

**CURRICULUM VITAE**

**Gil I. Wolfe, MD, FAAN**

Professor and Chairman of Neurology  
Irvin and Rosemary Smith Chair  
University at Buffalo Distinguished Professor  
Department of Neurology  
Jacobs School of Medicine and Biomedical Sciences, Univ. at Buffalo/SUNY  
1010 Main St., 2<sup>nd</sup> Floor  
Buffalo, NY 14202-1102

**Education**

Medical School: University of Texas Southwestern Medical School,  
Dallas, Texas, 1985-1989.  
Degree: M.D. (June 1989).  
GPA 4.0 (A=4.0), Class rank 1 of 197.

Graduate (incomplete): University of Texas at Dallas, 2011  
Masters of Science in Management and Administrative Sciences  
Completed 12 credit hours, GPA 4.0 (A=4.0)

Undergraduate: Princeton University, Princeton, New Jersey, 1981-1985.  
Degree: A.B., Biology (June 1985).  
Graduated cum laude, GPA 3.8 (A=4.0).  
Senior thesis: "The plastic response of the somatosensory  
cortex to peripheral nerve damage."

High School: St. Mark's School of Texas, Dallas, Texas, 1977-1981.  
Elected to Cum Laude Society, April 1980.

**Postgraduate Training**

Fellowship: Neuromuscular Disease and Electromyography  
Department of Neurology  
University of Pennsylvania Medical Center  
Philadelphia, PA, July 1993 - June 1994.

Residency: Department of Neurology  
University of Pennsylvania Medical Center  
Philadelphia, PA, July 1990 - June 1993.

Internship: Department of Internal Medicine  
University of Pennsylvania Medical Center  
Philadelphia, PA, June 1989 - June 1990.

**Academic Appointments**

Professor and Chairman Department of Neurology  
Univ at Buffalo Jacobs School of Medicine and Biomedical Sciences,  
SUNY, Buffalo, New York, January 2012 to present.

Faculty: Genetics, Genomics and Bioinformatics Graduate Program  
Univ at Buffalo Jacobs School of Medicine and Biomedical Sciences,

Endowed Chair: SUNY, Buffalo, New York, August 2013 to present.  
Irvin and Rosemary Smith Professor and Chair  
Univ. at Buffalo Jacobs School of Medicine and Biomedical Sciences,  
SUNY, Buffalo, New York, January 2012 to present.

Endowed Chair: Dr. Bob and Jean Smith Foundation Distinguished Chair  
in Neuromuscular Disease Research  
University of Texas Southwestern Medical School  
Dallas, Texas, September 2004 to Dec. 2011.

Professor Department of Neurology  
University of Texas Southwestern Medical School  
Dallas, Texas, September 2007 to December 2011.  
Professor with tenure, September 2011 to December 2011.

Associate Professor: Department of Neurology  
University of Texas Southwestern Medical School  
Dallas, Texas, September 2000 to August 2007.

Assistant Professor: Department of Neurology  
University of Texas Southwestern Medical School  
Dallas, Texas, July 1994 to August 2000.

Co-Director: Muscular Dystrophy Association Clinic  
University of Texas Southwestern Medical School  
Dallas, Texas, October 2000 to December 2011.

Director: Peripheral Neuropathy Clinic  
University of Texas Southwestern Medical School  
Dallas, Texas, October 2000 to December 2011.  
Co-Director: September 1995 to September 2000.

### **Administrative Appointments**

Chairman: Department of Neurology, Univ. at Buffalo Jacobs School of Medicine and  
Biomedical Sciences, Buffalo, NY, January 2012 to present.

Chief of Service: Neurology, Kaleida Health, Buffalo, NY, January 2012 to present.

Chair: Neurosurgery Chairman Search Committee, Univ. at Buffalo Jacobs School  
of Medicine and Biomedical Sciences, Buffalo, NY, November 2012-May  
2013.

Vice Chair: Department of Neurology, University of Texas Southwestern Medical  
School, Dallas, Texas, August 2005 to December 2011.

Medical Director: Department of Neurology, University of Texas Southwestern Medical  
School, Dallas, Texas, November 2006 to August 2010.

Section Chief: Neuromuscular Division, University of Texas Southwestern Medical  
School, Dallas, Texas, January 2001 to December 2011.

Program Director: Neuromuscular Medicine Fellowship Program, University of Texas  
Southwestern Medical School, Dallas, Texas, July 2000 to Dec. 2011.

Program Director: Clinical Neurophysiology Fellowship Program, University of Texas  
Southwestern Medical School, Dallas, TX, July 2000 to September 2005.

Program Director: Neurology Residency Training Program, University of Texas Southwestern  
Medical School, Dallas, Texas, July 1995 to June 2000.

Program Co-Director: July 2000 to June 2006.

Assistant Program Director: July 1994 to June 1995.

Member:

UBMD Conventus Steering/Operations Committee, Univ. at Buffalo Jacobs School of Medicine and Biomedical Sciences, Buffalo, NY, January 2016 to present; Chair, September 2016 to present.

UBMD Communications and Contracting Committees, Univ. at Buffalo Jacobs School of Medicine and Biomedical Sciences, Buffalo, NY, November 2014 to present.

UBA Executive Committee, Univ. at Buffalo Jacobs School of Medicine and Biomedical Sciences, Buffalo, NY, June 2014 to present.

UBA Board of Directors, Univ. at Buffalo Jacobs School of Medicine and Biomedical Sciences, Buffalo, NY, June 2014 to present.

Pharmacy and Therapeutics Committee, Kaleida Health, Buffalo, NY, November 2014 to present.

Medical/Dental Staff Executive Committee, Kaleida Health, Buffalo, NY, January 2012 to present.

Quality Committee, Optimum Physician Alliance, HealthNow NY, Inc. Buffalo, NY, July 2013 to June 2015.

Executive Committee, Univ. at Buffalo Jacobs School of Medicine and Biomedical Sciences, Buffalo, NY, January 2012 to present.

UBMD Management Council, Univ. at Buffalo School of Medicine And Biomedical Sciences, Buffalo, NY, January 2012 to May 2014.

Neurology Education Committee, University of Texas Southwestern Medical School, Dallas, Texas, July 1994 to December 2011.

Graduate Medical Education Committee, University of Texas Southwestern Medical School, Dallas, Texas, July 1995 to June 2000.

Institutional Review Board, University of Texas Southwestern Medical Center, Dallas, Texas, January 1999 to August 2004; November 2006 to October 2007.

**Board Certifications**

Federal Licensing Examination (FLEX)

June 1989

Diplomate of American Board of Psychiatry and Neurology, board certified in Neurology, #40560

November 1994  
Recertified August 2004  
Recertified February 2014

Diplomate of American Board of Psychiatry and Neurology, Added Qualifications in Clinical Neurophysiology, #760

April 1996  
Recertified August 2006  
Recertified May 2016

Diplomate of American Board of Psychiatry and Neurology, Neuromuscular Medicine, #203	September 2008 Recertified May 2018
---	--

Physician Leadership Development Program Univ. of Texas Southwestern Medical Center	June 2010
--	-----------

**Medical Licensure**

Medical Physician and Surgeon, Commonwealth of Pennsylvania, MD-044712-L	inactive status
Physician Permit, State of Texas, H7677	May 1994 to present
Medicine and Surgery License, New York 264033-1	January 2012 to present

**Hospital Staff Appointments**

Kaleida Health System Chief of Service, Neurology	January 2012 to present
Roswell Park Cancer Institute	July 2012 to present
Parkland Memorial Hospital	July 1994 to Dec. 2011
Zale Lipshy University Hospital	July 1994 to Dec. 2011
Texas Scottish Rite Hospital for Children	November 1998 to 2006
St. Paul University Hospital	March 2002 to Dec. 2011

**Honors and Awards**

National Honor Societies

Alpha Omega Alpha Honor Society, Gamma Chapter, elected March 1988.

Scholarships

Southwestern Medical Foundation Scholar, Merit Scholarship, August 1985.

Awards

Allen Levoy Furniss Memorial Journalism Award, Princeton University, 1985.  
Lippincott Scholar, December 1987.  
American Academy of Electrodiagnostic Medicine,  
Junior Member Recognition Award, September 1994.  
Bronze Quill, International Association of Business Communicators,  
for design of neurology residency brochure, 1996.  
Trepined Cranium Neurology Resident Teaching Award; 2000, 2002.  
Best Doctors in America; 2003-2013  
Elected to membership of the American Neurological Association, 2004; named Fellow, 2012  
Marquis Who's Who in America 2005-present  
Best Doctors in Dallas, D Magazine 2005, 2006, 2008, 2009, 2010, 2011  
Elected Fellow of American Academy of Neurology, 2005  
Texas Super Doctor, Texas Monthly magazine, 2007-2011  
The Global Directory of Who's Who, 2008  
Annual Baldwin Myasthenia Gravis Lecturer, Univ. of Alabama School of Medicine, 2008  
Castle Connolly Top Doctor 2008, 2009, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2020  
Inaugural Mathilda Karel-Spak Lecturer, UC Irvine California Neuromuscular Colloquium, 2011  
HealthGrades Five-Star Doctor, Dallas Morning News, 2011  
International Association of Healthcare Professionals, Top Neurologist in Buffalo, 2012  
US News and World Report Top Doctor, 2012  
Buffalo Spree magazine America's Top Doctor 2013, 2015, 2016, 2017, 2018, 2019, 2020  
Patricia A. Smith Distinguished Chair in Neuromuscular Disease Research given in honor of Dr. Wolfe, Announced in CenterTimes, UT Southwestern newsletter, pg 1, December 2012  
Featured Guest Speaker, Annual University of Toronto Neuromuscular Day, 2013  
Inaugural Keynote Address, First Annual MDA Muscle Summit, Hershey, PA, 2013  
The Leading Physicians of the World, 2013, 2015, 2016  
Distinguished Lecturer, 4<sup>th</sup> Annual Myasthenia Gravis Patient Education Conference, Houston

Methodist Neurological Institute, 2013  
Keynote Speaker, Second Annual Wright State University and Premier Health Neuroscience Institute Symposium, Wright State University Boonshoft School of Medicine, Dayton, OH, 2013  
Teacher of the Year Award, Univ at Buffalo/SUNY Adult Neurology Residents, 2014  
Doctor of the Year Award, Myasthenia Gravis Foundation of America, 2015  
Annual Warren Wisner Lecture in Myasthenia Gravis, Dept. of Neurology, Univ. of Alberta, 2016  
CTSA Clinical Research Achievement Award Top Awardee, Univ. at Buffalo/SUNY, 2016  
New England Journal of Medicine Journal Watch, Neurology Top Stories of 2016 (MGTX Trial)  
Clinical Research Forum, Semi-Finalist for Top-Ten Award, 2017  
University at Buffalo Distinguished Professor, 2017  
Chancellor's Award for Excellence in Scholarship and Creative Activities, State University of New York, 2018  
D'Youville College School of Pharmacy Excellence in Teaching Pharmacy Students award, 2018  
Carrell-Krusen 42<sup>nd</sup> Annual Neuromuscular Symposium Keynote Speaker Award, 2020.  
Reiner Lecture, Plenary of Annual Meeting of American Association of Neuromuscular and Electrodiagnostic Medicine, 2020.  
CTSI Clinical Research Achievement Award Finalist, Univ. at Buffalo/SUNY, 2020.  
Certificate of Recognition for Distinguished Service, State of NY Executive Chamber, Gov. Andrew Cuomo, 2020  
Castle Connolly Regional Top Doctor, 2021  
Top Doctors, Neurologist, 2021

