

C. Noel Bairey Merz, MD, FACC, FAHA, FESC
CURRICULUM VITAE
(March 17, 2021)

PERSONAL HISTORY:

Business Address: Barbra Streisand Women's Heart Center
Smidt Heart Institute, Cedars-Sinai Medical Center
127 S. San Vicente Boulevard, Suite A3206
Los Angeles, CA 90048
Phone: (310) 423-9680
Fax: (310) 423-3522
E-mail: noel.baireymerz@cshs.org

EDUCATION:

1973- 1977 B.A. with Honors, Biological Sciences
University of Chicago Chicago, Illinois

1977-1981 M.D. with Honors
Harvard Medical School, Boston, Massachusetts

1981-1984 Medical Residency
University of California, San Francisco, California

1984-1985 Chief Medical Resident
University of California, San Francisco, California

1985-1988 Clinical Cardiology Fellowship
Cedars-Sinai Medical Center, Los Angeles, California

1986-1987 Chief Fellow
Cedars-Sinai Medical Center, Los Angeles, California

1986-1988 Nuclear Cardiology
Cedars-Sinai Medical Center, Los Angeles, California

1986 Fellow, American Heart Association
12th Annual Seminar on the Epidemiology and Prevention of Cardiovascular
Diseases, Lake Tahoe, California

1991 Fellow, American Heart Association
Lipid Disorder Training Center, San Francisco, California

LICENSURE:

California #G049670

BOARD CERTIFICATION:

1982 Diplomat, National Board of Medical Examiners
1984 Diplomat, American Board of Internal Medicine
1987 Diplomat, American Board of Internal Medicine, Cardiovascular Diseases

PROFESSIONAL EXPERIENCE:**Present Positions:**

2019-Present Medical Director, Irwin and Sheila Allen in Women's Heart Research
 Barbra Streisand Women's Heart Center
 Smidt Heart Institute, Cedars-Sinai Medical Center

2009-Present Director, Clinical Scholars Program
 Department of Biomedical Sciences
 Cedars-Sinai Medical Center

2009-Present Professor of Medicine
 Department of Medicine
 Cedars-Sinai Medical Center Professional Series

2005-Present Professor in Residence
 Department of Medicine
 David Geffen School of Medicine at UCLA

1992-Present Attending Cardiologist
 Cedars-Sinai Medical Center

1991-Present Medical Director, Preventive and Rehabilitative Cardiac Center
 Smidt Heart Institute, Cedars-Sinai Medical Center

Previous Positions:

1988-1990 Assistant Director, Cardiac Rehabilitation
 Cedars-Sinai Medical Center

1988-1992 Associate Cardiologist
 Cedars-Sinai Medical Center

1990-1991 Acting Director, Preventive and Rehabilitative Cardiac Center
 Cedars-Sinai Medical Center

1990-1997 Assistant Clinical Professor of Medicine
 Department of Medicine
 UCLA School of Medicine

1995-1999 Adjunct Associate Professor of Preventive Medicine (Voluntary)
 University of Southern California School of Medicine

- 1998-2005 Associate Clinical Professor of Medicine
Department of Medicine
UCLA School of Medicine
- 2001-2018 Medical Director and Women's Guild Endowed Chair
Barbra Streisand Women's Heart Center
Smidt Heart Institute, Cedars-Sinai Medical Center

PROFESSIONAL ACTIVITIES:**Committee Services:****Cedars- Sinai Medical Center:**

- 1986-1988 Member, Cardiac Advisory Board
- 1991-1999 Research Fellow Committee, Division of Cardiology
- 1991-2000 Board Member, Heart Families
- 1993-1994 Member, Medical Staff News Committee
- 1993-1999 Member, Cardiac Channel Programming Committee, Division of Cardiology
- 1994-1996 Member, Physical Medicine and Rehabilitation Committee
- 1994-1999 Member, Utilization Review Committee
- 1997 Member, Planning Committee, Burns and Allen Research Institute Retreat
- 1997-2010 Member, Scientific Advisory Committee, General Clinical Research Center
- 5/2009–5/2010 Member, CSMC Clinical Scholars Grant Committee
- 2/2011 Committee Member, CSMC Corday Prize Selection Process
- 8/2011-8/2014 Member, Opportunity to Serve on Clinical Academic Promotions Appointment Council (CLIN-APAC)

UCLA:

- 10/2013-Present Member, UCLA CTSI Educational Core Mentorship Task Force
- 9/2014- 8/2017 Alternate Member, UCLA MedCAP
- 9/2017- 8/2020 Alternate Member, UCLA MedCAP

Other Committee Services:

- 1991-2000 Scientific Advisor, Save-A-Heart Foundation, Los Angeles, California
- 1992 Medical/Scientific Writing Group, Statement on Cardiovascular Diseases and Stress in the Workplace, American Heart Association
- 1993-1994 Fall Symposium Committee, American Heart Association, Greater Los Angeles Affiliate
- 1995 Nurse Lipid Disorders Training Center Advisory Group, San Francisco, California
- 9/1995 Bethesda Conference #27, Matching the Intensity of Risk Factor Management with the Hazard for Coronary Disease Events, Bethesda, Maryland, American College of Cardiology
- 1995 National Center, Cardiovascular Counseling Training Program, Houston, Texas, American Heart Association

- 1995 National Center, Planning Committee for the Health & Science Journalists Forum, Dallas, Texas, American Heart Association
- 2/1996 Blue Shield Medical Policy Committee on Quality and Technology, The Shield Health Plans, Blue Shield of California
- 1996-1999 Member, American College of Cardiology, Prevention of Cardiovascular Disease Committee
- 4/1996 Representative, U.S. Food and Drug Administration Center for Drug Evaluation and Research, Office of the Director, re: FDA's Professional Labeling of Aspirin, Rockville, Maryland, American College of Cardiology
- 1996 Member and Scientific Presenter, Southern California Lipid Working Group, Santa Monica, California
- 9/1997 Scientific Advisory Board, 1st International Congress on Coronary Artery Disease - From Prevention to Intervention, Prague, Czech Republic
- 1997-2010 Scientific Advisory Committee, General Clinical Research Center, Cedars-Sinai Medical Center
- 1/1997 Member, Over-the-Counter Advisory Panel, U.S. Food and Drug Administration Center for Drug Evaluation and Research, Office of the Director, FDA's Professional Labeling of Aspirin, Rockville, Maryland
- 3/1997 Consultant, Treatment of Hypertension Consultant Meeting, Hoechst Marion Roussel, Incline Village, Nevada
- 1997-1999 International Scientific Advisory Board member, International Academy of Cardiology
- 1997 Executive Steering Committee, American College of Physician, Southern California Chapter, Region I
- 1997-2000 Member, American College of Cardiology, Prevention of Cardiovascular Diseases Committee
- 1999-2002 Chair, Prevention of Cardiovascular Disease Committee, American College of Cardiology
- 1996-1998 Data and Safety Monitoring Board, NIH: NHLBI Antioxidants and Prevention of Early Atherosclerosis Study, NHLBI

- 2005-2007 Member, Leadership of the Council on Clinical Cardiology Committee, American Heart Association
- 2004-2009 Chair, Data and Safety Monitoring Board (DSMB), Bypass Angioplasty Revascularization Investigations 2 Diabetes (BARI-2D) Trial
- 2005 Chair - New Annual Meeting Strategic Development Task Force, American College of Cardiology
- 2005 Abstract Reviewer, 12th World Congress on Heart Disease
- 2005-2009 Women's Advisory Board, CV Therapeutics
- 2005 Inaugural Board Member, Women's Heart Health Advisory Board
- 2005–2008 Chair - Women in Cardiology Committee, The American Heart Association, Council on Clinical Cardiology
- 2006 Inaugural Board Member, Association of Women's Heart Programs Board
- 2006-2008 Member, International Committee, American College of Cardiology
- 2006-2007 Chair, The Determining Androgenic Clinical Events (DANCE) trial, Data and Safety Monitoring (DSMB)
- 2006 Task Force 10 – Preventive Cardiovascular Medicine Writing Group Member, ACCF Training in Adult Cardiovascular Medicine
- 2016-Present Scientific Council, Center for Women's Heart Research, University of Colorado
- 4/2007 Member, National Space Biomedical Research Institute (NSBRI) Board of Scientific Counselors (BSC), Washington DC
- 2007-2010 Founding board member, Organization for the Study of Sex Differences (OSSD) Council, Washington DC
- 7/2007-7/2009 Member, Subspecialty Board on Cardiovascular Disease American Board of Internal Medicine
- 2007-2009 Preceptor/Mentor for Course "Evaluating Health Services", UCLA School of Public Health
- 2007–2009 Member – Publications Committee, American College of Cardiology
- 2007–2010 Member – Governance Committee, American College of Cardiology

- 2007–2010 Chair - Compensation Committee, American College of Cardiology
- 2007-2011 Council Member, National Heart, Lung, and Blood Advisory Council, National Institutes of Health
- 2007 Advisory Board Member, Women's Heart Fund
- 2007 Member - International External Review Committee, Center of Gender Related Medicine at Karolinska Institute
- 2008-2012 Member- Development Committee, American College of Cardiology
- 2008-2009 BOT WG Group to Review & Monitor Environmental Trends, American College of Cardiology
- 2008 Chair - Clinical Competence Statement on Cardiovascular Prevention, American College of Cardiology
- 2008-2010 Chair- Physiology, Pharmacology and Pathology Committee, Young Investigator Awards Competition, American College of Cardiology
- 2008 Participant - Health System Reform Summit, American College of Cardiology
- 2008-2010 Member - Awards Committee, American College of Cardiology Foundation
- 2008 Peer reviewer, Technology Assessment Program at the Agency for Healthcare Research and Quality, Low Density Lipoprotein Subfractions: Systematic Review of Measurement Methods and Association with Cardiovascular Outcomes
- 2008 Educational Steering Committee, Master Rheumatology Series, Systemic Inflammation & Cardiovascular Disease
- 2008-2010 Member - International Communications Working Group, American College of Cardiology
- 6/2008 Expert Panel Member, Integrated CVD Risk Reduction in Adults, National Heart, Lung, and Blood Institute (NHLBI)
- 2008-2013 Expert Panel Member, 4th Expert Panel on Detection, Evaluation, and Treatment of High Cholesterol in Adults, National Heart, Lung, and Blood Institute (NHLBI)
- 2009-2010 Strategic Advisor- International Council, American College of Cardiology

- 4/2009 Chair, Global Alliance for Life Sciences – Go for Life - Cardiovascular Research, Institute of Cardiology
- 2009–2010 Member, Western States Affiliate, Scientific Council, American Heart Association
- 2009–Present Grant Committee, CSMC Clinical Scholars
- 2009-2010 Member, WISDOM’s Optimal Medical Therapy (OMT) Steering Committee
- 2009-Present Steering Committee, Member, International Study of Comparative Health Effectiveness with Medical and Invasive Approaches (ISCHEMIA) Trial
- 2009–Present Chair, NHLBI-Sponsored ISCHEMIA Trial: Women and Minorities Committee
- 2010–2013 Chair, Compensation Committee, American College of Cardiology
- 9/2009 Attendee, Newsweek’s 2nd Annual Women & Leadership Q & A Luncheon Forum
- 2010–2011 Member, American College of Cardiology Publications Committee
- 2010-2014 Member, Dapagliflozin Data Monitoring Committee
- 4/2010 ACC Representative, AHRQ and RCI Planning Meeting, Duke Evidence-based Practice Centers
- 2010-Present Program Director, Cedars-Sinai Medical Center Annual Women and Ischemic Heart Disease Symposium
- 2010-2015 Member, Gilead Sciences Clinical Scholars Scientific Review Committee
- 2011-Present Member, American Association of Physicians (AAP)
- 6/2011 NHLBI Working Group, Facilitating Clinical Trials through Optimization of the IRB Process: Are Central IRBs the Solution?
- 2010 Internal Advisory Board- T32-Immunobiology Training Grant for Cedars-Sinai Medical Center Faculty
- 2010 Reviewer, Women’s Health Research: Progress, Pitfalls and Promise, Institute of Medicine (OM)
- 2010 – 2016 Member, Women’s Day, WD Heart Advisory Board
- 2010 Session Chair, CRUISE

- 2011 Committee Member, CSMC Corday Prize Selection Process
- 2011–2012 Member, Research Committee, American Heart Association, Western States Affiliate
- 2011-2014 Member, Opportunity to Serve on Clinical Academic Promotions Appointment Council, (CLIN-APAC), Los Angeles, California
- 2011 Reviewer, Women’s Health Working Group, American Medical Women’s Association (AMWA)
- 2011 Atherosclerosis Global Therapeutic Expert Forum, Jersey City, NJ
- 2012 Abstract reviewer Scientific Sessions, American College of Cardiology, Chicago, IL
- 2012–2015 Stakeholder Panel Member, Patient-Centered Outcomes Research Institute (PCORI) Grant, Mayo Clinic
- 2012–2013 Member, Task Force on Presidential Service, American College of Cardiology
- 2012–2013 Chair, Editor-In Chief Search Committee, Journal of the American College of Cardiology
- 2012 Member, External Advisory Committee, Stanford Cardiovascular Institute
- 2012-6/2020 Member, American College of Cardiology Extended Learning (ACCEL) Editorial Board
- 2012–2015 Member, Emerging Science Series Committee (ESS), American Heart Association
- 2013 Panel Member, The NASA Decadal Review of the Role of Sex/Gender in Adaptation to Spaceflight, Cardiovascular Alterations Working Group
- 2013 Member, ACC.14 Annual Scientific Session Program Committee
- 2013–2017 Co-Chair, ACC Cardiovascular Disease in Women Committee
- 2013 Member, The American Physiological Society
- 2013-Present Board Member, Lupus LA Medical Advisory Board
- 2013 Member, UCLA and CTSI Educational Core Mentorship Task Force

2013	Fellow, International Academy of Cardiovascular Sciences
2014	Member, Western Association of Physicians
2014	Member, AARP Medical Advisory Panel
2014	Member, Evolocumab Cardiovascular Advisory Board Breakout Session (AMGEN)
2014	Member, Expert PCSK9 Inhibitor Committee (EPIC) Global Advisory Board
2014	Abstract Reviewer, American College of Cardiology 2015 Program Committee, Topic: 24. Stable Ischemic Heart Disease: Basic, Team 1
2014–2016	Chair, ACC Publications and Editorial Coordination Committee
2015-Present	External Advisory Committee Member, Womens Substudy of the REPRIEVE Trial
2015-Present	Advisory Board Member, EUGenMed, Charite Medical Center, Berlin, Germany
2016-Present	Editorial Board Member, Circulation
2016	Reviewer, ACC.17 Annual Scientific Sessions, American College of Cardiology
2016-Present	Editorial Board Member, European Cardiology Review
2016-Present	Scientific Council Member, Center for Women's Health Research (CWHR)
2016-Present	Associate Editor, International Journal of Cardiology (IJC)
2016	Consultant, Bless Her Heart Team, VA Loma Linda Healthcare System,
4/2016	Judge, CSMC Ninth Annual Dr. Leon Morgenstern Great Debates in Clinical Medicine Resident Competition, Cedars-Sinai Medical Center
11/2016-6/2019	Committee Member, NIH-ORWH – ACRWH Committee
2017-2020	Co-Chair – Cardiovascular Disease in Women Committee, American College of Cardiology
2017-Present	Associate Editor, American College of Cardiology, (ACCEL)
2017	Reviewer, ACC.18 Program Committee, American College of Cardiology

2017-2019	Member, International Society of Gender Medicine (IGM)
2017-Present	Fellow, European Society of Cardiology (ESC)
2017	Member, External Advisory Board REPRIEVE Women's Objectives Study (1R01AI123001)
2017	Member, Scientific Advisory Board – International Scientific Committee, The 8 th Congress of the International Society for Gender Medicine
10/2017	Faculty, Northwestern Young Investigator Forum
9/2018- Present	Member, Board of Directors, iRhythm Technology
11/2018	Advisory Board Service, Leadership in Women's Health Stakeholder Meeting
3/2019	Senior Reviewer, Commission on Cardiovascular Disease in Women, The Lancet
4/2019	Mentor, AAP/ASCO/APSA Joint Meeting 2019 Mentoring Breakfast
4/2019	Advisory Board Member, Bayer Aspirin Advisory Board Meeting
5/2019	Awards Committee Meeting Member, OSSD 2019 Annual Meeting
2019-Present	SWAN Advisory Panel
6/2019	External Review Panel Member, Commission on Women and Cardiovascular Disease, The Lancet
7/2019	Peer Reviewer, The American College of Cardiology and the American Heart Association Task Force on Clinical Practice Guidelines – Evaluation of Patients with Chest Pain Guideline
2/2019-3/2019	Peer Review ACC/AHA Guideline on Chest Pain
1/2020-Present	CLBS16 CMD Steering Committee
1/2020-Present	Member, Cardiovascular and Renal Drugs Advisory Committee
10/2020-11/2020	Abstract Reviewer- Ischemic Heart Disease: Population Science Reviewer Group 2, ACC.21
2/25/2021	Reviewer, American Heart Association's Hypertension Fellowship Peer Review Committee

- 2020-2024 Advisory Group, American College of Preventive Medicine (ACPM), Veterans Affairs Loma Linda Healthcare System, Cardiovascular Disease in Active Duty Service Members and Veteran
- 4/2021 Member, Program Committee for the American College of Cardiology 71st Annual Scientific Session

Professional Associations and Scholarly Societies:

- 1974-1977 Maroon Key Honor Society, University of Chicago, Chicago, Illinois
- 1977-1981 Cabot Society, Harvard Medical School, Boston, Massachusetts
- 1988-1990 Society of Nuclear Medicine
- 1990-1992 American Association of Cardiovascular and Pulmonary Rehabilitation
- 1990-1995 American Society for Preventive Cardiology (ASPC)
- 1990-1995 Academy of Behavioral Medicine Research
- 1990-1996 American Society of Nuclear Cardiology (ASNC)
- 1995 International Society and Federation of Cardiology Scientific Council on Rehabilitation of Cardiac Patients
- 1997-2000 Association of Academic Women's Health Programs
- 2000-2004 Association of Women's Heart Programs (AWHP)
- 2006- Present Organization for the Study of Sex Differences (OSSD)
- 2006- Present International Society of Gender Medicine
- 1/2008 Chair - Clinical Competence Statement on Cardiovascular Prevention, American College of Cardiology (ACC)
- 4/2008-2010 Member - International Communications Working Group, American College of Cardiology
- 2010- Present Member, Association of University Cardiologists (AUC)
- 2011- Present Member, American Association of Physicians (AAP)
- 3/2013–12/2013 Member, The American Physiological Society (APS)
- 2/2014- Present Member, Western Association of Physicians
- 2015–2016 President, Association of University Cardiologists (AUC)

Editorial Service:

- 1990-Present American Heart Journal
- 1990-Present American Journal of Cardiology
- 1990-Present Chest
- 1990-Present Circulation
- 1990-Present Journal of the American Medical Association
- 1990-Present Lancet
- 2006-Present Health Psychology, American Psychological Association
- 2006-Present Hypertension
- 2010-Present American Journal of Managed Care
- 2011-Present MDMinute
- 2011-Present UnderstandingHealth.com
- 2015-Present Consumer Reports on Health
- 2015-Present Health Pages

Associate Editor:

2000-2004	Elsevier, Trends in Cardiovascular Medicine, Women's Health
2010-2012	Journal of Cardiovascular Medicine Editorial Board
2019-Present	ACCEL
2019-Present	European Heart Journal
2020-Present	European Heart Journal, US Associate Editor
2021-Present	American Journal of Preventive Cardiology

Editorial Board Member:

2001-Present	Preventive Cardiology
2003-Present	Cardiology Today
2005-Present	Journal of Women's Health
2005-Present	Journal of the American College of Cardiology
2008-Present	Current Controlled Trials in Cardiovascular Medicine
2011-Present	Archives of Internal Medicine
2015-Present	European Heart Journal – Cardiovascular Pharmacotherapy
2015-Present	European Cardiology Review (ECR)
2018-Present	European Heart Journal
2018-Present	Circulation
2020-Present	American Heart Journal Plus: Cardiology Research & Practice

Editorial Advisor:

2008-Present	Prevention Magazine
2015-Present	European Cardiology Review (ECR)

Editorial Consultant:

2015-Present	Journal of the American College of Cardiology (JACC): Basic to Translational Science
--------------	--

Chapter Coordinator:

2015-Present	European Society of Cardiology, 3 rd Edition of the ESC Textbook of Cardiovascular Medicine
--------------	--

Grant Reviewer:

1993	Fellowship and Clinician-Scientist Grant Review Study Section, American Heart Association - Greater Los Angeles Affiliate
1996-2000	Merit Review Grant Applications, Department of Veterans Affairs
1997	Ad hoc reviewer, National Institutes of Health, Biobehavioral and Social Science Initial Review Group, Behavioral Medicine Study Section
1998-2003	Member, National Institutes of Health, Behavioral Medicine Study Section, Biobehavioral and Social Science Review Group.

- 1/13-14/2002 Committee Member, Specialized Centers of Clinically Oriented Research (SCCOR) Program. National Heart, Lung, and Blood Institute (NHLBI)
- 2/5/2003 Academic Advisory Board Member, Pfizer/SWHR Scholars Grants for Faculty Development in Women's Health, New York, NY
- 5/2004-11/2004 Grant Program Committee, Canadian Institute of Health Research, Gender and Sex Determinants of Circulatory and Respiratory Health: ICE Teams
- 2004-2005 Grant Selection Committee Member, Preventive Cardiology Award Program Meeting
- 2006 Ad hoc reviewer three times - National Institutes of Health, Special Emphasis Panel/Scientific Review Group 10, ZRG1 RPHB-G (02).
- 2008 Lipoprotein Subfraction Report and Review Checklist, Agency for Healthcare Policy and Research.
- 6/19/2007 Member, Department of Health Human Services (DHHS)-Center for Disease Control (CDC), Ancillary Studies in Clinical trials Special Emphasis Panel
- 2008 Referee for the Young Italian Researchers Grant Review, Italian National Committee for Health Research
- 2010-2015 Grant Reviewer/Selection Committee Member. Gilead Sciences Research Scholars Program. Chicago, IL
- 6/17/2013 NIH Study Section: PAR-13-009: Secondary Dataset Analyses in Heart, Lung, and Blood Diseases and Sleep Disorders, Bethesda, MD
- 2/2014 The Netherlands Organization for Health Research and Development (ZonMw): To reveal and relieve: improving widespread clinical diagnosis and therapy for microvascular dysfunction in women
- 2014-2018 Member, National Institutes of Health Study Section - Cancer, Heart, and Sleep Epidemiology Panel B Center for Scientific Review
- 2016 Member, Sanofi Microvascular Disease Advisory Board Meeting, Elizabeth, NJ
- 11/2018 Medical Research Council, Evaluation of DPFS Application: Professor Thomas Luescher
- 2018 Scientist Reviewer, Department of Defense, US Army Medical Research and Material Command, Congressionally Directed Medical Research Program (CDMRP), Fiscal Year 2018 Peer Reviewed Medical Research Program (PRMRP)

- 2019 Peer Reviewer, HRB Emerging Investigator Awards (EIA), Health Research Board, Ireland
- 2020 Congressionally Directed Medical Research Program-Department of Defense (CDMRP-DoD), grant review, member
- 6/22-3/2020 National Institutes of Health Study Section - Cancer, Heart, and Sleep Epidemiology Panel B Center for Scientific Review, ad hoc reviewer
- 8/2020-Present Internal Advisory Board Member, Pre- and postdoctoral NIDDK Training Grant, Institutional Network for Promoting Kidney, Urologic and Hematologic Research Training (U2C) NIDDK, grant reviewer
- 10/2020 Congressionally Directed Medical Research Program-Department of Defense (CDMRP-DoD), Peer reviewed Medical Research Program (PRMRP), scientific review

AWARDS AND HONORS:

- 1973 Young California Award from Governor Reagan for Heroism
- 1973-1977 Dudley Academic-Athletic Scholarship, University of Chicago, full four year tuition
- 1987 Medical Education Scholarship Program Award
American College of Cardiology/Syntex Continuing
- 1989 Fellow, American College of Cardiology (FACC)
- 1990 Fellow, American Heart Association, Council of Clinical Cardiology
- 5/16/2002 Award Recipient, American Heart Association, Second Annual Women's Legacy Luncheon
- 2002-2010 National Spokesperson, VHA Women's Heart Advantage Program
- 2/2005 The Red Dress Award for Leadership in Cardiovascular Research in Women, Woman's Day Magazine New York
- 2005 VHA Inc. Best Practices Awards, Special Achievement Award, presented to an individual who has made an outstanding contribution to the field of healthcare
- 2005 Women of the 21st Century Award, Cedars-Sinai Medical Center, Women's Guild
- 3/4/2006 Alvin P. Shapiro Award, 2006 Annual Scientific Sessions, American Psychosomatic Society, Denver, CO
- 11/2006 Awarded the Save A Heart Foundation's 2006 Heart Saver at the Annual Awards Gala, Los Angeles, CA
- 2/28/2007 Selected to moderate a National "Red Dress" Awareness Panel discussion at the Ronald Reagan Presidential Library with First Lady Laura Bush and former First Lady Nancy Reagan
- 3/2007 Cedars-Sinai Medical Center - Standing Ovation for Quality Service
- 9/2007 Ohio State University Medical Center Pfizer Visiting Professorship in Preventative Cardiology

