

The following facilities have not satisfied the annual Over-The-Counter (OTC) Monograph User Fee Program (OMUFA) facility fee(s) as required under section 744M of the Federal Food, Drug, and Cosmetic Act (FD&C Act), as added by the [Coronavirus Aid, Relief, and Economic Security Act](#) (or the “CARES Act”), under which FDA will assess and collect fees from submitters of OTC Monograph Order Requests (OMORs) as well as facility fees from qualifying manufacturers of OTC monograph drugs. The facility fee was due no later than May 10, 2021, for fiscal year (FY) 2021.

If a facility does not pay the annual facility fee within 20 calendar days of the due date, the Agency will place the facility on a publicly available arrears list, and all OTC monograph drug products produced at that facility (or containing an ingredient manufactured at that facility) shall be deemed misbranded under section 502(ff) of the FD&C Act. Additionally, OMORs and meeting requests related to OMORs will not be accepted from persons, or their affiliate(s) in arrears (see section 744M(e) of the FD&C Act). We encourage you to seek verification from your business partners that all applicable fee(s) have been received in full by the Agency.

If your records indicate that an FY 2021 OMUFA facility fee was previously submitted, please contact [CDERCollections@fda.hhs.gov](mailto:CDERCollections@fda.hhs.gov) and provide the following information:

- Facility Name
- Dun & Bradstreet (DUNS) number
- FDA Establishment Identifier (FEI) Number
- User Fee Payment I.D. Number (PIN)
- Payment method, date, and amount

Additionally, if you believe that your facility is not subject to OMUFA facility fees, please contact [CDERCollections@fda.hhs.gov](mailto:CDERCollections@fda.hhs.gov) and provide a brief explanation for your reasoning. The Agency will review your explanation and respond to it promptly.
