

**GDUFA Outstanding Facility Fees – Not on Arrears List**

**Friday, February 20, 2026**

The following facilities have not satisfied one or more annual facility fee(s) as required under GDUFA. The facility fee, incurred pursuant to § 744B(a)(4)(A)(i)-(iii), was due no later than March 04, 2013 for Fiscal Year (FY) 2013, October 18, 2013 for FY 2014, October 1, 2014 for FY 2015, October 1, 2015 for FY 2016, October 3, 2016 for FY 2017, October 2, 2017 for FY 2018, October 1, 2018 for FY 2019, October 1, 2019 for FY 2020, October 1, 2020 for FY 2021, October 1, 2021 for FY 2022, October 3, 2022 for FY 2023, October 2, 2023 for FY 2024, October 1, 2024 for FY2025 and November 13, 2025 for FY 2026. These facilities are not on the arrears list because reference to the facilities was removed from all generic drug submissions. See § 744B(g)(4)(B). The obligatory facility fees, however, are still owed by the listed facilities.

If a facility listed below is referenced in a new generic drug submission before satisfying all fee obligations, the facility will again be placed on the arrears list. The Food and Drug Administration (FDA) will refuse to receive new ANDAs or PASs referencing these facilities until all outstanding fees are paid. See § 744B(g)(4)(A)(ii).

A GDUFA Operation status of “N/A” means that the facility does not owe a fee for that particular fiscal year. If your records indicate that a facility fee was previously submitted, please contact CDERCollections@fda.hhs.gov and provide the following information: Facility name, DUNS, FEI number, User Fee Payment I.D. Number (PIN), and the payment method, date and amount. Additionally, if you feel that your facility is not subject to GDUFA fees, please contact CDERCollections@fda.hhs.gov and provide a brief explanation. The agency will review your explanation and respond to it promptly.

We encourage you to seek verification from your business partners that all applicable fee(s) have been received in full by the Agency in order to minimize the risk that a receipt of an application will be jeopardized.
