate, Department of Periodontology, Eastman Dental Center, Rochester, New York.

1978-1988 Senior Clinical Associate in Periodontics, Eastman Dental Center, Rochester, New York.

1979-1981 Assistant Professor, Department of Dental Research, School of Medicine and Dentistry, University of Rochester, Rochester, New York.

1981-1991 Associate Professor, Department of Clinical Dentistry, School of Medicine and Dentistry, University of Rochester, Rochester, New York.

- 1981-1998 Associate Professor, Department of Dental Research, School of Medicine and Dentistry, University of Rochester, Rochester, New York.
- 1988-1992 Senior Clinician, Department of Periodontology, Eastman Dental Center, Rochester, New York.
- 1990-1991 Acting Chairman, Department of Periodontology, Eastman Dental Center, Rochester, New York
- 1990- Program Director, Advanced Training Program in Periodontology, Eastman Dental Center, Rochester, New York.
- 1990-1991 Senior Scientist, Department of Periodontology, Eastman Dental Center, Rochester, New York.
- 1991- 1997 Professor, Department of Clinical Dentistry, University of Rochester, Rochester, New York.
- 1992- 1998 Professor, Department of Periodontology, Eastman Dental Center, Rochester, New York.
- 1994- 1997 Associate Director for Educational Programs, Eastman Dental Center, Rochester, New York.
- 1998- Professor, Eastman Department of Dentistry, University of Rochester Eastman Dental Center, Rochester, New York.
- 1998- Chair, Division of Periodontics, University of Rochester Eastman Institute for Oral Health, Rochester, New York.
- 1998- Associate Director for Education, Eastman Institute for Oral Health, University of Rochester, Rochester, New York.

DENTAL BOARDS

California State Dental Board, 1967
 National Dental Board, 1972
 Northeast Regional Board, 1973
 New York State Dental Board, 1973
 Periodontology Specialty Board, 1974 (Part I), 1980 (Part 2)
 Periodontology Specialty Board, 1981 (Part 3)
 Periodontology Specialty Board, Recertification 2009, 2014.

OFFICES HELD

Program Chairman, Lakeside Dental Study Club, 1975-1977
Board of Directors, Lakeside Dental Study Club, 1977-1980
Chairman, Mediation Committee, Monroe County Dental Society, 1978-1979
President, Lakeside Dental Study Club, 1979
Secretary-Treasurer, Rochester Dental Association, 1980
Chairman, Peer Review Committee, Monroe County Dental Society, 1980-1982
Trustee, National Foundation for the Prevention of Oral Disease 1980-1987
Secretary, Clinical Staff, Eastman Dental Center, 1981-1982
President, Rochester Dental Association, 1982-1983
President, Clinical Staff, Eastman Dental Center, 1982-1983
Secretary, National Foundation for the Prevention of Oral Disease 1984-1985
Councilor, American Association for Dental Research, 1984-1988
Chairman, Mediation Committee, Monroe County Dental Society, 1984-1985
Chairman, Peer Review Committee, Monroe County Dental Society, 1985-1989
Director, Board of Directors, Monroe County Dental Society, 1986-1989
Director, Board of Directors, Seventh District Dental Society of the State of New York, 1987-1990
Director, Board of Directors, American Board of Periodontology, 1988-1994
Executive Council, American Academy of Periodontology, 1988-1989
Trustee, Board of Trustees, American Academy of Periodontology, 1989-1994
Executive Committee, Board of Trustees, American Academy of Periodontology, 1990-1991 ; 1992-1993 and 1995
Vice Chair, Board of Directors, American Board of Periodontology 1992-1993
Chair, Board of Directors, American Board of Periodontology, 1993-1994
Secretary, American Academy of Periodontology, 1995-1996
Treasurer, American Academy of Periodontology, 1996-1997
Vice President, American Academy of Periodontology, 1997-1998
President Elect, American Academy of Periodontology, 1998-1999
Director, Board of Directors, American Academy of Periodontology Foundation, 1998-2011
President, American Academy of Periodontology, 1999-2000
Immediate Past President, American Academy of Periodontology, 2000-2001
Director, American Academy of Implant Dentistry Foundation Board, 2001-2003
Director, American Academy of Periodontology Foundation Board, 2002-2011
Commissioner, Commission on Dental Accreditation, 2002- 2006
Chair, Periodontics Advisory Committee, Commission on Dental Accreditation, 2002-2006
President, American Academy of Periodontology Foundation Board of Directors, 2009-2010

