Co-crystal of Tramadol and Celecoxib**

**Joint Meeting of the
Anesthetic and Analgesic Drug Products Advisory Committee
and the Drug Safety and Risk Management Advisory Committee**

Meeting Date: January 15th, 2020

**ADVISORY COMMITTEE BRIEFING MATERIALS:
AVAILABLE FOR PUBLIC RELEASE**

This document provides a correction to Figure 33 of the sponsor briefing document, which plotted the mean pain intensity differences over time in the Full Analysis Set in Study 301. The colors plotted for the tramadol and celecoxib groups were incorrect in the original document and have been corrected in the figure below.

Figure 33: Pain Intensity Differences Over Time (FAS) in Study 301