- 6/9/2008 Wenger Award for Excellence in the Field of Healthcare - for work on the Women and Ischemia Syndrome Evaluation [WISE] study, Washington DC
- 6/23/2008 Newsweek's Second Annual West Coast Women and Leadership Advisory Committee Luncheon, West Hollywood, California
- 2008 Nominated for the Minerva Award selected by First Lady Maria Shriver for courage, wisdom and strength and service to others
- 11/2008 Winner of the 1st Dr. Carolyn McCue Woman Cardiologist of the Year Award Virginia Commonwealth University (VCU) Heart Center, 2008
- 11/2009 American Heart Association (AHA) Women in Cardiology Mentoring Award at the Council on Clinical Cardiology's Annual Dinner and Business Meeting
- 2009 Honoree, Cedars-Sinai Medical Center's Circle of Friends
- 2010 Honoree, Cedars-Sinai Medical Center's Circle of Friends
- 2/2011 Visiting Professorship, Christiana Care Health System, Cardiovascular Grand Rounds, Newark, Delaware
- 3/2012 The Journal of Women's Health Award for Outstanding Achievement in Women's Health Research Women's Health 2012: The 20th Annual Congress, Washington, DC
- 3/2012 American College of Cardiology, Distinguished Scientist (Clinical Domain) Award, 61st Annual Convocation of the American College of Cardiology, Chicago, Illinois
- 3/2012 Women in Leadership Award, 17th Annual Women in Leadership Awards & Reception, City of West Hollywood, California
- 5/2012 The Annual DeSteven's Lecture. 2011-2012 Medical Grand Rounds series, Northwestern University, Chicago, Illinois
- 11/2013 International Academy of Cardiovascular Sciences, Fellowship Award, Winnipeg, Manitoba, Canada
- 6/2014 Alumni Professional Achievement Award, University of Chicago
- 5/2015 Harold Buchwald Award for Distinguished Lecture in Cardiovascular Sciences, Winnipeg, Canada
- 6/2015 Visiting Professor Award - Nicholson Lecture, Tufts Medical Center, Boston, Massachusetts
- 12/2015 Visiting Professor Award, 2015 Northern Communities Health Foundation (MCHF), Adelaide, Australia.
- 2/2016 Doctoral Examination Board Member, MS. MSc. A.M. Otten defends doctoral thesis: Gender and age related differences in patient with ST-elevation Myocardial Infarction, Radboud Universiteit Nijmegen, Nijmegen, The Netherlands
- 2016 American College of Cardiology, Bernadine Healy Leadership in Women's CV Disease Award, 2016
- 2017 Cardiology, Diabetes & Nephrology at the Limits Meeting, University of Capetown, Hatter Award Lecture
- 2017 2nd Pollin Lecturer, Brigham and Women's Hospital, Heart & Vascular Center
- 2018 26th Annual Miriam Lemberg Lectureship in Cardiovascular Disease, University of Miami
- 3/2019 18th Annual Maseri-Florio International Keynote, 68th Annual Scientific Sessions, New Orleans, Louisiana

9/2019	First Prize in Cardiology – British Medical Association (BMA) Medical Book Awards 2019, The ESC Textbook of Cardiovascular Medicine, 3 rd Edition and ESC CardioMed
11/2020	2020 Cedars-Sinai Medical Center Pioneer in Medicine, Annual Meeting of the Medical Staff, Cedars Sinai Medical Center
11/2020	Hopkin Heart, 2 nd Annual Visiting Scholar for the Dr. Pamela Ouyang Lectureship in Women's Cardiovascular Health, Ciccarone Center for the Prevention of Cardiovascular Disease, John Hopkins
1/2021	Certificate of Excellence Award in recognition of being in the top 10% nationally in Patient Experience performance of all physicians in your specialty for FY21 Q2, Cedars Sinai Medical Center
3/2021	Recognition as a Reviewer for Annals of Internal Medicine

GRANTS:**Active:****2014–2021 5R00 HL124323-05 Co-Investigator (Sharif) (1% Effort)**

Title: Accurate Perfusion MRI for Improved Diagnosis of Microvascular Coronary Disease

From: NIH/NHLBI

Total: \$142,285 (Sub only)

2014-2022 Foundation Principal Investigator (1% Effort)

Title: Women's Ischemia Syndrome Evaluation (WISE) Coronary Vascular Dysfunction.

From: Erika Glazer Family Foundation

Total: \$1,200,000 (NCE)

Title: UCLA Clinical and Translational Science Institute (CTSI)

From: NIH/NCATS

Total: \$1,176,021

2017-2021 Contract (National & Site PI) (5% Effort)

Title: National PI Agreement - Microvascular Angina Study ACT14656

From: Sanofi US Services

Total: \$31,610

2017-2021 W81XWH-17-2-0030 Multiple PI: Pepine and Bairey Merz (10% Effort)

Title: Ischemia-Intensive Medical Treatment Reduces Events in Women with Nonobstructive CAD (WARRIOR)

From: Department of Defense – Congressionally Directed Medical Research Program

Total: \$14,915,728 (Sub-award: \$1,765,995)

2017 – 2023 5R01 AG053332-03 Principal Investigator (Cedars) (2% Effort)

Role: Core Laboratory Director

Title: Longitudinal Evaluation of Ovarian Aging and Cardiovascular Risk

From: NIH/ NIA

Total: \$11,721 (Sub only)

2018 – 2021 W81XWH-18-1-0709 Co-Investigator (Jeffries) (3% Effort)

Title: Inflammation and Metabolic Reprogramming of Lupus Monocytes - Mechanisms of the Pathobiology of Lupus Cardiovascular Disease

From: Department of Defense - Congressionally Directed Medical Research Program

Total: \$163,301

2019 – 2024 5 R01 HL146158-02 Principal Investigator (20% Effort)

Title: Women's Ischemia Syndrome Evaluation (WISE) - Mechanisms of Coronary Microvascular Dysfunction Leading to Pre-Heart Failure with Preserved Ejection Fraction (HFpEF)

From: NIH/NHLBI

Total: \$3,309,720

2020–2024 1R01 HL151266-01 Co-Investigator (Tamarappoo) (5% Effort)

Title: Effect of Intensive Medical Treatment on Quantified Coronary Artery Plaque Components with Serial Coronary CTA in Women with Non-Obstructive CAD

From: NIH/ NHLBI

Total: \$263,184

2020-2025 1 U54 AG065141-01 Multiple PI: Bairey Merz and Cheng (20% Effort)

Title: The Microvascular Aging and Eicosanoids - Women's Evaluation of Systemic Aging Tenacity (MAE-WEST) ("You are never too old to become younger!") Specialized Center for Research Excellence (SCORE)

From: NIH/NIA

Total: \$8,414,631

2020–2025 1R01 HL153430-01 Other Significant Contributor (Sharif)

Title: Noninvasive Testing of Coronary Microvascular Reactivity Using High-resolution Free-breathing MRI

From: NIH/NHLBI

Total: \$434,047

**2020–2027 1U01 HL145358-01 A1 Principal Investigator (6% Effort)
(Paker, Greenland, Saade)**

Title: Continuation of the NUMOM2B Heart Health Study
From: NIH/NHLBI
Total: \$26,807 (sub only)

Inactive:

1987-1988 Principal Investigator

Title: Validation and Assessment of Ventricular Function with the Ambulatory Ventricular Function Monitor (VEST)
From: Capintec
Total: \$10,000

1988-1993 Co-Investigator (PI: Rozanski)

Title: The Role of Behavior in the Etiology, Prevention and Treatment of Transient Myocardial Ischemia
From: John D. and Catherine T. MacArthur Foundation
Total: \$1,500,000

1991 Principal Investigator

Title: Cholesterol Awareness and Level in Coronary Artery Disease Patients
From: Merck, Sharp and Dohme
Total: \$5,000

1992-1994 Principal Investigator

Title: The Lack of Prognostic Value of Exercise Radionuclide Ventriculography in Women with Coronary Artery Disease
From: Cedars-Sinai Medical Center Divisions of Cardiology and Nuclear Medicine
Total: \$20,000

1994-1995 Co-Investigator (Kaul) (5% Effort)

Title: Altered Vascular Responses to Platelets in Hypercholesterolemia: Mechanisms and Effects of Treatment
From: American Heart Association - GLA
Total: \$59,000

1994-1997 Principal Investigator (10% Effort)

Title: A Randomized Trial of Case Management for Aggressive Risk Factor Modification in Coronary Artery Disease Patients
From: Merck & Co., Human Health Division, Marion Merrell Dow Inc, and Hoechst Marion Roussel
Total: \$72,000

1994-1999 HL 49910 Co-Investigator (Dwyer) (5% Effort)

From: National Institutes of Health. Heart, Lung and Blood Institute
Title: Intimal Thickening and Antioxidants in Hispanics and Anglos
Total: \$31,250

1995-1997 Principal Investigator (5% Effort)

Title: Oral Magnesium as a Treatment for CAD Patients: A Double Blind, Randomized Crossover Trial

From: Blaine Company and Nutrition 21

Total: \$125,000

1995-1998 HL 52073 Co-Investigator (Dwyer) (10% Effort)

Title: Antioxidants and Prevention of Early Atherosclerosis)

From: National Institutes of Health (NIH) Heart, Lung and Blood Institute (NHLBI)

Total: \$62,500

1996-1997 Principal Investigator (5% Effort)

Title: The Impact of Aggressive Lipid Lowering vs Usual Care on Plaque Thrombogenic Factors

From: Cedars-Sinai Medical Center, Division of Cardiology

Total: \$5,000

1996-1997 Co-Investigator (Sheps) (5% Effort)

Title: Prognosis in Myocardial Ischemia Study (PROMIS): A multicenter prospective follow-up study of patients with coronary artery disease and mental stress testing.

From: National Institutes of Health, National Heart, Lung and Blood Institute

Total: \$5,000

1996-2001 Principal Investigator and Chair, Steering Committee (7.5% Effort)

Title: Women's Ischemic Symptoms Evaluation (WISE): A multicenter prospective study of ischemic heart disease pathophysiology, diagnosis and prognosis in women

From: National Institutes of Health, National Heart, Lung and Blood Institute

Total: \$68,819

1997-1998 Principal Investigator (5% Effort)

Title: A Randomized Trial of Atorvastatin versus Simvastatin for the Treatment of Hyperlipidemia in Patients with Coronary Artery Disease

From: Biopharm

Total: \$28,300

1997-1999 Principal Investigator (5% Effort)

Title: A Randomized Trial of Fluvastatin for Reduction of Myocardial Ischemia

From: Novartis

Total: \$277,000

1997-1998 Principal Investigator (10% Effort)

Title: The Impact of Oral Magnesium on Cardiac Functional Capacity and Quality of Life in CAD Patients

From: ASTA Medica

Total: \$165,000

1997-2000 Principal Investigator (10% Effort)

Title: Reproductive Blood Hormone Levels as Predictive Factors for Cardiovascular Disease in Women

From: Gustavus and Louise Pfeiffer Research Foundation

Total: \$148,328

1998-2000 Principal Investigator (10% Effort)

Title: The Role of Plant Estrogens for Preventing/Reversing Heart Disease

From: Women's Guild of Cedars-Sinai Medical Center

Total: \$171,575

1998-2000 Principal Investigator (10% Effort)

Title: Efficacy of Hormone Replacement in Postmenopausal Women with Evidence of Myocardial Ischemia and Normal/Minimal Coronary Artery Disease

From: Parke-Davis/Warner-Lambert

Total: \$1,375,586

1998-2001 Co-Investigator (Forrester) (1% Effort)

Title: The Effect of LDL-Cholesterol Lowering Beyond Currently Recommended Minimum Targets on Coronary Heart Disease (CHD) Recurrence in Patients with Pre-Existing CHD

From: Parke-Davis/Pfizer #981-117

Total: \$225,000

1998-2001 Co-Investigator (Dwyer) (5% Effort)

Title: Antioxidants, Cigarette Smoking and Atherosclerosis

From: Tobacco-Related Disease Research Program – University of CA

\$149,902

1999-2001 Co-Investigator (Forrester) (1% Effort)

Title: A prospective, randomized, double-blind study comparing the effects of Atorvastatin vs. Pravastatin on the progression and quantification of coronary atherosclerotic lesions as measured by IVUS (REVERSAL)

From: Parke-Davis/Pfizer

Total: \$411,218

1999-2003 Principal Investigator (30% Effort)

Title: Effects of Meditation on Mechanisms of CAD AT00226

From: National Institutes of Health – NCCAM

Total: \$1,499,400

1999-2004 2R01HL051519-05 (Schneider) (5% Effort)

Title: Stress Reduction and Atherosclerotic CVD in Blacks

From: National Institutes of Health - NHLBI

Total: \$133,284

1999-2004 R01 HL 51519 Co-Investigator (Schneider) (10% Effort)

Title: Stress Reduction in the Prevention of Atherosclerotic CVD in High Risk African-Americans

From: National Institutes of Health – NCCAM
Total: \$143,486

2000-2001 R15HL60242 Co-Investigator (Castillo-Richmond) (1% Effort)

Title: Stress Reduction and Myocardial Ischemia
From: National Institutes of Health – NHLBI
Total: \$50,000

2000-2001 Principal Investigator (1% Effort)

Title: The effect of isoflavones on brachial artery endothelial function in postmenopausal women
From: Archer Midland Daniel Company
Total: \$34,775

2000-2005 R01HL49910 Co-Investigator (Dwyer) (1% Effort)

Title: Intimal Thickening and Antioxidants in Hispanics and Anglos, HL 49910
From: National Institutes of Health Heart, Lung and Blood Institute (NHLBI)
Total: \$33,250

2001-2002 Principal Investigator, Core Laboratory (1% Effort)

Title: MUM Center Study Project #1 (Basic Mechanism of Meditation and CVD in Older African Americans)
From: Maharishi University of Management (NIH Subcontract)
Total: \$63,347

2001-2002 Principal Investigator, Core Laboratory (1% Effort)

Title: MUM Center Study Project #2 (Clinical Trial of Meditation for CVD in Older Black Women)
From: Maharishi University of Management (NIH Subcontract)
Total: \$45,193

2001-2002 Principal Investigator, Core Laboratory (5% Effort)

Title: MUM Center Study Project #3 (Effects of Herbal Antioxidants and CVD in Blacks)
From: Maharishi University of Management (NIH Subcontract)
Total: \$94,114

2001-2004 Co-Investigator (Reis) (2% Effort)

Title: Estrogen, Cytokines and Heart Failure in Women – Blood Hormone Core Lab
From: NIH-NHLBI
Total: \$127,951

2001-2007 Co-Investigator (Kelsey) (10% Effort)

(N01-HV-68161, N01-HV-68162, N01-HV-68163, N01-HV-68164)
Title: Women's Ischemic Syndrome Evaluation (WISE)
From: NIH-NHLBI
Total: \$206,238

2002 Principal Investigator (1% Effort)

Title: The Women's Health Research Registry
From: Women's Guild
Total: \$165,738

2002-2002 Principal Investigator (10% Effort)

Title: Virtual Women's Health Center
From: Women's Guild
Total: \$81,570

2002-2002 Principal Investigator, Core Laboratory (1% Effort)

Title: Effects of Meditation on Cardiovascular Disease in Native Hawaiians: Core Laboratory
From: Maharishi University of Management (NIH Subcontract)
Total: \$9,891

2002-2002 Principal Investigator, Core Laboratory (1% Effort)

Title: Effects of Maharishi Vedic Technology on Atherosclerosis
From: Maharishi University of Management (NIH Subcontract)
Total: \$28,894

2002-2003 Principal Investigator (1% Effort)

Title: Effect of lipid-lowering with simvastatin on nerve sprouting in hypercholesterolemia rabbits
From: Merck Pharmaceuticals
Total: \$30,000

2002-2003 Co-Investigator (Polk) (1% Effort)

Title: Benefit of Elevation of HDL-Cholesterol on Cardiovascular Outcomes in Women
From: National Institutes of Health-CrEFF
Total: \$19,990

2002-2007 Principal Investigator (10% Effort)

Title: Androgens, Insulin Resistance, and Risk of Cardiovascular Disease in Women: WISE Ancillary Androgen
From: Women's Guild
Total: \$108,125

2002-2007 Principal Investigator (10% Effort)

Title: Bioidentical Estrogen, Women and Heart Disease
From: Women's Guild
Total: \$218,325

2003-2007 R011 R01 HL073108-01 Principal Investigator (10% Effort)

Project Title: Reproductive Hormones and Pre-Clinical CVD in Women
From: NHLBI
Total: \$306,000

2005-2007 Co-Investigator (Rapaport) (2.5% Effort)

Project Title: The Mechanism of Action of Massage Therapy
From: NIH/NIMH
Total: \$50,000

2005-2010 Co-Investigator (Krantz) Consultant

Project Title: Behavioral Medicine and Cardiovascular Research Training
From: NIH/NHLBI
Total: \$1,389,262

2005-2010 R01 AT001482-01A2 Principal Investigator (10% Effort)

Title: Effects of Traditional Acupuncture on Mechanisms of CHD
From: National Institutes of Health/National Center for Alternative and Complementary Medicine
Total: \$2,119,397

2005-2010 Principal Investigator (10% Effort)

Title: Small Vessel Heart Disease in Women
From: Women's Guild
Total: \$191,000

2007-2008 Co-Investigator (Pepine) (5% Effort)

Title: A Double-Blind, Multicenter, Placebo Controlled Study of Aldosterone Blockade (Eplerenone) in Women with Chest Pain, Coronary Vascular Dysfunction and Evidence of Myocardial Ischemia in the Absence of Significant Epicardial Coronary Artery Disease (EWISE)
From: University of Florida
Total: \$77,381

2007-2009 Principal Investigator (5% Effort)

Title: An Open-label, Multi-center Study Evaluating the Validity, Reliability, and Responsiveness of a New Women's Ischemia Symptom Questionnaire in Women with Chronic Angina Treated with Ranolazine Extended-release Tablets
From: CV Therapeutics
Total: \$87,500

2007-2009 Co-Principal Investigator (Schwartz) (10% Effort)

Title: Safety and efficacy of alprostadil (FemLife Gel) in the treatment of female sexual arousal disorder in women
From: Glycobiosciences
Total: \$123,062

2007-2010 Principal Investigator (10% Effort)

Title: Microvascular Coronary Disease in Women: Impact of Ranolazine Therapy
From: CV Therapeutics/ Gilead
Total: \$242,500

2008 Co-Investigator (PI: Shah) (1% Effort)

AWARE Trial (Angiogenesis in Women with Angina Pectoris who are not candidates for Revascularization)

From: Cardium Therapeutics

Total: \$106,000

2008 - 2009 3R01AT001482-03S1 Principal Investigator (1% Effort)

Title: Traditional Acupuncture on Mechanisms of CHD – Ancillary Training Grant

From: National Center for Complementary and Alternative Medicine

Total: \$162,500

2008-2011 Co-Investigator (Krumholz) (1% Effort)

Title: Variation in Recovery: Role of Gender on Outcomes of Young Acute Myocardial Infarction (AMI) Patients (VIRGO)

From: NIH - Sub-Contract to Yale University

Total: \$14,049

2008-2015 R01 HL090957-01A1 Principal Investigator (15% Effort)

Title: Women's Ischemia Syndrome Evaluation (WISE) Coronary Vascular Dysfunction.

From: National Institutes of Health

Total: \$3,786,733

2009 Co-Investigator (Kelsey) (1% Effort)

Title: Cardiovascular Events in Women's Ischemia Syndrome Evaluation

From: National Institutes on Aging

Total: NIH-Data Coordinating Center administrative support

2011-2013 Co-Investigator (Rich-Edwards/Shufelt) (1% Effort)

Title: Does Vascular Dysfunction Precede Pre-eclamptic Pregnancy: Feasibility of Arterial Tonometry in a Pre-Pregnancy Cohort

From: Society for Women's Health Research: Cardiovascular ISIS Network

Total: \$5,300

2011-2016 Principal Investigator (10% Effort)

Title: Treatment with Ranolazine in Microvascular Coronary Dysfunction (MCD): Impact on Angina and Myocardial Ischemia. An Ancillary WISE Study

From: Gilead

Total: \$2,218,577

2012-2014 Principal Investigator (1% Effort)

Title: Sex-Specific Genetic Variability in Mechanistic Pathways and Cardiovascular Outcomes in Women with Non-Obstructive Coronary Artery Disease

From: The Society for Women's Health Research (SWHR) and Studies in Sex-Differences (ISIS) Network on Cardiovascular Disease

Total: \$50,000

2013-2018 (1U10HL119991-01/1-312-0214047-51666L) Consultant (Parker) (5% Effort)

Title: Pregnancy as a Window to Future Cardiovascular Health (nuMoM2b-HHS)

From: NHLBI

Total: \$93,837.00

2013-2019 Principle Investigator (1% Effort)

Title: Clinical and Translational Science Institute (CTSI) Prospective Longitudinal Assessment of Coinfected Subjects with HIV/Hepatitis C for Endothelial Function Study

From: Clinical and Translational Science Institute (CTSI)

Total: \$31,210

2014-2019 Principle Investigator (15% Effort)

Title: WISE-HFpEF

From: Erika Glazer Family Foundation

Total: \$7,200,000

2015-2016 Co-Investigator (Goodman) (5% Effort)

Title: STOP Heart disease in Breast Cancer survivors

From: University of California – California Breast Cancer Research Program

Total: Year 1 \$374,059

2015-2016 Principal Investigator (5% Effort)

Title: Vascular Aging in Flight Attendants with Second Hand Smoke Exposure

From: San Francisco General Hospital/FAMRI

Total: \$276,567.00

2015-2018 Co-Director (Redberg) (1% Effort)

Title: FAMRI Bland Lane Center of Excellence on Second Hand Smoke

From: FAMRI (Flight Attendant Medical Research Initiatives)

Total: \$4,277,518

2015-2019 Multiple PI: Bairey Merz and Mehta (1% Effort)

Title: Exploring the Brain-Heart Connection in Women with Takotsubo Cardiomyopathy

From: Ferguson Foundation

Total: \$200,000

2015-2020 1R01HL124649-01A1 Co-Investigator (Li D) (3% Effort)

Title: Whole-Heart Myocardial Blood Flow Quantification Using MRI

From: NIH/NHLBO

Total: \$1,911,088

2015-2020 2 R01 HL096119 Co-Investigator (Li D) (2% Effort)

Title: 3D MRI Characterization of High-Risk Carotid Artery Plaques without Contrast Media

From: NIH/NHLBI

Total: \$1,000,000 (total direct)

2017-2018 Contract #OPR014109 Multiple PI (Spiegel, Van Eyk, Bairey Merz) (5% Effort)

Title: Early Prediction of major Adverse Cardiovascular Event Surrogates Using Remote Monitoring with Biosensors, Biomarkers, and Patient-Reported Outcomes -and- the short title is: Early MACE Prediction Using Biosensors, Biomarkers, PRO's

From: State of California, Governor's Office of Planning and Research

California Initiative to Advance Precision Medicine (CIAPM)

Total: \$1,200,000

2017-2020 R44HL135889-01 Co-Investigator-Site PI (Losordo)(10% Effort)

Title: Exploratory Clinical Study to Evaluate the Potential Bioactivity of CLBS14 in Patients with Coronary Microvascular Dysfunction

From: NIH/NHLBI/ Subcontract to Caladrius Biosciences

Total: \$559,696

Pending:

2021-2025 R01 HD10696 Co-Investigator (Shufelt) (Effort)

Title: Hypothalamic Amenorrhea as a Fertility Status Marker for Cardiovascular Health

From: NIH/ NHLBI

Total: \$866,584

2021-2026 R01 HL158920 Co-Investigator (Tamarappoo) (Effort)

Title: Coronary CT Angiographic Predictors of angina and Adverse Clinical outcomes In women with nonobstructive coronary plaque (CAPACITY)

From: NIH/ NHLBI

Total: \$250,000

LECTURES AND PRESENTATIONS:

1. Exercise and Coronary Artery Disease: What Should We Be Recommending to Our Patients (and Ourselves)? Medical Grand Rounds, University of California, San Francisco - Moffitt Hospital, May 8, 1985.
2. Mental Stress and the Heart, Medical Grand Rounds, Mountain View Medical Center, December 16, 1986.
3. Characteristics of Silent Myocardial Ischemia During Mental Stress: Laboratory Assessment Using Equilibrium Radionuclide Ventriculography, 36th Annual Scientific Session, American College of Cardiology, New Orleans, Louisiana, March 8, 1987.
4. Validation of an Ambulatory Radionuclide Device Using Gamma Camera Exercise Ventriculography, Invited Presentation, Capintec Scientific Users Meeting, Newark, New Jersey, February 23, 1987.
5. Silent and Symptomatic Ischemia: Comparative Assessment of Ischemic Extent and Severity by Exercise Electrocardiography and Radionuclide Ventriculography, 34th Annual Meeting, Society of Nuclear Medicine, Toronto, Ontario, June 3, 1987.

