

## **CURRICULUM VITAE**

Basavana Goudra MD FRCA FCARCSI

Work Address: Department of Anesthesia, Hospital of the University of Pennsylvania  
Philadelphia PA, 19104, USA

E-mail: puttamma2001@gmail.com

Main Appointment Clinical Associate Professor of Anesthesiology and Critical Care Medicine  
Perelman School of Medicine

Additional Appointment Consultant to the Food and Drug Administration (FDA) in the Anesthetic and  
Analgesic Drug Products /Drug Safety and Risk Management advisory  
Committee.

### **BOARD CERTIFICATION**

United Kingdom	1999 (Certified)
Ireland	1999 (Certified)
American Board	1018 (Eligible)

### **EDUCATION**

1981 – 1986 (MBBS)	Bangalore Medical College, Bangalore, India
1986 – 1987 (Internship)	Combined Hospitals, Bangalore Medical College, Bangalore, India

### **POSTGRADUATE TRAINING**

1992 – 1995	Anesthesia Residency – Jawaharlal Institute of Postgraduate Medical Education and Research, Pondicherry, India
1996-2003	Registrar/Specialist Registrar, National Specialist Registrar Training Program, Ireland
07-1-2014 to 06-30-2018	Hospital of the University of Pennsylvania, Philadelphia, PA 19104 (4 years training approved by the American Board of Anesthesiology)

### **APPOINTMENTS**

1987-1992	Flight Lieutenant, Medical officer, Indian Air Force, India
-----------	---

2004 – 2008	Consultant Anesthetist, National Health Service (NHS) United Kingdom
2007-2008	Honorary Senior Lecturer, Birmingham University, Birmingham UK
2008-2016	Assistant Professor, Department of Anesthesia, Hospital of the University of Pennsylvania, Philadelphia PA, 19104, USA
2016-	Associate Professor, Department of Anesthesia, Hospital of the University of Pennsylvania, Philadelphia PA, 19104, USA

### **HONORS AND AWARDS**

1992	All India rank 21, All India Post Graduate Entrance Examination conducted by the All India Institute of Medical Sciences, New Delhi, India.
------	---

**INVENTIONS** Goudra Bite Block, Goudra Airway and Goudra Mask Airway,

### **QUALIFICATIONS**

1987	MBBS, Medical Council of India
1992	MD, Anesthesiology, Medical Council of India
1999	FRCA, Fellow of the Royal College of Anesthetists, London
1999	FCARCSI, Fellow of the college of anesthetists, Royal College Surgeons in Ireland

### **MEDICAL/SCIENTIFIC MEMBERSHIP**

2012-2014	Member Abstract Review Subcommittee, American Society of Anesthesiology
2012-present	Member, Educational Track Subcommittee, American Society of Anesthesiology

### **JOURNALS**

#### **Reviewer**

Anesthesia and Analgesia  
Journal of Anesthesiology and Clinical Pharmacology  
British Journal of Anesthesia  
European Journal of Anesthesia  
Journal of Clinical anesthesia  
Digestive Diseases and Sciences  
Gastrointestinal Endoscopy  
World Journal of Gastroenterology

Indian Journal of Anesthesia

### **Editorial Board Member**

Gastroenterology & Hepatology, Millennium Medical Publishing  
Australasian Medical Journal (AMJ)  
Anesthesiology research and practice

### **PUBLICATIONS (PEER REVIEWED)**

#### LECTURES BY INVITATION

Dec, 2007 "Total Intravenous Anaesthesia Current Trends", Annual Meeting of Indian Society of Anaesthesiologists, Vizag, India

Jan, 2008 "Target Controlled Infusions in Anaesthesia", Manipal Hospital ,Bangalore

May, 2010 "Anesthesia for GI Endoscopy", Shanghai Jiaotong University School of Medicine, Shanghai, China

Jun, 2010 "Anesthesia for Advanced Endoscopy Procedures", Benenden Hospital, Kent, England TN17 4AX

Aug, 2010 "Total Intravenous Anesthesia-Theory to Practice", Indian Society of Anaesthetists Annual Meeting of Karnataka Chapter - Silver Jubilee Conference, Karnataka, India

