Dispose of unused opioid pain medicines.

A close-up photograph of two young girls with dark hair in braids, smiling warmly at the camera. They are resting their heads on their hands, which are clasped in front of them. The background is a soft, out-of-focus green, suggesting an outdoor setting. The lighting is bright and natural, highlighting their features.

# Dispose of unused opioids.

## What you should know:

- ✓ Don't share your opioid prescription with others.
- ✓ Store opioids out of sight and out of reach.
- ✓ Dispose of unused opioids safely when there is no longer a medical need for them.
