

**ICAN**

International Children's Advisory Network

# FDA PRESENTATION

Hampton Woods, President of KIDS Georgia

Jake Haygood, Technology Officer

**KIDS (Kids and Families Impacting Disease Through Science)** is an advisory group of children, adolescents and families focused on understanding, communicating and improving medicine, research and innovation for children. KIDS is a collaboration between the American Academy of Pediatrics (AAP) Section on Advances in Therapeutics and Technology (SOATT), local AAP Chapters, children's hospitals, local schools and other partners.

### **KIDS Membership**

- Children ages 8 to 18 years\* No fee required to join and participate
- Past experience with a clinical trial, or
- Experience using hospital service, or
- Some knowledge of taking medicine, or
- Interest in medicine and/or research, or
- Parents/guardians of such children

\*Consideration given to younger Team Members on case-by-case basis