6. Radionuclide Ventriculography Silent Ischemia During Mental Stress, 34th Annual Meeting, Society of Nuclear Medicine, Toronto, Ontario, June 3, 1987.
7. Comparison of Physiologic Ejection Fraction Responses to Differing Stimuli: Implications for Clinical Testing, 13th Western Regional Meeting, Society of Nuclear Medicine, Seattle, Washington, October 14, 1988.
8. Mental Stress and Silent Myocardial Ischemia, in the symposium: New Strategies in Ischemic Heart Disease, Vancouver, British Columbia, August 26, 1988.
9. Stress and Silent Cardiac Ischemia, Medical Grand Rounds, Metropolitan State Hospital, Norwalk, California, September 21, 1988.
10. Role of Stress in Ischemic Heart Disease and Strategies to Reduce Stress in Rehabilitation Programs, in the symposium: Cardiovascular Risk Factors: Whom to Treat and How to Treat in 1989, Rancho Los Amigos Medical Center, Long Beach, California, November 5, 1988.
11. Comparison of Physiologic Ejection Fraction Responses to Differing Stimuli: Implications for Clinical Testing, 61st Annual Scientific Sessions, American Heart Association, Washington D.C., November 16, 1988.
12. Ambulatory Left Ventricular Function Monitoring: Are the Ejection Fraction Measurements Reproducible? American College of Cardiology, 38th Annual Scientific Session, March 21, 1989.
13. Mental Stress and Silent Ischemia in the symposium: Circadian Variation and Triggering of Cardiovascular Disease, Phoenix, Arizona, May 5-6, 1989.
14. Stress, Behavior and Myocardial Ischemia--Potential Correlates, Invited Lecture at the Texas Heart Institute, Houston, Texas, December 9, 1989.
15. Comparative Analysis of Exercise Echo and Nuclear Testing Procedures, in the American College of Cardiology Course -Clinical Nuclear Cardiology: Case Review with the Experts, Los Angeles, January 25-27, 1989.
16. Continuous versus Intermittent Electrocardiographic Monitoring in Cardiac Rehabilitation: Impact on Physician Reporting and Patient Disposition, 63rd Annual Scientific Sessions, American Heart Association, Dallas, Texas, November 12, 1990.
17. Effect of Beta-Blockade on Low Heart Rate-Related Ischemia During Mental Stress, 63rd Annual Scientific Sessions, American Heart Association, Dallas, Texas, November 13, 1990.
18. Mental Stress: Its Role as a Trigger of Ischemia in Coronary Heart Disease in the Symposium: Clinical Manifestations of Atherosclerosis and Its Prevention, Boca Raton, Florida, January 18-19, 1991.

19. Comparative Analysis of Exercise Echo and Nuclear Testing Procedures, in the American College of Cardiology Course - Clinical Nuclear Cardiology: Case Review with the Experts, Los Angeles, January 31-February 2, 1991.
20. Rationale for Aggressive Lipid Management in Coronary Artery Disease Patients in the symposium: Aggressive Lipid Management in CAD: Why, Whom and How to Treat, Beverly Hills, California, May 4, 1991.
21. Silent Myocardial Ischemia: What You Can't Feel Can Hurt You, in the Canadian Society of Internal Medicine Symposium - Advances in Internal Medicine, Whistler, British Columbia, August 22-25, 1991.
22. Relationships with Mental Stress, in the Symposium: Asymptomatic Myocardial Ischemia - Is Silence Innocuous? at the Annual Canadian Cardiovascular Society Meeting, Calgary, Alberta, October 15, 1991.
23. Gender Differences in Mental Stress - Induced Cardiovascular Reactivity, in the NIH conference on Women, Behavior and Cardiovascular Disease, Bethesda, Maryland, September 25-27, 1991.
24. The Effect of Cardiac Rehabilitation on Cholesterol Awareness in Cardiac Patients, 64th Annual Scientific Sessions, American Heart Association, Anaheim, California, November 12, 1991.
25. Gender Differences in Mental Stress Reactivity: Influence on Ejection Fraction Responses, 64th Annual Scientific Sessions, American Heart Association, Anaheim, California, November 14, 1991.
26. Mental Stress as a Trigger for Heart Disease, American Heart Association 19th Science Writers Forum, Galveston, Texas, January 12-15, 1992..
27. Efficacy of Secondary Prevention of Coronary Artery Disease - Cardiac Rehabilitation 1992, Medical Grand Rounds, Encino Hospital, Encino, California, March 16, 1992.
28. Hostility and Mental Stress as a Trigger of Myocardial Ischemia in Coronary Patients, Cardiology Grand Rounds, Texas Heart Institute, Houston, Texas, April 3, 1992.
29. Stress and Myocardial Ischemia: Potential Correlates, in the symposium Stress-Take It to Heart, Texas Heart Institute, Houston, Texas April 4, 1992.
30. Aggressive Lipid Management in Coronary Artery Disease, Medical Grand Rounds, Northridge Hospital Medical Center, Northridge, California, April 9, 1992.
31. Diet and Disease: Fact and Fancy, Village School Parents Association, Pacific Palisades, California, January 13, 1993.
32. Women and Heart Disease, Save-A-Heart Foundation, Santa Monica, California, January 20, 1993.

33. Women and Heart Disease-Update 1993, The Blue Ribbon of The Music Center, Los Angeles, California, March 1, 1993.
34. Mental Stress as a Trigger of Low Heart Rate Ischemia, in the symposium "Heart Rate in Mechanisms of Myocardial Disease States" at the American College of Cardiology 42nd Annual Scientific Session, Anaheim, California, March 13, 1993.
35. Women, Coronary Heart Disease and Estrogen Replacement Therapy, Medical Grand Rounds at Cigna Medical Center, Los Angeles, California, March 25, 1993.
36. Prognostic Value of Exercise Radionuclide Ventriculography in Catheterized Patients with and Without Prior Myocardial Infarction, 1st International Congress of Nuclear Cardiology, Cannes, France, April 25-28, 1993.
37. Women's Health Issues, American Heart Association - GLA Affiliate, Los Angeles, California, May 19, 1993.
38. Women and CAD: Under-Treated or Misunderstood? Grand Rounds, Valley Presbyterian Medical Center, Tarzana, California, October 5, 1993.
39. Women at Risk: Heart Disease and Menopause. Governor Pete Wilson's Conference for Women, Long Beach Convention Center, Long Beach, California, November 4, 1993.
40. Hypercholesterolemia and Other Metabolic Considerations, in the symposium "Cardiology Symposium for the Primary Care Physician", St. Johns Regional Medical Center, Oxnard, California, October 30, 1993.
41. Atherogenesis and Its Prevention, Session Chair, in the American College of Cardiology Course "Cardiology Update", Los Angeles, California, February 3, 1994.
42. Secondary Prevention of CAD: A Case Management Approach, in the annual meeting of the Southern California Society for Cardiac Rehabilitation, Los Angeles, California, May 14, 1994.
43. Exercise Therapy: Risk Assessment, Testing and Prescription, in the seminar "Cardiac Rehabilitation in An Ambulatory Setting: A Multidisciplinary Approach", West Los Angeles VA Medical Center, Los Angeles, September 30, 1994.
44. Women, Heart Disease, and Estrogen Therapy, in the 7th Annual Cardiovascular Nursing Symposium, The Heart Institute, The Hospital of the Good Samaritan, Los Angeles, October 6, 1994.
45. Exercise Therapy: Risk Assessment, Testing and Prescription, in the conference Cardiac Rehabilitation in an Ambulatory Care Setting: A Multi-Disciplinary Approach, West Los Angeles VA Medical Center, Los Angeles, September 30, 1994.

46. Cardiovascular Disease: Prevention and Treatment, in the symposium Health Care in the 90's: A Focus on Women, by the Society for the Advancement of Women's Health Research, San Francisco, November 18, 1994.
47. Cardiovascular Disease and the Impact of Hormonal Replacement Therapy in Women, in the symposium Update on Health Concerns for Women and Minorities, at the Fourth Annual Tribute to Black Physicians and Medical Symposium by the Minority Health Institute, Los Angeles, November 19, 1994.
48. Concepts in Heart Disease Prevention and Treatment, in the seminar Cardiovascular Health and Fitness, The Walt Disney Company, Indian Wells, California, November 17, 1994.
49. Physician, Wife and Mother in the 21st Century for the National Charity League, Los Angeles, May 5, 1995.
50. Mental Stress as a Trigger for Heart Disease, Fifth Annual Don Carlos Peete MD Lectureship, Trinity Lutheran Hospital, Kansas City, Missouri, May 23, 1995.
51. Women and Coronary Artery Disease: Hormones and Hostility, Medical Grand Rounds, Trinity Lutheran Hospital, Kansas City, Missouri, May 24, 1995.
52. The Efficacy of Cardiac Rehabilitation and Aggressive Risk Factor Modification, Medical Grand Rounds, Downey Community Hospital, Downey, California, July 17, 1995.
53. Mental Stress as a Risk Factor for Heart Disease, Panamanian Heart Foundation Preventive Cardiology symposium, Panama City, Panama, September 5-8, 1995.
54. Noninvasive Evaluation of CAD - Which Method and When, 63rd Annual Fall Symposium of the American Heart Association, Greater Los Angeles Affiliate, Los Angeles, California, September 13, 1995.
55. Women and Heart Disease, moderator, The Fran Stark Women's Health Forum, Century City, California, September 20, 1995.
56. Mental Stress and Myocardial Ischemia, Eighth Annual Cardiovascular Nursing Symposium, The Heart Institute, Good Samaritan Hospital, Los Angeles, California, October 5, 1995.
57. Women at Risk: An Update on Ovarian/Breast Cancer, Heart Disease and Reconstructive Surgery. Governor Pete Wilson's Conference on Women, Long Beach Convention Center, California, November 14, 1995..
58. Women and Heart Disease, AACN 22nd Annual Spring Symposium, Studio City, California, March 28, 1996.
59. Cardiac Rehabilitation - Who, When, How and Where, Little Company of Mary Hospital Medical Grand Rounds, Torrance California, March 28, 1996.

60. Aggressive Medical Management of Coronary Artery Disease, in the Clinical Series “A Managed Care Perspective on Cardiology Issues for the Primary Care Physician, sponsored by the Medical Quality Commission, Annenberg Center for Health Sciences at Eisenhower, Rancho Mirage, and Los Angeles, California, April 19, 1996.
61. Women and Heart Disease: Psychodynamics, Risk Assessment and New Cost-Effective Testing Strategies, in the Symposium Cardiovascular Care Delivery 1996 - Meeting the Needs of the Medical Director, Marina del Rey, California, April 13, 1996.
62. Perimenopausal Issues: Women and Heart Disease, HealthCare Partners Medical Group, Alhambra, California, April 24, 1996.
63. Mental Stress as a Trigger of Heart Disease, Federal Pharmacists Association, West Los Angeles, California, April 30, 1996.
64. Applying the Lessons of Clinical Trials, in the symposium Overcoming Barriers to Progress in Women’s Health, Los Angeles, California, May 15, 1996.
65. Women’s Health Issues, St. John’s Hospital, Santa Monica, California, May 16, 1996.
66. Nurse Case Management for Lipid Lowering Medication Usage and Compliance, in the Annual Meeting of the Southern California Lipid Working Group, Santa Monica, California, May 18, 1996.
67. Mental Stress as a Trigger for Heart Disease, Cardiology Conference, Los Angeles Heart Institute, St. Vincent Medical Center, Los Angeles, California, May 23, 1996.
68. Coronary Artery Disease in Women, Medical Grand Rounds, Huntington Hospital and Medical Center, Pasadena, California, May 10, 1996.
69. Overview of Studies on Women and Heart Disease, in the conference Heart Disease in Women, Pasadena, California, June 1, 1996.
70. Impact of Hormonal Replacement on Cardiovascular Disease, in the symposium “Women’s Health Issues in the Primary Care Practice”, Saint Barnabas Medical Center, Livingston, New Jersey, June 5, 1996.
71. Women and Heart Disease: Psychodynamics, Risk Assessment, and New Cost-Effective Testing Strategies, in the symposium Cardiology for the Primary Care Physician, California Society for Internal Medicine, San Francisco, California, September 28, 1996.
72. Lipid Management as a Treatment for Myocardial Ischemia, in the symposium “The Role of Lipid-Lowering in Reduction of Vascular Morbidity and Mortality”, invited lecture, Bel-Air, California, October 30, 1996.
73. Women and Heart Disease, Internal Medicine Grand Rounds, Kaiser Permanente Los Angeles Medical Center, Los Angeles, California, December 3, 1996.

74. Coronary Artery Disease in Women - Risk Assessment and Medical Management Strategies, invited lecture, Irvine, California, February 19, 1997.
75. Benefits and Risks of Low-Dose Aspirin for the Treatment of Cardiovascular Disease, in the symposium "Considerations for Analgesic Therapy in Patients Using Low-Dose Aspirin for Prevention of Myocardial Infarction", Naples, Florida, February 27-28, 1997.
76. Women, Heart Disease and HRT, in the Annual Semmelweis-Waters Obstetrical and Gynecological Conference, Atlantic City, New Jersey, March 14-16, 1997.
77. Women at Risk: Hormones and Hostility, in the Annual Semmelweis-Waters Obstetrical and Gynecological Conference, Atlantic City, New Jersey, March 14-16, 1997.
78. Stress Management: The Relationship Between Stress and Cardiovascular Disease, California Society of Health-System Pharmacists Spring Symposium, Universal City, California, April 10-13, 1997.
79. Cardiovascular Disease in Women: New Challenges, Cardiovascular Risk Reduction: Management Strategies, San Francisco, California, April 26, 1997.
80. Women and Heart Disease: Risk Assessment and Cost-Effect Testing and Treatment Strategies, invited lecture, Sacramento, California, May 8, 1997.
81. Women and Heart Disease, Medical Grand Rounds, Mercy American River/Mercy San Juan Hospital, Sacramento, California, May 9, 1997.
82. Psychosocial Factors and CHD: New Measurement Techniques, Recent Findings, and Future Avenues, invited lecture in the Academy of Behavioral Medicine Research 1997 Annual Symposium, Tucson, Arizona, June 5-8, 1997.
83. Hormone Replacement Therapy: The Relationship to Cardiovascular Disease, Saint Barnabas Medical Center, Livingston, New Jersey, June 11, 1997.
84. Reversing Heart Disease: 1997 Update, Community lecture in the Preventive and Rehabilitative Cardiac Center, Los Angeles, California, September 16, 1997.
85. Women and Heart Disease: Hormone and Hostility, invited lecturer in the Hartford Hospital Thirteenth Annual Cardiovascular Symposium, October 7, 1997.
86. Cardiac Rehabilitation, Dyslipidemia, Heart Disease in Pregnancy, West Coast Cardiovascular Review Course for Cardiology Boards and Recertification, October 6-9, 1997.
87. Recognition and Evaluation of Cardiac Ischemia in Women, in the symposium Women's Health Issues in Primary Care, University of California, San Diego, La Jolla, California, November 20-22, 1997.

88. Dyslipidemia Treatment and Prevention/Reversal of Coronary Artery Disease. Cardiology Journal Club, St. John's Medical Center, Oxnard, California, January 23, 1998.
89. Diabetes and Dyslipidemia: An Opportunity for Effective CAD Intervention, in the symposium Cardiovascular Disease and the Diabetic Patient, Los Angeles, December 13, 1997.
90. Cardiac Rehabilitation – Current Status: Improving Cardiac Outcomes and Utility of Risk Stratification, and – The Future: Case Management, Risk Factor Modification and Managed Care, in the Tennessee Association of Cardiovascular & Pulmonary Rehabilitation Fall Conference, Nashville, Tennessee, November 18, 1997.
91. Women's Health: Heart Disease, Hormones and Hostility, in the Southern California Region I Scientific Meeting of the American College of Physicians, Los Angeles, California, February 20-21, 1998.
92. Beyond Statins: Expert Dyslipidemia Treatment for Women with Coronary Artery Disease, Alvarado Hospital Medical Center, San Diego, California, June 9, 1998.
93. Women at Risk: Hormones and Hostility, in the Endocrine Society 1998 symposia Current Advances in Hormone Replacement Therapy, New Orleans, Louisiana, June 24, 1998.
94. Beyond Statins: Expert Dyslipidemia Treatment for Coronary Artery Disease Patients, Grossmont Hospital, San Diego, California, September 22, 1998.
95. Treatment of Hypercholesterolemia: New Therapeutic Agents, in the Colorado Lipid Symposium, Vail, Colorado, October 4, 1998.
96. Emerging Risk Factors for CVD: LDL particle size, in the American Heart Association Western States Affiliate's 66th Annual Fall Symposium, Los Angeles, California, September 16, 1998.
97. Women's Cardiac Health Issues, in the Southern Oregon Review of Medicine "Primary Care Cardiology – Pearls, Practice Guidelines, Updates and Reviews for the Year 2000, Medford, Oregon, October 9, 1998.
98. Beyond Statins: Expert Dyslipidemia Treatment for Coronary Artery Disease, invited lecture at Grossmont Hospital, San Diego, California, February 5, 1999.
99. Hormones, Hostility and the Heart, invited lecture at the Pritikin Longevity Institute, Santa Monica, California, February 15, 1999.
100. Women's Heart Health, invited lecture, Oregon Health Sciences University, OHS Foundation, Portland, Oregon, February 10, 1999.
101. Stress Management: Efficacy for Reducing Morbidity and Mortality, and How to Monitor Patients During Active Cardiac Rehabilitation Exercise, and Women and Heart Disease: What Makes the Difference, and Role of New Technologies in Cardiac Rehabilitation. In the

- 6th Asian Pacific Congress of Cardiac Rehabilitation, Bangkok, Thailand, February 20-22, 1999.
102. Heart Disease, Exercise and Sports, Cardiology Conference, St. Vincent Medical Center, Los Angeles, CA, May 27, 1999.
 103. Update on Hormone Replacement Therapy and Heart Disease Prevention in Women, in the Vascular Biology Working Group, National Faculty Update Conference: The Cardiovascular Dysmetabolic Syndrome, Orlando, Florida, June 4, 1999.
 104. Cutting Edge Techniques for the At-Risk Coronary Patient, Desert Springs Hospital and Medical Center, Las Vegas, Nevada, June 1999.
 105. Expert Treatment of Dyslipidemia, in the conference Midwest Lipids, Abbey Resort and Fontana Spa on Lake Geneva, Fontana, Wisconsin, June 4-6, 1999.
 106. Enhance your Knowledge about Prevention of Heart Disease and Stroke. Save a Heart Foundation lecture, Los Angeles, CA, April 26, 1999.
 107. Recognition and Evaluation of Cardiac Ischemia in Women, in the conference Women's Health Issues in Primary Care, University of California San Diego, La Jolla, California, November 18, 1999.
 108. Clinical Cues for Assessing Ischemic Heart Disease in Women, in the symposium New Advances in the Management of Coronary Heart Disease in Women, St. Luke's Roosevelt, University Hospital of Columbia University College of Physicians and Surgeons, New York, New York, December 2, 1999.
 109. Age, Risk Factors and Coronary Artery Disease in Women: The NHLBI-sponsored WISE Study, abstract presentation at the 40th Annual Conference on Cardiovascular Disease Epidemiology and Prevention, La Jolla, California, March 4, 2000.
 110. Race, Risk Factors and Coronary Artery Disease in Women: The NHLBI-sponsored WISE Study, abstract presentation at the 40th Annual Conference on Cardiovascular Disease Epidemiology and Prevention, La Jolla, California, March 4, 2000.
 111. Does Hypothalamic Hypoestrogenemia Explain CAD in Premenopausal Women?: The NHLBI-sponsored WISE Study, abstract presentation at the American College of Cardiology 49th Annual Scientific Sessions, Anaheim, California, March 14, 2000.
 112. Women and Heart Disease: Diagnosis, Pathophysiology and Management. Medical Grand Rounds and First Annual Ann F. Eisenstein Lecture on Cardiovascular Disease in Women, Vanderbilt University, Nashville, Tennessee, March 23, 2000.
 113. Preventive, Nutritional and Psychological Aspects of Heart Disease, in the community health symposium by the Save-a-Heart Foundation, Los Angeles, California, March 28, 2000.

114. Cardiovascular Disease in Women, at the investigators meeting for the BELLES trial, San Francisco, California, April 7, 2000.
115. Cardiovascular Disease in Women, in the symposium Critical Endocrine Issues in Women, Joslin Diabetes Center CME program, Dallas, Texas, April 11, 2000.
116. Prevention and Reversal of Heart Disease, Women and Heart Disease, Hormones and Hostility, Beyond Statins: Advanced Lipid Management, in the conference "Second Annual Port Douglas Heart Meeting, Port Douglas, Australia, May 19-21, 2000.
117. Women and Heart Disease: pitfalls in detection, assessment and management. Second Annual Port Douglas Heart Meeting. Sydney Cardiology Group, Sydney, Australia, May 20, 2000.
118. The Vascular Effects of Reproductive Hormones, invited evening CME lecture, Sacramento, California, August 23, 2000.
119. Women and Heart Disease. Plenary speaker at the Women in Medicine focus session. AAMC Annual Meeting, Chicago, IL, October 29, 2000.
120. Evaluation and Risk Identification of CHD in Women, in the conference "Current Trends in Women's Health: Caring for Your Patient and Yourself", University of California, San Diego, November 3, 2000.
121. How to Evaluate Chest Pain in Women. ACC 2000 Council on Clinical Cardiology, Anaheim, CA, November 14, 2000.
122. Evaluation of Chest Pain in Women. In the NIH Seminar "Heart and Brain Attack", National Institutes of Health, Bethesda, Maryland, December 7, 2000.
123. Migraine headaches, angina and CAD in women: The NHLBI-sponsored WISE Study. Abstract presentation at the Annual American Heart Association Scientific Sessions, New Orleans, LA, November 2000.
124. Oral magnesium therapy improves endothelial function in patients with coronary artery disease. Abstract presentation at the Annual American Heart Association Scientific Sessions, New Orleans, LA, November 2000.
125. Women and Heart Disease: Risk Assessment and Management, in the symposium 11th Annual Cardiology Symposium "Cardiology 2001: Concepts and Controversies", Sacramento, California, February 10, 2001.
126. Cholesterol-lowering medication, cholesterol level and reproductive hormone levels in women: The NHLBI-sponsored WISE study. Abstract presentation at the Annual College of Cardiology Scientific Sessions, Atlanta, GA, March 2001.
127. Fit or fat: does it matter what women weigh? Abstract presentation at the Annual College of Cardiology Scientific Sessions, Atlanta, GA, March 2001.

128. Coenzyme Q, Nutraceuticals and Other Supplements, in the symposium Alternatives and Complementary Practices in Cardiovascular Disease, Annual College of Cardiology Scientific Sessions, Atlanta, GA, March 2001.
129. Global Risk Approach for Coronary Artery Disease, Chair, Annual College of Cardiology Scientific Sessions, Atlanta, GA, March 2001.
130. Does Gender Influence Response to Cardiac Ischemia? The Ninth Annual Congress on Women's Health and Gender-Based Medicine, Washington, D.C., June 3, 2001.
131. The Role of Guidelines and Position Statements: What Exists and What Can Be Added. Women's Guidelines Advisory Board Meeting, New York, NY, June 20, 2001.
132. Women, Hormones, Hostility, and Heart Disease. PeaceHealth Women's Information Network Seminar, Springfield, OR, October 9, 2001.
133. Women, Heart Disease, and Hormone Replacement Therapy. California Society for Cardiac Rehabilitation, Daniel Freeman Memorial Hospital, Inglewood, CA, November 10, 2001.
134. Ensuring Quality in Women's CV Health in the New Millennium: What Have We Learned from Clinical Trials? Speaker in the Cardiovascular Seminar at the Annual American Heart Association Scientific Sessions, Anaheim, CA, November 13, 2001.
135. Gender Differences in Atherosclerosis. The 4th Heart Disease in Women Sessions preceding the 51st Annual American College of Cardiology Scientific Sessions, Atlanta, GA, March 16, 2002.
136. CVD in Women: A Report from the Front Lines. Women's Health 2002: Clinical Insights for the Practitioner, VCU Institute for Women's Health, Williamsburg, Virginia, April 19, 2002.
137. Coronary Artery Disease in Women: Risk Assessment & Medical Management, Sponsored by Pfizer Pharmaceuticals, Inc., Palm Springs, California, April 24, 2002.
138. Case Presentation and Discussion: Will EBCT Help This Patient?, American College of Cardiology Program: Implementing Coronary Risk Factor Modification: Why, How, and in Whom?, Bethesda, Maryland, April 25, 2002.
139. Case Presentation and Discussion: Depression, AMI, Psychosocial Interventions, American College of Cardiology Program: Implementing Coronary Risk Factor Modification: Why, How, and in Whom? Bethesda, Maryland, April 25, 2002.
140. Case Presentation and Discussion: Getting This Hypertensive Patient Controlled...and What Should Be Controlled After All? American College of Cardiology Program: Implementing Coronary Risk Factor Modification: Why, How, and in Whom? Bethesda, Maryland, April 26, 2002.

141. Case Presentation and Discussion: Postmenopausal Women with CAD: What Do We Do Now? American College of Cardiology Program: Implementing Coronary Risk Factor Modification: Why, How, and in Whom?, Bethesda, Maryland, April 27, 2002.
142. Heart Disease and Women: Recognition, Evaluation and Management, invited Medical Grand Rounds, Mayo Clinic, September 12, 2002, Rochester, MI.
143. Preventive Cardiology 2002: Can We Avoid Revascularization Through Aggressive Medical Management, invited lecture in the Annual University of Austria Cardiology Update, September 26-28, 2002, Vienna, Austria.
144. Reproductive Hormones and Cardiovascular Function invited lecture in the Annual University of Austria Cardiology Update, September 26-28, 2002, Vienna, Austria.
145. Gender Differences in Atherosclerosis: Coronary Artery Disease and Response to Treatment, invited lecture in the Annual University of Austria Cardiology Update, September 26-28, 2002, Vienna, Austria.
146. Women and Ischemia Syndrome Evaluation (WISE) Workshop: Diagnosis of Ischemic Heart Disease, October 2-4, 2002, Bethesda, MD.
147. Can Noninvasive Imaging Improve CAD Detection, Conference Co-Chair, Bethesda Conference 34 at the American College of Cardiology Heart House, October 7, 2002, Bethesda, MD.
148. Women and Cardiovascular Disease: Detection, Assessment and Treatment, invited Medical Grand Rounds, University of Michigan, October 8, 2002, Ann Arbor, Michigan.
149. Women, Heart Disease and Health, invited lecture in the Women's Forum for Health Luncheon in Monterey, CA, October 15, 2002.
150. Evaluating the Need for New Treatment Options for Managing Patients with Lipid Disorders in the conference The Evolving Lipid Management Paradigm: Centers of Excellence Symposium, Los Angeles, California, October 18, 2002.
151. Women, Heart Disease Symptoms and Presentation, invited satellite lecture to western VHA sites, El Segundo, California, October 23, 2002.
152. Evaluation & Risk Identification of CHD in Women, invited lecture in the conference Current Trends in Men's & Women's Health Conference, Del Mar, California, November 7, 2002.
153. Controversies in Diet and Heart Disease: What is Hype and What is Real. The Heart Fund Educational Forum on Heart Disease Prevention, Calabasas, California, November 13, 2002.
154. Women and Heart Disease, invited Medical Grand Rounds, California Pacific Med Center, San Francisco, California, December 18, 2002.