## Teaching and Clinical Responsibilities

### National/International

Member, MDA Clinical Conference Planning Committee, Chicago, IL, March 16-19, 2014  
Co-Chair, Muscle Study Group Annual Scientific Meeting, Novel Molecular Mechanisms of Neuromuscular Disease: Implications for Therapy, Lady Margaret Hall, Oxford, UK, September 16-18, 2013  
Co-Organizer, 12<sup>th</sup> International Conference on Myasthenia Gravis and Related Disorders, New York, NY, May 21-23, 2012  
Co-Director, Carrell Krusen Neuromuscular Symposium, 2006-2011  
Director, Neuromuscular Junction Disorders Course, American Academy of Neurology, 2006-2009  
Secretary/Chair, Neuromuscular Update Course, AANEM, 2006-2010  
Program Committee, International Congress of Neuromuscular Diseases, 2016 (Toronto), 2018 (Vienna), 2020 (Valencia), 2022 (Brussels)  
Course Director, Development of New Neuromuscular Therapies program, AANEM, 2017  
Program Committee, 13<sup>th</sup> International Conference on Myasthenia Gravis and Related Disorders, New York, 2017  
Course Director, Core Concepts in Pain Management, Virtual Annual Meeting, American Academy of Neurology, 2021

### Local through Dec. 2011

Neurology ward and consult service, Parkland Memorial Hospital, 1-2 months each year.  
Neurology ward and consult service, UT Southwestern University Hospital, 1-2 months each year.  
Neurology residents clinic, Parkland Memorial Hospital, throughout the year.  
Neuromuscular clinic attending throughout the year.  
Electromyography laboratory attending, UT Southwestern and Children's Medical Center, throughout year.  
Autonomic laboratory director, 1994-2006  
Intraoperative monitoring, UT Southwestern University Hospitals, throughout year.  
Lectures for medical students on sensory receptors, neurologic examination, neuromuscular disorders.  
Lectures for residents and fellows on clinical neurology, neuromuscular disorders, autonomic disorders, electrophysiology, muscle and nerve biopsy.

### Local, current

Clinicopathological Conference, Buffalo General Medical Center, monthly  
 Neuromuscular Medicine conference, weekly  
 Morning Report, Buffalo General Medical Center, bimonthly  
 General Neurology Inpatient Service, Buffalo General Medical Center, 2-6 weeks each year.  
 Neuromuscular clinic and electromyography clinic, Buffalo General Medical Center, weekly  
 Intraoperative monitoring, Buffalo General Medical Center, daily  
 Lectures for residents and fellows on clinical neurology, neuromuscular disorders, autonomic disorders,  
 electrophysiology, muscle and nerve biopsy  
 CME Course Director, Neurology Update for the Primary Care Professional, March 2015

<b>Medical School Courses</b>	<b>Topic/etc.</b>	<b>Location/years</b>
Neuroanatomy and Neurophysiology	Sensory receptors	UT Southwestern, 1994-2011
Neurology Clerkship	Neuromuscular disorders	UT Southwestern, 1994-2011
Neurology Clerkship (NEU 801)	Neuromuscular disorders	Univ at Buffalo, 2012-present
<b>Resident and Fellowship Courses</b>	<b>Topic/etc.</b>	<b>Location/years</b>
Neurophysiology Lecture Series	Neuromuscular and autonomic disorders; electromyography; quantitative sensory testing; muscle/nerve biopsy	UT Southwestern, 1994-2011
Neurophysiology Lecture Series	Neuromuscular and autonomic disorders; electromyography; quantitative sensory testing; muscle/nerve biopsy	Univ at Buffalo, 2012-present
Resident Didactic Lecture Series	Neuromuscular disorders	UT Southwestern, 1994-2011
Resident Didactic Lecture Series	Neuromuscular disorders	Univ at Buffalo, 2012-present
<b>Clinical Teaching</b>	<b>Topic/etc.</b>	<b>Location/years</b>
Neurology inpatient and consult services	6-12 weeks/year supervising medical students to housestaff	UT Southwestern, 1994-2011
General neurology inpatient service	2-6 weeks/year supervising medical students to housestaff	Univ at Buffalo, 2012-present
Morning Report/Professor Rounds/CPC	2x/month; case reviews	Univ at Buffalo, 2015-present
<b>Clinical/Research Mentees (selected from &gt;200; I served as program director or chairman)</b>	<b>Year/training program</b>	<b>Faculty positions, etc.</b>
Sharon Nations, MD	1995/UT Southwestern neurophysiology fellow	Professor of Neurology, UT Southwestern
Waleed El-Feky, MD	1998/UT Southwestern chief neurology resident & neurophysiology fellow	Texas Neurology, Baylor University Medical Center
Choon Cha, MD	1998/UT Southwestern neurophysiology fellow	Instructor of Neurology, UT Southwestern; Senior Director for neurodegenerative diseases, EMD Serono
David Saperstein, MD	1998/UT Southwestern neurophysiology fellow	Assistant Professor of Neurology, Univ of Kansas; Banner Health, Univ Medical Center Phoenix
Anwarul Haq, MD	1998/UT Southwestern neurology resident & neurophysiology fellow	Baylor Scott and White Health
Jaya Trivedi, MD	2000/UT Southwestern neuromuscular fellow	Professor of Neurology, UT Southwestern

Zahid Cheema, MD	2002/UT Southwestern neuromuscular & neurophysiology fellow	Assistant Professor of Neurology, Univ of Oklahoma; SSM Health
Pravin Khemani, MD	2003/UT Southwestern resident	Dept of Neurology, Univ. of Washington
Mounzer Kassab, MD	2003/UT Southwestern resident & neurophysiology fellow	Vice Chair of Neurology, Michigan State University
Mike Singer, MD, PhD	2005/UT Southwestern neuromuscular fellow	Assistant Professor of Neurology, UT Southwestern; FDA
Srikanth, Muppidi, MD	2009/UT Southwestern neuromuscular fellow	Associate Professor of Neurology, Stanford
Hamid Sadeghian, MD	2010/UT Southwestern neuromuscular fellow	Assistant Professor of Neurology, Virginia Commonwealth University; UHN Toronto
Cristian Ionita, MD	2010/UT Southwestern neuromuscular fellow	Associate Professor of Pediatrics/Neurology, Yale
Diana Castro, MD	2012/UT Southwestern neuromuscular fellow	Associate Professor of Pediatrics/Neurology, UT Southwestern
Lauren Phillips, MD	2012/UT Southwestern resident	Associate Professor of Neurology, UT Southwestern
Osman Farooq, MD	2012/Univ at Buffalo neurophysiology fellow	Associate Professor of Child Neurology, section chief, Univ at Buffalo
Tareq Kass-Hout, MD	2012/Univ at Buffalo neurology resident	Assistant Professor of Neurology, Univ of Chicago
Omar Kass-Hout, MD	2012/Univ at Buffalo neurology resident	Adjunct Associate Professor of Neurology, UNC-Chapel Hill
Ping Li, MD, MSc	2013/Univ at Buffalo neurophysiology fellow	Associate Professor of Neurology, Neurophysiology/epilepsy fellowship program director, Univ at Buffalo
Rajesh Gupta, MD	2014/Univ at Buffalo neurology resident	Assistant Professor of Neurology, UT Houston
Mohammad Waqas Masud, MD	2015/Univ at Buffalo neurology resident	Assistant Professor of Neurology, Univ of Tennessee-Knoxville
Deeya Gaindh, MD	2015/Univ at Buffalo neurology resident	Assistant Professor, Rutgers University
Cynthia Beatty, MD	2015/Univ at Buffalo child neurology resident	Assistant Professor of Child Neurology, Univ at Buffalo
Pooja Sofat, MD	2016/Univ at Buffalo chief resident & neurophysiology fellow	Assistant Professor of Neurology, Univ at Buffalo
Haris Kamal, MD	2016/Univ at Buffalo neurology chief resident	Assistant Professor of Neurology, UT Houston
Arangzeb Memon, MBBS	2016/Univ at Buffalo neurology chief resident	Assistant Professor of Neurology, Emory University
Mahmoud Abdelrazek, MD	2016/Univ at Buffalo neurology resident	Instructor of Neurology, Harvard
Svetlana Primma Eckert, MD	2018/Univ at Buffalo chief neurology resident	Assistant Professor of Neurology, Univ at Buffalo
Daniela Zambrano, MD	2018/Univ at Buffalo neurology chief resident	Assistant Professor of Neurology, Univ of Vermont
Ashley Alex, MD	2020/Univ at Buffalo chief neurology resident	Assistant Professor of Neurology, Univ at Buffalo
Daniel Sirica, Jr., MD	2020/Univ at Buffalo chief neurology resident	Assistant Professor of Neurology, Univ at Buffalo
Evelyn Berman, MD, MSc	2020/Univ at Buffalo resident & epilepsy fellow	Assistant Professor of Neurology & Pediatrics, Univ of Rochester

**Professional Societies**

American Academy of Neurology	1991 to present
AANEM	1993 to present
Alpha Omega Alpha Honor Medical Society	1988 to present
American Autonomic Society	1998 to 2005
Peripheral Nerve Society	2000 to 2010
Texas Neurological Society	2003 to 2011
American Neurological Association	2004 to present
American Society of Pain Educators	2005 to present
New York State Neurological Society	2012 to present

**Professional Boards**

The Neuropathy Association, center director	1996 to 2011
Idiopathic Neuropathies Work Group	1998 to 1999
Myasthenia Gravis Foundation of America	
Medical/Scientific Advisory Board	2001 to present
Scientific Program Chair	2005 to 2007
Assistant Secretary/Secretary of M/SAB	2005 to 2009
Vice Chair of M/SAB	2009 to 2011
Chair of M/SAB	2011 to 2013
Immediate Past Chair of M/SAB	2013 to 2015
Charcot-Marie-Tooth Association	
Medical Advisory Board	2001 to present
Muscle Study Group, Investigator	2001 to present
AANEM	
Neuromuscular Update Course Task Force	2006 to 2010
Chair of Neuromuscular Update Committee	2007 to 2010
Practice Issues Review Panel	2010 to 2015
Program Committee	2016 to present
Co-Chair of Program Committee	2019 to 2021
American Board of Psychiatry and Neurology	
Neuromuscular Medicine Board Committee	2009 to present
Part II Examiner	2004-2008
Neuropathy Action Foundation	
Medical Advisory Board	2009 to present
American Academy of Neurology	
Neuropathy Measures Workgroup	2011-2012
Government Relations Committee	2015 to 2018
Federal Advocacy Work Group	2015 to 2018
Advocacy Committee	2019 to 2021
Grassroots Advocacy Work Group	2019 to 2021
Western ALS Study Group, Investigator	2012 to present
GBS-CIDP Foundation International	
Global Medical Advisory Board	2012 to 2020
Center of Excellence	2012 to present
Association of University Professors of Neurology	2012 to present
Councilor, Executive Council	2014 to 2017
Member, Nominating Committee	2015 to 2017
Member, Branding Task Force	2019 to 2020
New York State Neurological Society	
Board of Directors	2012 to present
Vice President	2017 to 2018

