

Dispose of unused opioid medicines. It can save lives.

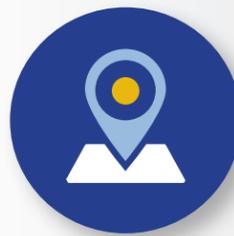

You can help keep your family and community safe. Get rid of any unused or expired prescription opioid pills, patches, or syrups to help save lives.

What you should know:

- ✓ Don't share your opioid prescription with others.
- ✓ Store opioids out of sight and out of reach.
- ✓ Dispose of unused opioids safely when there is no longer a medical need for them.

PRESCRIPTION OPIOIDS are powerful, pain-reducing medicines that include oxycodone, hydrocodone, and morphine.

TAKE-BACK LOCATIONS may include your local pharmacy or police station.