155. The Epidemic of Atherosclerosis and Gender Differences. Heart Disease in Women: Continuing Challenges, invited lecture North Shore-Long Island Jewish Health System, Marriott Uniondale Long Island, Uniondale, New York, January 11, 2003.
156. Developing Your Clinical Strategy. VHA Clinical Services Women's Heart Advantage Orientation, Improving Cardiovascular Health for Women, Dallas, Texas, January 21, 2003
157. New Approaches to Better Cholesterol Management and Improved Patient Outcomes: Linking Science and Practice. Invited lecture and Satellite Symposium at the PCNA National Meeting, San Francisco, California, February 28, 2003.
158. Health Hearts Beat True, invited lecture, Sharp's Women's Health Symposium, San Diego, California, March 8, 2003.
159. Developing Your Clinical Strategy. VHA Clinical Services Women's Heart Advantage Orientation, Improving Cardiovascular Health for Women, Oakland, California, March 17, 2003.
160. ACC'03- Heart Disease in Women. Where Are We Now? Where Are We Going?, invited lecture Women, Atherosclerosis, and Ischemic Heart Disease – Lessons from the WISE Study, American College of Cardiology, Chicago, Illinois, March 29, 2003.
161. Developing Your Clinical Strategy. VHA Clinical Services Women's Heart Advantage Orientation, Improving Cardiovascular Health for Women, Dallas, Texas, April 23, 2003.
162. Women and Heart Disease, invited lecture to the California Society for Cardiac Rehabilitation, Monterrey, California, April 24, 2003.
163. Preventive Cardiology 2003: What the New Trials Show, invited roundtable lectures, Palm Springs, California, April 29-30, 2003.
164. Preventive Cardiology 2003: What the New Trials Show, invited roundtable lectures, Las Vegas, Nevada, May 23, 2003.
165. The Changing Face of Women's Health: A Case-Based Approach to CHD Risk, invited lecture in the Los Angeles Women's Health Symposium, Olympic Collection, Los Angeles, California, June 20, 2003.
166. Integrating Drug Therapy and Multiple Lifestyle Interventions, invited lecture in the American Heart Association, Scientific Sessions: New Frontiers in Cardiac Rehabilitation, Orlando, Florida, November 9, 2003.
167. Writer's Briefing, A Report On the State of Diabetes and Cardiovascular Disease, invited presentation to the National Diabetes Association, New York, N.Y., March 2004.
168. Are There Gender Differences in Atherosclerosis? Lessons from the WISE Study invited lecture at the American College of Cardiology Conference: Update on Women and Heart Disease Trials, New Orleans, Louisiana, March 8, 2004.

169. Case Presentation: A Sedentary 56-Year-Old Lady What Do We Do Now? American College of Cardiology Conference: High Blood Pressure, Lipids, and Sugar with a Beer Belly: Name the Syndrome?, New Orleans, Louisiana, March 7, 2004.
170. High Blood Pressure, Lipids, and Sugar with a Beer Belly: Name the Syndrome?, American College of Cardiology Conference: Moderator, New Orleans, Louisiana, March 7, 2004.
171. Hormone Replacement Therapy, Statins, Electron Beam Computed Tomography, Stress Test, Diet, and More, American College of Cardiology Conference: An ounce of Prevention Is Worth a Pound of Cure, New Orleans, Louisiana, March 7, 2004.
172. How Do We Define a High-Risk Patient? Invited lecture in the American College of Cardiology Conference: Imaging the Patient with High-Risk of Coronary Artery Disease, New Orleans, Louisiana, March 9, 2004.
173. Prevention of Heart Disease: Is Clean Water Enough? Invited lecture in the American College of Cardiology Conference: International point-of-Care Symposium...A Global Perspective on Heart Disease: How Can We Help?, New Orleans, Louisiana, March 9, 2004.
174. Cardiovascular Disease in Women, invited lecture in the conference Current Issues in Risk Assessment & Prevention, Virginia Commonwealth University, Richmond, Virginia, May 1, 2004.
175. Women's Health Residencies & Fellowships: Models for change, invited presentation in the conference Current Issues in Risk Assessment & Prevention, Virginia Commonwealth University, Richmond, Virginia, May 1, 2004.
176. Implementing Coronary Risk Factor Modification: How, Why and Whom? Invited lecture Postmenopausal Woman and Hormone Replacement Therapy, American College of Cardiology Conference, University of Chicago, Chicago, Illinois, May 4, 2004.
177. Implementing Coronary Risk Factor Modification: How, Why and Whom? Invited lecture Psychosocial Issues, American College of Cardiology Conference, University of Chicago, Chicago, Illinois, May 4, 2004.
178. Implementing Coronary Risk Factor Modification: How, Why and Whom? Invited lecture CAD in Women: Presentation, Diagnosis, Treatment, American College of Cardiology Conference, University of Chicago, Chicago, Illinois, May 4, 2004.
179. Why Some Patients Get Better Care – and How You Can, Too, invited presentation by the America Heart Association, Beverly Hills, CA, May 26, 2004.
180. Risk Assessment (LipidFACTS), invited lecture in the Los Angeles lipidFACTs Centers of Excellence Program on Lipid Management, Health Science Center for CME, Los Angeles, CA, July 24, 2004.

181. Heart Disease and Women; Gender Differences in Atherosclerosis and Coronary Heart Disease, invited lecture in the Fifteenth Annual Conference of the California Chapter of the American College of Cardiology, Marina del Rey, CA, October 10, 2004.
182. Current Issues and Evolving Treatments for Coronary Events in CHD Patients, invited lecture in the Merck Medical Forums, San Francisco, CA, October 12, 2004.
183. 15th Annual Cardiovascular Nursing Symposium Cardiovascular Disease and Women, invited lecture Current Issues in Risk Assessment and Prevention, The Heart Institute, Good Samaritan Hospital, Los Angeles, CA, October 29, 2004.
184. Lipid Grand Rounds: Aggressive Lipid Management invited lecture in the Gonda Diabetes Monthly Educational Lunch, University of California, Los Angeles, January 2005.
185. Rush University Hypertension Center in The Department of Preventive Medicine, Grand Rounds, invited lecture Women and Heart Disease – The Women’s Ischemia Syndrome Evaluation (WISE) Update 2005, Chicago, Illinois, January 2005.
186. ACC 20th Annual Clinical Nuclear Cardiology: Case Review with the Experts, The Use of Non-Invasive Cardiac Imaging in Women: Special Considerations, Los Angeles, CA, January 2005.
187. 10th Annual Cardiology at Cancun 2005, Preventive Cardiology, invited lecture The Metabolic Syndrome...or...Why is the World Getting so Fat and what’s the Solution? in the Symposium “Controversies in Diet and Heart Disease – What is Real? Cancun, Mexico, February 2005.
188. Sex, Hormones and CHD in Premenopausal Women: What We Need to Know. Second International Conference on Women, Heart Disease and Stroke, February 17, 2005
189. 2005 Women’s Heart Symposium, Cardiovascular Disease in Women: Are Women Different? invited lecture. Hoffman Estates, IL, April 13, 2005.
190. Preventive Cardiology Update Symposium 2005, Prevention of CHD in Women, Clinical Differences, invited lecture. Carolinas Medical Center, Charlotte, N.C., April 16, 2005.
191. AHA San Mateo County’s Annual Go Red for Women Luncheon, invited lecture, Burlingame, CA, May 6, 2005.
192. Case-Based Advances in the Management of Cardiovascular Diseases, Dyslipidemia, invited lecture, Century Plaza Hotel & Spa, Los Angeles, CA, May 9, 2005.
193. Change of Heart – A Clinical Perspective of Women and Heart Disease, invited lecture, WakeMed Heart Center, Raleigh, North Carolina, May 18, 2005.
194. Sex Differences in Heart Disease: What Every Woman Should Know, invited lecture in the international community event, Sister-To-Sister: Everyone Has a Heart International Woman’s Heart Health Fair, Washington DC, September 29, 2005.

195. Women and Heart Disease: What you need to know, invited community lecture, Crozer-Keystone Heart Institute, Philadelphia, PA, October 27, 2005.
196. Dietary Supplements and CVD, invited lecture in the conference Controversies in the Treatment of Cardiovascular Disease, October 6, 2005, Santa Monica, CA.
197. Primary Prevention of CVD in Women, and Secondary Prevention of CVD in Women, two invited lectures in the Johns Hopkins symposium Managing cardiovascular disease in women: are we failing their hearts? Los Angeles, CA, December 2005.
198. The Treatment of Hypercholesterolemia Beyond Statin Therapy, invited lecture, American Heart Association Scientific Sessions, Dallas, TX, November 16, 2005.
199. How to Identify and Treat Patients at Intermediate CVD Risk, invited lecture, American Heart Association Scientific Sessions, Dallas, TX, November 14, 2005.
200. Pathophysiology of Atherosclerosis: Implosion vs Explosion: Insights from the NHLBI-sponsored WISE Study, invited lecture, American Heart Association Scientific Sessions, Dallas, TX, November 12, 2005.
201. Women and Heart Disease, in the symposium Advances in Heart Disease, UCSF, invited lectures, Problems in the Management of Heart Disease in Women, and "Estrogen Replacement Therapy: Where Do we Stand Today?" San Francisco, CA, December 17, 2005.
202. NYU Visiting Professor, Cardiology Grand Rounds, Women and Heart Disease: Lessons from the WISE Study, invited lecture, January 19, 2006.
203. University of Michigan, Park W. Willis III Visiting Professor, Cardiology Grand Rounds, Women and Heart Disease: Lessons from the WISE Study, invited lecture, January 31, 2006.
204. Save-A-Heart Foundation, Community Health Symposium, Reversing Heart Disease: Update 2006, invited lecture, February 8, 2006, Los Angeles, CA.
205. CV Therapeutics, Medical Affairs Grand Rounds, Women and Heart Disease: Lessons from the WISE Study, invited lecture, February 10, 2006.
206. Kaiser Permanente WLA, Problems in the Management of Heart Disease in Women, invited lecture, February 13, 2006, Los Angeles, CA.
207. American College of Cardiology 55th Scientific Sessions, Differences in Medical Management of Coronary Artery Disease, invited lecture, Atlanta, GA, March 14, 2006.
208. American College of Cardiology 55th Scientific Sessions, Prediction of High-Risk in Asymptomatic Patients with Diabetes and Metabolic Syndrome, invited lecture, Atlanta, GA, March 13, 2006.

209. American College of Cardiology 55th Scientific Sessions, A Randomized Trial of Transcendental Meditation in the Treatment of Coronary Heart Disease, invited lecture, Atlanta, GA, March 13, 2006.
210. American College of Cardiology 55th Scientific Sessions, Ischemia: New Understanding, Medical Therapies and Beyond, invited lecture, Atlanta, GA, March 11, 2006.
211. AHA Best Sessions 2005 in China, invited lecture, Pathophysiology of Atherosclerosis: Implosion vs. Explosion – Insights from the NHLBI-sponsored WISE Study, February 23, 2006.
212. NIH-Think Tank, invited lecture and panelist, Women and Heart Disease, February 16, 2006.
213. Session 46, American College of Cardiology 55th Scientific Sessions, Risk Assessment/Prevention, panelist, March 12, 2006, Atlanta GA.
214. 14th Sutton Lecturer, Angina, Ischemia and Infarct with Open Coronary Arteries, invited Visiting Professor, Evanston Hospital and Northwestern University, July 14, 2006.
215. Cholesterol 101: New Guidelines, Medications and Targets, and Reversing Heart Disease (with Tools in your home and Office), and Does Gender Make a Difference: Women and Heart Disease 2006, three invited lectures in the international Vienna & Mayo symposium Contemporary Clinical Cardiology 2006, September 14-16, 2006, Vienna, Austria.
216. Visiting Professor, Stanford University, Stanford Cardiovascular Institute, invited lectures Women and Heart Disease: Lessons from the NHLBI-sponsored WISE, and Anatomy versus Physiology: Gender Difference in Atherosclerosis, July 21-22, 2006, Stanford, California.
217. How to Save your Own Life, Women and Heart Disease The Secret Killer, invited lecture for The Jonathan Town Club, October 11, 2006, Los Angeles, CA.
218. Women and Heart Disease, invited lecture for the Brentwood Country Club Women's Social Auxiliary, October 5, 2006, Brentwood, CA.
219. Chronic Ischemic Heart Disease: New Pathophysiological Targets, New Therapies, moderator and chair, American Heart Association Scientific Sessions, Chicago, Illinois, November 15, 2006.
220. Findings from the NHLBI-sponsored Women's Ischemia Syndrome Evaluation (WISE), invited lecture, in the 3rd Symposium Sex and Gender in Medicine, German Heart Institute, October 14, 2006, Berlin, Germany.
221. Heart Disease in Women – Where it's Going and the Challenges Ahead, invited lecture in the Global Conference on Heart Health and Disease, October 12, 2006, Winnipeg, Canada.
222. Women and Heart Disease, invited lecture to the Sister to Sister Everyone Has a Heart Foundation Executive Women's Breakfast, November 8, 2006, Los Angeles, CA.

223. Ischemic Heart Disease: Overview of the WISE Study, invited lecture in the Eleventh Congress on the Treatment of Cardiovascular Disease, Association of Black Cardiologists, November 11, 2006, Chicago, Illinois.
224. Women and Heart Disease, invited lecture for the LA Orphanage Guild, January 16, 2007, Los Angeles, CA.
225. Research in the Field of Cardiology, invited lecture for the Berliner Symposium Charite Campus Mitte, October 19, 2006, Berlin, Germany.
226. Women and Heart Disease, invited lecture for the El Caballero Country Club Women Activities, January 25, 2007, Tarzana, CA.
227. Women and Heart Disease, invited lecture for the Beverly Hills Chamber of Commerce, February 7, 2007, Beverly Hills, CA.
228. Women and Heart Disease, Co-Chair and invited lecture for the Sister to Sister Women's Health Day February 16, 2007, Los Angeles, CA.
229. Women and Heart Disease, invited lecture for the Athena Circle Luncheon, February 21, 2007, Los Angeles, CA.
230. Women and Heart Disease Update 2007 and Reversing Heart Disease Using Tools in the Home and Office, two invited lectures in the Yakima County Medical Society, Washington State Medical Association, Annual Meeting March 7, 2007, Yakima, WA
231. American College of Cardiology Scientific Session, Chair, Meet the Experts: Prevention of Cardiovascular Disease in Women, March 27, 2007, New Orleans, LA.
232. American College of Cardiology Scientific Session, Chair, Young Investigator Awards, Pharmacology and Pathology, March 26, 2007, New Orleans, LA.
233. American College of Cardiology Scientific Session, Chair, Smaller Late-Breaking Clinical Trial, March 26, 2007, New Orleans, LA.
234. Lipids/Syndrome X, invited lecture in the course Endocrinology and Metabolism 2007, March 14, 2007, Los Angeles, CA.
235. Cardiovascular Disease in Women: Current Issues in Diagnosis and Treatment, invited lecture in the 8th Annual Conference Women's Health 2007, April 1, 2007, Williamsburg, Virginia.
236. Multiple Small Feedings of the Mind: Cardiology, Rheumatology, and Sleep Disorders invited lecture at the ACP Internal Medicine 2007 Conference, Friday, April 20, 2007, San Diego, CA.
237. The Heart Truth: How Women Can Prevent Heart Disease, Spectrum Health Women's Healthy Heart Program, April 30, 2007, Grand Rapids, MI.

238. State of the Art: The Development and Prevention of Heart Disease in Women, invited lecture, Kaiser Permanente Medical Center, Sunset Blvd, May 3, 2007, Los Angeles, California.
239. Perspectives in Clinical Cardiology, invited Cardiology Grand Rounds lecture at the University of California, Davis, May 4, 2007, Sacramento, California.
240. Determinants of Intimal Injury, Repair and Vascular Remodeling: Relevance to Guidelines and Clinical Care, May 26, 2007, 2nd GO AHEAD Symposium, Seoul, Korea.
241. Ischemic Heart Disease Risk Management in Women: Recent Evidence, invited lecture in the Myocardial Ischemia Redefined: Optimal Care in CAD National Faculty Meeting, Irving, Texas, July 20, 2007
242. Rethinking Risk Assessment: Classical and Emerging Factors, invited lecture at the Argentina Cardiology Congress Symposium, August 18, 2007.
243. Advancing Anti-Anginal Therapy, invited lecture, Marin General Hospital, September 18, 2007, Greenbrae, California.
244. Updated Guidelines on the Role of Cardiac Imaging in the Evaluation for Coronary Artery Disease in Women, invited lecture, September 22, 2007, Madera, California.
245. Current Strategies for the Management of Coronary Artery Disease in Women, invited lecture, the 27th Annual Central Valley Cardiology Symposium September 22, 2007, Madera, California.
246. Lecture for Family Medicine Faculty and Residents: Diet, exercise, herbs and supplements: What works, and the evidence for it, invited lecture, The Ohio State University Medical Center, September 26, 2007, Columbus, Ohio.
247. Internal Medicine Grand Rounds: Hormones and heart disease: What do we know in 2007? invited lecture, The Ohio State University Medical Center, September 27, 2007, Columbus, Ohio.
248. Preventive Cardiology: Reversing heart disease with tools found in the home and office, invited lecture, The Ohio State University Medical Center, September 27, 2007, Columbus, Ohio.
249. Community Lecture: Fat or Fit: Does it matter what you weigh? , invited lecture, The Ohio State University Medical Center, September 27, 2007, Columbus, Ohio.
250. Women and heart disease 2007: What you need to know, invited lecture, The Ohio State University Medical Center, September 27, 2007, Columbus, Ohio.
251. Gender Differences in CHD: Lessons to Be Learned from the WISE Study, invited Cardiology Grand Rounds, The Ohio State University Medical Center, September 28, 2007, Columbus, Ohio.

252. Cardiovascular Symposium: Women and Ischemic Heart Disease- Update 2007, invited lecture, Hartford Hospital, October 10, 2007, Hartford, Connecticut.
253. Controversies and Conundrums in Cardiovascular Therapy: Are Women Really Different?, invited lecture, the 24th Annual Santa Fe Colloquium on Cardiovascular Therapy, October 19, 2007, Santa Fe, New Mexico.
254. Controversies and Conundrums in Cardiovascular Therapy: How I “Do” Prevention, Panel Discussion, the 24th Annual Santa Fe Colloquium on Cardiovascular Therapy, October 19, 2007, Santa Fe, New Mexico.
255. Preventing Cardiovascular Disease in the Clinical Setting: Recent Lipid Trials and LDL Guidelines, invited lecture, Mayo Clinic, October 29, 2007, Rochester, Minnesota.
256. Update on Cardiovascular Risks with Estrogen and SERMs, invited lecture American Heart Association Scientific Sessions 2007, November 5, 2007, Orlando, Florida.
257. New Insights for Medical Therapy and Revascularization: A Randomized Controlled Trial of Low Dose Hormone Therapy on Myocardial Ischemia in Postmenopausal Women with No Obstructive Coronary Artery Disease: Results from the NHLBI-sponsored WISE, invited presenter, American Heart Association Scientific Sessions 2007, November 6, 2007, Orlando, Florida.
258. The Metabolic Syndrome: Why Is the World Getting So Fat and What Can We Do About It?, invited lecture, 68th Annual Congress of the Italian Society of Cardiology, December 16, 2007, Rome, Italy
259. Sister to Sister National Women’s Healthy Heart Campaign: Speaker, Executive Women’s Breakfast, January 9, 2008.
260. Take Heart: 10 Health Habits for Aging Gracefully, Hillcrest Country Club, Los Angeles, California.
261. Chronic Ischemic Heart Disease: New Mechanistic Insights, invited lecture, Regional Adjunct Faculty Meeting, Atlanta Georgia, January 19, 2008.
262. Heart Disease in Women, Northridge Hospital Medical Center, Northridge, California, February 29, 2008.
263. Younger Women and Coronary Artery Disease: A Women’s Heart Advantage Virtual Seminar, March 12, 2008.
264. Progress and Promise in RAAS Blockade: Guidelines and Practical Application, San Francisco, California, March 1, 2008.
265. Sister to Sister National Women’s Healthy Heart Campaign, invited lecture, Executive Women’s Breakfast, January 9, 2008.

266. Myocardial Ischemia Redefined: Optimal Care in CAD A Grand Rounds Lecture Program: San Diego, California, March 7, 2008.
267. Cardiac Society for Cardiac Rehabilitation State Conference: "Hormones & Hostility: Unique Gender Differences in Stress & Health." Redondo Beach, California, March 14-16, 2008.
268. 2008 ACC Annual Scientific Meeting: Women and Ischemic Heart Disease: Lessons from WISE, April 19, 2008, Oklahoma City, Oklahoma.
269. Women and Heart Disease. Kehillat Israel Temple, February 6, 2008, Los Angeles, California.
270. Women and Heart Disease, National Charity League, February 6, 2008, Los Angeles, California.
271. Women and Heart Disease: Assistant League Founders Day luncheon, February 19, 2008, Hollywood California.
272. LACE (Ladies of Abundant Charm and Elegance): May 5, 2008, Los Angeles, California.
273. Internal Medicine 2008: What's New in Heart Disease in Women? May 16, 2008, Washington, D.C.
274. World Congress of Cardiology: Diagnostic assessment of IHD in women, May 20, 2008, Buenos Aires, Argentina.
275. World Congress of Cardiology: Work Stress and its impact on coronary artery disease, May 20, 2008, Buenos Aires, Argentina.
276. World Congress of Cardiology: Explanation for the higher mortality in women, May 21, 2008, Buenos Aires, Argentina.
277. UC Davis Women's Health Conference: The WISE Study: Helping Us Understand Angina in Women, June 16, 2008, Davis, California.
278. UC Davis Women's Health Conference: Breakfast Roundtable #4: Preventive Cardiology, Davis, California, June 17, 2008.
279. State of the Art Lecture, Controversies and Advances in the Treatment of Cardiovascular Disease the Eighth in the Series, Beverly Hills, California, September 4, 2008
280. Valkommen till seminarium: CHD with normal coronary arteries, a changing philosophy, Karolinska Institute, Stockholm, Sweden, September 11, 2008.
281. Overview of the Role of Gender in CVD in Women, 3rd International Congress in Gender Medicine, Stockholm, Sweden, Friday, September 12, 2008.

282. Women and Ischemic Heart Disease: Lessons from WISE, Grand Rounds Lecture CV Therapeutics, Palo Alto, California, October 3, 2008.
283. Progress and Promise in RAAS Blockade A Grand Rounds Lecture Program, Martin Luther King Jr and Charles Drew University, Los Angeles, California October 10, 2008.
284. Women with Heart Disease: Are They Different, the Great Wall International Congress of Cardiology, Beijing, China October 23, 2008.
285. Screening of CVD: Who should be Screened & with What Tools? The Great Wall International Congress of Cardiology, Beijing, China, October 24, 2008.
286. Women with Heart Disease: Are They Different? The Great Wall International Congress of Cardiology, Beijing, China October 24, 2008.
287. Advances in Anti-Angina Therapy, invited lecture, Torrance Memorial Medical Center, Torrance California, November 5, 2008.
288. Women and Heart Disease: Detection, Evaluation and Management, Santiago, Chile December 2, 2008.
289. Hormones and Heart Disease: What Do We Know in 2008? Santiago, Chile December 2, 2008.
290. Metabolic Syndrome: Why is the World Getting so Fat and What Can we do About it?, Santiago, Chile December 3, 2008.
291. Fitness in Health & Disease, Santiago, Chile, December 10, 2008.
292. Cardiac Imaging in Women, Advances in Nuclear Cardiology and Cardiac CT: 23rd Annual Case Review with The Experts, Los Angeles, CA. January 31, 2009.
293. Metabolic Syndrome and Risk of Cardiovascular Disease in Women: Is the Whole Greater Than the Sum of It's Parts, 6th Annual Women's Heart Symposium, Naperville, Illinois. March 11, 2009.
294. Prevention and Screening for Cardiovascular Disease: Challenges and Opportunities, Societa Italiana Di Cardiologia, Via PO, 24 – 00198 Roma, December 14, 2008.
295. Exercise and Heart Disease: Why Physical Activity Is Essential, Societa Italiana Di Cardiologia, Via PO, 24 – 00198 Roma, December 15, 2008.
296. Gender-Specific Issue in Prevalence, Risk Factors. Prevention and Treatment of Heart Disease in Women, Oxnard California, February 11, 2009.
297. Gender Differences in Ischemic Heart Disease, 15th Annual Cardiac Symposium, Woodland Hills, Ca February 18, 2009.