President	2018 to 2020
Immediate Past President	2020 to present

### Research Review Committees

Neuromuscular Section, American Academy of Neurology, 2000 to present  
 Neuromuscular Section, American Neurological Association, 2006 to present  
 Myasthenia Gravis Foundation of America, 2007 to 2012  
 Department of Defense, 2003  
 Myositis Association 2012, 2014  
 NIH/NINDS Adult Neuromuscular Disease Common Data Elements Subgroup, Member, 2011-2012  
 NIH/NINDS Myasthenia Gravis Common Data Elements Group, Co-Chair, 2012 to present  
 NIH/NINDS NeuroNEXT Recruitment, Retention and Diversity Committee, Member, 2012 to 2020;  
 Co-Chair 2020-present.  
 NIH/NINDS Neuromuscular Disease Common Data Elements Oversight Committee, 2013 to present  
 Safety Monitoring Committee for CY4023 study in myasthenia gravis, Cytokinetics, Inc., 2011-2012  
 Data Safety Monitoring Board for Phase 2 study of rasagaline in ALS, WALs, 2013 to 2017  
 Prinses Beatrix Spierfonds, the Netherlands, 2013  
 Clinical and Translational Science Award Program (NIH) Clinical Research Achievement Award Committee,  
 2016 to present  
 Clinical and Translational Science Award Program (NIH) pilot study reviews, 2017 to present  
 Data Safety Monitoring Board for Phase 2 study of arimoclomol in IBM, 2017 to 2021; Chair 2017 to 2019  
 Data Safety Monitoring Board for Phase 3 study of arimoclomol in ALS, 2018 to 2021, Chair 2018-2019  
 Safety Monitoring Committee for CAR-T Cell study in MG, 2020 to present  
 External Advisory Committee for MGNet, NINDS/NIH-funded rare disease network, 2019 to present

### Editorial Boards

Journal of Clinical Neuromuscular Disease	2001 to 2012
The Gale Encyclopedia of Neurological Disorders	2003 to 2010
Muscle Nerve, Associate Editor	2008 to 2016
RRNMF Neuromuscular Journal, Facilitator	2020 to present

### Ad hoc Reviewing

Neurology, 1996 to present  
 Archives of/ JAMA Neurology, 1997 to present  
 Journal of the Neurological Sciences, 1998 to present  
 Journal of Clinical Neuromuscular Disease, 1999 to present  
 Muscle and Nerve, 1999 to present  
 Journal of Neuroscience Methods, 2001  
 Cochrane Neuromuscular Disease Group, 2002 to present  
 Journal of Neurology, Neurosurgery and Psychiatry, 2005 to present  
 Pain Medicine, 2010  
 Annals of Neurology 2010 to present  
 Annals of the New York Academy of Sciences 2012, 2017  
 Pediatric Neurology 2013  
 Autoimmunity 2015  
 Nature Reviews Neurology 2018  
 Therapeutic Advances in Neurological Disorders 2018  
 Annals of Clinical and Translational Neurology 2019  
 Lancet Neurology 2019 to present  
 New England Journal of Medicine 2020

### Research Experience

Principal Investigator: Phase 3 randomized, double-blind, parallel-group study comparing SAR442168 to

placebo in generalized myasthenia gravis. Funded by Sanofi. Status: commencing.

Principal Investigator: Phase 2 randomized, double-blind, placebo-controlled multicenter study of ALXN2050 in generalized myasthenia gravis. Funded by Alexion. Status: commencing.

Principal Investigator: Phase 3 randomized, double blind, placebo-controlled multicenter study to evaluate satralizumab in generalized myasthenia gravis (LUMINESCE). Funded by Roche. Status: commencing.

Principal Investigator: Phase 3 multicenter, randomized, controlled trial to evaluate zilucoplan in generalized myasthenia gravis (RAISE). Funded by Ra Pharma: \$24,321 per subject. Status: in progress.

Principal Investigator: Phase 2A multicenter, randomized, controlled study of RVT-1401 in myasthenia gravis patients. Funded by Immunovant: \$35,170 per subject. Status: in progress.

Principal Investigator: Phase 3 ADAPT Study of ARGX-113 in myasthenia gravis with generalized muscle weakness. Funded by ArgenX: \$9224 per subject. Status: completed 2019.

Principal Investigator: Phase 2 multicenter, randomized, controlled study to evaluate RA101495 in generalized myasthenia gravis. Funded by Ra Pharma: \$32,881 per subject. Status: completed 2019.

Principal Investigator: PROMISE-MG: Prospective multicenter observational cohort study of comparative effectiveness of disease-modifying treatments for myasthenia gravis. Funded by PCORI: \$3600 per subject. Status: in progress.

Co-investigator: Validation of CAP-PRI patient reported outcome in acquired and inherited neuropathies. Unfunded. Status: completed 2018.

Co-investigator: Open-label study of subcutaneous immunoglobulin in myasthenia gravis. Funded by CSL Behring: \$13,779 per subject. Status: completed 2018.

Principal Investigator: Patient Assisted Intervention for Neuropathy: Comparison of Treatment in Real Life Situations (PAIN-CONTRoLS), Funded by PCORI: \$2485 per subject. Status: completed 2017.

Co-investigator: Refinement of the MG-QOL15 quality-of-life survey for myasthenia gravis. Unfunded. Status: completed 2016.

Principal Investigator: Phase II trial of rituximab in myasthenia gravis, Funded by NeuroNEXT/NINDS: \$32,280 per subject (BEAT-MG). Status: completed 2019.

Principal Investigator: Safety and efficacy of eculizumab in subjects with refractory generalized myasthenia gravis (REGAIN), Funded by Alexion: \$27,520 per subject. Status: completed 2017.

Co-Investigator: Efficacy of Prednisone in the Treatment of Ocular Myasthenia (EPITOME). Funded by FDA: \$87,724. Status: completed 2016.

Co-Investigator: International GBS Outcome Study (IGOS). Funded by Prinses Beatrix Spierfonds: \$1008 per subject. Status: completed 2017.

Principal Investigator: Multicenter prospective PLS natural history study. Funded by SPF: \$1416 per subject. Status: in progress.

Principal Investigator: Genome-wide association study in myasthenia gravis. Funded by MGFA: \$167 per subject. Status: completed 2015.

Principal Investigator: Double-blind, placebo-controlled study of eculizumab in patients with generalized myasthenia gravis. Funded by Alexion: \$22,398 per subject Status: completed 2013.

Co-Investigator: Prospective comparison of myasthenia gravis outcome measures. Unfunded. Status: completed 2016.

Co-Investigator: Controlled, double-blinded prospective study on the role of decompression of lower extremity nerves for symptomatic diabetic neuropathy. Funded locally by UT Southwestern: \$1450 per subject. Status: completed 2016.

Principal Investigator: Phase Ib, randomized, double-blind, placebo-controlled study to evaluate safety of MEDI-545 in adult patients with dermatomyositis and polymyositis. Funded by MedImmune. Status: completed 2009.

Principal Investigator: A pilot study of etanercept in dermatomyositis. Funded by NINDS: \$5800 per subject. Status: completed 2011.

Principal Investigator: Multiple ascending dose, safety study of MYO-029 in adult muscular dystrophy. Funded by Wyeth. Status: completed 2008.

Principal Investigator: Two prospective trials of mycophenolate mofetil in myasthenia gravis. Funded by FDA, Roche, Aspreva: \$22,555 per subject. Status: completed 2008.

Principal Investigator: Prospective trial of Avonex in chronic inflammatory demyelinating polyradiculopathy. Funded by Biogen. Status: completed 2010.

Co-Investigator: Prospective trial of IGIV-Chromatography in chronic inflammatory demyelinating polyneuropathy. Funded by Bayer. Status: completed 2001.

Principal Investigator: Thymectomy Trial in Non-thymomatous MG Patients on Prednisone. Funded by NINDS, MDA, MGFA. Status: completed 2016.

Principal Investigator: Hyperhomocysteinemia and N5, N10-methylene tetrahydrofolate reductase deficiency in chronic cryptogenic sensory polyneuropathy. Unfunded. Status: completed 2008.

Principal Investigator: Magnetic stimulation in diabetic peripheral neuropathy. Status: completed 2001.

Co-Investigator: Sudomotor function in tuberous sclerosis complex. Unfunded. Status: completed 1999.

Principal Investigator: Two center study of cryptogenic sensory polyneuropathy, clinical features and course. Unfunded. Status: completed 1998.

Co-Investigator: Multicenter trial of intravenous gammaglobulin in myasthenia gravis. Funded by MDA and FDA. Status: terminated 1998.

Principal Investigator: Antiganglioside antibody panels in idiopathic polyneuropathy and motor neuron disease. Unfunded. Status: completed 1997.

Summer research fellow: Investigated disorders of language and higher cortical function with Elliott D. Ross, M.D., completed 1986.

Princeton University, Department of Biology: Junior and senior-year independent research under the direction of Don Ready, Ph.D. Studied plasticity in the visual and somatosensory cortex, 1983-85.

**Grant Support** (pharma/industry not included)

Texas State International Research Grant: BSRG 2-S07-RR05426-25  
University of Texas Southwestern Medical School, summer 1986.

Muscular Dystrophy Association Neuromuscular Disease Research Grant. Study of Intravenous Immunoglobulin in Myasthenia Gravis (Co-Investigator, prepared grant), 7/1/96-6/30/99, \$42,525.

FDA, Department of Health and Human Services: FD-R-001362-01-1, Study of Intravenous Immunoglobulin in Myasthenia Gravis (Co-Investigator, prepared grant), 1/1/97-12/31/99, \$739,150.

Muscular Dystrophy Association Neuromuscular Disease Research Grant. Study of Intravenous Immunoglobulin in Myasthenia Gravis (Co-Investigator, prepared grant), 1/1/98-12/31/99, \$100,000.

Myasthenia Gravis Foundation of America, Thymectomy Trial in Non-thymomatous Myasthenia Gravis (Principal Investigator), 6/01, \$16,000

Muscular Dystrophy Association Neuromuscular Disease Research Grant. Thymectomy Trial in Non-thymomatous Myasthenia Gravis (Study Vice Chair, Principal Investigator), 7/1/01-6/30/04, \$139,872.

NIH/NINDS: U01 NS042685, Thymectomy Trial in Non-thymomatous MG Patients on Prednisone, (Study Vice Chair through 2007, assumed Study Clinical Chair in 2008, PI G. Cutter), 9/1/05-8/31/10, \$6,588,269. 2U01 NS042685, renewal of funding 9/30/10-7/31/11, \$995,762. Additional funding contingent on recruitment through 7/31/15.

Myasthenia Gravis Foundation of America, Genome-wide association study in myasthenia gravis (Principal Investigator). 7/29/09-6/30/11, Per patient reimbursement \$167.

NIH/NINDS: 3U01 NS042685, ARRA Supplement. Thymectomy Trial in Non-thymomatous MG Patients on Prednisone (Site Principal Investigator), 9/1/09-2/28/11, \$35,663.

NIH/NINDS: R13 NS077665, Support for 12th International Conference on Myasthenia Gravis and Related Disorders (Co-Principal Investigator). New York City, May 21-23, 2012, \$28,000.

NIH/NINDS: 1U10 NS077323, Network of Excellence in Neuroscience Clinical Trial: NeuroNEXT (Principal Investigator-UT Southwestern). 9/30/11-8/31/18, \$635,000 for first two years.

NIH/NINDS: U10 NS077378-02, Network of Excellence in Neuroscience Clinical Trial: NeuroNEXT (Site Principal Investigator-SUNY Buffalo, PI S. Levine), 9/30/11-8/31/18, \$50,000 per year.

FDA: R01FD003710, The Effectiveness of Prednisone for the Treatment of Ocular Myasthenia (EPITOME) (Site Principal Investigator, PI M. Benatar), 8/30/12-7/31/13, Per patient reimbursement \$6500.

Myasthenia Gravis Foundation of America, Consensus Conference for International MG Treatment Guidelines (Co-Principal Investigator), 3/1/14, \$25,000.

PCORI: 1306-02496, Patient Assisted Intervention for Neuropathy: Comparison of Treatment in Real Life Situations-PAIN CONTRoLS (Site Principal Investigator, PI R. Barohn). 10/1/15-9/30/18, Per patient reimbursement \$2485.