CONSULTANTSHIPS AND COMMITTEES

Consultant, Rochester Regional Hemophilia Center, 1978- 2002
Consultant and Recorder, Consensus Development Conference on Third Molar, Removal, National Institute of Dental Research, Bethesda, Maryland, 1979
Consultant, Periodontal Program, U.S. Army Institute of Dental Research, Washington, D.C., 1980-
Consultant and Reviewer, Consensus Development Conference on Surgical Therapy of Periodontitis, National Institute of Dental Research, Bethesda, Maryland, 1980-1981
Reviewer, State-of-the-Art, Prevention of Periodontal Disease, National Institute of Dental Research, Bethesda, Maryland, 1981
Editorial Consultant, Journal of Periodontology, 1981-present
Consultant, Committee on Research and Manpower of NADRC, NIDR, Project Site Visit of University of Michigan Dental Research Center, 1982
Consultant, Committee on Research and Manpower of NADRC, NIDR, Project Site Visit of University of Michigan Dental Research Institute, 1984
Consultant, Special Study Section, Committee on Research and Manpower of NADRC, NIDR, Project Site Visit of Foster-Miller Inc. and Harvard University School of Dental Medicine, 1984
Special Reviewer, Oral Biology and Medicine Study Section, National Institutes of Health, 1984
Special Reviewer, Medical Research Council of Canada, 1985- 2005
Editorial Consultant, Periodontal Case Reports, 1986-1991
Editorial Consultant, Journal of Public Health Dentistry, 1987
Advisory Board (referee), Journal of Clinical Periodontology, 1988-1995
Reviewer, World Workshop in Clinical Periodontics, 1989
Science Advisory Board, Astra Pain Control, 1990-1993
Consultant, National Naval Dental School, 1990- 2003
ADA Advisory Committee for Advanced Education in Periodontics, 1992-1998
Editorial Consultant, Practical Periodontics, 1992-1998
Reviewer, Journal of Dental Research, 1992-1998
Collagenex Scientific Advisory Board, 1992- 2003
Blue Shield Dental Advisory Board, 1992-1998
Chair, NIH Special Study Section, SBIR, 1993
Seventh District Dental Society Peer Review - Mediation, 1994-1995
Consultant, ADA Commission on Dental Accreditation, 1994-present
Chair, ADA Advisory Committee for Advanced Education in Periodontics, 1994-1998
Associate Editor, Journal of Periodontal Research, 1996-1999
Editorial Board, European Journal of Dentistry, 1996-2004
Associate Editor, Journal of Periodontology, 2000-2006
Technical Expert Advisory Group (TEAG), RTI-UNC Evidence Based Practice Center Team, 2001 - 2002
Commission on Dental Accreditation, AdHoc Committee on the Structure and Function of Review Committees, 2005-2006

Commission on Dental Accreditation, Special Committee to Review Standard 2 for
Advanced Specialty Education Programs, 2005-2006
Editorial Advisory Board, Journal of Periodontology, 2006-present
Chair, Task Force on Advanced Dental Education, 2012-2015
Member, FDA Device Panel, 2015-
Editorial Board, International Journal of Oral and Dental Health, 2015-
Editorial Board, Journal of Dentistry and Orofacial Surgery, 2015-
Editorial Board, World Journal of Stomatology, 2016-

AMERICAN ACADEMY OF PERIODONTOLOGY

Executive Committee of District VII, 1983-1994
Subcommittee on Orban Prize, 1983-1988
Continuing Education Committee, 1983-1989
Executive Council, 1988-1989
Subcommittee on Research Forum, 1988-1990
Committee for Screening Commercial Messages and Exhibits, 1988-1990
Trustee, Board of Trustees, 1988-1994
Ad Hoc Committee on Periodontal Screening and Education, 1990-1994
Nominations Committee, 1990-1993
Periodontal Screening and Recording Program Committee, 1990 -1994
Executive Committee, Board of Trustees, 1990-1991; 1992-1993; 1995-
Ad Hoc Committee to Revise Postdoctoral Accreditation Standards, 1991-1992
Session Chair, Consensus Conference to Revise Requirements for Advanced Education
in Periodontics, 1991
Budget and Audit Committee, 1990-1991; 1992-1993; 1995-1998
Crisis Communication, National Spokesperson on Diagnosis, 1992
Strategic Planning Committee, 1992-1993
Ad Hoc Committee on Parameters of Care, 1993-1996
Chair, Ad Hoc Committee to Negotiate the Editors Contract, 1993-1994
Secretary, 1995-1996
Chair, Task Force on Periodontal-Medical Interface, 1995-1996
Chair, Task Force on Reconsideration of the Governance Study, 1995-1996
Ad Hoc Committee to Plan the World Workshop 1995-1996
Workshop Secretary, World Workshop in Periodontics, 1995-1996
Chair, Task Force for the Classification of Periodontal Diseases, 1996-1997
Treasurer, 1996-1997
Task Force on Periodontal-Medical Interface, 1997-1998
Task Force to Revise the Accreditation Process, 1997-1998
Task Force to Disseminate the Findings of the World Workshop 1996-1998
Task Force to Review the Standards for Advanced Specialty Education Programs in
Periodontics 1997-1998
Classification Workshop Organizing Committee, 1997-1999
Long Range Planning Committee, 1997-1998

