

GARY A. ROSELLE, M.D., F.A.C.P.

Director, National Infectious Diseases Service
Department of Veterans Affairs Central Office

DEGREES:

Ohio State University	1969 - B.S. with distinction
Ohio State University	1973 - M.D.

POSTGRADUATE TRAINING:

Northwestern University School of Medicine	1973-1975 - Medical Resident
University of Cincinnati School of Medicine	1975-1977 - Fellow-Infectious Diseases

ACADEMIC AND NATIONAL APPOINTMENTS:

Acting Chief of Staff Cincinnati VA Medical Center	April 2011 – November 2011
Acting Chief of Staff Cincinnati VA Medical Center	January 2005 –October 2005
Acting Chief of Staff Cincinnati VA Medical Center	July 2002 – April 2003
Chief, Medical Service Cincinnati VA Medical Center	1984 – February 2014
Director, Emerging Pathogens Initiative VA Central Office, Washington, D.C.	1995 - Present
Director, National Infectious Diseases Service <i>(formerly titled "Program Director, Infectious Diseases")</i> VA Central Office, Washington, D.C.	1988 - Present
Associate Chairman for Veterans Affairs, Department of Medicine, University of Cincinnati, College of Medicine	1988 - 2014

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

Professor of Clinical Medicine Infectious Disease Division University of Cincinnati College of Medicine	1989 - Present
Membership in the Graduate Fellows University of Cincinnati	2002 - Present
Faculty Research Fellow of the Institute for Health Policy and Health Services Research University of Cincinnati	1999 - 2001
Associate Professor of Clinical Medicine Infectious Diseases Division University of Cincinnati, College of Medicine	1984 - 1989
Acting Chief, Medical Service Cincinnati VA Medical Center	1982 - 1984
Assistant Professor of Medicine Infectious Disease Division University of Cincinnati College of Medicine	1977 - 1984
Chief, Infectious Disease Section Cincinnati VA Medical Center	1977 - 1984
Assistant Chief, Medical Service Cincinnati VA Medical Center	1978 - 1982

EXAMINATIONS AND LICENSURES:

Certified by American Board in Subspecialty of Infectious Diseases	1978
Certified by American Board of Internal Medicine	1976
Licensed in State of Illinois	1975
Licensed in State of Ohio	1975
Federal Licensure Examination	1973

PROFESSIONAL SOCIETIES (Current and Past):

Phi Eta Sigma Men's Honorary Society
American Society for Microbiology
American Federation for Clinical Research
Infectious Diseases Society of America

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

Society of Hospital Epidemiologists of America
Research Society on Alcoholism
International Society for Biomedical Research on Alcoholism
Association of Military Surgeons of the United States
Central Society for Clinical Research
VA Society for Practitioners of Infectious Diseases
Association of Professors of Medicine

COMMITTEES:

National:

Infectious Diseases Field Advisory Committee VA Central Office (Chairman 1987- 2015)	1985 - 2015
Medical Service Chiefs of Medicine Field Advisory Group VA Central Office (Chairman 1989 - 1992)	1986 - 1992
Ad Hoc Committee on Quality Assurance, Medical Service, VA Central Office	1989
VA Emergency Medical Preparedness Workshop, National Coordinator for Infectious Diseases, Nov. 1990 through February 1991, Northport, NY and December 1990, Aberdeen, MD	
AIDS Therapeutics Advisory Group, VA Central Office, Washington, DC	1990 - 2000
VA Representative and Ex-Officio member of the Advisory Council for the Elimination of Tuberculosis CDC, Atlanta, GA	1991 - Present
VHA Infection Control DHCP Applications Group VA Central Office, Washington, D.C.	1991 - 1996
VA Representative and Member of the Federal Tuberculosis Task Force <i>formerly the</i> National Task Force to Combat MDR TB, CDC	1992 - Present
OSHA Standard Advisory Group, VA Central Office Washington, D.C.	1992
NIAAA Study Section, Alcohol and Immunology, ALCB-3	1990 - 1993

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

NIAAA Special Review Committee, ALCB-2	1994
TB Training Course Planning Committee VA Central Office, Washington, D.C.	1994
VHA TB Engineering Project Review Committee VA Central Office, Washington, D.C., Co-Chairman	1994 - 2000
Emerging Pathogens Task Force VACO, Washington, D.C. (Co-Chairman)	1995 – 2000
NIAAA Special Review Committee	1995
Task Force for Emerging Pathogens/Water Conservation	1995
NIAAA Special Review Committee	1996
NIAAA Special Review Committee	1997
Task Force on Hepatitis C and Specific Healthcare Workers VA Central Office, Washington, D.C.	1997
Task Force on Facility Requirements for AIDS/TB VA Central Office, Washington, D.C.	1992 - 2000
Latex Technical Advisory Group, VA Central Office Washington, D.C.	1997 - 1998
Persian Gulf Advisory Committee, VA Central Office Washington, DC	1994 - 1996
NIAAA Special Emphasis Panel ZAA1 DD (1)	1997 - 2000
Committee on International Science, Engineering and Technology (CISSET), Subcommittee Two on Science Technology and Global Issues Working Group on Emerging and Re-emerging Diseases	1997 – 2001
Forum on Microbial Threats in the Division of Health Sciences Policy of the Institutes of Medicine, National Academy of Sciences, <i>formerly</i> the Forum on Emerging Infections	1997 – Present
Supply, Processing, and Distribution Advisory Group, VA Central Office, Washington, D.C.	1998 - 2005

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

Strategic Planning Workgroup on Public Health Sector TB Training Issues for the Strategic Plan for Tuberculosis Training and Education, Francis J. Curry National Tuberculosis Center San Francisco, CA.	1998
Member of the Association of Professors of Medicine Veterans Affairs Subcommittee of the Advocacy Committee in the Association of Professors of Medicine VISN Network	1998
National Institute of Diabetes and Digestive and Kidney Diseases (ZDKI GRB-5 (MI))	Special Emphasis Panel May 1999
Member of the National Occupational Research Agenda (NORA), Infectious Diseases Team, (NIOSH)	1999 – 2009
Member of the Interagency Task Force on Antimicrobial Resistance <i>formerly</i> Public Health Action Plan to Combat Antimicrobial Resistance Task Force	1999 -
Member of the Technical Advisory Group, Automated Safety Incident Surveillance and Tracking System	1999
Member of the Steering Committee, U.S. National Study of Hepatitis C – Measurement of epidemiology, natural history and treatment response in the veteran population	1999
Councilor for the Association of VA Chiefs of Medicine (AVACOM)	1999-2000
NIAAA Special Alcohol and Hepatitis C Review (Chairperson)	May 2000
Emergency Management Strategic Healthcare Group Technical Advisory Committee	June 2000
NIDA Special Emphasis Panel (ZDA1-KXN-G-16)	July 2000
NIAAA Special Emphasis Panel [ZAA1 CC (02)]	March 2001
Hepatitis C Technical Advisory Group, VA Central Office, Washington, DC	March 2001
NIAAA Biomedical Research Review Subcommittee	June 2001