PCORI: 1609-35953, PROMISE-MG: Prospective multicenter observational cohort study of comparative effectiveness of disease-modifying treatments for myasthenia gravis (Site Principal Investigator, PI D. Sanders). 1/1/18-12/31/19, Per patient reimbursement \$3600.

NIH/NINDS: 1U24NS107192-01, Network of Excellence in Neuroscience Clinical Trial: NeuroNEXT State University of New York, SUNY; (Site PI-Univ. at Buffalo; PI S. Levine), 7/1/18-6/30/23, \$50,000 per year.

### **Invited Lectures and Presentations**

- 1) Gap Junctions and Charcot-Marie-Tooth Disease: What's the Connexin?  
University of Texas Southwestern Medical School, 11/17/93.  
University of Missouri-Columbia School of Medicine, 12/13/93.
- 2) Update on Myasthenia Gravis.  
Texas Tech University Health Sciences Center, HealthNet program, 9/22/94.
- 3) Ocular Myasthenia.  
Dallas-Fort Worth chapter of the Myasthenia Gravis Foundation, 2/5/95, 4/19/98.
- 4) Muscle Disease.  
Methodist Medical Center continuing education program, Dallas, TX, 2/22/95.
- 5) Hereditary Neuropathy with Liability to Pressure Palsies.  
After Dinner Seminar: Unusual Diagnostic and Management Problems in Neuromuscular Disease, American Academy of Neurology Annual Meeting, 5/12/95.
- 6) Diseases of Skeletal Muscle.  
St. Paul Medical Center, Dallas, TX, 5/19/95.
- 7) Management of Myasthenic Crisis.  
Northwest Texas chapter of the Myasthenia Gravis Foundation, Hale Center, TX, 9/29/95.
- 8) Muscle Disease.  
St. Paul Family Practice Center, St. Paul Medical Center, Dallas, TX, 10/13/95.
- 9) Reversible Causes of Neuromuscular Weakness.  
Update in Neurology for Primary Care Physicians, Zale Lipshy University Hospital, Dallas, TX, 12/2/95.
- 10) Antibody Panels in Polyneuropathy and Motor Neuron Disease.  
18th Annual Carrell-Krusen Symposium, Texas Scottish Rite Hospital for Children, Dallas, TX, 2/23/96.  
Faculty Research Conference, University of Texas Southwestern Medical School, Dallas, TX, 3/13/96.
- 11) Introduction to Nerve Conduction Studies and Electromyography.  
Pain Management Lecture Series, Department of Anesthesiology and Pain Management, University of Texas Southwestern Medical School, Dallas, TX, 11/2/96.  
Geriatrics Grand Rounds, University of Texas Southwestern Medical School, Dallas, TX, 10/28/98.
- 12) Intravenous Gammaglobulin in Generalized Myasthenia Gravis.  
Dallas-Fort Worth chapter of the Myasthenia Gravis Foundation, 2/2/97.
- 13) Ataxic Sensory Neuropathy Associated with Sjögren's Syndrome.  
19th Annual Carrell-Krusen Symposium, Texas Scottish Rite Hospital for Children, Dallas, TX, 2/27/97.
- 14) Chloroquine-induced Myopathy and Neuropathy.  
Dinner Seminar: Unusual Diagnostic and Management Problems in Neuromuscular Disease

- American Academy of Neurology Annual Meeting, Boston, MA, 4/12/97.
- 15) Antibody Panels in Idiopathic Polyneuropathies and Motor Neuron Disease.  
Neuroscience Conference, Columbia Hospital at Medical City, Dallas, TX, 5/2/97.
  - 16) Diabetic Peripheral Neuropathy: Diagnosis and Management.  
Diabetes: The 1997 Approach, University of North Texas Health Science Center, Fort Worth, TX, 11/9/97.
  - 17) Granulomatous Myositis in Association with Ovarian Carcinoma.  
20th Annual Carrell-Krusen Symposium, Texas Scottish Rite Hospital for Children, Dallas, TX, 2/27/98.
  - 18) Chronic Cryptogenic Sensory and Sensorimotor Polyneuropathies: Concrete or Cryptic?  
Faculty Research Conference, University of Texas Southwestern Medical School, Dallas, TX, 3/11/98.
  - 19) Muscle Cramps and Calf Hypertrophy in Charcot-Marie-Tooth Disease Type 1A.  
After-Dinner Seminar: Unusual Diagnostic and Management Problems in Neuromuscular Disease, American Academy of Neurology Annual Meeting, Minneapolis, MN, 5/1/98.
  - 20) Peripheral Neuropathies: Diagnosis and Management.  
Geriatrics Grand Rounds, University of Texas Southwestern Medical School, Dallas, TX, 5/6/98.  
Physical Medicine and Rehabilitation Grand Rounds, University of Texas Southwestern Medical School, Dallas, TX, 6/19/98.
  - 21) Neuromuscular Emergencies.  
McClellan County Medical Education and Research Foundation, Hillcrest Baptist Medical Center, Waco, TX, 9/8/98.
  - 22) Clinical Applications of Quantitative Sensory Testing.  
American Association of Electrodiagnostic Medicine, 45th Annual Scientific Meeting, Orlando, FL, 10/15/98.
  - 23) Oculopharyngeal Muscular Dystrophy: Case Presentation and Clinical Update.  
21st Annual Carrell-Krusen Symposium, Texas Scottish Rite Hospital for Children, Dallas, TX, 2/25/99.
  - 24) Autoantibody Testing in Neuromuscular Disease: Peripheral Neuropathies.  
Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting, Toronto, Canada, 4/18/99.
  - 25) Perineurial Hyperplasia in Progressive Polyneuropathy with Multiple Cranial Neuropathies.  
After-Dinner Seminar: Unusual Diagnostic and Management Problems in Neuromuscular Disease, American Academy of Neurology Annual Meeting, Toronto, Canada, 4/19/99.
  - 26) Peripheral Neuropathy Course: Chronic Cryptogenic Sensory Polyneuropathy.  
Course syllabus prepared. American Academy of Neurology Annual Meeting, Toronto, Canada, 4/23/99.
  - 27) Genetic Update for Charcot-Marie-Tooth Disease.  
Charcot-Marie-Tooth Association Regional Conference, Texas Scottish Rite Hospital for Children, Dallas, TX, 5/15/99.
  - 28) Chronic Cryptogenic Sensory Polyneuropathy (CSPN).  
Neuroscience Conference, Medical City Dallas Hospital, Dallas, TX, 5/28/99.
  - 29) Reversible Causes of Neuromuscular Weakness.  
Physical Medicine and Rehabilitation Grand Rounds, University of Texas Southwestern Medical School, Dallas, TX, 8/27/99.

- 30) EMG and Nerve Conduction Studies: Appropriate Use and Interpretation.  
Internal Medicine Visiting Professor Series, St. Paul Medical Center, Dallas, TX, 9/15/99.
- 31) Autoantibody Testing in Peripheral Neuropathy.  
Department of Neurology, Emory University School of Medicine, Atlanta, GA, 2/11/00.
- 32) Clinical and Neurophysiologic Features of Adrenomyeloneuropathy.  
22<sup>nd</sup> Annual Carrell-Krusen Symposium, Texas Scottish Rite Hospital for Children, Dallas, TX, 2/24/00.
- 33) Peripheral Neuropathy Course: The Use of Autoantibody Testing in the Approach to Peripheral Neuropathy. Course syllabus prepared. American Academy of Neurology Annual Meeting, San Diego, CA, 5/5/00.
- 34) Autoantibody Testing in Peripheral Neuropathies and Inflammatory Myopathies.  
Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting, San Diego, CA, 5/6/00.
- 35) The Treatment of Neuropathic Pain.  
Neuropathy Association's National Neuropathy Get Together, Branson, MO, 6/15/00.
- 36) Cryptogenic Sensory Polyneuropathies.  
General Internal Medicine Conference, University of Texas Southwestern Medical School, Dallas, TX, 6/20/00.
- 37) Management of Neuropathic Pain in the Year 2000.  
Department of Neurology Grand Rounds, University of Texas Southwestern Medical School, Dallas, TX, 9/27/00.
- 38) Diabetic Neuropathies and New Treatments.  
Diabetes Conference: A Look Forward, Harris Methodist Hospital System, Arlington, TX, 11/4/00.
- 39) Myofibrillar Myopathy Presenting as 3<sup>rd</sup> Degree AV Block.  
23<sup>rd</sup> Annual Carrell-Krusen Symposium, Texas Scottish Rite Hospital for Children, Dallas, TX, 2/22/01.
- 40) Peripheral Neuropathies.  
The Neurologist On Call radio talk show. Host: Dr. Quentin Mark Adams, Phoenix, AZ, 3/27/01.
- 41) Peripheral Neuropathies Associated with Idiopathic Thrombocytopenic Purpura.  
After-Dinner Seminar: Unusual Diagnostic and Management Problems in Neuromuscular Disease, American Academy of Neurology Annual Meeting, Philadelphia, PA, 5/11/01.
- 42) Peripheral Neuropathies.  
Continuing Education Program. Hillcrest Baptist Medical Center, Waco, TX, 6/12/01.
- 43) Pharmaceutical Treatment of Neuropathic Pain.  
Course syllabus prepared. Current Therapy of Peripheral Neuropathy, presented by Columbia University and the Neuropathy Association, Rome, Italy, 8/19/01.
- 44) Myasthenia Gravis: Diagnosis and Treatment.  
Dallas Internist Club, Dallas, TX, 11/1/01.
- 45) Pharmacologic Treatment of Neuropathic Pain.  
Texas Podiatric Medical Association Winter Conference, Dallas, TX, 1/10/02.

- 46) The Role of Thymectomy in Myasthenia Gravis.  
Course syllabus prepared. American Academy of Clinical Neurophysiology, 17<sup>th</sup> Annual Meeting, Santa Fe, NM, 2/15/02.
- 47) Electrophysiologic Outcome Measures in a Randomized, Placebo-Controlled Trial of Intravenous Immunoglobulin in Myasthenia Gravis. 24<sup>th</sup> Annual Carrell-Krusen Symposium, Texas Scottish Rite Hospital for Children, Dallas, TX, 2/22/02.
- 48) Neuromuscular Emergencies.  
2<sup>nd</sup> Annual Excellence in Emergency Medicine Course, Cityplace Conference Center, Dallas, TX, 3/15/02.
- 49) Multinational Thymectomy Trial in Non-Thymomatous Myasthenia Gravis.  
10<sup>th</sup> International Conference on Myasthenia Gravis and Related Disorders, Key Biscayne, FL, 6/1/02.  
Department of Neurology Grand Rounds, University of Texas Southwestern Medical School, Dallas, TX, 10/2/02.
- 50) Magnetic Field Therapy for Symptomatic Diabetic Neuropathy: A Randomized, Double-Blind, Placebo-Controlled Trial. 79<sup>th</sup> Annual Meeting, American Congress of Rehabilitation Medicine, Philadelphia, PA, 10/5/02.
- 51) Neuromuscular Junction and Muscle Disorders.  
Course syllabi prepared. 2003 American Academy of Neurology Winter Conference, Las Vegas, NV, 2/16/03.
- 52) Interesting CMT (HMSN) Phenotypes.  
Clinical Genetics Conference, University of Texas Southwestern Medical School, Dallas, TX, 3/20/03.
- 53) Pharmacologic Treatment of Neuropathic Pain.  
Medical Center Conference, Western Galilee Hospital, Naharia, Israel, 3/31/03.
- 54) Treatment of Neuropathic Pain: Recent Advances.  
National Peripheral Neuropathy Conference, Dallas, TX, 5/19/03.
- 55) Treatment of Diabetic Neuropathy.  
Diabetes: What's Hot in 2004, Texas Health Research Institute, Fort Worth, TX, 2/28/04.
- 56) Overview of EMG.  
Dallas Internist Club, Dallas, TX, 3/4/04.
- 57) Treatment of Myasthenia Gravis.  
Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting, San Francisco, CA, 4/25/04.
- 58) Postherpetic Neuralgia: A Model for the Treatment of Neuropathic Pain.  
Course syllabus prepared. Texas Academy of Family Practice Primary Care Update. Austin, TX, 5/13/04.
- 59) IVIG in Neurologic Disorders.  
CME program through University of Kentucky College of Pharmacy and Medicine. Birmingham, AL, 6/8/04.
- 60) New Approaches in the Management of Postherpetic Neuralgia.  
CME program through Johns Hopkins University School of Medicine. Dallas, TX, 9/21/04.
- 61) Treatment Options in Ocular Myasthenia Gravis.  
Presented as part of the Carol F. Zimmerman, MD, Lectureship in Neuro-Ophthalmology. Univ. of Texas

Southwestern Medical School. Dallas, TX, 10/16/04

62) Update in Neuromuscular Disorders.

