Beltsville, MD 20705

This detail may be performed remotely

Opening Date: September 4, 2020
Closing Date: September 10, 2020

Area of Consideration: FDA-wide

The CTP, OS, IO offers a fast-paced, dynamic environment and an opportunity to work with dedicated, energetic people who want to make a difference to improve public health. The position is ideal for someone who wishes to play a critical role in the organization and would enjoy the challenge of handling a variety of fast-paced and high-impact assignments.

Duties Include:

The incumbent serves as a Supervisory Management and Program Analyst and is responsible for supporting broad administration and programmatic direction.

The incumbent performs a number of duties as described in the following:

- Responsible for effective administration of program support activities, including: personnel and financial resource management, property management; honor/incentive awards; performance management; telework coordination and timekeeping.
- Directs a variety of CTP-OS wide administrative management activities including, but not limited to: time-keeping; property maintenance; facilities services and management; purchase card program; travel/conference management/ telework program. Coordinates office efforts related to proposed reorganizations and reassignment of functions through

conducting an analysis of governing policies and procedures, as well as overall mission objectives and changes.

- Develops, recommends, and implements Office-level administrative, resource and program management policies and procedures and provides strategic contribution at Senior CTP levels to program and policies.
- Provides expert advice and makes recommendations to OS leadership and management on actions necessary to ensure that program activities are representative of a high performing organization.
- Provides OS leadership and management interpretation and guidance on Center and office level administrative and program management policies.

Desired Knowledge and Skills:

- Mastery knowledge of a wide range of qualitative and/or quantitative methods for development and management of a major administrative program for the assessment and improvement of program effectiveness or the improvement of complex management processes and systems.
- Comprehensive knowledge of the range of administrative laws, policies, regulations, and precedents applicable to the administration of one or more important public programs.
- Ability to plan, organize, and direct team study work and to negotiate effectively with management to accept and implement recommendations where the proposals involve substantial agency resources, require extensive changes in established procedures, or may be in conflict with the desires of the activity studied.
- Excellent analytical tools and techniques which enables incumbent to analyze and evaluate the efficiency and effectiveness of programs.
- Excellent organizational and project management skills.
- Strong collaboration skills.
- Excellent oral and written communication skills.

Application Procedure:

Supervisory concurrence must be obtained before you apply to this Detail. The Detail opportunity is open to all qualified candidates at the GS-14 or GS-15 grade level or Commissioned Corps Officers (O5).
