* The federal Ryan White HIV/AIDS program provides medical and support services to underserved persons living with HIV. It is administered by the Health Resources Services Administration (HRSA) and composed of multiple parts. Part A funds go to health departments in urban areas most severely affected with HIV, and then are subcontracted to local HIV providers in an RFP process. The greater Cleveland Part A Transitional Grant Area (TGA) award goes to Cuyahoga County Board of Health. Part B funds go to state health departments to fund AIDS Drug Assistance Programs and medical and support services as the state chooses. Part C funds are awarded from HRSA to community-based HIV clinics (including those in academic medical centers) via competitive funding opportunities to be used to provide comprehensive HIV care services. Part D funds are awarded from HRSA to clinics via competitive funding opportunities to provide comprehensive HIV care services specifically for women, youth and children.