298. Women and Heart Disease: Assessment and Management, 15th Annual Cardiac Symposium, Woodland Hills, Ca February 18, 2009.
299. Women's Ischemia Syndrome Evaluation (WISE) Coronary Vascular Dysfunction: 1 RO1 HL090957-01A1, Global Alliance for Life Sciences Go for Life Debrecen, Hungary April 4, 2009.
300. Women and Ischemic Heart Disease: Lessons from the WISE, 3rd Annual Cardiovascular Symposium, Thousand Oaks, Ca April 18, 2009.
301. Therapeutic Strategies for Established Atherosclerosis: Cost, Benefit, and Results, International Joint Symposium – American College & Brazilian Society of Cardiology, Salvador, Brazil. September 13, 2009.
302. Primary Screening and Prevention: What is Effective? International Joint Symposium – American College & Brazilian Society of Cardiology, Salvador, Brazil. September 13, 2009.
303. Cardiovascular Women Disease in a Globalized World – in United States of America, International Joint Symposium – American College & Brazilian Society of Cardiology, Salvador, Brazil. September 14, 2009.
304. Women and Heart Disease 2009, International Joint Symposium – American College & Brazilian Society of Cardiology, Salvador, Brazil. September 14, 2009.
305. Sex Differences in CVD and Implications for Therapies, FDA Women's Health Science Day, Silver Springs, MD. September 25, 2009.
306. Panelist, California Chapter's 20th Annual Meeting, Controversies and Advances in the Treatment of Cardiovascular Disease, American College of Cardiology October 1, 2009
307. Statins and Cholesterol lowering: to Jupiter and Beyond, Coronary Artery Disease 2009: Prevention, Detection & Treatment, Las Vegas, NV. October 19, 2009.
308. Case Presentation, Coronary Artery Disease 2009: Prevention, Detection & Treatment, Las Vegas, NV. October 19, 2009.
309. Heart Disease in Women 2009: What You Need to Know, Brentwood Country Club: Women's Social Auxiliary, Brentwood, CA. October 22, 2009.
310. Barriers to Optimal Care of Stable CAD Patients, Gilead Medical Affairs Advisory Program's All About Angina, San Francisco, CA. October 23, 2009.
311. Women and CHD: Lessons from WISE, Imala Trivalley Annual Function Educational Activities, Culver City, CA. October 24, 2009.
312. Sex/Gender Differences in CVD – a Model for Translation to Improved Outcomes, 4th Congress International Society of Gender Medicine: Sex and Gender in Medicine, Berlin, Germany. November 7, 2009.

313. Inclusion of Women in Clinical Trials, Drug Development, and Clinical Perspectives, 2009 AAPS Annual Meeting. Los Angeles, CA. November 10, 2009.
314. Hypoestrogenemia and CVD Risk: Vascular Biology and Clinical Trials, VBWG Global Chapter Meeting at AHA, Orlando, FL. November 14, 2009.
315. Carotid IMT Measurements and Cardiovascular Risk, AHA Scientific Sessions, Orlando, FL. November 16, 2009.
316. Systemic Inflammation and Cardiovascular Risk in Patients with Rheumatoid Arthritis, Masters in Rheumatology Roundtable: Rheumatoid Arthritis, Inflammation and Cardiovascular Disease, Chicago, IL. December 2, 2009.
317. Primary Screening and Prevention: What is Effective? 70th Congress of the Italian Society of Cardiology, Rome, Italy. December 13, 2009.
318. The Impact of Atherosclerosis in a Globalized World, 70th Congress of the Italian Society of Cardiology, Rome, Italy. December 13, 2009.
319. Therapeutic Strategies for Established Atherosclerosis: Cost, Benefit, and Results, 70th Congress of the Italian Society of Cardiology, Rome, Italy. December 13, 2009.
320. Cardiovascular Women Disease in a Globalized World - in United States of America, 70th Congress of the Italian Society of Cardiology, Rome, Italy. December 14, 2009.
321. Women and Heart Disease 2009, 70th Congress of the Italian Society of Cardiology, Rome, Italy. December 14, 2009.
322. Barriers to Optimal Care of Stable CAD patients. Gilead Sciences, Inc., San Diego, CA. January 22, 2010.
323. CVD Prevention: Where are we today, and Where do we need to be tomorrow? 3rd Gerald T. Gau Lectureship/CV Society. Mayo, Clinic, Rochester, MN. January 27, 2010.
324. Women and Coronary Disease: Lessons from WISE, the California Association of Nurse Practitioners (CANP), Calabasas, CA. February 24, 2010.
325. Fighting the Cardiovascular Epidemic in Women Evidence- and Gender-based Approaches, WomenHeart: The National Coalition for Women with Heart Disease First Annual Regional Cardiac Conference, Memphis, TN. February 27, 2010.
326. Epidemiology, Pathophysiology, and Therapeutic Targets in Stable Ischemic Heart Disease, Expert Exchange: Stable Ischemic Heart Disease, Mineola, NY. March 4, 2010.
327. Triage of Women with Chest Pain: Challenges and Opportunities, ACC.2010, Atlanta, GA. March 15, 2010.

328. Evaluation of CAD in Women: Chair's Closing Remarks, ACC.2010, Atlanta, GA. March 16, 2010.
329. Women and Heart Disease 2011: Prevention, Diagnosis, and Management. Heart Foundation Conference 2011. Melbourne Convention and Exhibition Centre, Victoria, Australia. March 18, 2011.
330. Women and Heart Disease: Advances in Diagnosis and Management, Women's Health 2010: The 18th Annual Congress & Annual Meeting of AMWA, Arlington, VA. March 26, 2010.
331. Cardiovascular Risk Assessment in the Apparently Healthy Patient: Coronary Artery Calcium Scoring (CACS) and Carotid Intima Media Thickness (IMT), pmiCME Pri-Med ACCESS, San Francisco, CA. April 12, 2010.
332. Microvascular Angina: Dilemma of Anginal Symptoms with Non-Obstructive Coronary Artery Disease per Coronary Angiogram, Gilead Medical Affairs Advisory Program – Considerations in Treating Angina in Specific Populations, San Francisco, CA. April 23, 2010.
333. Cardiovascular Risk Assessment in the Apparently Healthy Patient: Coronary Artery Calcium Scoring (CACS) and Carotid Intima Media Thickness (IMT), pmiCME Pri-Med ACCESS, San Diego, CA. April 28, 2010.
334. Panelist, Minneapolis Heart Institute Foundation, Women and Heart Disease: A Summit to Eliminate Untimely Deaths in Women, April 29, 2010
335. Cardiovascular Risk Assessment in the Apparently Healthy Patient: Ankle Brachial Index (ABI) and C-reactive Protein (CRP), pmiCME Pri-Med ACCESS, San Diego, CA. April 28, 2010.
336. Women and Ischemic Heart Disease, 11th Annual Monterey Bay Regional Heart Symposium, Monterey, CA. May 1, 2010.
337. Sex and Gender Differences in CVD, Isis Fund Network on Cardiovascular Disease Society for Women's Health Research, Washington, DC. May 2, 2010.
338. New Insights into Angina Management, pmiCME's Pri-Med Updates for Cardiologists, Anaheim, CA. May 5, 2010.
339. Women & Ischemic Heart Disease: Are We Closing the Gap? Los Robles Hospital and Medical Center Cardiovascular Symposium, Thousand Oaks, CA. May 15, 2010.
340. Women and Heart Disease 2010: Detection, Evaluation, and Management, ACC Puerto Rico Chapter's 2010 Scientific Meeting, San Juan, PR. May 28, 2010.
341. Diets, Exercise, Herbs and Supplements: What Works? ACC Puerto Rico Chapter's 2010 Scientific Meeting, San Juan, PR. May 30, 2010.

342. Sex Differences in Inflammation and Atherosclerosis, World Congress of Cardiology Scientific Satellite Sessions 2010, Beijing, China. June 17, 2010.
343. Comparison of Statin and Other Drugs on Progression and Regression of Coronary Atherosclerosis, World Congress of Cardiology Scientific Sessions 2010, Beijing, China. June 17, 2010.
344. Contraceptive Hormones and CVD, World Congress of Cardiology Scientific Sessions 2010, Beijing, China. June 17, 2010.
345. Diagnosis and Evaluation of Coronary Artery Disease in Women, World Congress of Cardiology Scientific Sessions 2010, Beijing, China. June 18, 2010.
346. Preparing for Menopause and Beyond, World Congress of Cardiology Scientific Sessions 2010, Beijing, China. June 18, 2010.
347. Lessons Learned from WISE, World Congress of Cardiology Scientific Sessions 2010, Beijing, China. June 19, 2010.
348. Epidemiology, Pathophysiology, and Therapeutic Targets in Stable Ischemic Heart Disease, Mary Ellinger Sonora Medical Center, Sonora, CA. June 30, 2010.
349. Interventions to Prevent Cardiovascular Disease in Women with a History of Preeclampsia, Workshop on Bridging Preeclampsia and Future Cardiovascular Disease, Rockville, MD September 16-17, 2011.
350. Hypotheses to be Tested in the WHCVD Network's Retrospective Study to Investigate Gender Differences, 2nd Women's Health and Cardiovascular Disease Network meeting, Prague, Czech Republic, September 25, 2011
351. How is Heart Disease Different in Women? The NIH Sponsored WISE Study", NAMS 21st Annual Meeting, Chicago, IL October 6, 2010.
352. Gender Differences in Chronic Angina Management: Are Women Being Shorted?, 2010 Cardiometabolic Health Congress, Boston, MA October 20, 2010.
353. Over coming Challenges to the Management of Chronic angina in Clinical Practice – Panelist, Cardiometabolic Health Congress, Boston, MA, October 20, 2010.
354. Prevention 2010, Coronary Artery Disease. Prevention, Detection & Treatment. Las Vegas, Nevada- October 22, 2010
355. Pathogenesis and Prevention of Early Atherosclerosis: Prevention 2010, Mayo Clinic, Mayo School of Continuous Professional Development, Coronary Artery Disease Prevention, Detection and Treatment, Rochester, Minnesota October 22, 2010.

356. Pathogenesis and Prevention of Early Atherosclerosis: Panel Discussion I, Mayo Clinic, Mayo School of Continuous Professional Development, Coronary Artery Disease Prevention, Detection and Treatment, Rochester, Minnesota October 22, 2010.
357. Pathogenesis and Prevention of Early Atherosclerosis: Panel Discussion II, Mayo Clinic, Mayo School of Continuous Professional Development, Coronary Artery Disease Prevention, Detection and Treatment, Rochester, Minnesota October 22, 2010.
358. Women and Ischemic Heart Disease: Lessons from the NHLBI-sponsored WISE, West Los Angeles Healthcare Center's Department of Medicine Grand Rounds, Los Angeles, CA, October 27, 2010.
359. Women and Ischemic Heart Disease: Paradox and Pathophysiology, University of Pennsylvania School of Medicine Grand Rounds, Philadelphia, Pa November 4, 2010.
360. What Should You know about Imaging Heart Disease in Women?, American Heart Association Scientific Sessions 2010, Chicago, Il, November 15, 2010
361. Vulnerability to Coronary Artery Disease, American Heart Association Scientific Sessions 2010, Chicago, Il, November 15, 2010.
362. Stable IHD in Women, American Heart Association Scientific Sessions CME Symposium, Chicago, Il, November 15, 2010.
363. How to Build a Career in Cardiology with Tools Found in the Home, AHA Scientific Sessions 2010 – Council on Clinical Cardiology, Women in Cardiology Networking Luncheon, Chicago, Il, November 16, 2010.
364. Optimizing Medical Treatment in Patients with Refractory Angina, Gilead Medical Affairs Advisory Program: Considerations in treating Post-PCI & Refractory Angina, Foster City, CA, December 9-10, 2010.
365. Stable Angina in Women, Societa Italiana Di Cardiologia, Rome, Italy December 12, 2010.
366. Acute Coronary Syndrome in the Elderly, Societa Italiana Di Cardiologia, Rome, Italy December 12, 2010.
367. Cardiac Imaging in Women, Advances in Nuclear Cardiology and Cardiac Ct: 26th Annual Case Review with the Experts, Los Angeles, CA, January 21, 2011.
368. Pitfalls of SPECT and PET: Recognizing and working with artifacts – Panel Discussion, Advances in Nuclear Cardiology and Cardiac Ct: 26th Annual Case Review with the Experts, Los Angeles, CA January 21, 2011.
369. Women and Ischemic Heart Disease, Christiana Care Health System Cardiovascular Grand Rounds Visiting Professorship, Newark, Delaware February 9, 2011.

370. Women's Health and Heart Disease, 2011 California Hospital Volunteer Leadership Conference, Los Angeles, CA, February 24, 2011.
371. Discussion Panel, Hot Topics in Women's Heart Health: Advancing care for female patients through innovation, Westwood, CA February 24, 2011.
372. Management of Coronary Artery Disease in the Age of COURAGE and BARI II-D Trial, 2011 Cardiology in Cancun, Cancun, Mexico, March 2, 2011.
373. Keys to Cardiovascular Prevention in Women, 2011 Cardiology in Cancun, Cancun, Mexico, March 2, 2011.
374. Coronary Artery Disease and Secondary Prevention – Panel Discussion, 2011 Cardiology in Cancun, Cancun, Mexico, March 2, 2011.
375. Case Studies in Coronary Artery Disease Management, 2011 Cardiology in Cancun, Cancun, Mexico, March 2, 2011.
376. Overview of the Problem and Insights Gleaned from the NHLBI WISE Study, Cardiovascular Medicine Update 2011 Farmington, Pa March 5-6, 2011.
377. Diagnosis and Management of CVD in Women; Update on the Yentl Syndrome 2011, Women's Health 2011: The 19th Annual Congress, Arlington, VA, March 31, 2011.
378. Navigating a career in academia: My love affair with Academic Cardiology, American College of Cardiology, New Orleans, La April 3, 2011.
379. Translational Research: A Primer for the Basic Scientist, Workshop sponsored by the APS, Washington, DC April 9, 2011.
380. Women's Ischemic Heart Disease (WISE), El Camino Hospital CVS Committee, Mountain View, Ca, April 21, 2011.
381. Women's Ischemic Heart Disease (WISE) 2nd Lecture, El Camino Hospital, Mountain View, Ca, April 21, 2011.
382. New Pathophysiology Findings and Therapies in Ischemic Heart Disease In Women, Los Robles Hospital and Medical Center, 5th Annual Cardiovascular Symposium, Thousand Oaks, CA, April 30, 2011.
383. Updates in Women's Heart Disease, 3rd Annual Cardiovascular Institute of San Diego, Inc. Symposium, Indian Wells, Ca May 21, 2011.
384. The Yentl Syndrome and the NHLBI-Sponsored Women's Ischemia Syndrome Evaluation (WISE), NIH-NHLBI Biomedicine, Lecture, Bethesda, MD, June 16, 2011.
385. The Yentl Syndrome, 2nd International Summit on Ischemic Heart Disease, Pisa, Italy June 18, 2011.

386. Microvessel Disease in Women. European Society of Cardiology, ESC Congress 2011. Paris, France- August 27-28, 2011.
387. CVD Management in Women: the Yentl Syndrome 2011. Women and Ischemic Heart Disease, Laurence H. Green Lecture, The Colonnade Boston, MA – September 15-16, 2011.
388. NHLBI sponsored WISE study, Cardiology Grant Rounds, Bronx, NY- October 4, 2011.
389. Women and Stable Ischemic Heart Disease, A CME Lecture Series of Women and Stable Ischemic Head Disease. Castle Medical Center, Kailua, HI, - October 11, 2011.
390. Gender Disparities, Physiology of Cardiovascular Disease, The University of Mississippi Medical Center, Jackson, Mississippi, - October 12-14, 2011.
391. Past, Present and Future. Center for Gender Medicine, Karolinska University Hospital, Solna, Stockholm, Sweden- October 17, 2011.
392. Approaches to Screening for CVD; Who and How Should We Screen. Reversing CAD with Home and Office. Mayo School of Continuous Professional Development, Las Vegas, Nevada, - October 21-23, 2011.
393. Nonobstructive Coronary Artery Disease: Not Important? Stable Chest Pain and Nonobstructive Coronary Disease. CT in Nonobstructive Disease: Prognostic Implications, Microvascular Function in Tako-Tsubo, Scientific Sessions 2011. Orlando, Florida - November 13, 2011
394. Secondary Prevention of CHD and Recurrent Coronary Events: Dyslipidemia in Adults POST-ACS, Medscape Education, Peabody Orlando Hotel, Florida, November 13, 2011.
395. Landmark Dyslipidemia Trial: Past, Present, and Future. Thousand Oaks, CA-January 18, 2012.
396. 4th Annual Makeover My Heart. Radisson Hotel-Utica Center, NY- February 4, 2012.
397. Preventive Cardiology Focus-I. Assessing Cardiovascular Risk. Women and Heart Disease – Have We Become WISE? 2012 Cardiology at Cancun, Cancun, Quinta Roo, Mexico. February 27. 2012.
398. Preventive Cardiology Focus II – Diagnosing Subclinical Coronary Artery Disease, NCEP IV – What is Coming? 2012 Cardiology at Cancun, Cancun Quinta Roo, Mexico. February 27, 2012.
399. ACC Symposium. Treating Women and Men: What’s Different and What’s the Same? Stable Ischemic Heart Disease in Women: Are they Really from Venus? Los Angeles, CA-March 24, 2012.

400. Hormones & Hostility: Unique Gender Differences in Stress & Health. 2012 Society for Cardiac Rehabilitation, California Chapter, 29th Educational Conference. Sacramento, CA- March 29-31, 2012.
401. 2012 Henry Neufeld Lecture in the Israeli Heart Society Annual Meeting, "Women and Heart Disease 2012: Detection, Evaluation and Management. Israeli Heart Society, Tel Aviv, Israel-April 16, 2012.
402. Chair: Contemporary Approaches for the Invasive Management of Atrial Fibrillation. Israeli Heart Society, Tel Aviv, Israel- April 16, 2012.
403. Gender aspects in angina despite normal coronary arteries. Coronary vasomotor abnormalities and angina pectoris- a common pathogenic mechanism? World Congress of Cardiology, Dubai, United Arab Emirates-April 18-21, 2012.
404. The Yentl Syndrome, Annual DeStevens Lecture, Northwestern University, Chicago, IL, May 1, 2012.
405. Women and Ischemic Heart Disease: Lessons from the NHLBI-Sponsored WISE, Vanderbilt University 24th Annual Day May Lectureship in Cardiovascular Medicine, Nashville, TN, May 9, 2012.
406. CVD Management in Women: The Yentl Syndrome 2011, Vanderbilt University Medicine Grand Rounds, Nashville, TN, May 10, 2012.
407. Integrative Medicine for Women: State of the Science, Integrative Medicine and Health 2012, Portland, Oregon, May 15-18, 2012.
408. Updates in Women's Heart Disease, Cardiovascular Institute of San Diego, Inc. 4th Annual Cardiovascular Symposium, Palm Desert, CA May 19, 2012.
409. Diabetes and Stable Ischemic Heart Disease, Castle Medical Center, Kailua, Hawaii, May 29, 2012.
410. The Yentl Syndrome 2011: Why are there differences in ischemic heart disease in women and men (including genes)? Organization for the Study of Sex Differences (OSSD), Baltimore MD, June 9, 2012.
411. Microvascular Disease: Lessons Learned and What Remains to be Known, Keynote Lecture, 4th Annual Women's Cardiovascular Health Conference the Beat of a Woman's Heart, Ohio State Medical Center, Columbus, Ohio Sept 14, 2012.
412. CVD Management in Women: The Yentl Syndrome 2012, Cardiovascular Medicine Fellow's Conference, Ohio State Medical Center, Sept 14, 2012.
413. Heart Health Closing the knowledge gap – what you really need to know, 1st Annual Living at Your Peak Conference, Vail, Colorado, Sept 14-16, 2012,

414. Women and Heart Disease Beyond Hype: Hard Facts and Practical Solutions, keynote lecture at the Controversies and Advances in the treatment of Cardiovascular Disease – the Twelfth in the Series, Beverly Hills, CA, September 21, 2012.
415. What is Female-Pattern Heart Disease? How to Recognize and Evaluate, Mayo Clinic Satellite Educational Symposia at 2012 AHA - Women and Heart Disease: New Insights Across the Lifespan, Los Angeles, CA, November 3, 2012.
416. Ischemic Heart Disease – Chair Lecture, Pathways to Improving Outcomes in Stable Ischemic Heart Disease Symposium, Los Angeles, CA, November 5, 2012.
417. Women and Heart Disease, Annual Vanderveer Lecture/Medicine Grand Rounds Series, Women and Ischemic Heart Diseases, Bryn Mawr, PA, November 8, 2013
418. Cardiovascular Disease Prevention: Tools in the Home and Office, Mayo Clinic Coronary Artery Disease, Prevention, Detection and Treatment, Las Vegas, NV, November 16, 2012.
419. Approaches to Screening for CVD: Who and How Should We Screen, Mayo Clinic Coronary Artery Disease, Prevention, Detection and Treatment, Las Vegas, NV, November 16, 2012.
420. Access to Healthy Lifestyles – Panel, Health Matters – Activating Wellness in Every Generation, La Quinta, CA, January 15, 2013.
421. Taking Care of a Woman’s Heart, Atlanta Clinical Cardiology Update. Atlanta, GA January 25, 2013.
422. ACC-JCS Join Symposium Cardiac Rehabilitation as Cardiovascular Therapy, 77th Annual Scientific Meeting of the Japanese Circulation Society, Yokohama, Japan, March 16, 2013.
423. Women and Stable Ischemic Heart Disease, Community Regional Medical Center, UCSF Fresno, Division of Cardiology, Fresno, CA, March 26, 2013.
424. Speaker Panel – Hypertension, Stress and Heart Health, Global Health Awareness Week (GHAW) 2013, USC, Los Angeles, CA, April 2, 2013..
425. Sex Matters: Insights from WISE, 2013 PCNA 19th Annual Symposium, Las Vegas, NV, May 3, 2013.
426. Chest Pain in Women: WISE Women Study, The First Annual Regional Women’s Health Conference -Duke Medicine, Durham, NC, May 2, 2013.
427. The Future of Women’s Health, Estrellita and Yousuf Karsh Visiting Professorship in Women’s Health 1st Annual Symposium, Boston, MA, May 10, 2013.
428. A Celebration of Women, Life and Hope, 11th Annual Garden State Go Red for Women Luncheon, Morristown, New Jersey, May 13, 2013.

429. Panel: Difficult Revascularization Decisions, Kaiser Permanente 14th Annual Cardiovascular Medicine and Surgery (COAST) Conference, Portland, Oregon, May 18, 2013.
430. Ethnic Disparities in Cardiovascular Care, Kaiser Permanente 14th Annual Cardiovascular Medicine and Surgery (COAST) Conference, Portland, Oregon, May 18, 2013.
431. Clinical Perspective on Comparative Trial Methods, 2013 Clinical & Translational Research Workshop: Grant & Clinical Protocol Development, Los Angeles, CA, July 24, 2013.
432. Health and Wellness: The Most Up-to-Date Information Every Woman Should Know, Deal with It: A Women's Conference, Los Angeles, CA, September 29, 2013.
433. Hormone Replacement Therapy and Heart Disease, The University of New Mexico Health Sciences Center, School of Medicine, Albuquerque, October 25, 2013.
434. State-of-the-Art Lecture: Screening and Primary Prevention for Coronary Disease, Mayo Clinic, Las Vegas, Nevada, November 4, 2013.
435. Jupiter Patient- Statins for All? Mayo Clinic, Las Vegas, Nevada, November 4, 2013.
436. Do Women Benefit from Statins for Primary Prevention? American Heart Association, Dallas, Texas, November 17, 2013.
437. Is it Time to Think Bigger About Microvascular Disease in the Heart? American Heart Association, Dallas, Texas, November 17, 2013.
438. Refining the Management of Stable Ischemic Heart Disease, American Heart Association, Dallas, Texas, November 18, 2013.
439. Moderator- Women's Heart Disease, Beverly Hills, California, November 21, 2013.
440. New NCEP Guidelines: Should Women Be Treated with Statins? California ACC, Beverly Hills, California, November 21, 2013.
441. Women and Ischemic Heart Disease: Why do Women Continue to Face a Higher Mortality? California ACC, Beverly Hills, California, November 21, 2013.
442. The KEEPS Trials: Should Women Ever Receive HRT? California ACC, Beverly Hills, California, November 21, 2013.
443. New Approaches to Angina and Microvascular Coronary Dysfunction (MCD), Mayo Clinic, Phoenix, Arizona, November 22, 2013.
444. Women in Cardiology: Current Obstacles and Future Directions, Arizona Chapter of the American College of Cardiology, Scottsdale, Arizona, November 22, 2013.
445. Hormone Replacement Therapy and CVD in Women- Update 2013, 1st Latin American Symposium on Cardiovascular Disease in Women, Santiago, Chile, December 8, 2013.