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

NIAAA Special Emphasis Panel [ZAA1 CC (24)]	August 2001
NIAAA Special Emphasis Panel [ZAA1 CC (01)]	October 2001
NIAAA Special Emphasis Panel [ZAA1 CC (02)]	Dec. 2001
NIAAA Special Emphasis Panel [ZAA1-AA-72]	April 2002
Member, Medical Surveillance Work Group for the Biologic Defense Initiative of the Defense Threat Reduction Agency	June 2002-
NIAAA Special Emphasis Panel [ZAA1 DD (20)]	June 2002
NIAAA Special Emphasis Panel [ZAA1 AA (04)]	July 2002
National Bioterrorism Syndromic Surveillance Advisory Committee for the National Bioterrorism Syndromic Surveillance Demonstration Project	July 2002 –2003
NIAAA Special Emphasis Panel [ZAA1 DD 11]	February 2003
Biodefense Vaccines and Immunologics Committee Interagency Work Group Requirements Subgroup under the Office of Science and Technology Policy and the Homeland Security Council <i>which was renamed to: The Weapons of Mass Destruction Medical Countermeasures Subcommittee Requirements Subgroup</i>	March 2003-2004
VHA SARS Working Group	June 2003- 2004
VHA Influenza/SARS Working Group	June 2003- 2004
Drugs Medical Countermeasures Subgroup (for Biological Threat Agents) of the National Science and Technology Council's Weapons of Mass Destruction Medical Countermeasures Subcommittee	October 2003-2004
Under Secretary's Coordinating Committee on Quality and Safety	April 2003 – 2011
NIAAA Special Emphasis Panel [ZAA1 CC 21 P]	July 2003
Public Health Informatics & Bio-surveillance Council	March 2004
The Committee on Urgent Public Health (COUPH)	March 2004-2005
Logistics Performance Measures Workgroup on Reprocessing Single Use Medical Devices	

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

	August 2004 – 2010
Federal Health Architecture Public Health Surveillance Work Group	February 2005-Nov. 2005
Chair, VHA SPD Work Group	March 2005 - 2010
NIAAA Special Emphasis Panel [ZAA1 DD 34 1, ZAA1 DD (34)	March 2005
VHA Healthcare Associated Infections Mandatory Reporting Work Group	May 2005-2006
Co-Chair, Work Group to Improve Sterile Processing and Distribution Operations	2005
Chair, Technical Advisory Panel for Intravascular Catheters and Bloodstream Infections, National Voluntary Consensus Standards for the Reporting of Healthcare-Associated Infections Data, National Quality Forum (NQF)	2006 - 2008
<i>Ex officio</i> Member, Healthcare Infection Control Practices Advisory Committee (HICPAC)	Nov. 2007 - present
Surgical Complexity and Infrastructure Standards Workgroup	December 2007- 2008
NIAAA Review [ZAA1 BB (93) P, Chair	June 2008
Health and Human Services Steering Committee to Prevent Healthcare-Associated Infections	March 2009 – present
Executive Office of the President, VA Representative on the Sub-Interagency Policy Committee (Sub-IPC) for Biosurveillance	2011-2013
Executive Office of the President, VA Representative on the Governance, Roles & Responsibilities Working Group of the Sub-IPC for Biosurveillance	2011-2013
(Product of the above two activities: <i>National Strategy for Biosurveillance</i> , signed by President Obama on 7/31/2012)	
Executive Office of the President VA representative and Co-Chair of the Sub-IPC for Biosurveillance: Science & Technology Working Group, Sub-working group for Integration, Analysis and Sharing	2012-2013
Health and Human Services Public Health Emergency Medical Countermeasures	

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

Enterprise Integrated Program Team on Anthrax September 2012-present

VA Representative on the NBIS Innovations Sub-Working Group August 2012- 2014

Executive Office of the President Sub-IPC for Pandemic Preparedness
November 2012-2013

Health and Human Services Public Health Emergency Medical Countermeasures
Enterprise Operational Capacity Measures Working Group November 2013

Combating Antibiotic Resistant Bacteria (CARB)– Human Healthcare/Antibiotic
Stewardship Workgroup February 2014

CARB–Domestic Biosurveillance Work Group February 2014

CARB–International Antibiotic Resistance Surveillance and Collaboration Work Group
February 2014

CARB–Basic and Applied Research and Development Work Group February 2014

CARB–Agriculture Drivers, Use and Stewardship of Antibiotics and Integrated
Surveillance Work Group February 2014

VA Subject Matter Expert to the Health and Human Services Work Group on Situational
Awareness Strategy and Implementation February 2014

National Science and Technology Council Pandemic Prediction and Forecasting Science
and Technology Working Group. 2014 - present

Executive Office of the President VA Representative, Chikungunya Sub-IPC
July 2014

Food and Drug Administration, Center for Devices and Radiological Health, Medical
Devices Advisory Committee March 2015

Presidential Advisory Council for Combating Antimicrobial Resistant Bacteria Working
Group on Antibiotic Stewardship October 2015-present

Presidential Advisory Council for Combating Antimicrobial Resistant-Bacteria Working
Group on Surveillance October 2015-present

Health and Human Services Public Health Emergency Medical Countermeasures
Enterprise, Emerging Infectious Diseases Work Group January 2016-present

