Good afternoon –

I am not sure when the new 1572 form will be completed and posted as this form is generated in the Center for Drugs (CDER). Usually a few weeks after the expiration time. However, it is still okay to use the expired form until the new form is posted.

Kind regards,

Subject: Study Start-up_Question on Collection of FDA 1572 Form

Dear FDA,

We need to start collecting the FDA 1572 form for a new study. However, the latest form seems to have expired:

<https://www.fda.gov/downloads/aboutfda/reportsmanualsforms/forms/ucm074728.pdf>

Form Approved: OMB No. 0910-0014 Expiration Date: February 28, 2019 See OMB Statement on Reverse.
NOTE: No investigator may participate in an investigation until he/she provides the sponsor with a completed, signed Statement of Investigator, Form FDA 1572 (21 CFR 312.53(c)).

Please can you advise on how to proceed?

Kind regards,