- Apr, 2011 "Total Intravenous Anesthesia-Theory to Practice", Grand Rounds, Department of Anesthesiology, Albert Einstein Medical Center, Philadelphia, PA
- May, 2012 "TIVA in GI Endoscopy", Grand Rounds, Hahnemann Hospital, Philadelphia PA
- Oct, 2013 "Improving Safety and Efficiency in Out-of-OR Anesthesia: GI Endoscopy", Panel Discussion, American Society of Anesthesiologists Annual Meeting, San Francisco CA
- Oct, 2013 "Intubation Should Rarely Be Necessary for Airway Management in Patients Undergoing ERCP", Speaker-CON, American Society of Anesthesiologists Annual Meeting, San Francisco, CA
- Oct, 2014 Non-Operating Room Anesthesia: Techniques, American society of Anesthesiology Annual meeting New Orleans 2014
- Oct, 2015 Anesthesia for GI endoscopy, American society of Anesthesiology Annual meeting New Orleans 2015
- Oct, 2015 Use of Supraglottic Airway Devices in out of OR locations American society of Anesthesiology Annual meeting New Orleans 2015
- Oct, 2015 MAC is more dangerous than GA-Reality or Myth, American society of Anesthesiology Annual Meeting New Orleans 2015
- Oct 2016 Anesthesia for GI Endoscopy-High risk area or risky practice, American society of Anesthesiology Annual meeting, Chicago, 2016
- Nov 2016 Cardiac Arrests During Gastrointestinal Endoscopy-Prevention and Treatment, Indian society of Anesthesiology Annual meeting, Ludhiana India
- Nov 2016 Procedural sedation, Indian society of Anesthesiology Annual meeting, Ludhiana India
- Oct 2017 Airway management for ERCP (Endoscopic Retrograde cholangiopancreatography) counter point session; moderator and speaker; at the American society of Anesthesiology Annual meeting, Boston, 2017
- Oct 2018, Rules for safe sedation in GI endoscopy suite, Refresher course lecture delivered at the American society of Anesthesiology Annual meeting, San Francisco, 2018
- Oct 2018, MAC is more dangerous than GA -reality or myth, point –counter point session; moderator and speaker; at the American society of Anesthesiology Annual meeting, San Francisco, 2018
- Oct 2018, Dealing with anticipated and unanticipated events during GI endoscopy sedation, Clinical Forum, moderator and speaker; at the American society of Anesthesiology Annual meeting, San Francisco, 2018

Pre-procedural Evaluation of Patients Presenting for GI Endoscopy-Navigating Through Uncharted Waters, speaker and moderator at the American society of Anesthesiology Annual meeting, Orlando, Florida, 2019

All GI Endoscopies Need Propofol Sedation Versus Propofol Should be Used on Need-Only Basis, speaker at the American society of Anesthesiology Annual meeting, Orlando, Florida, 2019

Anesthesia for NORA: GI and Bronch Suites, speaker at the American society of Anesthesiology Annual meeting, Orlando, Florida, 2019

Drugs, Devices and Guidelines-Improving the Safety in GI Endoscopy Through Innovation and Improvisation, refresher course lecture delivered at the American society of Anesthesiology Annual meeting, Orlando, Florida, 2019

**Participation at the following Joint Meetings of the Anesthetic and Analgesic Drug Products Advisory Committee (AADPAC) and the Drug Safety and Risk Management Advisory Committee (DSaRM)**

May 22, 2018, to discuss NDA 209-588, buprenorphine sublingual spray, submitted by INSYS Development, Inc.

June 26, 2018, to discuss results of studies evaluating the abuse of Remoxy (oxycodone extended release) oral capsule

August 3, 2018 to discuss Transmucosal Immediate-Release Fentanyl (TIRF) Risk Evaluation and Mitigation Strategy (REMS)

October 11, 2018 to discuss new drug application (NDA) 210730, for oliceridine 1 milligram/milliliter injection, submitted by Trevena, Inc., for the management of moderate-to-severe acute pain in adult patients for whom an intravenous opioid is warranted

November 14, 2018 to discuss the results of studies evaluating the abuse of MNK-812 (oxycodone immediate release) tablet.

November 15, 2018 to discuss background information related to assessment of opioid analgesic sparing outcomes in clinical trials of acute pain and the need to focus on the development of opioid sparing and opioid replacement drugs, which have potential to reduce the need for and use of opioid analgesics.

December 17 - 18, 2018 to provide input and advice on strategies to increase the availability of naloxone products intended for use in the community.

June 11 - 12, 2019, to discuss the clinical utility and safety concerns associated with the higher range of opioid analgesic dosing (both in terms of higher strength products and higher daily doses) in the outpatient setting.

January 14, 2020, to discuss new drug application 211802 for oxycodogol, a new molecular entity full mu-opioid receptor agonist, submitted by Nektar Therapeutics, for the management of chronic low back pain in adult patients with pain severe enough to require daily, around-the-clock, long-term opioid treatment and for which alternative treatment options are inadequate.

January 15, 2020 (AM Session), to discuss new drug application (NDA) 213426 for tramadol 44mg and celecoxib 56mg tablet, which contains a fixed dose combination of an opioid and an NSAID for the management of acute pain in adults that is severe enough to require an opioid analgesic and for which alternative treatments are inadequate.

January 15, 2020 (PM Session), to discuss new drug application (NDA) 209653 for oxycodone extended-release oral tablets for the management of pain severe enough to require daily, around-the-clock, long-term opioid treatment and for which alternative treatment options are inadequate

January 16, 2020, to discuss new drug application (NDA) 204803, bupivacaine extended-release solution for instillation, submitted by DURECT Corp., for the proposed indication of post-surgical analgesia.