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

Health and Human Services' Office of the Assistant Secretary for Preparedness and Response 2016 Zika Virus Task Force	February 2016
Public Health Emergency Medical Countermeasures Enterprise (PHEMCE), Executive Enterprise Committee (EEC)	2016 – present
Council of State and Territorial Epidemiologists (CSTE)/Centers for Disease Control and Prevention (CDC) Antimicrobial Resistance Surveillance Task Force	Dec 2016- Present
PHEMCE, Strategy and Implementation Plan	April 2017 - present
Consultant to the General Hospital and Personal Use Devices Panel, to other panels of the Medical Devices Advisory Committee and to the Center for Devices and Radiological Health, U.S. Food and Drug Administration	April 2019 – April 2023
PHEMCE, Smallpox Portfolio Assessment Team	November 2019-Present
Clinically Driven Strategic Sourcing (CDSS) Program Office, Value Analysis Participation (VAP)	November 2020-Present

Cincinnati VA Medical Center:

Institutional Animal Care and Use Subcommittee, Research & Development Committee (R & D Committee)	1989 - 1992
R & D Committee	1987 - 1994
Critical Care Committee (Chairman)	1987 - 2013
Resources Committee	1992 - 2000
Resources Committee	1986 - 1988
Executive Advisory Council	1984 - 1984
Clinical Executive Board	1982 - 2014
Space Subcommittee of R&D Committee	1980 - 2001
Infection Control Committee (Chairman)	1985 - 2014
Infection Control Committee (Member)	1977 - 1984
Administrative Executive Board	1982 - 1986
R&D Committee	1981 - 1984
Quality Assurance Committee (Co-Chairman)	1980 - 1982
Medical Records Committee	1980 - 1982
Personnel Management Committee	1979 - 1982
Budget Subcommittee of Research & Development Committee (R&D Committee) (Chairman)	1984 - 1992
VISN Liaison Physicians for the Subject	

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

Matter Expert (SME) Work Group 1996 - 2014

University of Cincinnati Medical Center:

LCME Task Force	2002 - 2003
Admissions Committee, College of Medicine, Office of the Dean	2000 - 2001
Institutional Self-Study Task Force Subcommittee	1989 - 1990
Steering Committee, Department of Medicine	1986 - 1987
Council of Directors (<i>formerly the Executive Committee</i>) Dept. of Medicine	1982 - 2014
Residency Review Committee, Chairman	1986 - 2009
Residency Review Committee, Ex-Officio Member	1981 - 1986
Ad Hoc Cmte. for Selection of Promotions Cmte.	1982, 1987-92
Human Research Committee (IRB)	1979 - 1981
Faculty/House Staff Liaison Committee	1977 - 1979

AWARDS:

Director's Commendation, VAMC, Cincinnati	1984
Certificate of Recognition from Veterans of Foreign Wars	1991
Director's Commendation, VAMC, Cincinnati	1992
Commendation from DVA Secretary Jesse Brown	1993
Commendation from DVA Under Secretary Kenneth Kizer	1995
Faculty Achievement Award UC College of Medicine	1996
AMSUS, John D. Chase Award, Nominee	1999
Innovations in American Government Award Nominee (John F. Kennedy School of Government, Harvard University)	1999
Semi Finalist in The Rochester Institute of Technology and USA Today Quality Cup Competition	2000
Maxwell Finland Award for Scientific Achievement, Nominee	2001
Commendation from Deputy Under Secretary for Health Jonathan Perlin and Under Secretary for Health Robert Roswell	2002
Castle Connolly National Physician of the Year Award Nominee	2006
Health Care Heroes Award Nominee	2007
Fellow of the American College of Physicians	2008
Mark Wolcott Award for Excellence in Clinical Care Leadership	2012

REVIEWER:

Medical Letter
American Society of Hospital Pharmacists' Drug Information Service
Antimicrobial Agents and Chemotherapy

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

Archives of Internal Medicine
Western Journal of Medicine
American Journal of Medicine
Alcoholism: Clinical and Experimental Research
American Journal of Kidney Diseases
American Journal of Respiratory and Critical Care Medicine
Emerging Infectious Diseases Journal
Federal Practitioner

TRAINEES:

Fugii-Hanamota, Ph.D., Candidate, (Awarded 1991), Tokyo, Japan.

INVITED PARTICIPANT:

1. Third International Congress of the International Society for Biomedical Research on Alcoholism: "New Models of Alcoholism, Correlates of Human Immune Dysfunction", Helsinki, Finland, June 1986.
2. Research Society on Alcoholism: Symposium "Recent Advances on Alcohol and Immunology". "Ethanol and Soluble Mediators", Charleston, S.C., 1988.
3. Alcohol and AIDS Network Conference (NIH): "Ethanol, Sex Steroid Receptors and Lymphokine Activity in the Rat", Tucson, AZ, April 1989.
4. VA "National Quality Assurance Conference: Partners in the Challenge", CEC, New Orleans, LA, September 1989.
5. DVA Emergency Medical Preparedness Workshop, Coordinator and Presenter for Infectious Diseases, "Unusual Pathogens in the Persian Gulf". November 1990 through February 1991, Northport, New York and December 1990, Aberdeen, Maryland.
6. Veterans of Foreign Wars of the United States, Proficiency Training Conference, lecturer on the physiology and pathology of systemic and infectious diseases, Kansas City, Missouri, Oct. 1, 1991.
7. Clinical Programs Grand Rounds, Infection Control - The Future is Now, VA Central Office, Washington, D.C., August 20, 1992.
8. Persian Gulf War Veterans Scientific Panel, May 7, 1993, Washington, D.C.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