Course syllabus prepared. 2004 American Academy of Neurology Fall Conference, New York, NY, 11/6/04.

63) Neuropathies Associated with Hepatitis C Infection.

Neuropathies Associated with Systemic Disease. Presented by Weill Medical College of Cornell University and the Neuropathy Association, St. Thomas, U.S. Virgin Islands, 12/30/04.

64) Medical Management of Painful Peripheral Neuropathies.

Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting, Miami, FL 4/10/05.

65) Treatment of Myasthenia Gravis.

Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting, Miami, FL, 4/15/05.

66) Update in Neuromuscular Junction Disorders and Myopathies. Update in Neurology II. Course syllabus prepared.

American Academy of Neurology Annual Meeting, Miami, FL, 4/15/05.

67) Overview of Diabetic Neuropathy and Management of Neuropathic Pain. Preceptorship in Neuropathic Pain,

Pfizer-sponsored educational program, Dallas, TX, 8/31/05.

68) Update on Clinical Trials in Muscular Dystrophy.

MDA program, Texas Scottish Rite Hospital for Children, Dallas, TX, 11/7/05.

69) Pharmacologic Treatment of Neuropathic Pain.

Geriatrics Grand Rounds, UT Southwestern Medical Center, Dallas, TX, 11/16/05.

70) Update in Neuromuscular Disorders.

Course syllabus prepared. 2006 American Academy of Neurology Winter Conference, Las Vegas, NV, 1/15/06.

71) Neurologic Complications of Diabetes: Neuropathies.

7<sup>th</sup> Annual Neurology Update for Primary Care Providers, Dallas, TX, 3/3/06.

72) Treatment of Myasthenia Gravis.

Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting, San Diego, CA, 4/2/06.

73) Neuromuscular Therapy: The Top Ten, Neuromuscular Junction Disorders.

Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting, San Diego, CA, 4/6/06.

74) Medical Management of Painful Peripheral Neuropathies.

Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting, San Diego, CA, 4/7/06.

75) Rational Pharmacological Management of Neuropathic Pain.

Course syllabus prepared. Texas Neurological Society Summer Retreat, Austin, TX, 7/21/06.

76) Treatment Options for the Management of Diabetic Painful Neuropathy and Postherpetic Neuralgia.

Neurology Conference, Park Plaza Hospital and Medical Center, Houston, TX, 8/17/06.

77) Clinical Diagnosis of Myasthenia Gravis.

- Fundacion Miastenia Gravis de Argentina, II International Symposium, Buenos Aires, Argentina, 9/25/06.
- 78) Neuropathic Pain Therapy.  
Dallas Internist Club Lecture Series, Dallas, TX, 10/12/06.
  - 79) Workup of Neuropathy.  
Update in Internal Medicine, UT Southwestern CME Course, Dallas, TX, 11/9/06.
  - 80) Treatment Options for Myasthenia Gravis: UnMuSKing a New Phenotype.  
Univ. of Kansas Medical Center, Dept. of Neurology/Neurosurgery Grand Rounds, Kansas City, KS, 4/6/07.  
Univ. of Texas Southwestern Medical Center, Dept. of Neurology Grand Rounds, Dallas, TX, 9/26/07.
  - 81) Treatment of Myasthenia Gravis.  
Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting, Boston, MA, 5/4/07.
  - 82) Clinical Phenotype of MuSK-Antibody-Positive MG.  
11<sup>th</sup> International Conference on Myasthenia Gravis and Related Disorders, Chicago, IL, 5/14/07.
  - 83) Diabetic Neuropathies: Clinical Features and Treatments.  
Neurology Conferences, Karachi, Lahore, and Islamabad, Pakistan, 6/26, 6/27 & 6/29/07.
  - 84) Treatment Options for Myasthenia Gravis: UnMuSKing a New Phenotype.  
Robert Wood Johnson Medical School, Univ. of Medicine & Dentistry of New Jersey, Dept. of Neurology Grand Rounds, New Brunswick, NJ, 12/5/07.
  - 85) Clinical Approach to Peripheral Neuropathy.  
Medical Staff Conference, Western Galilee Medical Center, Naharia, Israel, 1/2/08.
  - 86) Peripheral Neuropathy Update 2008.  
9<sup>th</sup> Annual Neuroscience Update, Four Seasons Resort, Dallas, TX, 2/15/08.
  - 87) Neurology Update I: Update in Neuromuscular Junction Disorders and Myopathies.  
Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting. Chicago, IL, 4/13/08.
  - 88) Treatment of Myasthenia Gravis.  
Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting. Chicago, IL, 4/14/08.
  - 89) Treatment Options for Myasthenia Gravis: UnMuSKing a New Phenotype.  
Univ. of Alabama School of Medicine, Dept. of Neurology Grand Rounds, Birmingham, AL, 4/29/08.
  - 90) Update in Neuromuscular Junction Disorders and Myopathies.  
Dallas Internist Club Lecture Series, Dallas, TX, 5/8/08.
  - 91) Therapeutic Approaches in Neuromuscular Junction Diseases.  
Course syllabus prepared. New Therapeutics in Neuromuscular Disease, MedLogix Communications Program, Providence, RI, 9/18/08.
  - 92) Oculobulbar Weakness.  
Course syllabus prepared. Neuromuscular Update I. American Association of Neuromuscular and Electrodiagnostic Medicine Annual Meeting, Providence, RI, 9/18/08.

- 93) Update on Thymectomy Trial.  
Myasthenia Gravis Foundation of America Scientific Session, Salt Lake City, UT, 9/20/08.
- 94) Novel Treatments for Myasthenia Gravis.  
Internal Medicine Neurology Update, Research and Education Institute for Texas Health Resources, Presbyterian Hospital, Dallas, TX, 9/24/08.
- 95) Rationale for the Thymectomy Trial in Non-thymomatous Myasthenia Gravis.  
9<sup>th</sup> International Congress of Neuroimmunology, Plenary Session, Fort Worth, TX, 10/29/08.
- 96) Neuropathic Pain Mechanisms and Neuropathy: New Insights.  
Geriatrics Grand Rounds, Univ. of Texas Southwestern Medical School, Dallas, TX, 12/3/08.
- 97) Treatment Update in Myasthenia Gravis and Other Disorders of the Neuromuscular Junction.  
Update in Neuromuscular Diseases 2009, Oregon Health and Science University, Portland, OR, 1/31/09.
- 98) Chronic Inflammatory Demyelinating Polyneuropathy and Treatment with Immune Globulin Intravenous.  
Accredo Health Group Meeting, Fort Worth, TX, 2/25/09.
- 99) Evaluating Outcome Measures in Myasthenia Gravis.  
Distinguished Professor Lecture Series, Dept. of Clinical Sciences, UT Southwestern Medical Center, Dallas, TX, 4/16/09.
- 100) Pharmacologic Therapy for Neuropathic Pain.  
Resident conference, Dept. of Anesthesiology, UT Southwestern Medical Center, Dallas, TX, 4/16/09.
- 101) Treatment of Myasthenia Gravis.  
Course syllabus prepared. Education Program, American Academy of Neurology Annual Meeting. Seattle, WA, 5/1/09.
- 102) Autoimmune Neuromuscular Diseases: A Case-based Didactic Guide.  
CME Program sponsored by DIME, United Regional Health Care System, Wichita Falls, TX, 5/7/09.
- 103) Update on MG Treatments: “UnMuSKing a New Phenotype and the Thymectomy Trial.”  
Japanese Society of Neurology, 50<sup>th</sup> Annual Meeting, Sendai, Japan, 5/20/09.
- 104) Update on Treatments for CIDP: Focus on IVIG.  
GBS/CIDP Support Group Meeting, Dallas, TX, 6/6/09.
- 105) Neuropathy 101 For Patients.  
Neuropathy Action Foundation, 3<sup>rd</sup> Annual Neuropathy Action Awareness Day, Sacramento, CA, 6/25/09.
- 106) Cymbalta for the Management of Fibromyalgia.  
PriMed Access with American College of Physicians, Dallas, TX, 7/11/09.
- 107) Update for Myasthenia Gravis.  
Arizona Neurological Society Summer CME Conference, Sedona, AZ, 8/1/09.
- 108) Taking a Stand on Neuromuscular Disease.  
DIME sponsored CME symposium, San Diego, CA, 10/8/09.
- 109) Hereditary Peripheral Neuropathy: Variability of Presentations.  
Course syllabus prepared. Neuromuscular Update II. American Association of Neuromuscular and Electrodiagnostic Medicine Annual Meeting, San Diego, CA, 10/9/09.

- 110) Commonly Prescribed Prescription Medications for Neuropathic Pain.  
Management of Neuropathic Pain Special Interest Group. American Association of Neuromuscular and Electrodiagnostic Medicine Annual Meeting, San Diego, CA, 10/10/09.
- 111) Update on Neuromuscular Disease: 2009.  
Univ. of Texas Southwestern Medical Center, Dept. of Neurology Grand Rounds, Dallas, TX, 10/21/09.
- 112) MuSK MG: Is it a Different Disease?  
Harris County Neurological Society, Houston, TX, 10/21/09.
- 113) Autoimmune Neuromuscular Diseases: A Case-based Didactic Guide.  
Medical Grand Rounds, UT Health Science Center at Tyler, Tyler, TX, 10/23/09.
- 114) Overview of CMT and Neuropathic Pain.  
CMT Association, Dallas Chapter, Dallas, TX, 10/24/09.
- 115) Neurology Update III: Neuromuscular Disease.  
Course syllabus prepared. 2009 American Academy of Neurology Fall Conference, Las Vegas, NV, 11/8/09.
- 116) Rational Pharmacological Management of Neuropathic Pain.  
Univ. of Kansas Medical Center, Dept. of Neurology/Neurosurgery Grand Rounds, Kansas City, KS, 11/13/09.
- 117) How Neurologists Develop Treatment Plans For Patients with Myasthenia Gravis.  
Myasthenia Gravis Association of Missouri and Kansas 49<sup>th</sup> Annual Meeting, keynote speaker, Kansas City, MO, 11/14/09.
- 118) Peripheral Neuropathy.  
Primary Care Toolbox, John Peter Smith Health Network CME series, Fort Worth, TX, 12/10/09.
- 119) Organization of an MDA Clinical Program.  
Muscular Dystrophy Association regional staff meeting, Dallas, TX, 1/6/10.  
Muscular Dystrophy Association regional staff meeting, Dallas, TX, 7/26/11.
- 120) Management of Neuropathic Pain.  
7<sup>th</sup> Annual Dallas Pain Symposium, Univ. of Texas Southwestern Medical Center, Dallas, TX, 1/16/10.
- 121) Myasthenia Gravis: UnMuSKing a New Phenotype.  
Grand Rounds, Dept. of Neurology, Univ. of Arkansas for Medical Sciences, Little Rock, AK, 1/25/10.
- 122) Neuropathic Pain.  
Current Trends in Family Medicine, CME Program, Univ. of Texas Health Science Center at Tyler, Tyler, TX, 2/6/10.
- 123) Overview of Pompe Disease.  
National Association of Pediatric Nurse Practitioners, Greater Texas Chapter. Dallas, TX, 3/24/10
- 124) Update on Neuromuscular Disease.  
Dept. of Neurology and Psychiatry Grand Rounds, St. Louis University School of Medicine, St. Louis, MO, 5/6/10.
- 125) State-of-the-Art Treatment for Myasthenia Gravis.  
Myasthenia Gravis Foundation of America 2010 National Conference, St. Louis, MO, 5/6/10.

