Re: GRAS Notice No. GRN 000886

Dear Ms. Davis:

We are issuing a revised copy of the response letter for GRN 000886. The original letter for this GRAS notice was signed on July 13, 2020. In two emails dated July 14 and 22, 2020, you asked us to revise the statements pertaining to intended use on page 1, paragraph 2 and in footnote 1 of our letter.

We revised the statements on intended use on page 1, paragraph 2 and in footnote 1 of the July 13, 2020 response letter. That footnote language was revised and moved to paragraph 3 of the revised letter, and the language in previous paragraph 2 was modified and moved to the footnote. We also added the citations for the references on page 2, paragraph 4 of the revised letter.

If you have any questions, please contact me by electronic mail at janet.zhang@fda.hhs.gov or by telephone at 240-402-1327.

Sincerely,

Jianrong