9. U.S. Army Special Operations Command Surgeon's Conference, lecturer on leishmaniasis and schistosomiasis, December 4, 1993, Fayetteville, NC.
10. Research Society on Alcoholism, 1994 Annual Meeting, Alcohol Modulation of Immune Function: Clinical and Experimental Correlation, Alcohol Effects on T Cells, Maui, Hawaii, June 21, 1994.
11. VA Training, Little Rock, Arkansas, July 26-28, 1994 and August 2-4, 1994.
12. Case Western Reserve University School of Medicine and Committee on Development and Education (CODE) sponsored program on Infectious Disease: Coping with a Growing Challenge. "Reemergence of Tuberculosis - How to Detect and Treat" and "Infection in the Immunocompromised Host". Columbus, Ohio, September 13, 1994.
13. 101st Annual Meeting of AMSUS, "Tuberculosis: Ancient Scourge, Medieval Plague, Current Crisis", Orlando, Florida, Nov. 15, 1994.
14. Committee on International Science, Engineering and Technology, (CISSET) Subcommittee II on Science, Technology and Global Issues, Working Group on Emerging and Re-Emerging Diseases, Washington, D.C., December 14, 1994.
15. 1995 TB Controllers' Workshop, Plenary Session presenter, January 9, 1995.
16. VA National Tuberculosis Training, Hampton, VA., February 27, 1995.
17. Presenter on satellite broadcast titled, "Practical Aspects of the Diagnosis and Treatment of Tuberculosis", October 12, 1995.
18. Biologic Threat Agents, satellite broadcast, July 10, 1996.
19. Preventive Medicine and Health Education in Primary Care Conference, Immunization Programs", August 14, 1996. Las Vegas, NV.
20. 1996 National TB Controllers' Workshop, "Plenary Session IX: Coordination with Federal Facilities", presented "TB in Department of Veterans Affairs Facilities - An Update", Atlanta, GA, September 4, 1996.
21. Management of Community Acquired Pneumonia for Primary Care, satellite broadcast, "VA Pneumonia Data", October 23, 1996.
22. Food and Drug Administration Inter-agency meeting on Reuse of Non-Reusable Devices, February 3 & 4, 1997, Washington, DC.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

23. Forum on Emerging Infectious Diseases, Institute of Medicine, National Academy of Sciences, "Orphans and Incentives", February 10 & 11, 1997, Washington, DC.
24. World Health Day, 1997, Emerging Infectious Diseases, Reduce the Risk. Panelist on "Meeting the Challenge: Emerging Infectious Diseases." Presented by the American Association for World Health, Pan American Health Organization and the World Health Organization, April 7, 1997, Washington, DC.
25. Committee on International Science, Engineering and Technology (CISET) Subcommittee II on Science, Technology and Global Issues, Working Group on Emerging and Re-emerging Infectious Diseases, July 8, 1997, Washington, DC.
26. Forum on Emerging Infections Workshop, Institute of Medicine, National Academy of Sciences, "Antimicrobial Resistance, Surveillance, and Response", July 30 & 31, 1997, Washington, DC.
27. Basic Safety & Health for Occupational Health Practitioners Conference, presented lecture titled, "Occupational Health and Infection Control", September 11, 1997, Little Rock, AR.
28. Implementing TB Training for Primary Care Physicians and Other Healthcare Workers Satellite Conference, October 28, 1997.
29. Association of Military Surgeons of the United States (AMSUS) 104th Annual Meeting "Emerging and Re-emerging Pathogens - The Insidious Threat", November 19, 1997, Nashville, TN.
30. Invited speaker at the House of Representatives Committee on Government Reform and Oversight, the Subcommittee on Human Resources Hearing "Public Health 2000: Hepatitis C Virus (HCV), The Silent Epidemic", March 5, 1998, Washington, D.C.
31. Co-Convener, at the International Conference on Emerging Infectious Diseases, CDC, March 8-11, 1998, Atlanta, GA.
32. Invited speaker on Emerging Pathogens and Immunizations at the Department of Veterans Affairs National Occupational Health and Safety Conference, August 11-13, 1998, Las Vegas, NV.
33. Invited speaker on hepatitis C at Paralyzed Veterans of America Service Officers Meeting April 9, 1999, Washington, D.C.
34. Invited speaker at House of Representatives Committee on Veterans Affairs Briefing on Hepatitis C and the veteran population, April 16, 1999, Washington, D.C.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

35. Invited Speaker on hepatitis C at the Veterans of Foreign Wars Service Officers Meeting, May 24, 1999, Fort Lauderdale, FL.
36. Invited Speaker on epidemiology of hepatitis C in the VA at the National Hepatitis C Symposium, June 3-4, 1999, Washington, D.C.
37. Invited speaker on emerging pathogens at the American Society for Healthcare Engineering of the American Hospital Association, June 23, 1999, Philadelphia, PA.
38. Invited speaker on Hepatitis C at the Veterans of Foreign Wars 100th National Convention, August 18, 1999, Kansas City, MO.
39. Invited speaker on Emerging Pathogens: AIDS, TB and Bloodborne Pathogens at the Department of Veterans Affairs National Occupational Safety and Health Conference, September 16, 1999, New Orleans, LA.
40. Invited Speaker on Bloodborne Pathogens at the Baltimore Federal Safety Conference (sponsored by OSHA and other Federal Agencies), December 2, 1999, Baltimore, MD.
41. Testify before the Committee on Veterans Affairs, Subcommittee on Benefits, U.S. House of Representatives hearing on the Department of Veterans Affairs' Adjudication of Hepatitis C Claims, April 13, 2000, Washington, D.C.
42. Invited speaker on "Breaking the Barriers Between Clinical and Non-Clinical Functions" at the Emerging Pathogens Conference, June 28-30, 2000, San Antonio, TX.
43. Invited speaker on Summary of the Emerging Pathogens Conference of June 28-30, 2000 "Breaking the Barriers Between Clinical and Non-Clinical Functions" at the Occupational Safety and Health Conference, July 11-13, 2000, San Antonio, TX.
44. Invited Speaker on Hepatitis C, VHA Epidemiology at the Frontline Conference, August 7, 2000, Washington, D.C.
45. Testimony on Tuberculosis in the Veterans Health Administration at the Institute of Medicine's Committee on Regulating Occupational Exposure to Tuberculosis, August 7, 2000, Washington, D.C.
46. Invited participant at the U.S. Medicine Institute for Health Studies Executive Forum for Decision Makers critical discussion on "Vaccine Research, Availability...and Reality". March 15, 2001, Washington, D.C.
47. Invited speaker on IOPO Update, Association of Professionals in Infection Control, June 12,

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

2001, Seattle, WA.

48. Invited Speaker on Vaccines and PPD Testing, Occupational Safety and Health Conference, August 6-9, 2001, Las Vegas, NV.
49. Emerging Pathogens Satellite Broadcast, Part I: TB; Part II: Implementation Thoughts and the Future, September 5, 2001, St. Louis, MO.
50. Invited speaker on Biologic Threat, Where Is It Written? Bethesda North Hospital, October 23, 2001, Cincinnati, OH.
51. Invited Speaker on Biological Threat Agents, University of Cincinnati College of Medicine, November 17, 2001, Cincinnati, OH.
52. Invited speaker on Bioterrorism at the Graduate Fellows Course Lecture, University of Cincinnati, November 29, 2001, Cincinnati, OH.
53. Invited speaker on Surveillance at the 27th Annual Hazards Research and Applications Workshop, July 16, 2002, Boulder, CO.
54. Invited speaker on Surveillance at the DTRA BDI Surveillance Working Group Meeting, July 18, 2002, Alexandria, VA.
55. Invited speaker on Biological Agents of Military and Terrorist Significance at the VA Health Information Management (HIM) Annual Conference, September 26, 2002, San Francisco, CA.
56. Invited speaker on Atypical Mycobacterium at the Fellows' Core Course, University of Cincinnati, October 4, 2002, Cincinnati, OH.
57. Invited speaker on Surveillance at the 4th International Conference on Preparedness through Partnership: Integrating Medical Mass Care Management in a WMD Incident, St. Petersburg, FL, January 26-28, 2003.
58. Invited speaker on Smallpox, The Disease and Pre-Event Vaccination at the Nurse Executive Council, Cincinnati, OH, January 31, 2003.
59. Invited speaker on Biological Threat Interrogatories and VA Smallpox Plan, VA Emergency Management Strategic Healthcare Group Meeting, Reno, NV, March 13, 2003.
60. Invited speaker on Neural Network at the Society for Healthcare Epidemiology of America's Annual Meeting, Arlington, VA, April 7, 2003.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

61. Invited speaker on Infection Control at the Association of Professionals in Infection Control and Epidemiology 's 30 Annual Education Conference, San Antonio, June 11, 2003.
62. Invited speaker at the CDC sponsored Antimicrobial Resistance Conference, Bethesda, MD, June 23, 2003.
63. Invited speaker on scabies at the National Occupational Research Agenda 2003 Symposium, Arlington, VA, June 24, 2003.
64. Invited speaker on Hepatitis C at the Phoenix VA Medical Center's Grand Rounds, Phoenix, AZ, August 6, 2003.
65. Invited speaker on Bioterrorism, Past, Present, and Future given to the University of Cincinnati Summer Undergraduates, Cincinnati, OH, August 15, 2003.
66. Invited speaker on Epidemiological Surveillance Software at the 2003 Environmental Protection Agency's Local Emergency Planning Committee Region 7 Conference, Omaha, NE, August 23, 2003.
67. Invited speaker on Tuberculosis to the University of Cincinnati Internal Medicine Residents at the Cincinnati VA Medical Center, Cincinnati, OH, September 11, 2003.
68. Invited participant on Specific Diseases/Conditions. Etiology, Transmission, Diagnosis, Management, Records at the Health Information Management Service meeting at the Cincinnati VA Medical Center, Cincinnati, OH, September 18, 2003.
69. Invited speaker on an Overview of Tuberculosis in the VA at the Federal TB Task Force meeting, Washington, DC, September 24, 2003.
70. Invited speaker on Nosocomial Infections Healthcare Associated Infections at the Infectious Diseases Fellows Core Course, University of Cincinnati, Cincinnati, OH, October 17, 2003.
71. Invited speaker on Surgical Site Infections – Incidence, Impact, Evidence-Based Interventions Toward a Safety Culture: Reducing Nosocomial Infections at the Agency for Healthcare Research and Quality's Kick-Off Meeting, Cincinnati, OH, November 17, 2003.
72. Invited Speaker on Infection Control, Infectious Diseases: West Nile, Lyme, Hepatitis B and Tuberculosis, and Infection Control: Implementation Strategies at the American Federation of Government Employees Safety Conference in Las Vegas, NV, January 13, 2004.
73. Invited speaker at the Cincinnati Bar Association's Health Care Law Committee Meeting on Emerging Diseases: It's a Small World, Cincinnati, OH, February 3, 2004.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

74. Invited speaker at University of Rochester. Applications and Field Deployment of Detection Technologies: What is the Need and What are the Technology Requirements? Rochester, NY, June 3, 2004.
75. Invited speaker: Perspectives on Biodefense: Science, Politics and Practice. 2004
76. Invited speaker. Tuberculosis: Then and Now, Xavier University, Cincinnati, OH, November 3, 2004.
77. Invited panelist, Workshop on Respiratory Protection for Airborne Infectious Agents (CDC) Stakeholders Meeting, November 30-December 1, 2004.
78. Invited speaker on Leishmaniasis at VISN 5 Educational Conference “Caring for Veterans Returning from Recent Conflicts,” Linthicum Heights, MD, December 7, 2004.
79. Invited participant, National Biosurveillance Information System Source Selection Committee for conceptual design development
80. Invited participant at meeting to review grant proposals (Design Phase) for the National Biosurveillance Integration System, Washington, D.C. June 15, 2004
81. Invited for poster presentation on National Bioterrorism Surveillance at the “Perspectives on Biodefense: Science, Politics and Practice” Conference sponsored by the University of Cincinnati, Cincinnati, OH, October 29-30, 2004
82. Invited speaker on Caring for Veterans returning from Recent Conflicts –Leishmaniasis, Maritime Institute, Linthicum, MD, December 7, 2004.
83. Invited speaker on Overview of TB in VHA, Advisory Council on Elimination of Tuberculosis (ACET), Bethesda, MD February 10, 2004.
84. Invited speaker on VA Flu Vaccine Issues 2005-2006, Briefing for Dr. Perlin, VACO, Washington DC, March 29, 2005.
85. Invited speaker on Atypical Mycobacterium, infectious Diseases Fellows Core Course, University of Cincinnati, OH, April 15, 2005.
86. Invited speaker on VA Health Care, Public Health Surveillance and National Electronic Medical Record System – PHIN Conference, Atlanta, GA, May 10, 2005.
87. Invited speaker on SPD-Infectious Diseases, American Society Healthcare Central Service Professionals Conference, Albuquerque, NM, September 21, 2005.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

88. Invited speaker on Hospital Acquired Infections, Fellows Core Course, University of Cincinnati, OH, October 21, 2005.
89. Invited speaker on Emerging Diseases, "It's a Small World", Dr. Grossman's Honor class, Xavier University, Cincinnati, OH, October 31, 2005.
90. Invited speaker on SPD Site Visits & Survey Findings, National Leadership Board Meeting, Arlington, VA, March 22, 2006.
91. Invited speaker on Pandemic Flu, Director's Staff Meeting, VAMC, Cincinnati, OH, April 2, 2006.
92. Invited speaker on VHA TB Update, Federal TB Task Force Meeting, Washington, DC, May 9, 2006.
93. Invited speaker on Emerging Infection: Old Infection, New Problem Hand Hygiene, Institute of Medicine (IOM), Washington, DC, May 10, 2006.
94. Invited speaker on SPD Update, National Leadership Board Meeting, Washington, DC, May 16, 2006.
95. Invited speaker on VHA Biosurveillance working with CDC's BioSense, Toward Electronic Patient Record (TEPR) conference, Atlanta, GA, May 22, 2006.
96. Invited speaker on Infection Prevention, SOARS audio call, July 11, 2006.
97. Invited speaker on Public Health Reporting, HIMS audio conference, July 11, 2006.
98. Invited speaker on SPD National Reorganization, Self-Assessment Survey Findings, and Other SPD Activities/Issues, SPD Seminar, Pittsburgh, PA, July 18, 2006.
99. Invited speaker on Engineering Opportunities-Infection Prevention and Control Issues, Engineering Conference, Orlando, FL, August 17, 2006.
100. Invited speaker on SPDL National Prospective and Self-Assessment Survey Results, SPD Managers Training, Phoenix, AZ, August 22, 2006.
101. Invited speaker on Point Prevalence for Nursing Home Associated Infection, Under Secretary's Coordinating Committee on Quality & Safety (USCCQS), Washington, DC, September 6, 2006.
102. Invited speaker on Infection Prevention, RN Class, Xavier University, October 10, 2006.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

103. Invited speaker on Emerging Diseases: “It’s a Small World”, Dr. Grossman’s Honor class, Xavier University, Cincinnati, OH, October 30, 2006.
104. Invited speaker on SPD Update, Clinical Logistics Officers (CLO) meeting, Washington DC, October 31, 2006.
105. Invited speaker on VHA Biosurveillance: BioSense, American Military Surgeons of the United States (AMSUS), San Antonio, TX, November 7, 2006.
106. Invited speaker on Surgical Site Infections, Fellows Core Course, University of Cincinnati, OH, December 15, 2006.
107. Invited speaker on SPD Tool Assessment and MRSA Initiative, USCCCQS meeting, Washington, DC, March 7, 2007.
108. Invited speaker on SPD, SPD New Managers Meeting, Cincinnati, OH, March 27, 2007.
109. Invited speaker on rates and Plans for MRSA Prevention Initiative Nationwide: *Staphylococcus aureus* (MRSA) in U.S. Department of VA Medical Centers, Society of Healthcare Epidemiologists of America (SHEA), Baltimore, MD, April 16, 2007.
110. Invited speaker on Rates Nationwide: Methicillin/Oxacillin-Resistant *Staphylococcus aureus* (MRSA) in U.S. Department of VA Medical Centers, MRSA Summit, Pittsburgh, PA, May 2-3, 2007.
111. Invited speaker on SPD Observational Tool and SPD Update, CLO Meeting, Seattle, WA, May 9, 2007.
112. Invited speaker on SPD Observational Tool and SPD Update, CLO Meeting, Seattle, WA, May 9, 2007.
113. Invited speaker on SPD Observational Tool, NLB Meeting, Washington, DC, May 12, 2007.
114. Invited speaker on Biosurveillance: Utilizing Data to Inform National Policy, TEPR, Dallas, TX, May 21, 2007.
115. Invited Speaker on SPD Updates, SPD Seminar, Detroit, Michigan, June 5, 2007
116. Invited Speaker on Infectious Diseases Update, VASPID meeting at the IDSA Conference, San Diego, CA, October 6, 2007.
117. Invited Speaker on Infection Prevention, Xavier University RN class, Cincinnati, OH, October 9, 2007.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

118. Invited Speaker on User Perspective, Surveillance Roundtable, US Institute for Health Studies, Washington, DC, October 19, 2007.
119. Invited Speaker on MRSA in LTC, MRSA Prevention Forum, Orlando, FL October 31, 2007.
120. Invited Speaker on Infectious Diseases, AMSUS Annual Convention, Salt Lake City, UT, November 11, 2007.
121. Invited Speaker on Emerging Diseases, Grossman's Honor Class, Xavier University, Cincinnati, OH, November 19, 2007.
122. Invited Speaker on Healthcare-Associated Infections, University of Cincinnati Infectious Diseases Core Course, Cincinnati, OH, December 7, 2007.
123. Invited Speaker on Point Prevalence for Nursing Home Associated Infections, Long Term Care Conference, Las Vegas, NV, January 15, 2008.
124. Invited Speaker on Employee Health Healthy Professionalism, Long Term Care Conference, Las Vegas, NV, January 17, 2008.
125. Invited Speaker on MRSA in the Nursing Home Setting, Long Term Care Conference, Las Vegas, NV, January 17, 2008.
126. Invited Speaker on Norovirus, AFGE National VA Council Safety Training, Las Vegas, NV January 17, 2008.
127. Invited Speaker on Influenza Vaccination & Healthcare SARS, Avian & Pandemic Flu, AFGE National VA Council Safety Training, Las Vegas, NV, January 17, 2008.
128. Invited Speaker, "Sexually Transmitted Infections" at the Institute of Federal Healthcare's Round Table" Washington, DC, June 27, 2008.
129. Invited Participant and speaker at "Emerging Infectious Diseases in-Theater: Risks and Mitigation". The Institute of Federal Health Care Interactive Round Table, Washington, DC, June 5, 2009.
130. Oral Presentation "Moving Healthcare Systems to Action, "Health Management Academy Healthcare-Associated Infections Workshop, Dallas, TX, Oct. 27, 2009.
131. Invited speaker, "Infection Prevention and Control" Xavier University, Cincinnati, OH October 28, 2009.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