446. Angina and Ischemic Heart Disease in Women- Update from the NHLBI WISE Study, 1st Latin American Symposium on Cardiovascular Disease in Women, Santiago, Chile, December 8, 2013.
447. Oral Contraception and Cardiovascular Risk- Update 2013, 1st Latin American Symposium on Cardiovascular Disease in Women, Santiago, Chile, December 8, 2013.
448. Takotsubo Cardiomyopathy in Women: Why is more prevalent? 1st Latin American Symposium on Cardiovascular Disease in Women, Santiago, Chile, December 8, 2013.
449. Women's Cardiovascular Health 2013: What you need to know about risk indicators from pregnancy issues, fourth-generation birth control pills, and breast cancer survivors, Pri-Med Cardiology Updates, Los Angeles, California, December 10, 2013.
450. "Heart Healthy Lifestyle"- What is the Evidence for Reducing Cardiovascular Risk, 30th Annual Advances in Heart Disease, San Francisco, California, December 13, 2013.
451. Cardiovascular Disease in Women, 30th Annual Advances in Heart Disease, San Francisco, California, December 13, 2013.
452. What to Do When the Perfusion is Abnormal and there is No Coronary Stenosis? Advances in Nuclear Cardiology & Cardiac CT: 29th Annual Case Review with The Experts with A 101 Evidence-Based Cases, Los Angeles, California, January 24, 2014.
453. Panel Discussion, Advances in Nuclear Cardiology & Cardiac CT: 29th Annual Case Review with The Experts with A 101 Evidence-Based Cases, Los Angeles, California, January 24, 2014.
454. The Yentl Syndrome- Why Women have more adverse IHD Outcomes, Cardiology Grand Rounds at the University of Chicago, Chicago, Illinois, January 31, 2014.
455. Microvascular Disease in Women, Seventh Annual Women's Cardiovascular Health Symposium, Prentice Women's Hospital, Chicago, Illinois, February 1, 2014.
456. Gender Differences in Cardiovascular Disease, Community Heart Health Program: What Every Woman Needs to Know, Prentice Women's Hospital, February 1, 2014.
457. Women and Heart Disease- What you Need to Know, Stress(less) in the City, Hadassah Southern California Women's Health Summit, Los Angeles, California, February 9, 2014.
458. New Cholesterol Guidelines: What the New Guidelines Mean for Women, National Webinar: 4th Annual State of Women's Heart Health, American Heart Association Go Red for Women and Women Heart: The National Coalition for Women with Heart Disease, February 19, 2014.
459. Sex Differences in Microvascular Function and Diastolic Heart Failure, Charite: Gender and Myocardial Hypertrophy, Berlin, Germany, February 21, 2014.

460. Coronary Artery Disease in Women: Pitfalls in Diagnosis and Management, 2014 Cardiology at Cancun, Cancun, Mexico, February 24, 2014.
461. Panel Discussion, 2014 Cardiology at Cancun, Cancun, Mexico, February 24, 2014.
462. Microvascular Coronary Dysfunction in Women: Pathophysiology, Diagnosis, and Management, 2014 Cardiology at Cancun, Cancun, Mexico, February 24, 2014.
463. Panel Discussion, 2014 Cardiology at Cancun, Cancun, Mexico, February 24, 2014.
464. Community lecture: Women and Heart Disease: What you need to know, Ebell Luncheon, Los Angeles, CA, March 10, 2014.
465. Reducing Cardiovascular Risk: Taking a Closer Look at Statin Efficacy and Safety, Current Perspectives and Emerging Approaches in Lipid Management, pmiCME, Anaheim, CA, March 26, 2014.
466. Case Study: Targets, Benefits, and Risks: Optimizing Lipid Management, Current Perspectives and Emerging Approaches in Lipid Management, Anaheim pmiCME, CA, March 26, 2014.
467. Sex Matters: Insights from WISE and Beyond, Making the Case for Sex-Specific Diagnostic Approaches in Evaluating Symptomatic Women for Obstructive CAD, CardioDX Symposium, Washington, DC, March 29, 2014.
468. The Future of CMR Stress Perfusion, ACC.2014, Washington, DC, March 29, 2014.
469. Speaker/Panel Discussion, Beverly Hills Chamber of Commerce Tomorrow: A Vision of the Future. Beverly Hills, CA, April 8, 2014.
470. Research Priorities: The Impact of Gender on the Scope, Funding, and Analysis of Health Research. Who Decides? Gender, Medicine, and the Public's Health. Radcliffe Institute for Advanced Study at Harvard University. Cambridge, MA, April 10, 2014.
471. Women and Primary Prevention of CVD- The New Cholesterol Guidelines. Internal Medicine CME Grand Rounds. Charles R. Drew University, Los Angeles, CA. April 18, 2014.
472. Sex/Gender Influences on the Cardiovascular System. 2014 Experimental Biology Meeting. San Diego, CA, April 27, 2014.
473. In Sickness and in Health, MPTF Healthcare Summit 2, Beverly Hills, CA, May 14, 2014.
474. Estrogens and the Vasculature: What do we know? Effect on HRT? AACE-ACC Joint Symposium – Cardiovascular Disease in Women” Female Aspects of Atherosclerosis-Pathophysiology, Diagnosis and Management, Las Vegas, NV, May 16, 2014.

475. Women's Health: Taking Charge of your Health and Wellness – Panelist, Managing Your Health Portfolio – Panelist, 3rd Annual Women's summit, Century City, CA. June 17, 2014.
476. Ischemic Heart Disease and Normal Coronary Angiography: Finding the Missing Piece to the Puzzle, 3rd International Summit on Ischemic Heart Disease, Pisa, Italy, June 27, 2014.
477. Clinical Perspective on Comparative Trial Methods. Clinical & Translational Research Workshop: Grant & Clinical Protocol Development. Beverly Hills, CA, July 23, 2014
478. Love Your Healthy Heart...Every Beat Counts Heart Health Panel - Panelist. Hadassah's 97th National Convention, Las Vegas, NV, July 22, 2014
479. Controversial Recommendations on LDL-Lowering Treatment – Fixed Dose, ESC Congress 2014, Barcelona, Spain, August 31, 2014.
480. ACC/AHA Guideline, ESC Congress 2014, Barcelona, Spain, September 2, 2014.
481. Meet the Experts Breakfast Sessions, 2014 NAMS Annual Meeting Scientific Program, Washington, DC, October 17, 2014.
482. Understanding the New ACC.AHA and JNC-8 Guidelines: Risk Assessment, Cholesterol, Lifestyle, and Hypertension. 2014 NAMS Annual Meeting Scientific Program, Washington, DC, October 17, 2014.
483. The Challenges and Successes of the Affordable Care Act, The Changing Landscape of Healthcare; Delivering Quality Care, Los Angeles, CA, November 1, 2014.
484. Sex Differences in CHD: Lessons form WISE Study, 5th Asian Preventive Cardiology and Cardiac Rehabilitation Conference (ARCCRC) Hong Kong, China, November 6, 2014.
485. Women and Heart Disease-Detection, Evaluation and Management, 5th Asian Preventive Cardiology and Cardiac Rehabilitation Conference (ARCCRC) Hong Kong, China, November 8, 2014.
486. Diets, Exercise, Herbs and Supplements: What Works? 5th Asian Preventive Cardiology and Cardiac Rehabilitation Conference (ARCCRC) Hong Kong, China, November 8, 2014.
487. Moderator - New Insights into Open Artery Problems, AHA Scientific Sessions 2014, Chicago, IL, November 17, 2014.
488. Angina and Ischemic Heart Disease in Women: Update of NHLIB WISE Study in a Joint Sessions entitled Joint AHA/Sociedad Chilena de Cardiología a Risk and Prognosis for Cardiovascular Disease in Women in Chile and Latin America, AHA Scientific Sessions 2014, Chicago, IL, November 17, 2014.
489. Moderator – Cardiovascular Medicine, AHA Scientific Sessions, Chicago, IL, November 18, 2014.

490. Angina and Ischemic Heart Disease in Women: Update of NHLBI WISE Study, AHA Scientific Sessions, Chicago, IL, November 17, 2015.
491. What to Do When the Perfusion is Abnormal and There is No Coronary Stenosis, Advances in Nuclear Cardiology & Cardiac CT: 30th Annual Case Review with the Experts, Los Angeles, CA, January 24, 2015.
492. Cardiac Risk Factors in Stroke, 7th Annual Symposium on Neurovascular Disease 2015, Santa Monica, CA January 24, 2015.
493. Women and Stable Ischemic Heart Disease, Expert Exchange, Hackensack, New Jersey, January 30, 2015.
494. Women and SIHD, Expert Exchange SIHD Program, Prescott, Arizona, February 18, 2015.
495. Women and Ischemic Heart Disease: Prevention, Diagnosis, and Management, 7th Annual Advances in Heart Disease Prevention and Rehabilitation, Troy, Michigan, March 28, 2015.
496. Keynote Address: Women and Ischemic Heart Disease: Update from the WISE Study, Northern California Medical Associates 2015 Regional Primary Care Spring Symposium, Santa Rosa, CA, April 11, 2015.
497. Diets, Exercise, Herbs and Supplements: What Works, 2015 Spring Congress of the Korean Society of Cardiology (KSC) Busan, Korea, April 17, 2015.
498. Women's Heart Disease: Women and Ischemic Heart Disease (IHD) Detection, Diagnosis and Management, 2015 Spring Congress of the Korean Society of Cardiology (KSC) Busan, Korea, April 17, 2015.
499. Evolution of Ischemic Heart Disease in Females, Inova Heart and Vascular Institute 2015 Cardiovascular Symposium, Tysons Corner, Virginia, April 26, 2015.
500. Providing High-Value Care in Cardiology, Internal Medicine Meeting 2015, Boston, MA, May 1, 2015.
501. New Approaches to Personal heart Health, 6th Harold Buchwald Heart Health Luncheon, Winnipeg, Canada, May 4, 2015.
502. Keynote Lecture - Women and Heart Disease: What You Need to Know, Modesto Go Red for Women Luncheon, Modesto, CA, May 8, 2015.
503. Women and Heart Disease: What You Need to Know, Jonathan Club, Los Angeles, CA, May 20, 2015.
504. Lecture and Research Seminar: The Case for Sex and Gender-specific Medicine, Engendering Excellence, Oslo, Norway, June 5, 2015.

505. The Case for Sex and Gender-specific Medicine, University of Tromso, Tromso, Norway, June 8, 2015.
506. Heart Disease in Women: What You Need to Know, California Club, Los Angeles, CA June 10, 2015.
507. C³ Oration: Experimental and Mechanistic Issues in Women's Ischemic Heart Disease - Session: Management of Cardiac Arrest Victim, Complex Cardiovascular Catheter Therapeutics Symposium, Orlando, Florida, June 17, 2015.
508. Future Direction for Research in Targeting Gender Disparities, Session – Sex Differences in Cardiovascular Disease Trajectories, ESC Congress 2015, London, England, August 29, 2015.
509. Panel 2 – Women in Clinical Trials – Panelist, Medtach Vision 2015 Women in Health, Palo, Alto, CA, September 9, 2015.
510. Current Management Strategies of Atherosclerosis and Lipid Management – What Do the New Guidelines Say and Do They Make Sense? 16th Annual Cardiovascular Medicine and Surgery (COAST) Conference, Newport Beach, CA, September 11, 2015.
511. Women and Stable Ischemic Heart Disease, A CME Lecture Series for Stable Ischemic Heart Disease, San Antonio, Texas, September 15, 2015.
512. Sex and Gender in Microvascular Disease, International Congress of Gender Medicine, Berlin, Germany, September 23, 2015.
513. Stress, Behavior and Cardiovascular Disease - Summary of Prior Failed Intervention Trials and Pathophysiological Understanding Needed to Progress, International School of Ethology 35th Course: Stress, Behavior and The Heart, Erice, Sicily, October 5, 2015.
514. Women and SIHD, Expert Exchange – A CME Lecture Series for Stable Ischemic Heart Disease, Sacramento, CA, October 9, 2015.
515. Women and Heart Disease, 5th Annual Cardiology Conference for Primary Care, Flagstaff, AZ, October 10, 2015.
516. Women & Ischemic Heart Disease: Update from the WISE Study, Internal Medicine Grand Rounds, Loma Linda CA, October 14, 2015.
517. Sex and Gender Medicine – What It Is and What It Isn't, Sex and Gender Medical Education Summit, Mayo Clinic, Rochester, MN, October 18, 2015.
518. Coronary Microvascular Function and Diastolic Heart Failure in Women, Washington University in St. Louis Cardiology Grand Rounds, St. Louis, MO, October 21, 2015.
519. Ischemic Heart Disease in Women: Lessons From the NHLBI-Sponsored WISE, University of Utah Cardiovascular Medicine Grand rounds, Salt Lake City, Utah, October 23, 2015.

520. Panel Discussion: Three Unanswered Research Questions, National Policy & Science Summit on Women's Cardiovascular Health, Washington, DC, October 26, 2015.
521. Understanding the New ACC/AHA and JNC-8 Guidelines: Risk Assessment, Lifestyle, Management of Hypertension and Cholesterol, ACC@GW-ICC Joint Session, Beijing, China, October 30, 2015.
522. Treating Heart Disease in Women, Sex-Based Differences in Cardiovascular Disease, American Heart Association Scientific Sessions, Orlando, Florida, November 9, 2015.
523. Case Presentation – Are we Tailoring antianginal Medications to our SIHD Patients, or Using Our Favorite Drugs – Panel Faculty, American Heart Association SIHD Symposium, Orlando, Florida, November 9, 2015.
524. Women and Heart Disease: Update from the WISE Study, Lyell McEwin Grand Rounds, Adelaide, Australia, December 2, 2015.
525. Women and Heart Disease: What you Need to Know, Northern Communities Health Foundation Public Lecture, Adelaide, Australia, December 2, 2015.
526. Female-pattern Heart Disease in WISE: Coronary Microvascular Dysfunction and Heart Failure with Preserved Ejection Fraction, Cardiac Society of Australia & New Zealand, Adelaide, Australia, December 3, 2015.
527. Coronary Microvascular Dysfunction and Diastolic Heart Failure: Update from the WISE Study, South Australian Health & Medical Research Institute, December 4, 2015.
528. Plenary Speaker, Discipline of Surgery and Discipline of Medicine, The University of Adelaide, Adelaide, Australia, December 8, 2015.
529. President's Lecture – Female-pattern Ischemia Heart Disease: Monet vs. Manet (or Why Women have more Adverse Outcomes, 2016 AUC Annual Meeting, St. Petersburg, Florida, January 14, 2016.
530. Keynote - Screening/Risk Assessment and Primary Prevention - Overview of Prevention - Where Are We Heading? Mayo Clinic Cardiology Update at South Beach: A Focus on Prevention, Miami, Florida, January 18, 2016.
531. Microvascular Dysfunction: What causes it, how to find it, how to treat it, Advances in Nuclear Cardiology and Cardiac CT: 31st Annual Case Review with the Experts, Los Angeles, CA January 2, 2016.
532. The New Cholesterol Guidelines: Controversy, Confusion, Consensus, Inaugural Annual Symposium Contemporary Management of Cardiovascular Disease in Women, Los Angeles, CA, January 23, 2016.

533. Keynote – Coronary Microvascular Dysfunction: Diagnosis and Management, Inaugural Annual Symposium Contemporary Management of Cardiovascular Disease in Women, Los Angeles, CA January 23, 2016.
534. Special Plenary Lecture, Cardiovascular Disease in Women: CMR’s Essential Role, CMR in Women, Los Angeles, CA, January 30, 2016.
535. Keynote - Women’s Heart Health: The New Age, Department of Epidemiology, Internal Medicine, and Gynecology Course on Women’s Health, Erasmus MC University Medical Center Rotterdam, Rotterdam, The Netherlands, February 3, 2016.
536. Female Pattern Ischemic Heart Disease: Why Women have Adverse Outcomes, Department of Epidemiology, Erasmus MC University Medical Center Rotterdam, Rotterdam, The Netherlands, February 3, 2016.
537. Keynote – Lessons learned from the WISE, Heart for Women: About Small Vessels with Big Impact, Radboud University Medical Center, The Netherlands, February 4, 2016.
538. Diagnostic Flowchart for Coronary Microvascular Dysfunction, Milan Cardiology, Milan, Italy, February 18, 2016.
539. Session Chair – Atherosclerosis, Inflammation and Plaque Vulnerability, Milan Cardiology, Milan, Italy, February 18, 2016.
540. Women, Diabetes and CVD, ADA’s 63rd Annual Advanced Postgraduate Course, San Francisco, CA, March 4, 2016.
541. Chairperson – Women and Ischemic Heart Disease: Update from the NHLBI-sponsored WISE Study, 80th Annual Scientific Meeting of the Japanese Circulation Society (JCS2016), Sendai, Japan, March 18, 2016.
542. Chairperson – Importance of Coronary Microvascular Dysfunction in Cardiovascular Medicine, 80th Annual Scientific Meeting of the Japanese Circulation Society (JCS2016), Sendai, Japan, March 19, 2016.
543. Chairperson – Plenary Session 9 – Gender-Specific Medicine in Cardiovascular Disease-Up to Date, 80th Annual Scientific Meeting of the Japanese Circulation Society (JCS2016), Sendai, Japan, March 20, 2016.
544. The Case for Sex and Gender-Specific Medicine, 80th Annual Scientific Meeting of the Japanese Circulation Society (JCS2016), Sendai, Japan, March 20, 2016.
545. Monet vs Manet (or why women have more adverse CVD outcomes), Division of Cardiology Grand Rounds at NYU Langone Medical Center, New York, New York, April 8, 2016.
546. Lipids: Why to Treat, When to Treat, Academy of Women’s Health, Washington, DC, April 16, 2016.

547. Women and Ischemia Heart Disease: Update from the WISE Study, UCSD Cardiovascular Medicine Grand Rounds, San Diego, CA, April 22, 2016.
548. A Fireside Chat – The Current State of Women’s Cardio-Health Research, University of Chicago Alumni Association, Los Angeles, CA, April 26, 2016.
549. Cardiovascular Disease in Women 2016: CVD Prevention in Women. What is Unique and What Are the Opportunities, Inland Empire Heart and Vascular Institute’s 18th Annual Cardiac Symposium, San Bernardino, CA, April 30, 2016.
550. Heart Disease Prevention in Young Women – Are we winning the battle? International Workshop on Treatment of Cardiovascular Disease in 2016: Confronting ‘Real Life’ Clinical Challenges, A Practical, Interactive, Workshop, London, England, May 6, 2016.
551. Monet vs Manet: Female Pattern IHD and Why Women Have Worse Outcomes, 4th International Summit on Ischemic Heart Disease, Pisa, Italy, June 16, 2016.
552. Keynote Presentation - Women and Heart Disease – Update 2016, 2016 Pri-Med Annual Conference 2016, Houston, Texas, June 24, 2016.
553. Late sodium channel inhibition (ranolazine) improves angina and myocardial perfusion in patients with severe microvascular coronary dysfunction, ESC Congress, Rome, Italy, August 27, 2016.
554. Typical angina is associated with greater coronary endothelial dysfunction but not abnormal coronary flow reserve: results from ranolazine in coronary microvascular dysfunction (RWISE), ESC Congress, Rome, Italy, August 27, 2016.
555. Subclinical left ventricular dysfunction in microvascular coronary dysfunction is not altered by short-term late Na channel inhibition: novel insight from myocardial feature tracking, ESC Congress, Rome, Italy, August 27, 2016.
556. Future direction for research in cardiovascular disease prevention, ESC Congress, Rome, Italy, August 30, 2016.
557. HFpEF and CMD, COVADIS Summit, Rome, Italy, August 31, 2016.
558. Guest Speaker – Women’s Heart Health, The Sheila West El Cab for the Cause - Women’s Heart Health Awareness Event, Tarzana, California, September 13, 2016.
559. The Case for Gender-Specific Medicine in Cardiovascular Disease, Sex Differences Across the Lifespan: A Focus on Metabolism, Colorado Springs, Colorado, September 30, 2016.
560. Opening Keynote: Focused Cardiovascular Care for Women: The Need and Role in Clinical Practice, Mayo Clinic, Heart Disease in Women Program Planning, Rochester, Minnesota, October 8, 2016.

561. Coronary Microvascular Dysfunction (CMD) Mayo Clinic, Heart Disease in Women Program Planning, Rochester, Minnesota, October 8, 2016.
562. What is the Relevance of Pregnancy to Long Term Health? National Academy of Sciences Interest Group Meeting, Washington, DC, October 16, 2016.
563. Current Guidelines Hypercholesterolemia, ANCAM 17th National Cardiology Congress, Vera Cruz, Mexico, November 3, 2016.
564. Strategies to be Followed in Lipid Treatment, ANCAM 17th National Cardiology Congress, Vera Cruz, Mexico, November 4, 2016.
565. Microvessels and Ischemic Heart Disease in Women, ANCAM 17th National Cardiology Congress, Vera Cruz, Mexico, November 4, 2016.
566. Women and Heart Disease: Update from the NHLBI-Sponsored WISE Study, 21st ICOWHi Congress Scale and Sustainability” moving Women’s Health Forward, Baltimore, Maryland, November 9, 2016.
567. Coronary Microvascular Function and Diastolic Heart Failure in Women, George Washington University Cardiology Grand Rounds Lecture, Washington, DC, November 9, 2016.
568. Monet vs Manet or Why Women have more adverse CVD Outcomes, George Washington University Medical Grand Rounds Lecture, Washington, DC, November 10, 2016.
569. How do We Ensure Women are Adequately Accounted for in Future CV risk Models Incorporating Biomarkers? Abbott Diagnostics – 2016 Expert Meeting, New Orleans, Louisiana, November 12, 2016.
570. A Woman’s Heart Is Different, Brentwood Country Club, Brentwood, California, December 1, 2016.
571. Coronary Microvascular Dysfunction and Heart Failure with Preserved Ejection Fraction: An Update from the NHLBI-Sponsored WISE Study, University of Sao Paulo, Heart Institute – School of Medicine 40 Year Celebration, Sao Paulo, Brazil, February 17, 2017.
572. Moderator – Current Guidelines for Cholesterol: Too high, Too Low, or Just Right? University of Sao Paulo, Heart Institute – School of Medicine 40 Year Celebration, Sao Paulo, Brazil, February 18, 2017.
573. Assessing Ischemia: Does Gender Matter, ACC.17, Washington, DC March 17, 2017
574. We Need Women’s Heart Health Clinics: PRO, ACC.17., Washington, DC., March 18, 2017.
575. Expert Review: Evaluating for and Treating Microvascular Dysfunction, ACC.17, Washington, DC, March 18. 2017.

576. Discussant – Primary Results of the Further Cardiovascular Outcomes Research with PCSK9 Inhibition in Subjects with Elevated Risk (FOURIER) Trial and Primary Results of EBBINGHAUS, a Cognitive Study of Patients Enrolled in the FOURIER Trial, ACC.17, Washington, DC, March 18, 2017.
577. Co-Chair – Beyond the Usual Suspects – Other Dimensions in Prevention, ACC.17, Washington, DC, March 19, 2017.
578. The Report on the Status of Women and Girls in California – Panelist, Mount Saint Mary's University, Los Angeles, California, March 23, 2017.
579. Is it Time to Look at Microvascular Angina? Are These the New Limits?, At the Limits: Cardiology, Diabetes and Nephrology, Cape Town, South Africa, April 8, 2017.
580. Coronary Microvascular Dysfunction and Heart Failure with Preserved Ejection Fraction: Why Women?, Brigham and Women's Hospital Cardiovascular Grand Rounds, April 13, 2017.
581. Update on Heart Disease in Women, University of Oklahoma Health Sciences ACC Scientific Meeting, Oklahoma City, Oklahoma, April 29, 2017.
582. Women and Heart Disease, The Hoffman Heart and Vascular Institute of Connecticut, Saint Francis Hospital and Medical Center, 53rd Annual Robert M Jeresaty, M.D. Cardiovascular Symposium, The Oldest Annual Cardiovascular Symposium in the U.S, Hartford Connecticut, May 3, 2017.
583. Hypertension Guidelines, The Hoffman Heart and Vascular Institute of Connecticut, Saint Francis Hospital and Medical Center, 53rd Annual Robert M Jeresaty, M.D. Cardiovascular Symposium, The Oldest Annual Cardiovascular Symposium in the U.S, Hartford Connecticut, May 3, 2017.
584. Dialogue between D. Jay N. Cohn and Dr. Bairey Merz, 19th Annual Jay N. Cohn – Dinner and Lecture Dialogue, Minneapolis, Minnesota, May 3, 2017.
585. Coronary Microvascular Dysfunction & Heart Failure with Preserved Ejection Fraction – Are they Related in Women? An Update from the WISE Study, University of Minnesota Health Cardiology Grand Rounds – Cohn Lecture, Minneapolis, Minnesota, May 4, 2017.
586. Women in Medicine Mentoring Panel, Inova Heart and Vascular Institute Cardiovascular Symposium, Falls Church, Virginia, May 5, 2017.
587. Non-Invasive Testing in the Evaluation of Women with Chronic Chest Pain, Inova Heart and Vascular Institute Cardiovascular Symposium, Falls Church, Virginia, May 5, 2017.
588. Women's Heart Health: A Unique Opportunity for Obstetricians and Gynecologists to Impact Women's Heart in the New Era of Medicine, ACOG 2017 Annual Clinical and Scientific Meeting, May 7, 2017.

