---

Good afternoon –

I am not sure when the new 1572 form will be completed and posted as this form is generated in the Center for Drugs (CDER). Usually around the time of expiration. However, it is still okay to use the expired form until the new form is posted.

Kind regards,

Doreen M. Kezer, MSN  
Senior Health Policy Analyst  
Office of Good Clinical Practice  
Office of the Commissioner, FDA

Good morning,

I hope today finds you well.

The current FDA Form 1572 on file on the FDA's Forms website expires in less than 2 weeks (28Feb2019); when will the new 1572 be posted?

Thank you so much for your time,