- 126) Autoimmune Neuromuscular Diseases: A Case-based Didactic Guide.  
CME Program sponsored by DIME, Flagstaff Medical Center, Flagstaff, AZ, 5/11/10.
- 127) Immune-mediated Neuropathies: Treatment Concepts, Successes and Failures.  
Univ. of Kansas Medical Center, Dept. of Neurology/Neurosurgery Grand Rounds, Kansas City, KS, 9/3/10.
- 128) Antigens and Antibodies in Myasthenia Gravis.  
Rare Neuroimmunologic Disorders Symposium, UT Southwestern Medical Center, Dallas, TX, 9/24/10.
- 129) Clinical Decision Making in Autoimmune Neuromuscular Disease: Diagnosis, Treatment, and Management.  
DIME sponsored CME symposium, Quebec, Canada, 10/6/10.
- 130) Neuromuscular Vignettes.  
Course syllabus prepared. Neuromuscular Update II. American Association of Neuromuscular and Electrodiagnostic Medicine Annual Meeting, Quebec, Canada, 10/8/10.
- 131) Lessons Learned from the MG Thymectomy Trial.  
Consensus Conference on MG Study Design, Duke University Medical Center, Durham, NC, 11/19/10.
- 132) Chronic Inflammatory Demyelinating Polyneuropathy and Treatment with Immune Globulin Intravenous  
Israeli Neurological Association Annual Meeting, Eilat, Israel, 12/16/10.
- 133) Update on Neuromuscular Disease.  
Texas Neurological Society Winter Conference, Austin, Texas, 2/27/11.
- 134) Primer on Myasthenia Gravis.  
Department of Anesthesiology Morbidity and Mortality Conference, UT Southwestern Medical Center, Dallas, TX, 3/2/11.
- 135) Testing for Peripheral Neuropathies and Disorders of Neuromuscular Transmission.  
Course syllabus prepared. Diagnostic Testing in Neuromuscular Disease. Education Program. American Academy of Neurology Annual Meeting, Honolulu, HI, 4/9/11.
- 136) Myasthenia Gravis Treatment Update  
Muscular Dystrophy Association, Patient Support Group, Abilene, TX, 5/15/11.
- 137) Thymectomy in Immune Myasthenia Gravis  
UC Irvine MDA ALS and Neuromuscular Center Inaugural California Neuromuscular Colloquium, Newport Beach, CA, 5/20/11.
- 138) Limb-Girdle Muscle Weakness: A Window to Pompe Disease  
Department of Neurology conference series, LSU Health Sciences Center, New Orleans, LA, 6/13/11.  
MDA patient support services program, Texas Scottish Rite Hospital, Dallas, TX, 6/29/11.
- 139) Immune-mediated Neuropathies: Treatment Concepts, Successes and Failures.  
Texas Health Presbyterian Hospital Dallas Grand Rounds, Dallas, TX, 9/7/11.
- 140) Charcot-Marie-Tooth Disease: Background and Future Developments  
CMT Association, Dallas Chapter, CMT Awareness Month program, Dallas, TX, 9/10/11.
- 141) NIH Thymectomy Trial Update  
Myasthenia Gravis Foundation of America Scientific Session, San Francisco, CA, 9/14/11.
- 142) Advances in the Treatment of Autoimmune Neuromuscular Disease

- DIME sponsored CME symposium, San Francisco, CA, 9/15/11.
- 143) Navigating Diagnostic Pathways for Muscle Disorders  
CE Health Sciences and Postgraduate Institute of Medicine CME program, San Francisco, CA, 9/16/11.
  - 144) Thymectomy in Immune Myasthenia Gravis: The Rationale for MGTX  
Univ. of California San Diego, Dept. of Neurology Grand Rounds, La Jolla, CA, 11/4/11.
  - 145) Thymectomy Trial in Non-thymomatous Myasthenia Gravis Patients Receiving Prednisone (MGTX)  
Immune Globe International Conference of Nervous System Autoimmunity, Bangalore, India, 1/30/12.
  - 146) Thymectomy in Immune MG: The Rationale for MGTX  
Installation, Irvin and Rosemary Smith Chair in Neurology, Univ. at Buffalo/SUNY SMBS, Buffalo, NY  
2/17/12.
  - 147) UnMuSKing a New MG Phenotype  
Dept. of Neurology Grand Rounds, Univ at Buffalo/SUNY SMBS, Buffalo, NY, 3/29/12.
  - 148) Treatment of Painful Peripheral Neuropathy  
Course syllabus prepared. Peripheral Neuropathy. Education Program. American Academy of Neurology  
Annual Meeting, New Orleans, LA, 4/23/12.
  - 149) Pharmacological Treatment of Neuropathic Pain  
Dept. of Internal Medicine Grand Rounds, Univ at Buffalo/SUNY SMBS, Buffalo, NY, 5/3/12.
  - 150) MGTX and INSIGHTS: A quick Update and Introduction  
New York MDA Clinic Directors' Meeting. University of Rochester Medical Center, Rochester, NY 5/12/12.
  - 151) MGTX: Update on The Thymectomy Trial in Non-thymomatous Myasthenia Gravis  
12<sup>th</sup> International Conference on Myasthenia Gravis and Related Disorders, New York, NY 5/23/12.
  - 152) Evaluation of Peripheral Neuropathies  
Dept. of Internal Medicine Resident Didactic Series, Univ. at Buffalo/SUNY SMBS, Buffalo, NY, 6/19/12.
  - 153) Highlights from 12<sup>th</sup> International Conference on Myasthenia Gravis and Related Disorders  
Myasthenia Gravis Foundation of America Scientific Session, Orlando, FL, 10/3/12.
  - 154) Myasthenia Gravis: UnMuSKing a New Phenotype  
Dept. of Neurology Grand Rounds, Univ of Rochester Medical Center, Rochester, NY, 11/2/12.
  - 155) Peripheral Neuropathies 101: Focus on the Geriatric Population, Part 1 and Part 2  
Community Health Foundation of Western and Central New York Geriatric Clinical Practice Series,  
Buffalo, NY, 12/4/12.
  - 156) Muscle Disease: Focus on Inflammatory Myopathies  
Dept. of Neurology Grand Rounds, Univ at Buffalo/SUNY SMBS, Buffalo, NY, 12/6/12.
  - 157) Myasthenia Gravis Primer: Diagnostic and Treatment Update  
Mercy Hospital of Buffalo CME Series, Catholic Health System, Buffalo, NY, 12/8/12.
  - 158) Immune-Mediated Neuropathies: Treatment Concepts, Successes and Failures  
Beth Israel Dept. of Neurology Grand Rounds, Albert Einstein College of Medicine, New York, NY 12/21/12.
  - 159) Clinician-Based Neuropathy Outcome Measures

- Clinical Development Programs for Disease-Modifying Agents for Peripheral Neuropathy: Public Workshop, Food & Drug Administration, Silver Spring, MD, 2/11/13.
- 160) Myasthenia Gravis: UnMuSKing a New Phenotype  
Annual University of Toronto Neuromuscular Day, Toronto, Ontario, Canada, 2/22/13.
- 161) Status of the Trial for Thymectomy in Nonthymomatous Myasthenia Gravis Patients Receiving Prednisone  
International Workshop on Thymus, Myasthenia Gravis, Thymectomy, Palazzo de Bò, University of Padua, Padua, Italy, 3/15/13.
- 162) Myasthenia Gravis: UnMuSKing a New Phenotype  
Dept. of Neurology Grand Rounds, SUNY-Downstate Medical Center, New York, NY, 4/5/13.  
Dept of Neurology Grand Rounds, Univ. of Tennessee Health Science Center, Memphis, TN, 4/12/13.
- 163) Introduction of My MG Smartphone App  
Myasthenia Gravis Foundation of America National Conference, Miami, FL, 5/10/13.
- 164) Myasthenia Gravis Research Update  
Myasthenia Gravis Foundation of America National Conference, Miami, FL, 5/10/13.
- 165) Myasthenia Gravis: UnMuSKing a New Phenotype  
Dept. of Neurology Grand Rounds, Penn State Hershey Medical Center, Hershey, PA, 8/23/13.
- 166) Myasthenia Gravis Research Update-Keynote Address  
First Annual MDA Muscle Summit, Hershey, PA, 8/24/13.
- 167) Overcoming Hurdles of Developing and Performing Clinical Trials, Panel Moderator  
Muscle Study Group Annual Scientific Meeting, Oxford, UK, 9/17/13.
- 168) Staying Sharp: Ask the Experts  
Dana Alliance for Brain Initiatives, AARP and MetLife Foundation program, Buffalo, NY, 9/28/13.
- 169) Overview of Neuromuscular Disorders  
School of Pharmacy, D'Youville College, Buffalo, NY, 9/30/13.
- 170) Research Update in Myasthenia Gravis  
Fourth Annual Myasthenia Gravis Patient Education Conference, Houston Methodist Neurological Institute, Houston, TX, 10/5/13.
- 171) MGTX—The NIH-Funded Thymectomy Trial in Non-thymomatous Myasthenia Gravis: Why, What, and Where are We? Keynote Address, Second Annual Wright State University and Premier Health Neuroscience Institute Symposium, Wright State University Boonshoft School of Medicine, Dayton, OH, 11/5/13.
- 172) Research Update on Myasthenia Gravis and Status of the MGTX Trial.  
Department of Neurology Conference, Ichilov Hospital, Tel Aviv University Sackler School of Medicine, Tel Aviv, Israel, 12/31/13.
- 173) What's New in Managing Adult Myasthenia Gravis.  
Muscular Dystrophy Association Clinical Conference. Optimizing Care: Improving Lives Through Clinical Excellence, Chicago, IL, 3/18/14.
- 174) Myasthenia Gravis: UnMuSKing a New Phenotype  
Dept. of Neurology Grand Rounds, Rutgers-New Jersey Medical School, Newark, NJ, 3/26/14.

