### **Courses**

Integrated Pharmacotherapy – 1; Course Coordinator and Instructor 2017 -

present

- Cardiovascular, Renal, and Endocrine modules; interdisciplinary integration
- Required course for 2<sup>nd</sup> year pharmacy students; 14 weeks
- New course in “I3: Inquire, Innovate, Involve” PharmD curriculum

Concepts in Patient Care – 2; Course Coordinator and Instructor 2017 -  
present

- Required module for 1<sup>st</sup> year pharmacy students; 4 weeks
- New course in “I3: Inquire, Innovate, Involve” PharmD  
curriculum

Pharmacology and Therapeutics: Principles of Pharmacology and Therapeutics, Cardiovascular Module; Course Coordinator and Instructor ▪ Required course for 2 <sup>nd</sup> year pharmacy students	2014 2016	-
Pharmacology and Therapeutics: Cardiovascular (Renal) Module; Course Coordinator and Instructor ▪ Required course for 2 <sup>nd</sup> year pharmacy students	2008 2016	-
Health Literacy; Module Coordinator and Instructor ▪ Required module for 1 <sup>st</sup> year pharmacy students	2012 2016	-
Health Literacy; Course Co-coordinator and Instructor ▪ Elective course for pharmacy, nursing, allied medicine and other health sciences students	2009 2013	-
Individual Studies ▪ Special projects for 2 <sup>nd</sup> and 3 <sup>rd</sup> year pharmacy students ▪ Offered 1 to 2 per year; various topics	2006-2015, 2018	
Clinical Pharmacokinetics; Course Coordinator and Instructor 2002 - 2007 ▪ Required course for NTPD students		
Drug Information and Literature Evaluation; Course Co-coordinator and Instructor 2006 - 2007 ▪ Required course for 1 <sup>st</sup> year pharmacy and NTPD students		
Clinical Pharmacokinetics III; Co-Instructor and Workshop Facilitator 2006 ▪ Required course for 2 <sup>nd</sup> year pharmacy students		
Workshops in Clinical Pharmacokinetics I, II, and III; Facilitator 2003 - 2005 ▪ Required component of courses for 2 <sup>nd</sup> year pharmacy students		
On-line Case Conferences in Pathophysiology and Therapeutics I – VI; Facilitator 2001 - 2006 ▪ 1 - 4 per semester; required component of courses for NTPD students		
Cases in Clinical Pharmacokinetics, Problem-Based Learning format in Advanced Clinical Pharmacokinetics II; Facilitator	1999	

Maria C. Pruchnicki

- Participated in course development and served as course co-facilitator
- Required course in Post-B.S. Pharm.D. Program

### **Experiential**

Ambulatory Care Introductory Clinical Experience 2012-2016, 2018

- Primary preceptor for 20 hour rotations at Ohio State Ross Heart Hospital  
Ambulatory Care Center, Cardiac Risk Reduction and Lipid Clinic

Ambulatory Care Advanced Clinical Experience 2011-2016

- Primary preceptor for 1 month rotations at Ohio State Ross Heart Hospital  
Ambulatory Care Center, Cardiac Risk Reduction and Lipid Clinic

Academic/Teaching Rotation and Teaching Skills Curriculum

2003-present

- Primary preceptor for one-month and longitudinal, elective experiential rotation at The Ohio State University College of Pharmacy; Entry-level and Non-traditional PharmD programs

- American Lung Association of Ohio, Columbus OH

**Research Experience:**

Clinical Research and Pharmacokinetics

3/03 - 12/05

- Consultant; Roxane Laboratories, Columbus OH
- Clinical research and development activities; writing/review of bioequivalence protocols

**OSU College of Pharmacy**

1997- present

**Primary Investigator**

Project: "Patient and physician perceptions of pharmacogenomics testing in a community pharmacy setting" with Mary Abdelmalak, PharmD, Cara D Hoyt, PharmD, Marialice S Bennett, RPh, Kyle Porter, MAS, and Daren L Knoell, PharmD.

- Mentored pharmacy resident in development and implementation;
- Submitted to APhA Foundation Incentive Grant for Practitioner Innovation in Pharmaceutical Care; Investigator-initiated research grant (\$1,000; funded); 2014-2015.