Vice President, 1997-1998
Organizing Committee for a Classification of Periodontal Disease Workshop, 1998-
Finance Committee, 1998-1999
Planning Committee, 1998-2000
Task Force to Prioritize Research Needs, 1998-1999
Committee to Review the Executive Director's Performance 1998-2001
Organizing Committee for an AAP/NIDCR 2001 Symposium on Periodontal Diseases
and Systemic Diseases, 1999-2001
President Elect, 1998-1999
Organizing Committee for a Workshop on Clinical Significance, 1999-2001
Chair, AAP Nomination Committee, 1999
Chair, Committee to Consider a World Workshop, 1999-2000
President, 1999-2000
Chair, AAP Executive Committee, 1999-2000
Immediate Past President, 2000-2001
Chair, Organizing Committee for a Workshop on Contemporary Issues in Clinical
Periodontics - 2000-2004
Committee on Education, 2001-2006
AAP/AAPF Joint Task Force on an Educational Endowment Fund, 2004
Organizing Committee for the AAP Predoctoral Periodontal Education Congress, 2004-
2005
Mentoring Subcommittee of the Education Committee, 2005-2006
Chair, Blue Ribbon Panel on Governance, 2005
Task Force to Review Accreditation Standards, 2006-2008
Task Force to Address Specialty Participation in the Commission on Dental
Accreditation, 2006-2007
Consultant, Education Committee, 2006-present
Scientific Oversight Committee, 2012-2016
Chair, Task Force on Advanced Dental Education, 2012-2016
Participant, 2014 Workshop, Enhancing Periodontal Health Through Regenerative
Approaches, 2013-2014
Member, Officer, Nominating Committee, 2015-
Member, Executive Director Search Committee, 2015-2017
Co-Chair, Organizing Committee for a World Workshop on the Classification of
Periodontal and Peri-implant Diseases and Conditions, 2015-2018
Member, Disease Classification Steering Committee, 2018

AMERICAN ACADEMY OF PERIODONTOLOGY FOUNDATION

Corporate Committee, AAP Foundation, 1994-1996
Tarrson Scholarship Committee, 1998-2016
Board of Trustees, 1999-2011
Chair, Gerry Bowers Fund for the ABP, 2001-2006
Chair, Education Campaign Task Force, 2006-2008

Secretary-Treasurer, 2007-2008
Vice President, 2008-2009
President, 2009-2010
Immediate Past President, 2010-2011
Chair, Nomination Committee, 2011
Chair, Tarrson Scholarship Committee, 2012-2016
D. Walter Cohen Award Committee, 2016-

AMERICAN BOARD OF PERIODONTOLOGY

Director, 1988-1994
Budget Committee, 1989
Public Relations, 1989-1991
Oral Exam Committee, 1989-1990
Membership Committee, 1989-1991
Publicity Committee, 1989-1991
Examination Committee, 1990-1994
Appeals Committee, 1991-1993
Vice Chairman, 1992-1993
Chairman of the Board, 1993-1994

COMMISSION ON DENTAL ACCREDITATION

Consultant, 1986-present
Periodontology Review Committee, 1992-1996
Commissioner, 2002-2006
Special Committee to Review Standard 2 – Program Director Qualifications, 2005- 2006
AdHoc Committee to Review the Structure and Function of Review Committees, 2005-2006

EASTMAN DENTAL CENTER/EASTMAN INSTITUTE FOR ORAL HEALTH

Medical and Dental Staff Committee, 1975-1989
Senior Staff, 1975-1992
Library Committee, 1980-1982
Institutional Animal Care and Use Committee, 1981-1997
Search Committee, Pediatric Dentistry Chairman, 1982-1983
Coordinator, Research Seminar Program, 1983-1985
Part-time Faculty Teaching Award Selection Committee, 1987-1988
Chairman, Part-time Faculty Teaching Award Selection Committee, 1988
Strategic Planning Reactor Panel, 1988-1990
Clinical Affairs Committee, 1989-1991
Chairman, Ad Hoc Tenure Committee, 1989-1990
Executive Committee of Senior Staff, 1990-1991

Strategic Planning Committee, 1990-1991
75th Anniversary Planning Committee, 1990
Curriculum Committee, 1990-2000
Promotions Committee, 1991
Strategic Planning Committee, 1993
Promotion and Tenure Committee, 1993-
Associate Directors Committee, 1994-1997
Quality Assurance Committee, 1994-
Chair, Program Directors Committee, 1995-1997
Senior Faculty Advisory Committee, 1995-1998
Chair, Promotion, Appointment, Reappointment Committee, 1996-1998
UR and EDC Management Team, 1997-1998
UR and EDC Clinical Service/Residency Education Work Group, 1997
Clinical Service Advisory Committee Transition Team, 1998
Division Chiefs and Clinical Service Committee, 1998-2008
EDC Division Chairs Committee, 1999-2005
Chair, CODA Committee, 2002-2004
Associate Director for Education, 2010-
EILT Committee, 2011-
Chair, Curriculum Committee, 2010-
Chair, CODA Committee, 2010-2012, 2015-
Director, Masters Program in Dental Science

PROFESSIONAL SOCIETIES

HOSPITAL APPOINTMENTS

Rochester General Hospital, Assistant Attending, 1973-1977
Strong Memorial Hospital, Assistant Attending, 1975-1976
Strong Memorial Hospital, Associate Dentist with admitting privileges, 1977-1981
Rochester General Hospital, Consulting, 1978-
Periodontist, Rochester Regional Hemophilia Center, 1978-2002
Strong Memorial Hospital, Senior Associate Dentist, 1981-1988
Strong Memorial Hospital, Attending Dentist with admitting privileges, 1988-

RESEARCH SUPPORT

1970 - 1973 NIDR Training Grant DE-070161
Trainee

1973 - 1978 "Basic Studies Bearing on Periodontal Disease"
NIDR Grant DE-01648
Investigator

1981 - 1991 "New Connective Tissue Attachment to Diseased Root Surfaces"
Wasył Pluta Periodontal Fund
Principal Investigator, \$146,500

1982 - 1991 "Studies on Objective Diagnosis of Periodontal Status"
Johnson & Johnson Periodontal Research Fund
Principal Investigator, \$432,000

1983 - 1984 "Experimental Gingivitis Studies"
American Cyanamid
Investigator, \$124,375

1987 - 1991 "Periodontal Regeneration: Effect of a Periodontal Membrane to Enhance Selective Cell Repopulation"
W.L. Gore Periodontal Research Fund
Principal Investigator, \$44,000

1988 - 1990 "Periodontal Regeneration: Effect of a Resorbable Periodontal Material"
Johnson & Johnson Dental Care Company
Principal Investigator, \$72,000

1988 - 1991 "Evaluation of Vicryl Woven Mesh Barriers for Treatment of Furcation Involvements in Humans"
Johnson & Johnson Dental Care Company
Principal Investigator, \$97,000

1988 - 1991 "Periodontal Regeneration in the Cynomolgus Monkey - Fenestration Model"
Johnson & Johnson Dental Care Company
Principal Investigator, \$92,700

- 1989 - 1992 "Evaluation of Various Treatment Usages of Periodontal Therapeutic System"
Alza Corporation
Principal Investigator, \$228,360
- 1990 - 1993 "A Study of Enamel Matrix Derivative for Treatment of Experimental Periodontitis in Monkeys"
Astra Corporation
Principal Investigator, \$149,750
- 1991 - 1996 "Periodontal Disease"
NIDR Training Grant DE-07061
Principal Investigator, \$1,770,840
- 1991 - 1993 "Evaluation of Vicryl Periodontal Mesh Combined with Hydroxyapatite in Human Periodontal Defects"
Johnson & Johnson Dental Care Company
Principal Investigator, \$64,000
- 1991 - 1993 "Preliminary Investigation to Determine the Effect of Locally Delivered Tetracycline for the Treatment of Localized Juvenile Periodontitis"
Eastman Kodak Company
Co-principal Investigator, \$25,000
- 1992 -1995 "The Effect of Low Dose Doxycycline on Attachment Levels in Patients with Periodontitis "
International Clinical Research
Principal Investigator, \$460,000
- 1993 - 1993 "Enamel Matrix Derivative versus Sham Operated Control. I. Acute Dehiscence Model.
Astra Corporation
Principal Investigator, \$46,238
- 1993 - 1997 "Comparisons between Gore-Tex, Resolut and Guidor for Promoting Guided Tissue Regeneration"
W.L. Gore and Associates
Principal Investigator, \$150,000
- 1993 -1995 "Compound X Periodontal Regeneration Study"
Proctor and Gamble, Inc.
Principal Investigator, \$160,000
- 1993 -1995 "A Multi-Center Study of Guided Tissue Regeneration after the Treatment of Class II Furcation Defects with Atrisorb™ Periodontal Material."
ATRIX Corporation
Principal Investigator, \$18,000
- 1994 -1995 "A Multi-Center, Randomized, Single-Blind Parallel Study Comparing Guided Tissue Regeneration after Treatment of Class II Furcation Defects with either Atrisorb™ or Gore-Tex® Periodontal Material"
ATRIX Corporation

- 1994 -1995 *Principal Investigator, \$120,000*
 "Clinical Training Program For The Administration Of VR-303-ABS And VR-303-D Into Periodontal Pockets"
 ATRIX Corporation
- 1994 -1995 *Principal Investigator, \$8,400*
 "Comparison Between Inter-Plak[®] and Conventional Toothbrushes in Treating and Preventing Interdental Gingivitis"
 Bausch and Lomb
- 1994 - 1996 *Principal Investigator, \$98,000*
 "An *In Vivo* Evaluation of the Pulpal Response to Laser Treated Dental Hard Tissues"
 Medical Optics
- 1994 - 1996 *Principal Investigator, \$30,285*
 "Clinical Effects Following Subgingival Administration of Chlorhexidine Gluconate (2.5 mg) in a Cross-Linked Gelatin Matrix in Patients with Chronic Periodontitis"
 Oxford Research International Corporation
- 1995 - 1996 *Co-Principal Investigator, \$137,925*
 "A Multi-Centered, Randomized, Single Blind Parallel Study Comparing UR-303-ABS, UR-303-D, Scaling, And Oral Hygiene Instructions"
 Atrix Corporation
- 1995 - 1998 *Principal Investigator, \$180,000*
 "The Effect Of Locally Delivered OT-11 On Periodontal Regeneration"
 Proctor And Gamble, Inc.
- 1995 -1998 *Principal Investigator, \$100,000*
 "The Effect Of Locally Delivered OT-12 On Periodontal Regeneration"
 Proctor And Gamble, Inc.
- 1996 - 2001 *Principal Investigator, \$100,000*
 "Periodontal Disease"
 NIDR Training Grant DE-07061
- 1996-1998 *Principal Investigator, \$962,080*
 "Low Dose Doxycycline Hyclate As An Adjunct To Scaling And Root Planing"
 Collagenex, Inc.
- 1996-1999 *Principal Investigator, \$258,000*
 "Focusing Epidemiology Using Decision Analysis"
 NIDR
- 1996-1998 *Co-Investigator, \$61,438*
 "A Multicenter, Parallel Design, Single Blind Study Comparing VR-303-ABS With Coe-Pak[™] Periodontal Dressing, VR-303-ABS With Octyldent[™] Periodontal Adhesive, And VR-303-P With Octyldent[™] Periodontal Adhesive In Reducing The Clinical Signs Associated With Periodontitis.
 ATRIX Laboratories, Inc.
- 1996-1998 *Principal Investigator, \$207,000*