- 175) MGTX—The NIH-Funded Thymectomy Trial in Non-thymomatous Myasthenia Gravis: Why, What, and Where are We? Dept. of Neurology Grand Rounds, Stony Brook University School of Medicine, SUNY, Stony Brook, NY, 3/28/14.
- 176) Treatment of Painful Peripheral Neuropathy  
Course syllabus prepared. Peripheral Neuropathy. Education Program. American Academy of Neurology Annual Meeting, Philadelphia, PA, 5/2/14.
- 177) Case Presentation: Hereditary Neuropathy  
Peripheral Neuropathy. Education Program. American Academy of Neurology Annual Meeting, Philadelphia, PA, 5/2/14.
- 178) Understanding Pain and Neuropathy  
Orchard Park Senior Center, Orchard Park, NY, 5/6/14.  
Canterbury Woods, Williamsville, NY, 5/13/14.  
Clarence Senior Center, Clarence, NY, 10/20/14.  
Amherst Senior Center, Amherst, NY, 11/5/14.
- 179) Pharmacological Therapy for Neuropathic Pain  
Department of Family Medicine Quarterly Grand Rounds, Univ. at Buffalo School of Medicine and Biomedical Sciences, Buffalo, NY, 5/8/14.
- 180) Myasthenia Gravis: UnMuSKing a New Phenotype  
Dept. of Neurology Grand Rounds, LSU Health Sciences Center-Shreveport School of Medicine, Shreveport, LA, 5/16/14.
- 181) Overview of Neuromuscular Disorders  
School of Pharmacy, D'Youville College, Buffalo, NY, 9/15/14.
- 182) What's New in Managing Myasthenia Gravis  
New York State Neurological Society Annual Fall Symposium, New York, NY, 10/18/14.
- 183) Myasthenia Gravis: UnMuSKing a New Phenotype  
Dept. of Neurology Grand Rounds, Albert Einstein College of Medicine, Montefiore Medical Center, New York, NY, 10/23/14.
- 184) What's New in Managing Myasthenia Gravis  
Dept. of Neurology Grand Rounds, Case Western Reserve University School of Medicine, Cleveland, OH, 11/7/14.
- 185) Myasthenia Gravis: UnMuSKing a New Phenotype  
Neuromuscular Grand Rounds, Case Western Reserve University School of Medicine, Cleveland, OH, 11/7/14.
- 185) Myasthenia Gravis: UnMuSKing a New Phenotype  
Dept. of Neurology Grand Rounds, Indiana University School of Medicine, Indianapolis, IN, 12/10/14.
- 186) Immune-Mediated Neuropathies: Treatment Concepts, Successes and Failures  
Dept. of Neurology Grand Rounds, Univ. at Buffalo School of Medicine and Biomedical Sciences, Buffalo, NY, 1/8/15.
- 187) Myasthenia Gravis: UnMuSKing a New Phenotype  
Dept. of Neurology Grand Rounds, Univ. of Pennsylvania Perelman School of Medicine, Philadelphia, PA,

2/25/15.

- 188) Treatment of Neuropathic Pain  
Neurology Update for the Primary Care Professional, CME Course, Dept. of Neurology, Univ. at Buffalo School of Medicine and Biomedical Sciences, Buffalo, NY, 3/14/15.
- 189) Update on CIDP  
GBS/CIDP Foundation International regional meeting, Univ. at Buffalo Center for Tomorrow, Buffalo, NY, 5/13/15.
- 190) What's New in Treatment Strategies for MG in the New Era?  
Japanese Society of Neurology, 56<sup>th</sup> Annual Meeting, Niigata, Japan, 5/20/15.
- 191) Understanding Pain and Neuropathy  
Cheektowaga Senior Center, Cheektowaga, NY, 6/3/15.  
Ken-Ton Presbyterian Village, Kenmore, NY, 6/9/15.
- 192) Myasthenia Gravis: UnMuSKing a New Phenotype  
Mt. Sinai Beth Israel Mirken Dept. of Neurology Grand Rounds, New York, NY, 6/5/15.
- 193) What's New in Treatment Strategies for Myasthenia Gravis?  
Canadian Neurological Sciences Federation 50<sup>th</sup> Congress, Toronto, Ontario, Canada, 6/10/15.
- 194) Management Dilemmas in Neuroimmunological Conditions: Thymectomy in MG  
2<sup>nd</sup> World Congress on NeuroTherapeutics, Prague, Czech Republic, 9/6/15.
- 195) Myasthenia Gravis: UnMuSKing a New Phenotype  
Neuroscience Institute Grand Rounds, Albany Medical Center, Albany Medical College Albany, NY, 10/1/15.
- 196) Myasthenia Gravis: UnMuSKing a New Phenotype  
Dept. of Neurology Grand Rounds, Winthrop University Hospital, Mineola, NY, 10/2/15.
- 197) Myasthenia Gravis: UnMuSKing a Phenotype  
Dept. of Neurology Grand Rounds, NYU School of Medicine, NYU Langone Medical Center, New York, NY, 10/6/15.
- 198) The World Speaks: International Consensus Recommendations for Myasthenia Gravis Management  
Myasthenia Gravis Foundation of America Dinner Seminar, Honolulu, HI, 10/27/15.
- 199) The World Speaks: International Consensus Recommendations for Myasthenia Gravis Management  
Updates in Neuromuscular Transmission Disorders Symposium, American Association of Neuromuscular and Electrodiagnostic Medicine 62<sup>nd</sup> Annual Meeting, Honolulu, HI, 10/28/15.
- 200) Thymectomy in Non-thymomatous Myasthenia Gravis: Clinical Impact of the MGTX Study Results  
MGTX Trial investigator meeting held in memory of the late Alfred Jaretzki and John Newsom-Davis, St. Anne's College, Oxford, UK, 1/8/16.
- 201) The World Speaks: International Consensus Recommendations for Myasthenia Gravis Management  
Dept. of Neurology Grand Rounds, SUNY-Downstate Medical Center, New York, NY, 2/12/16.
- 202) Treatment of Myasthenia Gravis (Teaching Course)  
14<sup>th</sup> International Congress of Neuromuscular Diseases. Toronto, Ontario, Canada, 7/5/16.

- 203) Treatment of Myasthenia Gravis: General Treatment Approaches (Workshop)  
14<sup>th</sup> International Congress of Neuromuscular Diseases. Toronto, Ontario, Canada, 7/6/16.
- 204) Results of Thymectomy Trial in Myasthenia Gravis (Plenary Session/Hot Topics)  
14<sup>th</sup> International Congress of Neuromuscular Diseases. Toronto, Ontario, Canada, 7/7/16.
- 205) The World Speaks: An International Treatment Recommendation for Myasthenia Gravis  
VIII Simposio Internacional de Neurologia, Universidad de los Andes, Santiago, Chile, 7/20/16.
- 206) MGTX: Results of the Multinational Thymectomy Trial in Non-thymomatous Myasthenia Gravis  
VIII Simposio Internacional de Neurologia, Universidad de los Andes, Santiago, Chile, 7/20/16.
- 207) Pharmacological Treatment Update in Neuropathic Pain  
VIII Simposio Internacional de Neurologia, Universidad de los Andes, Santiago, Chile, 7/20/16.
- 208) MGTX: Results of the Multinational Thymectomy Trial in Non-thymomatous Myasthenia Gravis  
Annual Warren Wismer Lecture in Myasthenia Gravis, Dept. of Neurology, University of Alberta Faculty of Medicine and Dentistry, Edmonton, Canada, 9/23/16.
- 209) What's New in the Management of Myasthenia Gravis  
Plenary Address, 7<sup>th</sup> Annual Myasthenia Gravis Patient Education Day, Edmonton, Canada, 9/24/16.
- 210) MGTX: Results from the Thymectomy Trial in Non-thymomatous Myasthenia Gravis  
Muscle Study Group Annual Meeting, Snowbird, Utah, 9/26/16.
- 211) MGTX: Results from the Thymectomy Trial in Non-thymomatous Myasthenia Gravis  
Dept. of Neurology Grand Rounds, New York-Presbyterian/Weill Cornell Medical Center, New York, NY, 11/9/16.
- 212) Myasthenia Gravis: Antibody Revolution to Treatment Evolution  
New York State Neurological Society Fall Conference, New York, NY, 11/12/16.
- 213) The World Speaks: An International Treatment Recommendation for Myasthenia Gravis  
Meir Medical Center, Kfar Saba, Israel, 1/12/17.
- 214) The World Speaks: An International Treatment Recommendation for Myasthenia Gravis  
Dept. of Neurology Grand Rounds, Univ. at Buffalo Jacobs School of Medicine and Biomedical Sciences, Buffalo, NY, 1/19/17.
- 215) Thymectomy in Non-Thymomatous Myasthenia Gravis: Results from MGTX, a Randomized, Controlled Trial  
Dept. of Neurology & Neurosciences Grand Rounds, Stanford University Medical Center, Palo Alto, CA, 1/27/17.
- 216) Thymectomy in Non-Thymomatous Myasthenia Gravis: Results from MGTX, a Randomized, Controlled Trial  
Dept. of Neurology Grand Rounds, Univ. of California Irvine School of Medicine, Orange, CA, 2/17/17.
- 217) Results from the Thymectomy Trial  
Myasthenia Gravis Foundation of America National Conference, New Orleans, LA, 3/27/17.
- 218) Randomized Trial of Thymectomy in Myasthenia Gravis  
Univ. at Buffalo Clinical and Translational Science Institute Annual Forum, Buffalo, NY, 3/28/17.
- 219) MGTX: Results of the Multinational Thymectomy Trial in Non-thymomatous Myasthenia Gravis  
American Academy of Neurology Annual Meeting, Clinical Trials Plenary Session, Boston, MA, 4/25/17.

- 220) MGTX Primary and Secondary Outcomes  
13<sup>th</sup> International Conference on Myasthenia Gravis and Related Disorders, New York, NY, 5/16/17.
- 221) Comparing and Contrasting Treatment Strategies around the World  
13<sup>th</sup> International Conference on Myasthenia Gravis and Related Disorders, New York, NY, 5/16/17.
- 222) Myasthenia Gravis: Advances in Therapy  
4<sup>th</sup> Ottawa International Conference on Neuromuscular Disease and Biology, Ottawa, Canada, 9/8/17.
- 223) An International Consensus Guidance Statement for the Management of Myasthenia Gravis (replaced D. Sanders)  
4<sup>th</sup> Ottawa International Conference on Neuromuscular Disease and Biology, Ottawa, Canada, 9/8/17.
- 224) New Neuromuscular Therapies: Snapshot of Immunotherapeutic Developments  
2017 American Association of Neuromuscular and Electrodiagnostic Medicine Annual Meeting, Phoenix, AZ, 9/14/17.
- 225) Thymectomy in Non-Thymomatous Myasthenia Gravis: Results from MGTX, a Randomized, Controlled Trial  
Dept. of Neurology Grand Rounds, Jacobs School of Medicine and Biomedical Sciences, Univ. at Buffalo/SUNY, Buffalo, NY, 10/19/17.
- 226) Treatment Approach in Painful Peripheral Neuropathy  
3<sup>rd</sup> Annual UT Southwestern Neurotherapeutics Update, Dept. of Neurology, Univ. of Texas Southwestern Medical Center, Dallas, TX, 10/28/17.
- 227) Management of Myasthenic Crisis  
54<sup>th</sup> Congreso Argentino de Neurologia, Mar del Plata, Buenos Aires, Argentina, 11/28/17.
- 228) Update in the Treatment of Myasthenia Gravis  
54<sup>th</sup> Congreso Argentino de Neurologia, Mar del Plata, Buenos Aires, Argentina, 11/29/17.
- 229) Treatment of Myasthenia Gravis: Update and Future Directions  
Dept. of Neurology Grand Rounds, University of Virginia School of Medicine, Charlottesville, VA, 12/15/17.
- 230) Myasthenia Gravis Today: Treatment Update and Future Directions  
Immunotherapy for Neurologic Disorders 2018, University of Pennsylvania Health System & Penn Presbyterian Medical Center, Philadelphia, PA, 5/18/18.
- 231) Evolution of Monoclonal Antibody Treatment Approaches in Myasthenia Gravis  
15<sup>th</sup> International Congress on Neuromuscular Diseases, Vienna, Austria, 7/10/18.
- 232) Overview of Treatment Guidelines for Myasthenia Gravis  
15<sup>th</sup> International Congress on Neuromuscular Diseases, Vienna, Austria, 7/10/18.
- 233) Randomized Controlled Trial of Thymectomy: A Deeper Dive into Data  
15<sup>th</sup> International Congress on Neuromuscular Diseases, Vienna, Austria, 7/10/18.
- 234) Neuropathic Pain Management in Clinical Practice  
NerveCon III 2018, Hyderabad, India, 8/24/18.
- 236) Clinical Implications of Old and New Pathogenic Players in Myasthenia Gravis  
NerveCon III 2018, Hyderabad, India, 8/26/18.
- 237) Therapeutic Landscape with Novel Therapies on the Horizon for Myasthenia Gravis