Project: "Bridge care: Transitional primary care services within an interprofessional university health care clinic" with Michelle Maguire, PharmD, Christopher Green, PharmD, Stephanie Cook, DO, Brian Hilligoss PhD, and Jennifer Ellis, MD.

- Mentored pharmacy resident in development and implementation;
- Submitted to Ohio Pharmacist Foundation Grant Program (\$600; funded) and ACCP Ambulatory Care PRN Seed Grant (\$1000, not funded); Investigator-initiated research grant 2012-2013.

Project: "Health professional students' preparedness for interprofessional practice" with Alexa Sevin, Christopher Green, PharmD, Timothy Ulbrich PharmD, Sarah Adkins, PharmD, BCACP, and Michelle Maguire PharmD.

- Mentored pharmacy resident in development and implementation;
- Submitted to APhA Foundation Incentive Grant for Practitioner Innovation in Pharmaceutical Care; Investigator-initiated research grant (\$1,000; not funded); 2012-2013.

Project: "Evaluation of medication education and medication adherence of patients being evaluated for kidney and/or pancreas transplantation" with Tiffany Shin, Pharm.D., April Delahunty, Pharm.D., Holli Winters, Pharm.D., and Donna Smolen, BSN, CNN.

- Mentored pharmacy resident in development and implementation;
- Supported by OSU College of Pharmacy; Investigator-initiated project; 2011-2012.

Maria C. Pruchnicki

Project: "Smoking cessation practices of community and ambulatory care pharmacists related to decreased state funded resources " with Rachel Sobinsky Thomas, Pharm.D., Tiffany Shin, Pharm.D., and Christopher Green, Pharm.D.

- Mentored pharmacy resident in development and implementation of project.
- Supported by APhA Foundation Incentive Grant for Practitioner Innovation in Pharmaceutical Care; Investigator-initiated research grant (\$1,000); 2011-2012.

Project: "Impact of a community pharmacy-based educational intervention on vitamin D assessment and use of vitamin D-containing supplements" with Steven Topmiller, Pharm.D., Cara Hoyt, Pharm.D. and Jarret Bauder, Pharm.D.

- Mentored resident in development and implementation of project.
- Submitted to APhA Foundation Incentive Grant for Practitioner Innovation in Pharmaceutical Care; Investigator-initiated research grant (Not funded); 2010-2011.

Project: "Addressing health literacy: pharmacy students' perceptions on abilities and knowledge related to core competencies" with Victoria Tkacz, Pharm.D. candidate, Anne Metzger, Pharm.D., and Katherine Kelley, Ph.D.

- Supported by APhA Foundation Incentive Grant for Practitioner Innovation in Pharmaceutical Care; Investigator-initiated research grant (\$1,000); 2007-2008.
- Developed project idea and led design and protocol development. Secured project funding and oversaw all phases of research process.

Project: "Implementation and assessment of an instructional teaching seminar on facilitation of case-based discussions in a pharmacy distance education program" with Jaclyn LeBlanc, Pharm.D., Joseph F. Dasta, M.Sc., Anand Khurma, M.S., and Stephanie Rohdieck, M.S.

- Supported by OSU Teaching Enhancement - Graduate Teaching Fellows program; Investigator-initiated research grant (\$1,400); 2005 - 2006.
- Co-principal investigator; developed project idea and participated in design and protocol development. Secured project funding and oversaw all phases of research process.

### **Co-Investigator**

Project: "A multifaced educational program on health adherence of patients with chronic illnesses " with Sandy Cornett, RN, PhD and Randi Love, PhD.

- Supported by OhioPACE Patient Adherence Grant program (40,000; funded); 2011

Project: "Pharmacy residents' pursuit of academic positions" with Tiffany Shin, Pharm.D., Colleen Clark Dula, Pharm.D., Jennifer Rodis, Pharm.D., BCPS, Bella Mehta, Pharm.D., and Maria Pruchnicki, Pharm.D., BCPS, CLS.

- Supported by the OSU College of Pharmacy; 2011.

Project: "Impact of an academic outpatient pharmacy residency program on the profession of pharmacy" with Heather Fields, Pharm.D., MS, Bella Mehta, Pharm.D., and Jen Rodis, Pharm.D.

