Silver Spring, MD 20993

**Opening Date:** **June 7, 2019**

**Closing Date:** **June 20, 2019**

**Area of Consideration:** FDA Employees

On June 22, 2009, the President signed the Family Smoking Prevention and Tobacco Control Act (Tobacco Control Act) (Public Law 111-31) into law. The Tobacco Control Act granted FDA important new authority to regulate the manufacture, marketing, and distribution of tobacco products to protect the public health generally and to reduce tobacco use by minors. To carry out this responsibility, FDA established the Center for Tobacco Products (CTP).

#### **Major Duties will include:**

- Act as a liaison between contractors and CTP; prepare and/or review contractual documents such as statements of work, contract proposals, and invoices; and participate in the quality control of contracts.
- Prepare replies to correspondence from interested persons or regulated communities on compliance issues.
- Participate in the decision-making process and in discussions concerning Office and Center-wide plans, enforcement actions, and other compliance activities.
- Suggest ways to improve the quality and work flow of compliance activities and programs.
- Participate on source selection teams, task groups, and technical evaluation teams regarding specific technical aspects of customer programs.
- Conduct briefings and prepare comprehensive reports to keep management advised of project plans and progress and to communicate findings and recommendations

Qualifying specialized experience includes:

- COR Level II or III certification
- Knowledge of the contracts administration process.
- Ability to perform acquisition assignments such as drafting statements of work, performing market research, evaluating proposals, monitoring contracts, assessing performance and resolving contracts issues.
- Ability to coordinate with customers to identify resources including funding, equipment and delivery or performance schedules.
- Ability to assist in the development of requirements analysis, independent government cost estimates, and cost benefit analysis.
- Excellent oral and written communication skills.

**Application Procedure:**

Supervisory concurrence is required in order to accept a detail; it is NOT required to apply. Supervisory concurrence must be included in the application package.

**May make multiple selections to fill position on rotational bases.**

This detail opportunity is open to all qualified candidates at the GS-13 grade level and USPHS Commissioned Corps Officers.

Interested applicants must submit a resume, most recent copy of SF-50, and statement of interest via email to:
