

# FDA RETAIL PROGRAM STANDARDS

## SELF-ASSESSMENT AND VERIFICATION AUDIT WORKSHOPS

FDA is partnering with the National Environmental Health Association (NEHA) to present two Retail Food Regulatory Program Standards Self-Assessment and Verification Audit Workshops in 2022:

- May 24-26, 2022, Tampa, FL near Tampa International Airport (Aloft Tampa Midtown)
- June 26-28, 2022, Spokane, WA as a preconference workshop at the NEHA 2022 Annual Educational Conference (AEC) and Exhibition (Davenport Grand, Autograph Collection)

### PURPOSE OF THE FDA RETAIL PROGRAM STANDARDS

The Voluntary National Retail Food Regulatory Program Standards (Retail Food Program Standards) serve as a guide to program managers in the design and management of regulatory retail food programs, provide a means of recognition for programs that meet the standards, and are designed to help programs enhance the services they provide to the public. When applied in the intended manner, the Retail Food Program Standards:

- Identify program areas where an agency can have the greatest impact on retail food safety;
- Promote wider application of effective risk factor intervention strategies;
- Assist in identifying program areas most in need of additional attention;
- Provide information needed to justify maintenance or increase in program budgets;
- Lead to innovations in program implementation and administration; and
- Improve industry and consumer confidence in food protection programs by enhancing uniformity within and between regulatory agencies.

### WORKSHOP OVERVIEW

The Standards Self-Assessment and Verification Audit Workshop is designed to provide participants with an overview of the Retail Program Standards criteria and an in-depth understanding of the self-assessment and verification audit processes, worksheets, and forms. The two-and-a-half-day workshop will enable participants to:

- Identify the requirements for each of the nine Retail Food Program Standards;
- Explore various approaches to meeting the criteria within the Retail Food Program Standards;
- Use the Retail Food Program Standards worksheets and forms to complete a verification audit of a jurisdiction's self-assessment against the criteria contained in the standards; and
- Use the worksheets and forms to electronically compile and maintain results.

### TARGET AUDIENCE

Participants should be program managers or those directly responsible for conducting program self-assessments and preparing for verification audits. Interactive workshop exercises have been developed for each of the nine Retail Food Program Standards and are designed to provide participants with hands-on experience in preparation for conducting a self-assessment or a verification audit.

### WORKSHOP PRE-REQUISITES

Participants should have a good understanding of the criteria contained in each of the nine Retail Program Standards. The Retail Food Program Standards can be accessed using the hyperlink:

<https://www.fda.gov/food/retail-food-protection/voluntary-national-retail-food-regulatory-program-standards> .

An orientation on using FDA's Retail Program Standards website, including the downloadable files and worksheets, will be provided at the workshop.

## DATE/TIME

### Tampa, FL

Tuesday, May 24 – Thursday, May 26

Tuesday and Wednesday: 8:00 AM – 5:00 PM

Thursday: 8:00 AM – 1:00 PM

### Spokane, WA

Sunday, June 26 – Tuesday, June 28

Sunday and Monday: 8:00 AM – 5:00 PM

Tuesday: 8:00 AM – 1:00 PM
