Good afternoon –

I am not sure when the new 1572 form will be completed and posted as this form is generated in the Center for Drugs (CDER). Usually around the time of expiration. However, it is still okay to use the expired form until the new form is posted.

Kind regards,

Doreen M. Kezer, MSN  
Senior Health Policy Analyst  
Office of Good Clinical Practice  
Office of the Commissioner, FDA

Good evening,

If possible, can you provide input on how clinical sites should handle using an expired FDA 1572 form, when a revised form with New expiration date hasn't been posted in the FDA website.

The current FDA 1572 form has an expiration date of February 28, 2019.

Thank you in advance for the assistance.

Sincerely,
