

CURRICULUM VITAE

EMPLOYEE NAME: **GARY MEININGER, MD**

DATE: **April 13, 2020**

SITE: Boston
DIVISION: Vertex Pharmaceuticals
DEPARTMENT: Vertex Cell and Gene Therapy (VCGT)

CURRICULUM VITAE

EMPLOYEE NAME: **GARY MEININGER, MD**

DATE: **April 13, 2020**

EDUCATION:	<u>School</u>	<u>Date</u>	<u>Degree</u>
	State University of New York at Binghamton Binghamton, New York	August 1988 – May 1992	Bachelor of Science, Biological Sciences
	New York University School of Medicine New York, New York	August 1992 – May 1996	Doctor of Medicine
	The New York-Presbyterian Hospital – Cornell University Medical Center New York, New York	June 1996 – June 1999	Categorical Internal Medicine Residency
	The Massachusetts General Hospital, Department of Endocrinology Boston, Massachusetts	June 1999 – June 2002	Endocrinology Clinical and Research Fellow

LICENSURES / CERTIFICATIONS:

Board Certified in Endocrinology, Diabetes, and Metabolism (2001)

EMPLOYMENT

2/2019- Present	Vertex Pharmaceuticals Boston, Massachusetts
2/2019 - 3/2020	Senior Vice President, Head of Pipeline Development Global Medical Development and Medical Affairs
3/2020 - Present	Senior Vice President, Head of Clinical Development Vertex Cell and Gene Therapy
6/2010- 2/2019	Janssen Research and Development Pharmaceutical division of Johnson & Johnson Raritan, New Jersey

CURRICULUM VITAE

EMPLOYEE NAME: **GARY MEININGER, MD**

DATE: **April 13, 2020**

- 6/2010-2/2019 Vice President – Franchise Medical Leader – Metabolism, Janssen Research and Development, Cardiovascular-Metabolism Therapeutic Area
- Provide leadership, direction, and guidance on clinical development strategy for all programs in late clinical development, including for canagliflozin (INVOKANA®), canagliflozin/metformin fixed-dose combination (INVOKAMET® IR and XR [US] and VOKANAMET® IR [ex-US])
 - Numerous health authority and related interactions (eg, FDA, CHMP, COFEPRIS), including presenter at FDA Advisory committee for INVOKANA® (January 10, 2013)
 - Molecule Responsible Physician for canagliflozin lifecycle management program, which included 2 cardiovascular outcome studies (CANVAS and CANVAS-R), a renal outcomes study (CREDENCE), T1DM Phase 2 study, Obesity (canagliflozin/phentermine) Phase 2 study, and pediatric program
 - Steering Committee member for CANVAS program and CREDENCE study
 - Provide guidance and strategic input in the development and completion of protocols, SAPs, regulatory documents, manuscripts; Protocol/Statistical Analysis Plan Review Committee co-chair
 - Provide mentoring and support to build, develop, and motivate all staff within the late development group
 - Collaborate with others (including on early development programs, publications, medical affairs, commercial, licensing/business development) to provide direction, strategy, and input on cross-functional/therapeutic area/sector teams, with goal of supporting efficient and timely progression into or within late development
 - Core member of Metabolism Disease Area Leadership Team (cross-functional team responsible for advancing internal and in-licensed compounds from Discovery through Late Development) and of prior/ongoing partnerships with biotech with clinical assets
 - Primary clinical presenter at several face-to-face payer meetings
 - Co-author of accepted European Innovative Medicines Initiative (IMI)-2 pre-competitive, cross-pharma proposal to create a non-alcoholic steatohepatitis (NASH) platform study (Call 15; July 2018)

CURRICULUM VITAE

EMPLOYEE NAME: **GARY MEININGER, MD**

DATE: **April 13, 2020**

7/2002-
6/2010

Merck Research Laboratories

Rahway, New Jersey

2005-2010 Director, Merck Research Laboratories, Metabolism

- Product Development Team Leader for two programs which advanced through Phase 2b (glucokinase activator program and separate program [undisclosed molecular target])
- Metabolism Department's primary clinical representative to Metabolism Licensing Committee

2002-2005 Associate Director, Merck Research Laboratories, Metabolism

- Core member of Januvia™ (sitagliptin)/Janumet™ (sitagliptin/metformin) team, including responsibility for conduct of several key studies in worldwide filings

Summers
1987-1992

Metpath Clinical Laboratories, Inc. (now Quest Diagnostic Laboratories, Inc.)

Teterboro, New Jersey

Licensed laboratory technician, Department of Virology and Genetics

CURRICULUM VITAE

EMPLOYEE NAME: **GARY MEININGER, MD**

DATE: **April 13, 2020**

OTHER PROFESSIONAL ACTIVITIES

Clinical Assistant Professor
Department of Medicine, Division of Endocrinology
Rutgers Medical School
August 2003 – February 2020

- Attending in Endocrinology at Robert Wood Johnson University Hospital Endocrine Clinic: supervise endocrine fellows, medical residents, and medical students while maintaining a clinic practice (August 2003 – February 2019)

CURRICULUM VITAE

EMPLOYEE NAME: **GARY MEININGER, MD**

DATE: **April 13, 2020**

- Lecturer: Robert Wood Johnson Medical School, Second-year medical student lecture, “Pathophysiology of Pituitary and Hypothalamic Disease” (Every February from 2004 to 2019)
- Facilitator: Small group endocrinology discussion groups with second-year medical students (Every February 2004 to 2019)

Juvenile Diabetes Research Foundation (JDRF)

- Grant reviewer (April 2014)

Foundation for Diabetes Research (FDR), a type 1 diabetes charity

- Member (2011-2019)
- Grant committee (2014 - 2019)
 - Vice President and Grant committee chair (2014 - 2019)
- Executive Board member (2014 - 2019)

Late Development Council, a leadership council of late development leaders across all therapeutic areas within Janssen Research and Development

- Co-founder/co-chair (March 2014 – February 2019)

Harvard Business School Executive Education Research and Development Leadership Program (March 15-20, 2015)

Harvard Medical School, Joslin Diabetes Center Grand Rounds. Invited lecture: “Diabetes Ketoacidosis and Related Events in Type 1 and Type 2 Diabetes Clinical Program: Canagliflozin Experience”. (November 9, 2015)

Industry Representative for the Endocrinologic and Metabolism Advisory Committee (November 2019 – Present)

ACADEMIC AND PROFESSIONAL HONORS

State University of New York (SUNY) at Binghamton, Binghamton, New York

- Phi Beta Kappa, Junior Year Election
- SUNY Binghamton Foundation Award for Academic Excellence
 - For highest grade point average and overall academic performance
- CRC Press Freshman Chemistry Achievement Award
 - For highest overall performance in freshman chemistry

CURRICULUM VITAE

EMPLOYEE NAME: **GARY MEININGER, MD**

DATE: **April 13, 2020**

New York University School of Medicine, New York, New York

- Alpha Omega Alpha (Vice President, 1995 – 1996)
- Maurice Freiman Memorial Award
 - For “overall outstanding and exemplary work”

The Massachusetts General Hospital, Boston, Massachusetts

- Recipient of NIH Individual National Research Service Award
July 2001
- One of 5 US Endocrine fellows selected by The Endocrine
Society to attend the *GH and Growth Factors - Metabolic
Disorders Conference*, Gothenburg, Sweden. May 22-26, 2000

Merck

- Team recipient of Prix Galien USA Award (September 2007)
 - For best pharmaceutical agent (Januvia)

Johnson & Johnson, Inc.
