SUBJECT: Recall of IMS-a-52

On January 10, 2020 IMS-a-52 was distributed to certain individuals and others may have received an electronic copy. A procedural error was contained in the IMS-a-52 and therefore it is being recalled.

An electronic version of this memorandum is available for distribution to FDA Milk Specialists, Milk Regulatory/Rating Agencies, Laboratory Evaluation Officers and Milk Sanitation Rating Officers. The electronic version should be widely distributed to representatives of the dairy industry and other interested parties and will be available on the FDA Web Site at <http://www.fda.gov> at a later date.

If you would like an electronic version of this document prior to it being available on the FDA Web Site, please e-mail your request to Monica.Metz@fda.hhs.gov.
