Professional Biography +

Mark A. Becker, MD
Corporate Medical Director
Biomat USA

Mark A. Becker, MD, is the Corporate Medical Director for Biomat USA, a division of Grifols that is involved in the collection, storage, and distribution of Human Source Plasma and Red Blood Cells. Grifols is a global healthcare company dedicated to improving the health and well-being of people around the world. Established in Barcelona, Spain in 1940, Grifols is an industry leader in the production of plasma-derived medicines, with 24,000 employees across 30 countries.

In his current role, Dr. Becker is responsible for providing medical oversight and guidance to over 250 plasma collection centers in the United States. He is also an instructor at the Grifols Academy of Plasmapheresis and serves on the Plasma Protein Therapeutic Association's Donor Health Questionnaire Committee and Medical Policy Committee.

Since 2007, Dr. Becker has also served as a Director, Division Medical Director and Center Medical and Laboratory Director within Biomat USA. As a Center Medical and Laboratory Director, Dr. Becker provided medical oversight and guidance for donation centers in Lincoln, NE, Council Bluffs, IA and Des Moines, IA. Dr. Becker also oversaw the center's hyperimmunization donation programs and the center's CLIA-defined moderate complexity laboratory.

In 2008 he was chosen as one of the first 5 physicians to function in the newly developed role Division Medical Director. In this role Dr. Becker was responsible to the Chief Medical Officer for professional and technical development of the Center Medical Directors for 25 – 30 plasma donation centers, as well as providing medical guidance for donor eligibility questions. He also served as a member of the Division leadership team along with representatives from operations, quality and training.

Prior to his work at Grifols, Dr. Becker practiced Family Medicine and Urgent Care Medicine for multispecialty healthcare organizations in Omaha, NE, Phoenix, AZ and Lincoln, NE. During his time in Lincoln, NE, he served as Medical Director and Laboratory Director for the Urgent Care of Lincoln, Medical Director for Emergency Services Programs at Southeast Community College, Medical Director for the LifeTracks weight management program and was a Board Member for the Lincoln Medical Education Partnership.

Dr. Becker earned a Bachelor of Science degree in Health Sciences from Wayne State College in Wayne, NE graduating Summa Cum Laude. He earned a Doctor of Medicine degree from the University of Nebraska College of Medicine in Omaha, NE. His post-graduate training in Family Medicine was completed at the University of Nebraska Medical Center in Omaha, NE.

Dr. Becker is board certified in Family Medicine and is a member of the American Academy of Family Physicians, Nebraska Academy of Family Physicians, AABB and the American Association for Physician Leadership. He maintains active medical licensure in 8 states.
