## **WORK EXPERIENCE**

---

### **UNITED STATES PHARMACOPEIAL CONVENTION, Rockville, MD**

**Manager, Compounding** August 2017 – Present  
Managing activities related to compounding including development and revision of public standards for sterile, nonsterile, hazardous drug, and investigational compounding. Oversee launch of a compounded preparation monograph donation program to support development of formulations for patients who have specific medical needs when a suitable product is not otherwise available.

**Scientific Liaison, Compounding** January 2016 – August 2017  
Managing Compounding Expert Committee in the development and revision of public standards for compounding. Collaborating with volunteer experts and federal agencies to develop and revise standards. Conducting outreach to stakeholders and organizations to promote adoption of standards to ensure quality of medicines.

**Associate Scientific Liaison, Compounding** July 2013 – January 2016  
Coordinated workplan of six subcommittees and two expert panels in the development and revision of compounding standards. Collaborated with contract analytical laboratories to conduct method development and validation of stability-indicating assays. Developed and delivered several educational courses and presentations for practitioners and government representatives including a workshop in Sao Paulo, Brazil.

**Assistant Scientific Liaison, Compounding** May 2011 – July 2013  
Assisted Compounding Expert Committee in revision and development of compounding standards. Developed technical proposals and protocol for testing of compounded formulations.

### **GIANT PHARMACY, Colesville, MD**

**Part-time Staff Pharmacist** July 2011 – October 2015  
Dispensed prescriptions, counseled patients, administered vaccines, verified drug utilization reviews, and consulted physicians in fast-paced pharmacies. Managed prescription inventory and supervised ancillary staff.
