**Title of Radio PSA:** What It Spells

**Organization Sponsoring PSA:** U.S. DHHS/Food and Drug Administration

**Length:** 30 seconds

**Start/End Dates:** Does not expire

MUSIC: IN

NARRATOR: Unused prescription opioid pain medicines can spell trouble. They can spell risk if taken by someone they weren't prescribed for, harm if accidentally taken by a child or pet, or overdose if they're not used as directed. Safely dispose of opioids before they can hurt your family. Find a drug take-back option, such as medicine drop boxes. You may find these in your community, at local pharmacies, or police stations. Visit [www.FDA.gov/drugdisposal](http://www.FDA.gov/drugdisposal).