- NerveCon III 2018, Hyderabad, India, 8/26/18.
- 238) What's New in Myasthenia Gravis Therapy?  
Myasthenia Gravis Symposia, Muscular Dystrophy Association regional conference, King of Prussia, PA, 9/15/18.
- 239) MGTX: A Deeper Dive into Outcomes from the Thymectomy Trial in Non-thymomatous Myasthenia Gravis  
Dept. of Neurology Grand Rounds, University of Pittsburgh School of Medicine, Pittsburgh, PA, 9/26/18.
- 240) Multi-specialty Case Presentation  
Immunoglobulin National Society 7<sup>th</sup> National Conference, Dallas, TX, 10/18/18.
- 241) Immunotherapeutic Developments in Myasthenia Gravis  
Immunoglobulin National Society 7<sup>th</sup> National Conference, Dallas, TX, 10/19/18.
- 242) Neuropathic Pain Management in Clinical Practice  
Medical Center Conference, Galilee Medical Center, Naharia, Israel, 10/29/18.
- 243) MGTX: A Closer Look at Data from the Randomized Trial of Thymectomy in Myasthenia Gravis  
Neurosciences Update 2018, University of Kansas Health System, Overland Park, KS, 11/10/18.
- 244) Management of Neuromuscular Emergencies and Myasthenic Crisis  
Mercy Hospital of Buffalo CME Series, Catholic Health System, Buffalo, NY, 11/17/18.
- 245) Update in Myasthenia Gravis Therapy and Indication of Thymectomy  
2019 Texas Neurological Society Winter Conference, Austin, TX, 2/2/19.
- 246) Management of Neuromuscular Emergencies and Myasthenic Crisis  
Sisters of Charity Hospital, Catholic Health System, Dept. of Internal Medicine Grand Rounds, Buffalo, NY, 3/12/19.
- 247) Intraoperative Neurophysiologic Monitoring  
Dept. of Neurology Grand Rounds, Stony Brook University Renaissance School of Medicine, SUNY, Stony Brook, NY, 3/15/19.
- 248) Practical Implementation of New Therapies: Treatment Landscape in Myasthenia Gravis  
2019 MDA Clinical and Scientific Conference, Orlando, FL, 4/15/19.
- 249) Neurology Update I: Neuromuscular Disease  
Course syllabus prepared. American Academy of Neurology Annual Meeting, Philadelphia, PA, 5/5/19.
- 250) Primer on Myasthenia Gravis  
25<sup>th</sup> Neurology Time Conference, Peking Union Medical College, Beijing, China, 5/25/19.
- 251) Evolution of Pathogenic Players and Treatment in Myasthenia Gravis  
25<sup>th</sup> Neurology Time Conference, Peking Union Medical College, Beijing, China, 5/26/19.
- 252) Respiratory and Crisis Management in Myasthenia Gravis  
5<sup>th</sup> Neurorespiratory Conference, Weizmann Institute, Rehovot, Israel, 5/29/19
- 253) Therapeutic Landscape and Novel Therapies for Myasthenia Gravis  
Mini-symposium on Myasthenia Gravis, Tel Aviv University, Sackler Faculty of Medicine, Tel Aviv, Israel, 5/31/19.

- 254) Examining Treatment Strategies for Myasthenia Gravis: A Specialty Pharmacist's Review  
National Association of Specialty Pharmacy Annual Meeting, Washington, DC, 9/10/19.
- 255) Therapeutic Landscape and Novel Therapies for Myasthenia Gravis  
Dept. of Neurology Grand Rounds, Jacobs School of Medicine and Biomedical Sciences, Univ. at Buffalo/SUNY, Buffalo, NY 12/5/19.
- 256) MGTX: A Closer Look into Outcomes from the Thymectomy Trial in Myasthenia Gravis  
Dept. of Neurology Grand Rounds, University of Maryland School of Medicine, Baltimore, MD, 1/15/20.
- 257) MGTX: A Closer Look into Outcomes from the Thymectomy Trial in Myasthenia Gravis  
Dept. of Neurology Grand Rounds, University of Washington Medical Center, Seattle, WA, 1/23/20.
- 258) MGTX: A Closer Look into Outcomes from the Thymectomy Trial in Myasthenia Gravis  
Dept. of Neurology and Neurotherapeutics Grand Rounds, University of Texas Southwestern Medical Center, Dallas, TX, 2/19/20.
- 259) Carrell-Krusen Keynote Lecture: Novel Therapies for Myasthenia Gravis  
42<sup>nd</sup> Annual Carrell-Krusen Neuromuscular Symposium, Dallas, TX, 2/21/20.
- 260) Chronic Inflammatory Demyelinating Polyneuropathy: assessing the application of intravenous and subcutaneous immunoglobulin, featuring a patient perspective. Pharmacy Times continuing education program, Asembia, 5/27/20.
- 261) COVID-19 and Neuromuscular Medicine  
Mini Grand Rounds COVID-19 Series, Great Lakes Health System of Western NY, Buffalo, NY, 8/19/20.
- 262) Myasthenia Gravis: Updates in Research  
Muscular Dystrophy Association Engage Myasthenia Gravis Virtual Symposium, 9/12/20.
- 263) Neuromuscular Junction Disorders: Thymectomy  
16<sup>th</sup> International Congress on Neuromuscular Diseases, Virtual Plenary Session, 9/13/20.
- 264) COVID-19 and Neuromuscular Medicine  
Dept. of Neurology Grand Rounds, Jacobs School of Medicine and Biomedical Sciences, Univ. at Buffalo/SUNY, Buffalo, NY, 9/17/20.
- 265) Reiner Lecture: Therapeutic Landscape and Novel Therapies for Myasthenia Gravis  
American Association of Neuromuscular and Electrophysiology Annual Scientific Meeting, 10/9/20.
- 266) MGTX: A Closer Look into Outcomes from the Thymectomy Trial in Myasthenia Gravis  
Dept. of Medicine Grand Rounds, Oakland University William Beaumont School of Medicine, Auburn Hills, MI, 1/20/21.
- 267) Therapeutic Landscape and Novel Therapies for Myasthenia Gravis  
Neuroscience Lecture Series, MIND Clinic, Budapest, Hungary, 1/29/21.
- 268) Therapeutic Landscape and Novel Therapies for Myasthenia Gravis  
Dept. of Neurology Grand Rounds, Penn State College of Medicine, Hershey, PA, 2/5/21.
- 269) Minimal Manifestation Status and Prednisone Withdrawal in the MGTX Trial  
Clinical and Translational Science Institute Annual Forum, Univ. at Buffalo, Buffalo, NY, 3/17/21.
- 270) Therapeutic Landscape and Novel Therapies for Myasthenia Gravis

- Dept. of Neurology Grand Rounds, St. Louis University School of Medicine, St. Louis, MO, 4/1/21.
- 271) Core Concepts in Pain Management  
Virtual Annual Meeting, American Academy of Neurology, 4/21/21.
- 272) Therapeutic Landscape and Novel Therapies for Myasthenia Gravis  
Advanced Practice Provider education series, American Association of Neuromuscular and Electrodiagnostic Medicine, 5/26/21.
- 273) Emerging Developments in the Treatment of Generalized Myasthenia Gravis  
Excel CME program, 6/7/21.
- 274) The 2020 Update of the Consensus International Treatment Recommendations for Myasthenia Gravis  
Keynote address: 1<sup>st</sup> Chinese Summit on Innovative Medicine and Public Welfare in Myasthenia Gravis and Neurology, The Chinese University of Hong Kong, China, 7/2/21.
- 275) U.S. Roundtable on Immunoglobulin Use  
Plasma Protein Therapeutics Association program, 9/9/21.
- 276) New Developments in Managing Myasthenia Gravis  
3<sup>rd</sup> Annual International Congress on the Future of Neurology, New York, NY, 9/17/21.
- 277) Core Concepts in Neuropathic Pain Management  
Dept. of Neurology Grand Rounds, Univ. at Buffalo Jacobs School of Medicine and Biomedical Sciences, Buffalo, NY, 9/23/21.
- 278) Overview of Neuromuscular Disorders  
School of Pharmacy, D'Youville College, Buffalo, NY, 9/27/21.
- 279) Therapeutic Landscape and Novel Therapies for Myasthenia Gravis  
Dept. of Neurology Grand Rounds, The Ohio State University Wexner Medical Center, 9/28/21.
- 280) Therapeutic Landscape and Novel Therapies for Myasthenia Gravis  
Dept. of Neurology Grand Rounds, Northwestern University Feinberg School of Medicine, 10/7/21.
- 281) Autoantibodies and the Evolving MG Treatment Landscape: The 2020 Update of the Consensus International Treatment Recommendations for MG  
AANEM Annual Meeting, Aurora, Colorado, 10/15/21.

### Activities

- Postgraduate:
- Princeton University Book Award for high school students, Judge, 1995-1996
  - Ralph B. Rogers Alumni Award selection committee, member, St. Mark's School of Texas, 1999
  - Campaign Chair, Class of '89, UT Southwestern Medical School student center drive; Class qualified for Cornerstone Society, 1999-2000.
  - Congregation Anshai Torah, Member, Board of Directors, 2000-2002; Rabbi Liaison Committee Co-Chair, 2006 to 2011.
  - UT Southwestern Medical School, Interviewer for applicants, 2004-2006.
  - Kol Rina, Congregation Anshai Torah male choir, 2005 to present.
  - Jewish Federation of Greater Dallas, annual campaign volunteer fundraiser, medical division, 2007 to 2010.
  - Plano, Texas ISD, Science Fair Judge, district level, 2009 to 2011.
  - Buffalo Jewish Federation,

Annual Campaign Cabinet Member, Medical Division, 2012 to present  
Board of Governors, 2014-2020, 2021 to present  
Hillel Oversight Task Force, 2016-2017  
Partnership Leadership Council, 2020-present.  
Chair of General Campaign, 2021-2023  
Thursday Club, member, Buffalo, NY, 2012 to present.  
Temple Beth Tzedek, service award, July 2013  
Board of Trustees, 2015-2018.  
Men's Club, Board Member, 2021 to present.  
Princeton University Admissions Office, Interviewer for Western NY,  
2014 to present.  
Bike Committee, University at Buffalo/SUNY, 2018 to present  
Guest Judge, D'Youville College 6<sup>th</sup> Annual Research and Scholarship Day, 2019

Residency: Organized Grand Rounds for the Department of Neurology,  
University of Pennsylvania Medical Center, July 1992 - June 1993.

Medical School: Senior Writer, The Senior Film, 1988-89.  
Vice President of AOA chapter, 1988-89.  
Editor, The Scutpuppy Times (MS3 newsletter), 1987-88.  
Class representative, UT Southwestern Medical School  
Curriculum Committee, 1985-87.

Undergraduate: The Daily Princetonian (Princeton University newspaper)  
Managing Editor, 1984-85; Senior Writer, 1982-84; Staff Writer, 1981-82.