132. Invited speaker, “Emerging and Re-Emerging Diseases: It’s a Small World” Xavier University, Cincinnati, OH, December 7, 2009
133. Invited speaker, “VA Healthcare-Associated Activities/Initiatives” HHS Healthcare-Associated Infections Steering Committee, Washington, DC, Dec. 9, 2009.
134. Invited speaker, “Healthcare-Associated Infections ID Core Course, University of Cincinnati, December 18, 2009.
135. Invited speaker, “Healthcare-Associated Infections” for Grand Rounds, University of Cincinnati, January 27, 2010.
136. Invited speaker, “Emerging and Re-emerging Infections” for Xavier University, Cincinnati, Ohio, April 23, 2010.
137. Invited Speaker: Infectious Diseases Policy in the Healthcare Setting, UC Public Health Policy, Cincinnati, OH, May 10, 2010
138. Healthcare Associated Infections – UC Alumnae, Cincinnati, OH May 14, 2010
139. Invited Speaker: Infection Prevention, Xavier University, Cincinnati, OH, September 29, 2012
140. Invited Speaker: New Executive Training Conference, Chief of Staff Section, Infectious Diseases Program Office, Washington, DC, December 9, 2010
141. Invited Speaker: Office of Clinical Compliance and Consultation Kick-Off Meeting, Atlanta, GA, January 31, 2011
142. Invited Speaker: Infectious Diseases Policy in the Healthcare Setting, UC Public Health class, Cincinnati, OH, May 11, 2011
143. Invited Speaker: Emerging and Re-Emerging Diseases, “It’s a Small World”, Xavier, University, Cincinnati, OH, February 24, 2012
144. Invited Speaker: New Executive Training Program, Chief of Staff Session: National Infectious Diseases Service, Washington, DC, February 27, 2012.
145. Invited Speaker Infectious Diseases Policy in the Healthcare Setting, UC Public Health class, Cincinnati, OH, April 11, 2012
146. Invited Speaker: Antimicrobial Stewardship: Dimensions in APN Practice, Cincinnati, OH,

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

September 20, 2012

147. Invited Speaker: Mew Executive Training Program, Chief of Staff Session: National Infectious Diseases Service, Washington, DC, Washington, DC, September 11, 2013.
148. Moderator, Panel 3: Microbes and Human Health: The direct effects of these communities on our health at the American Association for the Advancement of Science Symposium on the Microbiomes of the Build Environment in collaboration with the Sloan Foundation, Washington, D.C., March 27, 2014.
149. Panelist, Panel 5: State of the Field, and the Future. Panel discussion on future directions at the American Association for the Advancement of Science Symposium on the Microbiomes of the Build Environment in collaboration with the Sloan Foundation, Washington, D.C., March 27, 2014.
150. Panelist, Stakeholder Forum on Antimicrobial Resistance (S-FAR), convened by Infectious Diseases Society of America, Inaugural Meeting. Oct 9, 2014, Philadelphia, PA.
151. Moderator, Session IV, “Ethical and logical challenges of treatment implementation: What works; what doesn’t work; what more needs to be done?”, Institute of Medicine Forum on Microbial Threats “The Ebola Epidemic in West Africa” Workshop, March 24-25, 2015.
152. Invited participant, American Society for Microbiology Built Environment Colloquium, Washington, DC, September 9, 2015.
153. Invited participant, Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria Public Meeting, Washington, DC, September 13-14, 2017.
154. Invited participant, National Academies Legionella Project Committee, Washington, DC, February 7-9, 2018.
155. Invited participant, Legionella Conference, Managing Legionella and Pathogenic Microorganisms that Colonize Plumbing, May 9-11, 2018.
156. Invited Speaker, 2018 Las Vegas Legionella Summit, Las Vegas, Nevada, July 12, 2018.
157. Invited Speaker, Infectious Diseases, Xavier, University, Cincinnati, OH, October 10, 2018.
158. Invited Speaker, Fourth Meeting of the National Academies Legionella Project, Washington, DC, October 22, 2018.
159. Invited Speaker, Antibiotic Stewardship Panel, Centers for Medicare and Medicaid Services, Partnership for Patients All Partners Meeting, Baltimore, MD, October 23, 2018.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

160. Invited Speaker, Infection Prevention and Control, Xavier School of Nursing, Xavier University, Cincinnati, OH, October 31, 2018.
161. Invited Speaker, Presentation to the Department of Veterans Affairs Designated Agency Safety and Health Official on vaccination and measles, August 13, 2019.
162. Invited Speaker, Infection Prevention and Control, Xavier School of Nursing, Xavier University, Cincinnati, OH, October 28, 2019.
163. Invited Speaker, Infectious Diseases, Xavier University, Cincinnati, OH, December 2, 2019.
164. Invited Speaker, Presentation to the Department of Veterans Affairs Designated Agency Safety and Health Official on the Novel Coronavirus, February 5, 2020.
165. Invited Speaker, Department of Veterans Affairs, Employee Occupational Health Grand Rounds Presentation on Travel Related Guidance and Vaccines, May 14, 2020.
166. Invited Lecturer, Division of Infectious Diseases, University of Cincinnati, ID Fellows Core Course on Bioterrorism, Cincinnati, OH, June 12, 2020
167. Invited Speaker, American Federation of Government Employees (AFGE) National VA Council (NVAC) 2021 Health & Safety Conference, held virtually April 19-22, 2021
168. Invited Lecturer, Division of Infectious Diseases, University of Cincinnati, ID Fellows Core Course on Bioterrorism, Cincinnati, OH, January 21, 2022

FUNDING (Current and Past):

RRAGS - Principal Investigator
Merit Review - Principal Investigator
NIAAA (RO1) - Principal Investigator
NIAID, Mycoses Study Group - Contract
VA Coop Studies (No. 275) - Co Director, Immunology Laboratory
Developmental Program Project for Health Services, Research and Development (HSR&D),
Principal Investigator, 1997 – 1999
Centers for Disease Control and Prevention, Operational Support
Department of Homeland Security, Operational Support
Department of Homeland Security, National Biosurveillance Integration Center – Project Support