- 1997- 2001 “Long-Term Effectiveness Of Emdogain® In Patients With Chronic Adult Periodontitis.
 BIORA
Principal Investigator, \$90,404
- 1998-1999 “The Effects Of A Sodium Bicarbonate Containing Chewing Gum On Dental Plaque And Gingivitis.
 Church & Dwight Company
Co-Principial Investigator, \$185,000
- 1998-2000 Multicenter Phase 3 Trial Of Minocycline Periodontal Therapeutic System (Minocycline PTS): Adjunctive Use In Patients With Adult Periodontitis.
 OraPharma
Principal Investigator, \$235,000
- 1998-2001 “Long-Term Effectiveness Of Emdogain® In Patients With Chronic Adult Periodontitis. Administrative Support For Study Coordination.
 BIORA
Principal Investigator, \$22,675
- 2007-2010 Evaluation of a New Titanium Surface on the Healing of Tissues in the Canine.
 Keystone
Principal Investigator, \$250,434
- 2016-2017 Straumann support grant, \$64,000
Co-Principial Investigator
- 2018- Straumann SuperGrant
Principal Investigator, \$59,000

MAJOR PRESENTATIONS

An animal model for evaluating periodontal treatment procedures. Fiftieth General Session International Association for Dental Research, Las Vegas, Nevada, 1972.

A primate model for the treatment of periodontal lesions. Second International Conference on Periodontal Research, Aarhus, Denmark, 1972.

An animal model for evaluation of periodontal treatment procedures. Balint Orban Memorial Program, 59th Annual Meeting American Academy of Periodontology, San Antonio, Texas, 1973.

Connective tissue attachment after replaced (Widman) flap procedure. 54th General Session International Association for Dental Research, Miami Beach, Florida, 1976.

Effects of periodontal surgical procedures on connective tissue attachments and alveolar bone. Research Forum, American Academy of Periodontology, San Francisco, California, 1976.

Connective tissue attachment level after repeated root planing and curettage. 55th General Session International Association for Dental Research, Copenhagen, Denmark, 1977.

Margin placement and embrasure form for maintenance of periodontal health. Seminar, New York State Dental Meeting, Great Gorge, New Jersey, 1977.

Relationships between clinical and histologic characteristics of gingival lesions. 57th General Session International Association for Dental Research, New Orleans, Louisiana, 1979.

Histological determination of probe tip penetration into the gingival sulcus of humans using an electronic pressure-sensitive probe. Research Forum, American Academy of Periodontology, Seattle, Washington, 1979.

Healing of root planed periodontal pockets monitored by controlled probing force. Research Forum, American Academy of Periodontology, St. Louis, Missouri, 1980.

The diseased root surface in periodontal therapy. Continuing Education Course, American Academy of Periodontology, St. Louis, Missouri. 1980.

Histological and histometric evaluation of periodontal surgery in Rhesus monkeys. U.S. Army Institute of Dental Research, Washington, D.C. 1980.

Soft tissue response to root instrumentation. 25th Anniversary Scientific Program of Northeastern Society of Periodontists, New York, NY 1981.

Healing the wound of periodontal therapy. The validity of diagnostic parameters of periodontal disease. Summer Session, Western Society of Periodontology, Salishan Lodge, Oregon. June 29-30, 1981.

Clinical and histological response to scaling and controlled oral hygiene. Lakeside Study Club, December 1981.

Periodontics for your practice. Minnesota Association of Periodontists - Annual Meeting. All day course. Minneapolis, Minnesota. May 7, 1982.

Clinical and histological response of the periodontium to scaling and root planing. Lecture to Faculty of Dentistry, University of Toronto, Canada. October 1982.

Status of ceramic implant material in the management of periodontal disease. 55th Anniversary The American Prosthodontic Society Meeting, Chicago, Illinois. February 18-19, 1983.

Response of the periodontium to therapy. Diagnostic parameters of periodontal disease. Two day course at the Instituto Stomatologico Toscano, Pistoia, Italy. April 28 & 30, 1983.

The effect of root surface therapy on periodontal wound healing. Management of infrabony defects. Sixth Annual Periodontal Conference. New York, NY. May 6 & 7, 1983.

Periodontal response after tooth movement into infrabony defects. Annual Session American Association for Dental Research, Cincinnati, Ohio, March 20, 1983.

Interdisciplinary management of fractured teeth. Lakeside Dental Study Club. Rochester, NY. June 14, 1983.

