

Keep them safe.

Dispose of unused opioid pain medicines.

A young girl with long brown hair, wearing a blue t-shirt, is smiling and looking back over her shoulder. She is holding a fishing rod. Next to her, a young boy in an orange tank top is also smiling and looking back. They are sitting on a grassy bank next to a calm lake with green reeds in the background.

Dispose of unused opioids.

What you should know:

- ✓ Don't share your opioid prescription with others.
- ✓ Store opioids out of sight and out of reach.
- ✓ Dispose of unused opioids safely when there is no longer a medical need for them.