 111. Roselle GA, Danko LH, Simbartl LA, Kralovic SM. Creutzfeldt-Jacob Disease (CJD): A longitudinal, six-year review of CJD in the Veterans Health Administration (VHA). Presented at the 14th Annual Scientific Meeting of the Society for Healthcare Epidemiology of America, April 17-20, 2004, Philadelphia, PA.
 112. Kralovic SM, Danko LH, Simbartl LA Roselle GA. Correlating Tuberculin Skin Test (TST) Conversion Event Rates in Employees with *Mycobacterium tuberculosis* disease (Mtb) in Veterans Health Administration (VHA) Medical Centers Nationwide. Presented at the 14th Annual Scientific Meeting of the Society for Healthcare Epidemiology of America, April 17-20, 2004, Philadelphia, PA.
 113. Danko LH, Kralovic SM, Simbartl LA, Roselle GA. Correlating two-step tuberculin skin test (TST) positivity rates in new employees with *Mycobacterium tuberculosis* disease (Mtb) in Veterans Health Administration (VHA) Medical Centers nationwide. Presented at the 31st Annual Educational Conference and International Meeting of the APIC Conference, June 6-9, 2004, Phoenix, AZ.
 114. Roselle GA, Danko LH, Kralovic SM, Simbartl LA. Interim Results of a Creutzfeldt-Jacob Disease (CJD) Lookback Program in the Veterans Health Administration (VHA), Presented at Infectious Diseases Society of America (IDSA) 2004, Sept 30-Oct 3, 2004, Boston, MA.
 115. Roselle GA, Danko LH, Kralovic SM, Simbartl LA. Interim Results of a Creutzfeldt-Jacob Disease (CJD) Lookback Program in the Veterans Health Administration (VHA), Presented at the Perspectives of Biodefense Conference, October 29-30, 2004, Cincinnati, OH.
 116. Kralovic SM, Danko LH, Simbartl LA Roselle GA. *Clostridium difficile* infection in VA Medical Centers Nationwide. Oral presentation at SHEA 2005, April 9-12, 2005, Los

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

Angeles, CA.

117. Roselle GA, Danko LH, Kralovic SM, Simbartl LA. Five-year review of Aspergillus ICD-9-CM Coded Infection in the Department of Veterans Affairs, Veterans Healthcare System. Presented at the 32nd Annual APIC Conf., June 19-23, 2005, Baltimore, MD.
118. Roselle GA, Lombardo JS, Quinn JF, Kralovic SM. "Expanding the Circle of Contacts: Nationwide Implementation of the Electronic Surveillance System for the Early Notification of Community Epidemics (ESSENCE IV) within the Veterans Health Administration" for the Fourth Syndromic Surveillance Conference of the International Society for Disease Surveillance, September 2005, Seattle, WA.
119. Kralovic SM, Simbartl LA, Danko LH, Roselle GA. Methicillin/Oxacillin Resistant *Staphylococcus aureus* (MRSA) Nationwide in Department of Veterans Affairs (VA) Medical Centers. Presented at 16th Annual Scientific Meeting of the Society for Healthcare Epidemiology of America, March 18-21, 2006, Chicago, IL
120. Roselle GA, Simbartl LA, Danko LH, Kralovic SM. *Clostridium difficile* and Associated Colectomy Surgeries Nationwide within the U.S. Veterans Health Administration (VHA) Review from 1994-2004. Presented at the 2006 International Conference on Emerging Infectious Diseases, March 19-22, 2006, Atlanta, GA.
121. Danko LH, Simbartl LA, Osburn B, Kralovic SM, Roselle GA. A Nationwide Survey of Sterile Supply, Processing and Distribution (SPD) Services within Department of Veterans Affairs (VA) Medical Facilities. Presented at the 33rd Annual Education Conference & International Meeting of the Association for Professionals in Infection Control and Epidemiology (APIC), June 11-15, 2006, Tampa, FL.
122. Roselle G, Jain R, Kralovic S, Simbartl L. Rates and Plans for MRSA Prevention Initiative Nationwide: Methicillin/Oxacillin-resistant *Staphylococcus aureus* (MRSA) in U.S. Department of Veterans Affairs (VA) Medical Centers. Presented at the 17th Annual Scientific Meeting of the Society for Healthcare Epidemiology of America (SHEA), April 14-17, 2007, Baltimore, MD
123. Danko L, Kralovic S, Simbartl L, Roselle G. Pneumonia Nationwide in Veterans Health Administration (VHA) Medical Centers: 1997-2005. Presented at the 34th Annual Education Conference & International Meeting of the Association for Professionals in Infection Control and Epidemiology (APIC), June 24-28, 2007, San Jose, CA.
124. Roselle G, Danko L, Simbartl L, Kralovic S. Electronic Records and Tools Assist Outcomes Analysis: A Look at Pneumonia in VHA and Correlation with Performance Measure of Pneumococcal Immunization. Presented at the VHA eHealth University (VeHU), August 21-23, 2007, Orlando, Fl.

CURRICULUM VITAE - GARY A. ROSELLE, M.D.

125. Gamage S, Kralovic S, Simbartl L, Roselle G. *Clostridium difficile* and Organ-Transplantation at Veterans Health Administration (VHA) Facilities – National Data from 1994-2006. Presented at the 45th Annual Meeting of the Infectious Diseases Society of America (IDSA), October 4-7, 2007, San Diego, CA
126. dePerio MA, Tsevat J, Roselle GA, Kralovic SM, Eckman MH. “The Cost-Effectiveness of Interferon-gamma Release Assays vs. Tuberculin Skin Tests for Detecting Latent Tuberculosis Infection in Healthcare Workers” 45th Annual Meeting of the Infectious Diseases Society of America, October 2007, San Diego, CA.
127. Tsan L, Davis C, Pierce J, Gaynes R, Montgomery O, Gibert C, Hojlo C, Bradley S, Langberg R, Danko L, Roselle G. Prevalence of Nursing Home-Associated Infections in the Department of Veterans Affairs Nursing Home Care Units. Presented at the 135th Annual American Public Health Association Meeting & Expo, November 3-7, 2007, Washington, DC. (Abstract published).
128. Gamage SD, Danko LH, Kralovic SM, Simbartl LA, Roselle GA. A Creutzfeldt-Jakob Disease (CJD) Lookback Program in Veterans Health Administration (VHA) Facilities. Presented at the 18th Annual Scientific Meeting of the Society for Healthcare Epidemiology of America (SHEA), April 5-8, 2008, Orlando, Florida.
129. dePerio M, Tsevat J, Roselle G, Kralovic S, Eckman M. Cost-Effectiveness of Interferon- γ Release Assays vs. Tuberculin Skin Tests in Healthcare Workers. Presented at the International Union Against Tuberculosis and Lung Disease Meeting, San Diego, California, February 2008.
