Subject: HOW TO PROCURE DUNS NUMBER FOR FOREIGN ORGANISATION
Importance: High

Dear Sir,

Thank you a lot for your precious help.

I will need your help again to bring clarifications on the following subjects.

Regarding the data to provide a copy of **the Generic Drug User Fee Cover Sheet**, I understand that as a new and foreign organization, we will have to **create a user fee account**, in the process of filling up the online form, they asked me to provide an **Employer Identification Number**. Afterwards, I understand that as a **foreign business** we have to obtain a **DUNS** number.

My first question is whether there is difference between EIFIN or FEI and DUNS number?

Secondly, How can obtain a **DUNS or FEI** number?

Thank you in advance for your assistance.

Best regards