589. 2017 Update: Women and Heart Disease, Pri-Med West Annual Conference, Anaheim, California, May 13, 2017.
590. Coronary microvascular dysfunction and Heart Failure with Preserved Ejection Fraction: Hormone or Age Dependent, 11st Annual Meeting of the Organization for the Study of Sex Differences, Montreal, Quebec, May 15, 2017.
591. Coronary Microvascular Dysfunction and Ischemic Heart Disease in Women, 9th Annual Cardiovascular Institute of San Diego, Inc. Symposium, Palm Desert, CA, May 21, 2017.
592. Understanding the New JNC-8 and ACC/AHA Guidelines: Hypertension Risk Assessment, Lifestyle and Cholesterol, UCSF Fresno Medical Education Program, Cardiology Grand Rounds Visiting Professor, Fresno California, May 23, 2017.
593. Coronary Microvascular Function and Diastolic Heart Failure: Why Women?, UCSF Fresno Medical Education Program, Cardiology Grand Rounds Visiting Professor, Fresno California, May 23, 2017.
594. Stress and CHD: Update 2017, 35th National Congress of Cardiology, Rosario, Argentina, June 1, 2017.
595. Risk Assessment and Screening for DVD: What is ready for Prime Time? 35th National Congress of Cardiology, Rosario, Argentina, June 2, 2017
596. Hormones and hostility: Unique Gender Differences in Stress and Health, 25th National Congress of Cardiology, Rosario, Argentina, June 3, 2017.
597. Keynote Presentation: Cardiovascular Disease: Do Sex, Gender and Ethnicity Count? 21st Annual Research Day Symposium, Morristown, New Jersey, June 7, 2017.
598. Mini Keynote: Sex-Related Differences in Cardiovascular Disease-Outlining the Key Issues from 10,000 Feet, Society for Vascular Medicine's 28th Annual Scientific Sessions, New Orleans, LA, June 15, 2017.
599. Special Plenary Session – Looking into the Heart of Women: Insights into the Future of Ischemic Heart Disease (IHD), ACC Latin America Conference 2017, Mexico City, Mexico, June 24, 2017.
600. Women's Heart Health: Holistic Approaches Throughout the Lifetime, ACC Latin America Conference 2017, Mexico City, Mexico, June 24, 2017.
601. Solutions for Everyday Problems – Management of Anticoagulation and Valvular Heart Disease in Pregnancy, ACC Latin America Conference 2017, Mexico City, Mexico, June 24, 2017.
602. Women's Heart Health: Risk, Diagnosis and Management Differences Latin America Conference 2017, Mexico City, Mexico, June 24, 2017.

603. Therapeutic Implications of Heart Failure with Preserved Ejection Fraction: Is Coronary Microvascular dysfunction the underlying mechanism? International Symposium on Ischemic Heart Disease: The Main Cause of Morbidity and Mortality Worldwide. What we Improve? Rome, Italy, July 7, 2017.
604. Cardiovascular Disease and Bone Health, National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) Sex and the Kidneys: Sex Differences in Renal Disease Meeting, Bethesda, MD, July 13, 2017.
605. Endothelial Dysfunction – Chair – ESC Congress 2017, Barcelona, Spain, August 27, 2017.
606. Cholesterol in prevention guidelines: differing views across the oceans – Chair, ESC Congress 2017, Barcelona, Spain August 28, 2017.
607. Precision Medicine Approaches to Female-pattern Ischemic Heart Disease (Chair), 8th Congress of the International Society for Gender Medicine (IGM Congress 2017), Sendai, Japan, September 16, 2017.
608. Female and Male-Pattern Ischemic Heart Disease: Why We Need Precision Medicine, 8th Congress of the International Society for Gender Medicine (IGM Congress 2017), Sendai, Japan, September 16, 2017.
609. Male and Female-Pattern Ischemic Heart Disease, American College of Physicians (ACP) Southern California Chapters Regions I, II, and III Scientific Meeting 2017, Marina del Rey, CA September 17, 2017.
610. Current status of the research on MVA and persistent angina despite angiographically successful PCI, Sanofi Study ACT14656 Compound SAR407899, Miami, Florida, October 3, 2017.
611. Chest Pain in Women, Northern Arizona Cardio Conference for Primary Care, Flagstaff, AZ, October 7, 2017.
612. Risk Assessment and Screening for Cardiovascular Disease: What is ready for prime time? Northern Arizona Cardio Conference for Primary Care, Flagstaff, AZ, October 7, 2017.
613. Sex/Gender Difference in Cardiology, Medical Education Speaker's Network, Providence Holy Cross Medical Center, Mission Hills, CA, October 20, 2017.
614. Sex Differences in CVD – Drug and Device Approval and Use – Session Chair, Controversies & Advances in the Treatment of Cardiovascular Disease, Beverly Hills, CA, November 17, 2017.
615. Sex Differences in CVD – Drug and Device Approval and Use – Introduction and Overview, Controversies & Advances in the Treatment of Cardiovascular Disease, Beverly Hills, CA, November 17, 2017.

616. Conference: Fat or Fit: Does it Matter What you Weigh, Chilean Congress of Cardiology, Santiago, Chile, December 1, 2017.
617. Conference: Hormones and Cardiovascular Disease in Women” Update2017, Chilean Congress of Cardiology, Santiago, Chile, December 1, 2017.
618. Plenary Session: Professor Dr. Armando Illanes LaCalle. Microvascular Angina: Prevalence, Diagnosis and treatment, Chilean Congress of Cardiology, Santiago, Chile, December 1, 2017.
619. Conference: Stress and Cardiovascular Disease in Women” Update 2017, Chilean Congress of Cardiology, Santiago, Chile, December 1, 2017.
620. CMT & HFpEF: Why Women, Grand Rounds at the Krannert Institute of Cardiology, Indian University School of Medicine, Indianapolis, Indiana, December 5, 2017.
621. Coronary Microvascular Function and Heart Failure with Preserved Ejection Fraction: Why Women? Cardiology Grand Rounds Pacific Medical Center, San Francisco, California, December 20, 2017.
622. Coronary Microvascular Function and Heart Failure with Preserved Ejection Fraction: Why Women? Cardiology Grand Rounds at The University of Pittsburgh Medical Center, Pittsburgh, Pennsylvania, January 16, 2018.
623. Ischemia with No Obstructive CAD (INOCA): Fact or Fiction, Advances in Nuclear Cardiology, Cardiac CT and Cardiac MRI: 33rd Annual Case Review with the Experts, Beverly Hills, California, January 21, 2018.
624. Women & Heart Disease: What Works, Women of Wilshire Dinner and Lecture, Los Angeles, California, January 25, 2018.
625. Ischemia and Myocardial Infarction with Non-Obstructive Coronary Artery Disease, 3rd Annual Symposium Contemporary Management of Cardiovascular Disease in Women, Los Angeles, California, January 27, 2018.
626. Update in Ischemic Heart Disease (IHD) in Women: Monet vs Manet (or why women have more adverse IHD outcomes), 2018 Tulane health Sciences Research Days BIRCWH Distinguished Lecture, New Orleans, Louisiana, February 19, 2018.
627. Gender Issues in Management of Ischemic Heart Disease, State of Art Cardiology 2018, An Update in Cardiology for Clinical Cardiologists and Internists, Cancun, Mexico, March 2, 2018.
628. Keynote: women’s Heart Health – What you Should Know, Houston Methodist Research Institute Heart of a Woman, Houston, Texas, March 6, 2018.
629. Myocardial Ischemia and Non Obstructive Coronary Artery Disease (MINOCA), ACC.18 67th Annual Scientific Session & Expo, Orlando, Florida, March 11, 2018.

630. Mechanisms of Infarction: Atherosclerotic vs Non-Atherosclerotic, ACC.18 67th Annual Scientific Session & Expo, Orlando, Florida, March 11, 2018.
631. Session Co-Chair - Beauty Versus the Beast: Implications of Gender in Cardiovascular Disease, ACC.18 67th Annual Scientific Session & Expo, Orlando, Florida, March 11, 2018.
632. How to Start a Women's Heart Program, ACC.18 67th Annual Scientific Session & Expo, Orlando, Florida, March 11, 2018.
633. Panelist - Joint American College of Cardiology/New England Journal of Medicine Late-Breaking Clinical Trials, ACC.18 67th Annual Scientific Session & Expo, Orlando, Florida, March 11, 2018.
634. Panelist – How to Build a Successful Heart Center for Women, ACC.18 67th Annual Scientific Session & Expo, Orlando, Florida, March 11, 2018.
635. Cholesterol 101: New Guidelines, Medications and Targets, Community Memorial Hospital – CME Presentation, Ventura, California, April 3, 2018.
636. Keynote Presentation: Health Care Gaps for Women: Attributions to Sex Differences in Cardiovascular Medicine and Steps for Creating an Equitable Health Care System, Canadian Women's Heart Health Summit 2018, Ottawa, Canada, April 6, 2018.
637. Cardiovascular Disease in Women: Update 2018, Cardiovascular Grand Rounds at the University of Miami, Miami, Florida, April 25, 2018.
638. Ischemic Heart Disease in Women: Monet vs Manet, 26th Annual Miriam Lemberg Lectureship in Cardiovascular Disease at the University of Miami, Miami, Florida, April 25, 2018.
639. Microvascular Angina: The Next Frontier in Cardiology, Sanofi Microvascular Angina Advisory Board Q1, 2018, Paris, France, April 30, 2018.
640. Global CVD risk Assessment and Cholesterol Treatment, 12th Best of ACC Cardiovascular Medicine, Chennai, India, May 2, 2018.
641. Controversies and Challenges in Statin Therapy: What you need to know for practice, 12th Best of ACC Cardiovascular Medicine, Chennai, India, May 3, 2018.
642. Global CVD risk Assessment and Cholesterol Treatment, 12th Best of ACC Cardiovascular Medicine, Mumbai, India, May 5, 2018.
643. Controversies and Challenges in Statin Therapy: What you need to know for practice, 12th Annual Best of ACC Cardiovascular Medicine, Mumbai, India, May 5, 2018.
644. Global CVD risk Assessment and Cholesterol Treatment, 8th Best of ACC Cardiovascular Medicine, Kathmandu, Nepal, May 8, 2018.

645. Controversies and Challenges in Statin Therapy: What you need to know for practice, 8th Best of ACC Cardiovascular Medicine, Kathmandu, Nepal, May 8, 2018.
646. Monet or Manet? What's different about women and how to recognize female pattern cardiovascular disease?, 2018 Port Douglas Heart Meeting and Expo, Queensland, Australia, June 7, 2018.
647. Session 2 Special Symposium: Women and C V Disease – Panel Discussion, 2018 Port Douglas Heart Meeting and Expo, Queensland, Australia, June 7, 2018.
648. AMI with no obstructive CAD – Fact or Fiction? 2018 Port Douglas Heart Meeting and Expo, Queensland, Australia, June 7, 2018.
649. Cases - Women and Cardiovascular Disease, 2018 Port Douglas Heart Meeting and Expo, Queensland, Australia, June 7, 2018.
650. Risk Assessment and Screening for Cardiovascular Disease in Women, 2018 Port Douglas Heart Meeting and Expo, Queensland, Australia, June 8, 2018.
651. Panel Discussion: Is it time to abandon CV risk scores?, 2018 Port Douglas Heart Meeting and Expo, Queensland, Australia, June 9, 2018.
652. Future Direction for Cardiovascular Disease Prevention, 2018 Port Douglas Heart Meeting and Expo, Queensland, Australia, June 7, 2018.
653. Women & Heart Disease: Detection, Evaluation, and Management, 19th Annual Summer Conference on Women's Health, Big Island, Hawaii, July 11, 2018.
654. Fat or Fit: Does it Matter What you Weigh?, 19th Annual Summer Conference on Women's Health, Big Island, Hawaii, July 13, 2018.
655. Hormones & Heart Disease: What Do We Know in 2018?, 19th Annual Summer Conference on Women's Health, Big Island, Hawaii, July 14, 2018.
656. Cholesterol 101: New Guidelines, Medications, and Targets, 19th Annual Summer Conference on Women's Health, Big Island, Hawaii, July 14, 2018.
657. Meet the Experts – Introduction - Chest Pain and Normal Coronary Arteries a Clinician's Conundrum, ESC Congress 2018, Munch, Germany, August 25, 2018.
658. Women in Cardiology: Bridging the Gap - Drawing the line: why there is a gender gap and how do we bridge it, ESC Congress 2018, Munch, Germany, August 26, 2018.
659. Update in Ischemic Heart Disease in Women: Monet vs Manet (Why Women Have More Adverse IHD Outcomes, Hartford Health Care 34th Annual Cardio Vascular Symposium, Hartford, CN, October 3, 2018.

660. Women's Health Endowed Chairs: State of the Union, Leaders Empowering the Advancement of Diversity in Education, Research and Science (LEADERS) in Women's Health Summit, Dallas, TX, October 25, 2018.
661. Heart Disease in Women and the Influence of Hormones at the Perimenopausal Period, 5th Annual Role of Cardiac Imaging in the Female Patient, Deborah Heart and Lung Center Women's Heart Center and The Cardiovascular Institute of Philadelphia, Mt. Laurel, NJ, November 3, 2018.
662. Sex-Specific Outcomes for Commonly Used Risk Stratification Scores, AHA Scientific Sessions 2018, Chicago, IL, November 10, 2018.
663. AHA Scientific Sessions 2018 Lunch with Legends – Early Career Networking Luncheon, Chicago, IL, November 11, 2018.
664. Chair – Sex Differences in Cardiovascular Aging – Cardiovascular Disease, Cognition and Health Policies, Controversies and Advances in the Treatment of Cardiovascular Disease – The Eighteenth in the Series, Los Angeles, CA, November 16, 2018.
665. Introduction and Overview – Can Inclusion of Women Improve Men's Health, Controversies and Advances in the Treatment of Cardiovascular Disease – The Eighteenth in the Series, Los Angeles, CA, November 16, 2018.
666. Chair - Controversies in RCT's: 2018 Controversies and Advances in the Treatment of Cardiovascular Disease – The Eighteenth in the Series, Los Angeles, CA, November 16, 2018.
667. Gender Issues in the Management of Ischemic Heart Disease, Trends in Cardiovascular Medicine for Primary Care, Olympic Valley CA, November 17, 2018.
668. Controversies and Challenges in Lipid Therapy: PCSK9 Inhibitors and Beyond, 8th Annual Diagnostic & Therapeutic Modalities in Heart Failure Symposium, Big Island, Hawaii, November 29, 2018.
669. Fat or Fit – Does it Matter What we Weigh? 8th Annual Diagnostic & Therapeutic Modalities in Heart Failure Symposium, Big Island, Hawaii, November 29, 2018.
670. Cardiovascular Disease in Women: Update 2018, 8th Annual Diagnostic & Therapeutic Modalities in Heart Failure Symposium, Big Island, Hawaii, November 29, 2018.
671. Women's Health Talk, Mary Aggarwal Tea, Los Angeles, CA, January 8, 2019.
672. Ischemia with No Obstructive CAD (INOCA): Fact or Fiction, Advances in Nuclear Cardiology, Cardiac CT and Cardiac MRI: 34th Annual Case Review with the Experts, Los Angeles, California, January 18, 2019.
673. Women's Heart Health: What You Need to Know, WDS Forum, Dallas, Texas, February 9, 2019.

674. Update in Ischemic Heart Disease in Women: Monet vs Manet (Or why women have more adverse IHD outcomes), University of Illinois, Chicago, Hospital & Health Sciences System Medicine Grand Rounds, Chicago, Illinois, February 19, 2019.
675. Cardiovascular Disease in Women, Rambam Foundation Cardiology Innovation Symposium, New York, NY, February 19, 2019.
676. Women's Heart Health, Little Company of Mary Medical Staff Meeting, Torrance, CA February 28, 2019.
677. Keynote Lecture – Women's Heart Disease, 15th Annual Biomarkers in Heart Failure and Acute Coronary Syndromes Diagnosis, Treatment and Devices, La Jolla, CA, March 1, 2019.
678. Women & Ischemic Heart Disease: Why Women Have More Adverse Outcomes, University of Utah, Division of Cardiovascular Medicine Grand Rounds, Salt Lake City, Utah, March 8, 2019.
679. Fit Forum: Mix and Mingle, ACC 68th Annual Scientific Session, New Orleans, LA, March 16, 2019.
680. International Prevention of CVD: After Clean Water What Works, 18th Annual Maseri-Floria International Keynote Speaker, New Orleans, LA, March 17, 2019.
681. Treatment of INOCA; Empiric Clinical Therapy Versus Hard Data, ACC 68th Annual Scientific Session, New Orleans, LA, March 18, 2019.
682. Coronary Microvascular Dysfunction and Heart Failure with Preserved Ejection Fraction: Why Women? University Hospitals Harrington Heart & Vascular Institute Grand Rounds, Harrington, PA, March 28, 2019
683. Female-pattern Ischemic Heart Disease: Monet vs Manet (or why women have more adverse IHD outcomes), RUSH University Cardiology Grand Rounds, Chicago, IL, April 5, 2019.
684. Cardiovascular Disease in Women, American College of Physicians, Philadelphia, PA, April 12, 2019.
685. Women and Ischemic Heart Disease: Monet vs Manet (or why women have more adverse outcomes), Grand Rounds at the Gagnon Cardiovascular Institute at Morristown Medical Center, Morristown, NJ, April 26, 2019.
686. Keynote Address, Heart to Heart Foundation – A Frank Discussion About Women's Heart Health for the Morristown Medical Center, Morristown, NJ, April 26, 2019.
687. Female-Pattern Ischemic Heart Disease: Monet vs Manet (or Why Women Have More Adverse Outcomes), Weill Cornell Medicine DOM Grand Rounds, NY, NY, May 1, 2019.
688. Women and Heart Disease – What You Need to Know, UCSF 2019 Heart Healthy Strategies, San Francisco, CA, May 2, 2019.

689. Women and Heart Disease Microvascular Syndrome, EPICSEC Emory Practical Intervention Course Atlanta, Georgia, May 4, 2019.
690. Sex differences in the cardiovascular consequences of type 2 diabetes, OSSD 2019 2nd Joint OSSD/IGM Meeting, Washington, DC, May 7, 2019.
691. Sex differences in heart disease in T2D. OSSD 2019 2nd Joint OSSD/IGM Meeting, Washington, DC, May 7, 2019.
692. Panel: A Week in the Life of a Woman in Cardiology and Tips on a Successful Work/Life Balance, California Chapter Women in Cardiology: Annual CA WIC Chapter Event, Los Angeles, CA, May 11, 2019.
693. Gender Bias in Biomedical Research/Female-Pattern Heart Disease, EMBL-EBI Science & Society Symposium at Cambridge, Cambridge, England, May 29, 2019.
694. How Gender Bias in Cardiovascular Disease Impacts Women's Lives and What We Can Do About It, University of Best Practices Summit – 5th Annual Heart Attack and Stroke Free Zone, La Jolla, California, June 3, 2019.
695. Women's Healthcare Issues. Medical Education Speakers Network Lecture, Emanate Health Inter-Community Hospital, Covina, CA, July 23, 2019.
696. State of the Art – Cardiovascular Disease in Older Adults: Causes and Cures. The Cardiovascular Dangers of Age and Sex Session Lecture, ESC Congress, Paris, France, September 3, 2019.
697. Burden of Ischemic Heart Disease in Women: Focus on Sex-Specific Coronary Pathophysiology –Session Chair. ESC Congress, Paris, France, September 3, 2019.
698. Unifying Diagnostic Testing – Can We Develop A Universal Protocol? COVADIS Summit, Paris, France, September 4, 2019.
699. Women and Ischemic Heart Disease. Torsdagsakademin Guest Lecture, Karolinska Institute, Stockholm, Sweden, September 5, 2019.
700. Cardiovascular Disease in Women – Myths and Reality. 2019 Meeting of Minds, INOCA International – A Patient Partnership. Video Presentation. The Dorchester, Park Lane, London, September 16, 2019.
701. Women in Leadership: At the Forefront of Innovative Fields – Panelist, USC Marshall School of Business, Los Angeles, California, October 1, 2019.
702. Women's Health Endowed Chairs: State of the Union. Leaders Empowering the Advancement of Diversity in Education, Research and Science (LEADERS) in Women's Health Summit, Denver, CO, October 4, 2019.

703. Preventative Medicine for Women/Men. Sharp HealthCare's 2019 Heart and Vascular Conference, Hotel Del Coronado, Coronado, CA, October 6, 2019.
704. Controversies in Diet and Heart Disease: What is Hype and What is Real. Sociedad Argentina De Cardiologia (SAC.19), 45th Congreso Argentino De Cardiologia, La Rural, Predio Ferial De Buenos Aires, Argentina, October 17, 2019.
705. Fat or Fit: Does It Matter What You Weigh? Sociedad Argentina De Cardiologia (SAC.19), 45th Congreso Argentino De Cardiologia, La Rural, Predio Ferial De Buenos Aires, Argentina, October 18, 2019.
706. Ischemic Heart Disease in Women: Monet vs Manet (Why Women Have More Adverse Outcomes). 19th Annual Maui Cardiovascular Symposium, The Fairmont Kea Lani, Maui, Hawaii, October 24, 2019.
707. European Heart Journal Session. Moderator. AHA Scientific Sessions 2019, Philadelphia, PA, November 16, 2019.
708. Clinical Trial of Autologous CD34 Cell Therapy for Treatment of Coronary Microvascular Dysfunction in Patients with Angina and Non-Obstructive Coronary Arteries (Abstract 15864, Presentation RF112). Developing Cellular Therapies (Session Title), Abstract Rapid Fire Oral Session, AHA Scientific Sessions 2019, Philadelphia, PA, November 16, 2019.
709. Microvascular Disease: Prevalence and Unmet Needs. Advancing Cell Therapies for Coronary Microvascular Dysfunction: Experts Roundtable. AHA Scientific Sessions 2019, Philadelphia, PA, November 16, 2019.
710. Female-Pattern Ischemic Heart Disease: Monet vs Manet or Why Women Have More Adverse IHD Outcomes. Cardiac Grand Rounds at Sentara Heart Hospital, Norfolk, VA, November 19, 2019.
711. Covering the Heart Beat. National Press Foundation. West Palm Beach, FL. January 28, 2020.
712. Cardiovascular Medicine Grand Rounds. Penn Medicine- Division of Cardiovascular Medicine. Philadelphia, PA, January 23, 2020.
713. Women and Ischemic Heart Disease: Update 2020. The University of Arizona- Sarver Heart Center Grand Rounds. Tucson, AZ, January 31, 2020.
714. Women and Heart Disease: What You need to Know. Los Angeles Oasis WISE & Healthy Aging Center. Baldwin Hills, CA. February 19, 2020.
715. Women and Heart Disease- Meet the Professor, American College of Physicians, Virtual, April 24, 2020.
716. Advancing Women's Cardiovascular Health, Libin Cardiovascular Institute, Keynote Speaker, Calgary, Canada, June 22, 2020.

717. Ischemic Heart Disease in Women: Update 2020, 2020 Health of Women Conference, Virginia Commonwealth University, Virtual, June 26, 2020.
718. State-of-the-art lecture- How to investigate suspected coronary artery disease in 2020, Diagnostic Approach in Patients with Suspected Coronary Artery Disease in 2020, ESC CONGRESS 2020, August 29, 2020.
719. Women's Health Endowed Chairs: State of the Union. Leaders Empowering the Advancement of Diversity in Education, Research and Science (LEADERS) in Women's Health Summit, Virtual Zoom, September 16, 2020.
720. Diets, Exercise, Herbs & Supplements: What Really Works?. Community Medical Hospital. Ventura, CA, Virtual Zoom. September 22, 2020.
721. Novel Phenotypes of CVD in Women, Annual Meeting of the North American Menopause Society (NAMS), Virtual, October 5, 2020.
722. Ischemic and Miocardial Infarction with Non-Obstructive Coronary Disease INOCA and MINCOA, ANCAM Congress Cardiology, Asociación Nacional de Cardiólogos de México, Virtual, October 28, 2020.
723. Ischemic Heart Disease in Women: Update 2020. Cardiology Grand Rounds, Johns Hopkins University of Medicine, Virtual Event, November 18, 2020.
724. Ischemic Heart Disease in Women: Update 2020. Annual Conference of the Working Group of Cardiac Rehabilitation, Israeli Heart Society, Virtual Event, December 11, 2020.
725. Invited Panelist, 3rd "Dr Nanette Kass Wenger" International Conference on Cardiovascular Disease in Women, International Society for Telemedicine & eHealth, Virtual Event, December 21, 2020.
726. Women's Heart Disease: An Update. Cardiovascular Grand Rounds, Westchester Medical Center, New York Medical College, Virtual Event, January 21, 2021.
727. Panelist: How Race, Gender and Social Determinants of Health Impact Women's Care and Diagnostic Quality, Convening on Missed and Delayed Diagnosis of Heart Disease in Women, The National Coalition for Women with Heart Disease, Virtual Event, January 27, 2021.
728. Topic Related to Heart Disease in Women. Women's Health Grand Rounds, Mayo Clinic, Virtual Event, February 11, 2021.
729. Unique Manifestations of Coronary Artery Disease in Women. CMHC Master Class, The Nexus and Cardiometabolic Risk: Implications Across the Lifespan, Cardiometabolic Health Conference, Virtual Event, February 26, 2021.

730. Expert Panel Disssion and Q&A. CMHC Master Class, The Nexus and Cardiometabolic Risk: Implications Across the Lifespan, Cardiometabolic Health Conference, Virtual Event, February 26, 2021.
731. Women and Ischemic Heart Disease: Update 2021. Providence Health CME. Providence Saint Joseph Medical Center, Virtual Event, March 16, 2021.