Experimental reattachment after periodontal therapy. Gordon Research Conference on Periodontal Diseases, Plymouth State College, Plymouth, NH. June 30, 1983.

Management of the root surface in periodontal therapy. Symposium on Progress in Periodontics. Ohio State University, Columbus, Ohio. September 15-16, 1983.

The relevance of current research to patient management - oral microbiology, surgical therapy and new attachments. Continuing Education Course, American Academy of Periodontology, Atlanta, Georgia. September 29, 1983.

Interproximal bleeding: A diagnostic sign of an inflammatory lesion. Research Forum, American Academy of Periodontology, Atlanta, Georgia. September 29, 1983.

Periodontal wound healing after root planing and curettage. Wayne County Association of Hygienists. Newark, NY. November 17, 1983.

The effects of ceramic implants on periodontal wound healing. 10th Annual USC Periodontal Symposium. The University of Southern California, Los Angeles, CA. January 20 & 21, 1984.

Significance of bleeding in diagnosis of periodontal status. Loma Linda University, Loma Linda, CA. January 23, 1984.

Periodontal Wound Healing. Half day course to faculty and residents, U.S. Army U.S. Navy and University of Maryland. Bethesda, Maryland. April 3, 1984.

Concepts involved in periodontal regeneration. Lecture to the Greater Washington Society of Periodontology, Bethesda, Maryland. April 3, 1984.

Clinical and histological effect of root planing and soft tissue curettage on periodontal pockets. Lecture to Onondaga County Dental Society, Syracuse, NY. April 10, 1984.

Clinical and histological response to periodontal therapy. Spring Scientific Meeting, Northeastern Society of Periodontology, New York, NY. April 13, 1984.

Healing after application of tissue-adhesive material to denuded root surfaces. Annual Session International Association for Dental Research, Dallas, Texas. March 16, 1984

Periodontal Wound Healing. All day lecture to the Periodontal faculty and residents, University of Michigan. Ann Arbor, Michigan. May 11, 1984.

Diagnosis of periodontal status. Continuing Education Course, American Academy of Periodontology, New Orleans, Louisiana. September 20, 1984.

Management of the root surface in periodontal therapy. Continuing Education Course, Scottsdale, Arizona. January 12, 1985.

Repair and regeneration in periodontal therapy. Bleeding as a diagnostic sign of periodontal status. Visiting Professor Program, University of Nebraska, Lincoln, Nebraska. April 26, 1985.

Reconstructive periodontal therapy - reattachment and new attachment procedures. Third Gordon Research Conference on Periodontal Diseases. Plymouth, New Hampshire. June 27, 1985.

Biology of periodontal regeneration. Continuing Education Course, American Academy of Periodontology, San Francisco, California. September 14, 1985.

Periodontal diseases: integration of new concepts into patient management. Continuing Education Course, Eastman Dental Center. Rochester, New York. April 10, 1986.

Periodontal wound healing. Two-day Continuing Education Course for Gianfranco Carnevale Study Group. Bologna, Italy. June 2 & 3, 1986.

The role of bleeding in periodontal diagnosis. Third International Congress: New Trends in Periodontology. Italian Society of Periodontology. Milan, Italy. June 5, 1986.

The root surface and periodontal wound healing. Third International Congress: New Trends in Periodontology. Italian Society of Periodontology. Milan, Italy. June 6, 1986.

The biology of periodontal regeneration. Two-day lecture to the Baylor Periodontal Alumni. Mount Crested Butte, Colorado. February 26 & 27, 1987.

Interdisciplinary management of fractured anterior teeth. Lecture to the Appolonian Dental Society of Rochester. Rochester, NY. March 18, 1987.

The periodontal lesion: diagnosis and management. Continuing Education Course. Eastman Dental Center, Rochester, New York. April 30 & May 1, 1987.

Tissue response to therapy. Oneida-Herkimer County Dental Society Spring Seminar. Utica, New York. May 14, 1987.

The Eastman Interdental Bleeding Index: scientific background and clinical applications. 1987 National Dental Hygiene Directors' Conference, Williamsburg, Virginia. June 17, 1987.

Biologic rationale for periodontal diagnosis and treatment. Summer Meeting of the Southwest Society of Periodontists, Austin, Texas. June 27 and 28, 1987.

Analysis and management of the periodontal lesion. First National Congress in Periodontology, Venezuelan Society of Periodontology, Caracas, Venezuela. November 4-6, 1987.

Peri-abutment tissue response. Osseointegrated Implants: The Branemark System. Continuing Education Course. Eastman Dental Center and The Genesee Hospital, Rochester, New York. April 23, 1988.

Periodontal regeneration. Discussion Leader. Gordon Research Conference on Periodontal Diseases. Plymouth, New Hampshire. July 1, 1988.
Diagnosis of the periodontal lesion. Continuing Education Course, American Academy of Periodontology, San Diego, California. October 27, 1988.

Current concepts of periodontal diagnosis and therapy. University of Georgia and Periodontal Residency Program at Fort Gordon Georgia, Augusta, Georgia. November 3 & 4, 1988.