- Submitted to APhA Foundation Knowlton Center for Pharmacist-Based Health Solutions Incentive Grants for Residents and their Peceptors program (Not funded); 2009.

Project: "Perceptions of physicians in an Internal Medicine Residents' Continuity Clinic before and after a pharmacist-provided diabetes management service" with Anne Metzger, Pharm.D., Stuart Beatty, Pharm.D., and James Lamb, M.D.

- Supported by OSU College of Pharmacy, Department of Internal Medicine, and APhA Foundation Incentive Grant for Practitioner Innovation in Pharmaceutical Care; Investigator-initiated research grant (\$1,000); 2007 - 2008.
- Participated in project initiation, study design and protocol development. Provided support and input through data analysis and presentation/publication process.

Project: "Marketing patient care services in community/ambulatory pharmacy: impact of different advertising mediums on patient interest and enrollment" with Jill Bower, Pharm.D., Jennifer L.

Rodis, Pharm.D., and Bella H. Mehta, Pharm.D.

- Supported by OSU College of Pharmacy Clinical Partners Program and APhA Foundation Incentive Grant for Practitioner Innovation in Pharmaceutical Care; Investigator-initiated research grant (\$1,000); 2007 - 2008.
- Participated in project initiation, study design and protocol development. Provided support and input through data analysis and presentation/publication process.

Project: "Behavior, attitudes, and perceptions of pharmacy faculty members about post-graduate pharmacy residencies" with Lindsey L. Leiker, Pharm.D., Bella H. Mehta, Pharm.D., Jennifer L.

Rodis, Pharm.D.

- Supported by OSU College of Pharmacy Clinical Partners Program and APhA Foundation Incentive Grant for Practitioner Innovation in Pharmaceutical Care; Investigator-initiated research grant (\$1,000); 2006 - 2007.
- Participated in project initiation, study design and protocol development. Provided support and input through data analysis and presentation/publication process.

Project: "A prospective analysis of the effect of lorazepam infusion on Bispectral Index in the intensive care unit" with Joseph Dasta, M.Sc. and Charles Cook, M.D.

- Supported by OSU College of Pharmacy and Aspect Medical

Maria C. Pruchnicki

Systems; Investigator-initiated research grant (\$17,500); 2001 - 2006.

- Developed project idea and led design and protocol development. Secured project funding and served as consultant through patient recruitment and data collection phases.

Project: "Effect of phosphate binders on supplemental iron absorption in healthy subjects"; Investigator-initiated research grant with James Coyle, Pharm.D., and William Bay, M.D. ▪ Supported by GelTex Pharmaceuticals, Inc./Genzyme Protocol GTC-45-808 (\$59,300); 1999 - 2001.

- Participated in project design and protocol development, and IRB review.
- Primary responsibility for subject recruitment, study implementation, and data collection.
- Participated in data analysis, results reporting/presentation, and manuscript preparation.

Project: "Continuous infusion of enoxaparin" with Sandra Kane, Pharm.D., M.Sc., Mark Boye, Ph.D., Mary Beth Bobek, Pharm.D., and Joseph Dasta, M.Sc.

- Supported by OSU College of Pharmacy and Cleveland Clinic Foundation; 1999 - 2001.
- Participated in data collection and analysis for assessment of kidney function in hospitalized patients.
- Participated in manuscript preparation and editing.

#### Post-graduate Researcher

Project: Physical and chemical compatibility/stability of Duraclon<sup>□</sup> (Clonidine HCl Injection) in Normal Saline in Combination with Preservative-Free Morphine, Preservative-Free Bupivacaine, Fentanyl and Hydromorphone" with James Visconti, Ph.D. and James Coyle, Pharm.D.

- Supported by Roxane Laboratories, Inc.; Investigator-initiated research grant; 1999 - 2000.
- Participated in laboratory research including bioanalysis (HPLC methodology), sample preparation and analysis, and data collection and analysis.

#### Student Investigator

Project: Individual Studies in Pharmaceutical Sciences "Development of HPLC method for quantitation of sotalol enantiomers," with James Coyle, Pharm.D.

- Supported by OSU College of Pharmacy; 1998.
- Instructed in the use of general laboratory equipment and introduced to bioanalytic methods.
- Assisted in the development of a solid phase extraction method.