TEACHING ACTIVITIES:

Non-Clinical Teaching:

1. Exercise and Coronary Artery Disease, Cardiology Grand Rounds, Cedars-Sinai Medical Center, November 1986.
2. Exercise and Your Heart, Community Lecture, Cedars-Sinai Medical Center, February 26, 1987.
3. New Insights into the Role of Mental Stress and Heart Disease, Psychiatry Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, California, November 15, 1988.
4. Preventive Cardiology: Efficacy of Risk Factor Modification on Recurrent Coronary Artery Disease and PTCA Restenosis, Medical Grand Rounds, Cedars-Sinai Medical Center, October 26, 1990.
5. Individualizing Lipid Therapy: Patients with Coronary Disease, Diabetes Outpatient Training and Education Center, Cedars-Sinai Medical Center, February 22, 1992.
6. Preventive Cardiology - Update '92 - Medical Grand Rounds, Cedars- Sinai Medical Center, Los Angeles, California, April 17, 1992.
7. Aggressive Lipid Modification in CAD Patients: Diet and Drugs, Cedars-Sinai Medical Center, Los Angeles, California, September 17, 1992.
8. Reversing Heart Disease, Cedars-Sinai Preventive and Rehabilitative Cardiac Center, Los Angeles, California, January 25, 1993.
9. Aggressive Lipid Management in CAD Patients: Diet and Drugs, Cedars-Sinai Medical Center, Los Angeles, California, February 4, 1993.
10. Prevention of Heart Disease, in the symposium Health Care College for the Associates, Cedars-Sinai Medical Center, Los Angeles, California, March 6, 1993.
11. Aggressive Lipid Management for 1994: Diet and Drugs, Cedars- Sinai Medical Center, Los Angeles, California, May 19, 1994.
12. Coronary Artery Disease Regression/Case Management Approach, in the annual meeting of the Southern California Society for Cardiac Rehabilitation, Cedars-Sinai Medical Center, Los Angeles, May 14, 1994.

13. Lipids and Cardiovascular Risk, Endocrinology Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, California, January 23, 1996.
14. Cardiovascular Risk Assessment Tools, Medical House staff Lecture, Cedars-Sinai Medical Center, Los Angeles, California, January 16, 1996
15. Reversing Coronary Artery Disease with Nutritional Therapy, in the Seminar “Doctor - What Should I Eat?”, Cedars-Sinai Medical Center, Los Angeles, California, March 30, 1996.
16. Cardiac Rehabilitation 1996: The New AHCPR Guidelines, Medical Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, California, November 8, 1996.
17. Nutrition and Heart Disease, in the symposium “A Gene That Allows You to Eat Anything and Not Clog Your Arteries”, Cedars-Sinai Medical Center, Los Angeles, California, November 11, 1996.
18. Lipid Lowering Intervention Follow-up Enhancement, Cedars-Sinai Medical Center roundtable teaching conference, Los Angeles, California, November 18, 1996.
19. Depression and Cardiac Mortality: The SADHART Trial, Cardiology Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, California, January 14, 1997.
20. Advances in Treating Heart Disease, Community Education Series, Cedars-Sinai Medical Center, Los Angeles, California, February 19, 1997.
21. Controversies in Cholesterol, Medical Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, California, April 28, 1998.
22. Women and Heart Disease: Symptom Assessment, Cardiology Rounds, Los Angeles County Harbor-UCLA Medical Center, Torrance, California, November 22, 1999.
23. Cardiac Rehabilitation, in the Fellows Preceptorship Program, Cedars-Sinai Medical Center, Los Angeles, California, February 24, 2000.
24. Reproductive Hormones and Heart Disease in Women, Medical Grand Rounds, Cedars-Sinai Medical Center, October 20, 2000.
25. Women, Heart Disease and Reproductive Hormones, for Endocrine Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, California, February 13, 2001.
26. Reproductive Hormones and Cardiovascular Disease in Women. OB-GYN Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, CA, March 21, 2001.

27. Heart Disease in Women: Role of Nuclear Cardiology Assessment. 17th Annual Clinical Nuclear Cardiology: Case Review with the Experts, Cedars-Sinai Medical Center, Los Angeles, CA, January 19, 2002.
28. Cardiac Risk assessment in Women, Medical Grand Rounds, UCLA School of Medicine, Los Angeles, California, May 15, 2002.
29. Women and Heart Disease, invited lecture for CSMC OB-GYN Grand Rounds, Los Angeles, California, November 6, 2002.
30. The Hidden Killer: What Every Woman Should Know About Heart Disease, presentation in the Cedars-Sinai Medical Center's Second Annual Women's Health Conference, Los Angeles, California, April 25, 2003.
31. Menopause, Heart Health and Hormone Replacement, invited lecture to the Board of Governors Healthcare College, Cedars-Sinai Medical Center, Los Angeles, California, May 6, 2003.
32. Psychosocial Stress and Heart Diseases. 5th Annual Birdie Justice Memorial Lectureship and MD-RN Collaborative Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, California, May 9, 2003.
33. Cardiovascular-Renal-Respiratory Course: Fitness in Health and Disease. Lecture to the First Year Medical Students, University of California, Los Angeles (UCLA), Los Angeles, California, December 11, 2003.
34. ACC 19th Annual Clinical Nuclear Cardiology: Case Review with the Experts, invited lecture The Use of Non-Invasive Cardiac Imaging in Women: Special Considerations, Cedars-Sinai Medical Center, Los Angeles, CA, January 31, 2004.
35. Women's and Heart Disease: Update 2004, presentation in the Women's Health Program Ground Rounds Conference, Cedars-Sinai Medical Center, Los Angeles, CA, May 14, 2004.
36. A Call to Action: Questions and Answers, invited presentation at the National Conference for Women Living with Heart Disease and their Families, Womenheart: the National Coalition for Women with Heart Disease, UCLA, Los Angeles, Ca, July 16, 2004.
37. Herbs and Supplements: What Should We Tell Our Patients?, invited lecture in the Cedars-Sinai Medical Center Controversies in Adult Cardiac Surgery, Santa Monica, CA, October 8, 2004.
38. 2nd Annual Emergency Nursing Education Day, "Women and Cardiovascular Disease: What you need to know, invited lecture, Cedars-Sinai Medical Center, Los Angeles, Ca, June 20, 2005.

39. Fitness in Health and Disease, UCLA undergraduate medical school lecture in the first year physiology course, Los Angeles, CA, December 7, 2005.
40. Keeping It Going: Your Head and Your Heart, invited community lecture at the 2006 Annual Meeting and Dinner, CSMC Board of Governors, January 18, 2006, Los Angeles, CA.
41. Cedars-Sinai Medical Center, Medical Grand Rounds, Women, Chest Pain and Heart Disease Risk: New Ideas and Approaches, May 5, 2006.
42. Women and Heart Disease, invited lecture for the CSMC Women's Health Conference March 16, 2007, Century City, CA.
43. Reversing Heart Disease: Update 2008 Lecture, Cedars-Sinai Medical Center, Los Angeles, California, February 12, 2008.
44. Women and Heart Disease, Center for International Health & Telemedicine Cedars-Sinai Medical Center, Los Angeles, California February 27, 2008.
45. Acupuncture and CHD: May 2, 2008, Cedars-Sinai Medical Center, Los Angeles, California.
46. Women and Ischemic Heart Disease: An Update from the NHLBI WISE Study: Medical Grand Rounds, Cedars-Sinai Medical Center, May 9, 2008, Los Angeles, California.
47. PCOS , Insulin Resistance, the Metabolic Syndrome and CVD in Women: Findings from the Women's Ischemia Syndrome Evaluation (WISE) Study, Cedars-Sinai Medical Center Ob/Gyn Grand Rounds, Los Angeles, CA. October 28, 2009.
48. Jupiter and Beyond: CVD Risk Factor Management in Women: Case Review, 4th Annual Women and Ischemic Heart Disease Symposium, Cedars-Sinai Medical Center, Los Angeles, CA. May 12, 2010.
49. Women and Ischemic Heart Disease: WISE Update 2010, 4th Annual Women and Ischemic Heart Disease Symposium, Cedars-Sinai Medical Center, Los Angeles, CA. May 12, 2010.
50. Women and Ischemic Heart Disease: Paradox and Pathophysiology, UCLA Internal Medicine Grand Rounds, Los Angeles, Ca March 30, 2011.
51. CVD Prevention: What Works?, Harvey Morse Conference Center 1 & 2, Cedars - Sinai Medical Center, Los Angeles, CA – November 22, 2011.
52. Women & Heart Disease - 2nd year medical school curriculum, HB&D 409, (Block 9) Cardiovascular, Renal and Respiratory Diseases II. UCLA- March 13, 2012.
53. Status Report on the NHLBI-Sponsored Prevention Guidelines: High Blood Cholesterol, CSMC Heart Institute Grand Rounds, Los Angeles, CA, October 9, 2012.

54. Cardiovascular Disease in Women: The Yentl Syndrome, UCLA Gender-Related Issues in Medicine Seminar, Los Angeles, CA, December 11, 2012.
55. Cardiovascular, Renal and Respiratory Issues in Women, UCLA, Westwood CA, December 12, 2012.
56. Cardiovascular Disease in Women: The Yentl Syndrome, CSMC Heart Institute Grand Rounds, Los Angeles, CA February 5, 2013.
57. Cardiovascular Disease in Women: The Yentl Syndrome, UCLA Ob/Gyn Grand Rounds, Los Angeles, CA, February 22, 2013.
58. New Approaches to Angina and Microvascular Coronary Dysfunction, Harbor-UCLA Medical Center Division of Cardiology Grand Rounds, Los Angeles, CA April 15, 2013.
59. Ethnic Disparities in CVD, Cedars-Sinai Heart Institute Grand Rounds, Los Angeles, CA, June 11, 2013.
60. Studies Design: Types of Studies, Outcome Measures, Cedars-Sinai Medical Center Endocrinology Grand Rounds, Los Angeles, CA, August 6, 2013.
61. Estrogen, HRT, Atherosclerosis and Outcomes: What do we know? Cedars-Sinai Medical Center Endocrine Grand Rounds, Los Angeles, CA, October 1, 2013.
62. Cardiovascular Disease in Women: the Yentl Syndrome, CTSI Training Program in Translational Science at UCLA, Los Angeles, California, November 13, 2013.
63. Cardiovascular, Renal, and Respiratory Issues in Women, David Geffen School of Medicine at UCLA, Los Angeles, California, December 11, 2013.
64. Heart Disease in Women, Office Gynecology / Women's Health for Primary Care, David Geffen School of Medicine at UCLA and the UCLA Department of Family Medicine. Anaheim, CA, August 1, 2014.
65. CMD and HFpEF in Women, Cedars-Sinai Heart Institute Grand Rounds, Los Angeles, CA, February 24, 2015.
66. WISE Study and Sex-Specific Considerations in Cardiovascular Care, Harbor-UCLA Cardiology Grand Rounds, Torrance, CA, May 18, 2015.
67. Welcome and Update on Women's Heart Health and Research. Hadassah Event at Cedars-Sinai Medical Center, Los Angeles, CA, May 1, 2016.
68. Hypertension in Women, Cedars-Sinai Heart Institute Hypertension Center of Excellence, Los Angeles, California, September 22, 2016.

69. Updates in Women's Heart Health. Linda Joy Pollin Women's Heart Health Day, Cedars-Sinai Medical Center, Los Angeles, CA, February 3, 2017.
70. Cedars-Sinai Linda Joy Pollin Women's Heart Health Program Overview and Cedars-Sinai Introductions, Inaugural Pollin Network Meeting held in conjunction with BWH Linda Joy Pollin Women's Heart Center Women and Heart Disease Scientific Symposium, April 13, 2017.
71. How we developed and run a well-established NOCAD program, Cedars-Sinai Medical Center Microvascular Interventional Working Group Summit, Los Angeles, CA October 6, 2017.
72. Cholesterol Guidelines: Controversies & Consensus, Harbor UCLA Medical Center, Los Angeles, California, January 23, 2018.
73. Women and Ischemic Heart Disease: Update 2018, Harbor UCLA Medical Center, Los Angeles, California, January 23, 2018
74. Women and Heart Health: What You Need to Know. Linda Joy Pollin Women's Heart Health Day, Cedars-Sinai Medical Center, Los Angeles, CA, February 2, 2018.
75. Cedars-Sinai Barbra Streisand Women's Heart Center Heart Education Colloquium and Laboratory Tour, Los Angeles, California, February 1, 2018.
76. Journey into Medical School, AMWA Spring Quarter 2018 Meeting, UCLA, Westwood, California, April 11, 2018.
77. Update in Ischemic Heart Disease in Women: Monet vs Manet (or 'Why Women have more Adverse IHD Outcomes'), Smidt Heart Institute Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, California, April 24, 2018.
78. Do Women Benefit from Statin Cholesterol Treatment?: Controversy, Challenges and Consensus. Linda Joy Pollin Women's Heart Health Day, Cedars-Sinai Medical Center, Los Angeles, CA, February 1, 2019.
79. Reversing Heart Disease: Update 2019. Preventive and Rehabilitative Cardiac Center Annual Lecture, Cedars-Sinai Medical Center, Los Angeles, CA, March 12, 2019.
80. Barbra Streisand Women's Heart Center Advocacy Update. 13th Annual Women and Ischemic Heart Disease Symposium, Cedars-Sinai Medical Center, Los Angeles, CA, May 10, 2019
81. Ischemic Heart Disease in Women. 17th Annual Emergency Medicine Symposium – A Practical Update. Cedars-Sinai Medical Center, Los Angeles, CA, December 6, 2019.

82. Pinot for Prevention: What is New in Nutrition and Heart Health- Myths and Realities. 15th Annual Linda Joy Pollin Women's Heart Health Day, Cedars-Sinai Medical Center, Los Angeles, CA, February 7, 2020.
83. Guest Speaker: American Medical Women's Association. AMWA, UCLA. Los Angeles, CA. February 19, 2020.
84. Global Prevention of Cardiovascular Disease: After Clean Water What Works?, Smidt Heart Institute Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, CA, May 12, 2020.
85. Cardiometabolism: Optimizing ASCVD Risk Reduction. 14th Annual Women and Ischemic Heart Disease Symposium, Cedars-Sinai Medical Center, Los Angeles, CA, Virtual Zoom, Moderator and Panelist, September 25, 2020.
86. At the Heart of the Matter: COVID-19 & Its Effects on Women. Barbra Streisand Women's Heart Center Speaker Series, Cedars-Sinai Medical Center, Los Angeles, CA, Virtual Event, November 19, 2020.
87. Sex as a Relevant Biological Variable (SABV) – Clinical. Clinical Scholars Program, Virtual Event, Cedars-Sinai Medical Center, January 19, 2021.
88. Guest Speaker Panel, Winter 2021 Health Careers Guest Speaker Panel, UCLA American Women's Association Meeting Chapter, UCLA, Los Angeles, CA, Virtual Event, January 27, 2021.
89. Life and Services in Memory of Irene Sue Pollin, 16th Annual Linda Joy Pollin Women's Heart Health Day, Cedars-Sinai Medical Center, Los Angeles, CA, Virtual Event, February 5, 2021.
90. Sex as a Biological Variable (SABV)- Relevance to CVD, 2021 Department of Cardiology Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, CA, Virtual Event, February 9, 2021.

Mentoring:

2002 – 2003	Sheila Bolour, Fellow
2004 – 2006	Bina Ahmed, Fellow
2006 – 2007	Melissa Slivka, Fellow
2007 – 2008	Chrisandra Shufelt, Fellow
2008 – 2009	Cristina Almeida, Fellow
2008 – 2009	Smruti Nalawaadi, Fellow
2009 – 2010	Pavel Goykhman, Fellow
2009 – 2010	Puja Mehta, Fellow
2011 – 2012	Megha Agarwal, Fellow
2011 – 2012	Tara Sedlak, Fellow
2012 – 2013	Afsaneh Haftbaradaran Mohammadi, Fellow
2012 – 2013	Melody Zaya, Fellow

2013 – 2014	Sherwin DelaCruz, Fellow
2013 – 2014	Janet Wei, Fellow
2014 – 2015	May Bakir, Fellow
2014 – 2015	Erika Jones, Fellow
2015 – 2016	Ahmed Al Badri, Fellow
2015 – 2016	Sofi Landes, Fellow
2016 - 2017	Sawan Jalnarpurkar, Fellow
2016 – 2017	Parham Zarrini, Fellow
2017 – 2018	Christine Pacheco, Fellow
2017 – 2018	Panteha Rezaeian, Fellow
2018 – 2019	Haider Aldiwani, Fellow
2018 – 2020	Nissi Suppogu, Fellow
2019 – 2020	Lili Barsky, Fellow
2019 – 2020	Varun Pattisapu, Fellow
2019 – 2020	Odayme Quesada, Fellow
2020 – Present	Anum Asif, Fellow
2020 – Present	Judy Luu, Fellow
2020 – Present	Benita Tjoe, Fellow

SCIENTIFIC EXHIBITS:

1. Rozanski A, **Bairey CN**: Effects of mental stress on left ventricular function and provocation of silent ischemia. NHLBI 40th Year Celebration, American Heart Association, Greater Los Angeles Affiliate Meeting, Los Angeles, California, September 9, 1987.
2. **Bairey Merz CN**. Mental stress, gender and myocardial ischemia. National Institutes of Health National Heart, Lung and Blood Institute Special Emphasis Panel on Mental Stress and Myocardial Ischemia. January 31, 1996, Bethesda, Maryland.
3. **Bairey Merz CN**, for the WISE Study Group. Does gender effect the sensation of myocardial ischemia? National Institutes of Health Pain Research Consortium, Bethesda, Maryland, April 1997.
4. **Bairey Merz CN**, for the WISE Study Group. Does gender affect the sensation of ischemia? American College of Cardiology Extended Learning tape series, ACCEL interview, April 1998.
5. **Bairey Merz CN**, for the WISE Study Group. The Women's Ischemia Syndrome Evaluation in the American College of Cardiology 48th annual scientific symposium Women and Heart Disease: Completed and Ongoing Trials, New Orleans, Louisiana, March 10, 1999.
6. **Bairey Merz CN**, Chair for the program Hormone Replacement in Primary and Secondary Prevention of CAD in the American College of Cardiology 48th Annual Scientific Sessions Symposium Women and Heart Disease: Completed and Ongoing Trials, New Orleans, Louisiana, March 10, 1999.

7. **Bairey Merz CN**, Co-Chair for the symposium Ischemic Heart Disease in women, and presenter of the lecture Female Angina in the American College of Cardiology 49th Annual Scientific Sessions, Anaheim, California, March 14, 2000.
8. **Bairey Merz CN**, faculty member for the American College of Cardiology Heart House course Implementing Coronary Risk Factor Modification: Why, How, and in Whom? Bethesda, Maryland, May 1-3, 2000.
9. **Bairey Merz CN**, presenter in the symposium Psychosocial Factors and Coronary Disease: Causal Relationships and Risk, American College of Cardiology 49th Annual Scientific Sessions, Anaheim, California, March 14, 2000.
10. **Bairey Merz CN**, presenter in the Menopause 2001 Symposium: Hypothalamic Hypoestrogenemia in Postmenopausal Women-Prevalence and Etiology: A Report from the NHLBI-Sponsored WISE Study.
11. **Bairey Merz CN**, Women's Cardiovascular Council, American College of Cardiology 51st Annual Scientific Sessions, Atlanta, Georgia, March 17, 2002
12. **Bairey Merz CN**, Chair, How to Set Up a Lipid Management Clinic, American College of Cardiology 51st Annual Scientific Sessions, Atlanta, Georgia, March 17, 2002.
13. **Bairey Merz CN**, presenter of Soy and Isoflavones for Primary Prevention in the symposium Complementary and Alternative Therapies for Cardiovascular Disease, American College of Cardiology 51st Annual Scientific Sessions, Atlanta, Georgia, March 19, 2002.
14. **Bairey Merz CN**, Do Hot Flashes Explain the Protective Association Between HRT and CAD in Women: The NHLBI-sponsored WISE Study, poster session, American College of Cardiology 51st Annual Scientific Sessions, Atlanta, Georgia, March 19, 2002.
15. **Bairey Merz CN**, Task Force, 33rd Annual Bethesda Conference Report. Preventive Cardiology: How Can We Do Better? The Role of the Cardiovascular Specialist as a Leader in Prevention: From Training to Champion, American College of Cardiology 51st Annual Scientific Sessions, Atlanta, Georgia, March 19, 2002.
16. **Bairey Merz CN**, Chair, Treatment of Complex Lipid Disorders, American College of Cardiology 51st Annual Scientific Sessions, Atlanta, Georgia, March 19, 2002.
17. **Bairey Merz CN**, Symposium Co-Chair, Update on Heart Disease in Women: What Are the Differences? What Should Be Done? American College of Cardiology 51st Annual Scientific Sessions, Atlanta, Georgia, March 20, 2002.
18. **Bairey Merz CN**. Make the Link Campaign Presentation. American Heart Association Annual Scientific Sessions, Chicago, IL, November 18, 2002.

19. **Bairey Merz CN**, Reproductive Hormones and Anginal Chest Pain in Women: A report from the NHLBI-sponsored WISE, poster presentation, American Heart Association Annual Scientific Sessions, Chicago, IL, November 19, 2002.
20. **Bairey Merz CN**, Woman, Atherosclerosis, and Ischemic Heart Disease-Lessons From the WISE Study, the American College of Cardiology conference "Heart Disease in Woman: Where Are We Now? Where Are We Going?" Chicago, IL, March 29, 2003.
21. **Bairey Merz CN**, Session 228 Co-Chair: HRT & The Heart: What We Knew, What We Know, American College of Cardiology Annual Scientific Sessions, Chicago, IL, March 31, 2003.
22. **Bairey Merz CN**, Session 419 Co-Chair: 34th Annual Bethesda Conference Report. Can Atherosclerosis Imaging Techniques Improve the Detection of Patients at Risk for Ischemic HD? American College of Cardiology Annual Scientific Sessions, Chicago, IL, March 31, 2003.
23. **Bairey Merz CN**, presenter at the 14th Annual NAMS (North American Menopause Society): Prior Oral Contraceptive Use and Coronary Artery Disease (CAD): Data from the NHLBI-Sponsored Women's Ischemia Syndrome Evaluation (WISE) Study. Miami, FL, September 2003.
24. **Bairey Merz, CN**, presenter for AHA Scientific Conference on Molecular, Integrative and Clinical Approaches to Myocardial Ischemia: Lessons from the NHLBI-Sponsored Women's Ischemia Syndrome Evaluation (WISE) Study: Overview.
25. **Bairey Merz, CN** presenter at the 5th International Congress on Coronary Artery Disease: Hypoestrogenemia of Hypothalamic Origin is Associated with Coronary Artery Disease in Premenopausal Women. The WISE Study. October 19-22, 2003. Florence, Italy.
26. **Bairey Merz CN**, Moderator: 4th International Congress of Cardiology on the Internet, The Metabolic Syndrome: What is It and What Should We Do About It? Continuous Education Forum of Federacion Argentina de Cardiologia (FAC), September 1, 2005.
27. **Bairey Merz CN**, American Heart Association Scientific Sessions 2005, Endogenous androgens and coronary artery disease in women: a report from the NHLBI-sponsored WISE study. November 15, 2005, Dallas, TX.
28. **Bairey Merz, CN**, Aggressive Prevention in Risk-Reduction Therapy, Cardiology July 2006.
29. **Bairey Merz CN**, Update on Chronic Stable Angina, American College of Cardiology, satellite CME, December 1, 2007.
30. **Bairey Merz CN**, A Randomized Controlled Trial of Low Dose Hormone Therapy on Myocardial Ischemia in Postmenopausal Women with No Obstructive Coronary Artery Disease: Results from the NHLBI-sponsored WISE. November 6, 2007.

31. **Bairey Merz CN**, Session 22 ACC.08 Cardiac Care Team Spotlight: Part II Advanced Track: Persistent Chest Pain in Women, Evaluation and Treatment What Have We Learned from WISE? March 30, 2008, Chicago, Illinois.
32. **Bairey Merz CN**, Session 94 ACC.08 Complex Cases: Prevention and Panel Discussion; Aggressive Risk Factor management and Case Selection in CHD, March 30, 2008, Chicago, Illinois.
33. **Bairey Merz CN**, 5th Pivotal Research in Cardiology in the Elderly Symposium: Preventive Cardiology in the Elderly, November 8, 2008, New Orleans, Louisiana.
34. **Bairey Merz CN**, Session CVS.60 A Celebration of Statins: Recognition of the Contributions of Akira Endo and Al Albert. November 9, 2008, New Orleans, La.
35. **Bairey Merz CN**, Session CVS.25 Does Hormone Status Impact CVD Risk? November 10, 2008, New Orleans, La.
36. **Bairey Merz CN**, Session HTS.34 How to Manage Angina with Normal Coronary Arteries. November 10, 2008, New Orleans, La.
37. **Bairey Merz CN**, Session PS.04 Late-Breaking Clinical Trials IV. Moderator. November 12, 2008, New Orleans, La.
38. **Bairey Merz CN**, Chair for The impact of atherosclerosis in a globalized world – Part 1. International Joint Symposium – American College & Brazilian Society of Cardiology. September 13, 2009, Salvador, Brazil.
39. **Bairey Merz CN**, Co-Chair, From Bench to Bedside – from International Gender Medicine. November 6, 2009, Berlin, Germany.
40. **Bairey Merz CN**, Session 1142 ACC.10 Gender and Outcome, March 15, 2010, Atlanta, Ga.
41. **Bairey Merz CN**, Session 0213 ACC.10 Chest Pain in Women with Normal Coronary Arteries. March 15, 2010, Atlanta, Ga.
42. **Bairey Merz CN**, Session 1237 ACC.10 Hypertension and the Artery Wall. March 16, 2010, Atlanta, Ga.
43. **Bairey Merz CN**, A Randomized Single Blind Controlled Trail Examining the Effects of Acupuncture on the Symptoms and Pathophysiology of Menopause, World Federation of Acupuncture/Moxibustion Societies, San Francisco, CA (oral/poster presentations) Nov 2010
44. **Bairey Merz CN**, A Randomized Single Blind Controlled Trail Examining the Effects of Acupuncture on the Symptoms and Pathophysiology of Menopause, World Federation of Acupuncture/Moxibustion Societies, Society for Acupuncture Research, Chapel Hill, NC

(oral/poster presentations) 2010