Periodontal response to orthodontic therapy: management of angular defects and fractured teeth. Meeting of the Illinois Society of Periodontists, Chicago, Illinois. February 17, 1989.

Interpretation of clinical research for patient management. 32nd Annual Meeting of the Midwest Society of Periodontology, Chicago, Illinois. February 18, 1989.

Effect of antimicrobial rinse on interdental gingivitis. AADR/IADR Annual Meeting. San Francisco, California. March 8-11, 1989.

Periodontal diagnosis. Periodontal Diagnosis Workshop, Chicago, Illinois. April 13-15, 1989.

Scientific background and practical application of the Eastman Interdental Bleeding Index. Rochester District Dental Hygienists' Association, Rochester, New York. May 10, 1989.

Response of the periodontium to therapy. Continuing education course. 5th International Academy of Periodontology, Monte Carlo, Monaco, June 2, 1995.

Bioabsorbable barriers and guided tissue regeneration. Lecture, 5th International Academy of Periodontology, Monte Carlo, Monaco, June 3, 1995.

Bioabsorbable barriers and periodontal regenerative procedures. 81st Annual meeting American Academy of Periodontology, New York, NY, September 21, 1995.

Insights into the Relationship of occlusal factors and wound healing. The Meeting of the Minds on Occlusal Theories Symposium, Rochester, NY, October 5, 1995.

Design of human clinical trials. Lecture to the faculty and residents. University of Basel, Basel, Switzerland, January 12, 1996.

Response of the periodontium to therapy. Continuing Education course to the faculty, alumni and residents. University of Basel, Basel, Switzerland, January 13, 1996.

Overview of clinical trials on periodontal regeneration. Symposium on Clinical Trial Design and Analysis in Periodontics. Washington, D.C., February 1, 1996.

Principals of Periodontal Surgery. Lecture to faculty and postdoctoral residents. University of Texas at San Antonio, February 6, 1996.

Periodontal regeneration after palatal flap surgery in nonhuman primates. IADR meeting, San Francisco, CA, March 17, 1996.

Bioabsorbable barriers and periodontal regeneration. Lecture to the Onondagua County Dental Society, Syracuse, NY, April 16, 1996.

Bioabsorbable barriers for periodontal regeneration. Keynote address. Italian Society of Periodontology, Florence, Italy, June 14, 1996.

Response of periodontium to regenerative therapy. Full-day course for the Italian Society of Periodontology, Florence, Italy, June 15, 1996.

Current status of bioabsorbable barrier for GTR. Symposium at the 82nd annual meeting of the American Academy of Periodontology, October 7, 1996.

Response of periodontium to therapy. All day lecture to the Korean Academy of Periodontology, Seoul, Korea, December 6, 1996.

Postdoctoral education in the United States. Lecture to the faculty and residents, Seoul National University, Seoul, Korea, December 7, 1996.

Subantimicrobial doxycycline therapy for periodontitis. 75th General Session of the IADR, Orlando, Florida, March 21, 1997.

Periodontal regeneration with bioabsorbable barriers. American Academy of Periodontology Esthetic and Regenerative Conference, Orlando, FL, April 18, 1997.

Mediators in osseous regeneration-enamel matrix proteins. Continuing Education Course at the 83rd annual meeting of the American Academy of Periodontology, October 8, 1997.

Response of the periodontium to therapy. Lecture to the alumni, faculty and residents. Louisiana State University, November 10, 1997.

Response of the periodontium to therapy. Lecture to the alumni, faculty and residents of the US Army Dental Postgraduate Dental Program at Fort Gordon, Georgia, January 9, 1998.

New concepts of the pathogenesis of periodontal diseases. All day continuing education course to the Florida National Dental Congress, Orlando, Florida, June 12, 1998.

Scientific basis for soft tissue management. Ontario Society of Periodontists, Toronto, Canada, November 13, 1998.

New concepts in periodontal treatment. Lecture to the faculty of the University of Toronto. Toronto, Canada, November 13, 1998.

Response of the periodontium to therapy. Presentation for the faculty of the University of Tokyo annual meeting. Alumni Association of Tokyo, Medical and Dental. November 21, 1998.

New products for periodontal therapy. Continuing education course given to the Los Angeles Veterans Administration, Los Angeles, California, January 14, 1999.

Use of Periostat® in patient management. Presentation for the University of Southern California Symposium, Los Angeles, California, January 15, 1999.

Post-treatment effects of adjunctive subantimicrobial dose doxycycline therapy. Presentation at International Association of Dental Research, Vancouver, Canada, March 13, 1999.

Adjunctive periodontal medications and the Perio pill. Continuing Dental Education Course for dental hygienists at Monroe Community College, Rochester, New York, April 28, 1999.

Crown lengthening and the formation of the biologic width. Presentation at the Israel Society of Periodontology, Tel Aviv, Israel, February 9, 2000.

Use of Periostat® in patient management for periodontitis. Presentation at the Israel Society of Periodontology, Tel Aviv, Israel, February 10, 2000.

Histological variables for periodontal regeneration. Periodontal research symposium - Periodontal tissue regeneration at the turn of the new century. IADR/AADR annual meeting, Washington, D.C., April 6, 2000.

Safety and efficacy in periodontal therapy - nonsurgical therapy and pharmacotherapeutics. Kongress paradontologie-Fortschritt und Sicherheit, Berlin, Germany May 14-15, 2000.

Modulation of the host response in the management of periodontitis. Presentation at EuroPerio 3 - European Federation of Periodontology, Geneva, Switzerland, June 9, 2000.

Periodontal Wound Healing, Loma Linda University, Loma Linda, California, February 12, 2001.

Relationship between Periodontics and General Dentistry. Study Club, Ft. Lauderdale, Florida, March 24-28, 2001.

Variables for periodontal regeneration. SUNY Stony Brook, Stony Brook, New York, April 11, 2001.

Surgical crown lengthening and the biologic width. Columbia University Periodontal Residents and Faculty, New York, May 3, 2001.

Why is periodontal regeneration so elusive. Benjamin Tenenbaum Lecture. Columbia University, New York, May 3, 2001.

Local delivery antibiotics for the treatment of periodontitis. Rochester Periodontists. Rochester, New York. May 9, 2001.

Local delivery antibiotics for the treatment of periodontitis. Buffalo Periodontists. Buffalo, New York, May 16, 2001.

The role and purpose of organized periodontics. Upper New York State Society of Periodontists, Verona, New York. September 11, 2001.

The next generation locally administered antibiotic – new microsphere technology and delivery system. Rochester Periodontists. Rochester, New York, September 19, 2001.

Periodontal Regeneration. Biora National Sales Meeting, Chicago, Illinois. January 26, 2002.

Making sense out of contemporary periodontal therapy. Charles Finley Memorial Lecture. New Jersey Dental School, University of Medicine and Dentistry of New Jersey, Newark, New Jersey, February 18, 2002.

Review Course for the American Board of Periodontology Examination. Nonsurgical periodontal therapy. Louisiana State University Dental School, New Orleans, Louisiana, February 28 - March 3, 2002.

The dilemma of the 6mm bleeding pocket. The role of matrix metalloproteinase inhibitors. Annual meeting, American Academy of Periodontology, New Orleans, Louisiana, September 26, 2002.

Periodontics for the general practitioner: All day CE Course sponsored by UMDNJ, East Orange, New Jersey, October 2, 2002.

Innovation in locally administered antibiotics - Arestin™ Rochester Periodontists. Rochester, New York, November 13, 2002.

Review course for the American Board of Periodontology Examination. Nonsurgical periodontal therapy and longitudinal studies. Louisiana State University Dental School, New Orleans, Louisiana, February 11-16, 2003.

Host modulation for management of periodontitis. ADA Dental Students Conference on

Research, University of Rochester, Rochester, New York, April 7, 2003.

A systemic approach to the management of periodontal disease. Rochester General Dentists, Rochester, New York, April 30, 2003.

Evidence-based periodontology. Officers and Trustees of the American Academy of Periodontology. Phoenix, Arizona, January 16, 2004.

Nonsurgical periodontal therapy. LSU Board Review Course. New Orleans, Louisiana, February 2-8, 2004.

Hard and soft tissue regeneration: Materials and techniques. Michael Menaghan Memorial Lecture. Buffalo, New York, March 26, 2004.

Use of local delivery antimicrobials for treatment of periodontitis. Wisconsin Periodontists. Milwaukee, Wisconsin, April 2, 2004.

Contemporary Issues in Periodontics. 137th Annual Spring Meeting, Ontario Dental Association, Toronto, Canada, May 6, 2004.

The role of local drug delivery in the treatment of periodontal diseases: data and controversies. OraPharma Speakers Bureau. Rochester, New York, May 26, 2004.

Our bridge to the future: Findings of the 2003 Contemporary Science Workshop. American Academy of Periodontology annual meeting, Orlando, Florida, November 15, 2004.

Luncheon with the experts: Interpretation of the evidence-based method for patient management. American Academy of Periodontology annual meeting, Orlando, Florida, November 16, 2004.

The role of host modulation and local delivery antimicrobials. Seventh District Dental Hygienists. Rochester, New York, February 17, 2005.

Nonsurgical periodontal therapy. LSU Board Review Course. New Orleans, Louisiana, February 22-26, 2005.

Current concepts in Periodontics and their application in every day use. Continuing education course. Scranton, Pennsylvania, May 18, 2005.

How to publish clinical findings in the Journal of Periodontology. Annual meeting of the American Academy of Periodontology, Denver, Colorado, September 25, 2005.

Teaching residents to be teachers. Annual meeting of the American Academy of Periodontology, Postdoctoral Program Directors' Workshop, Denver, Colorado, September 26, 2005.

Nonsurgical periodontal therapy, prognosis and the evidence based method. LSU Board Review Course. San Antonio, Texas, February 7-10, 2006.

Current Concepts in Periodontics: Pharmaco therapeutics in the nonsurgical management of periodontal diseases. Monroe County Dental Society, Rochester, New York, May 10, 2006.

Periodontal Wound Healing, University of Heidelberg, Heidelberg, Germany. August 3-5, 2006.

Surgical and Non-Surgical Periodontal Therapy: 50 Years of Change. Annual meeting of the American Academy of Periodontology, San Diego, California, September 13, 2016.
