

CHARLETA GUILLORY, MD, MPH, FAAP

CURRICULUM VITAE

I. GENERAL BIOGRAPHICAL INFORMATION

A. Personal

1. Charleta Guillory, MD, MPH, FAAP
2. Citizenship: United States

B. Education

1. Undergraduate
University of Southwestern Louisiana, Lafayette, Louisiana; BS Biology, 1965-1969.
2. Medical or Graduate
 - a. University of Texas School of Public Health, Houston, Texas, Thesis title: High Rate of Prematurity in African-American Women in Houston, Texas. Masters in Public Health-Division of Health Promotion and Behavioral Sciences, Advisor: Kay Bartholomew, EdD, MPH, 2015.
 - b. Louisiana State University Medical School, New Orleans, Louisiana, MD, 1971-1974.
 - c. Louisiana State University Medical School, New Orleans, Louisiana, Externship, Assimilated data for the Department of Obstetrics and Gynecology on "Toxemia in Pregnancy," 1972.
 - d. Louisiana State University/Southern University, Baton Rouge, Louisiana, 24 hours in a Masters of Science Program in Microbiology, 1969-1971.
 - e. Southern University, Baton Rouge, Louisiana, Graduate Assistant, Microbiology, 1969-1971.
3. Postgraduate Training
 - a. Fellowship, Robert Wood Johnson Health Policy Fellowship, Washington, DC, National Academy of Science and National Institute of Medicine, Grant Provided by the Robert Wood Johnson Foundation, Advisor-Senator John Breaux (D-LA), 1999-2000.
 - b. Fellowship, Neonatal-Perinatal Medicine, Baylor College of Medicine, Department of Pediatrics, Houston, Texas, Arnold J. Rudolph, MD, 1978-1981.
 - c. Residency, University of Colorado Medical Center, (3 months), Denver, Colorado, PL-3, 1977-1978.
 - d. Residency, Louisiana State University Affiliated Hospital Earl K. Long Hospital, Baton Rouge, Louisiana, PL-1, PL-2, PL-3, 1975-1978.

C. Academic Appointments

1. Current Faculty Position(s) at BCM
Professor of Pediatrics (tenured), Department of Pediatrics, Section of Neonatology, Baylor College of Medicine, Houston, Texas, 2022-Present.
2. Previous Faculty Position(s) at BCM
Associate Professor of Pediatrics, Department of Pediatrics, Section of Neonatology, Baylor College of Medicine, Houston, Texas, 2003-2022.
Assistant Professor of Pediatrics, Department of Pediatrics, Section of Neonatology, Baylor College of Medicine, Houston, Texas, 1981-2003.

3. Previous Faculty Appointments at Other Institutions (n/a)
4. Faculty Appointments at Other Institutions While at BCM
 - a. Director, Neonatal-Perinatal Public Health Program, Texas Children's Hospital, 2003-Present.
 - b. Medical Director, Level II Nurseries, Texas Children's Hospital, January 1994-January 2015.
 - c. Medical Director, Neonatal Intensive Care Unit (Levels II & III), Woman's Hospital of Texas, Houston, Texas, 1984-1994.

D. Other Advanced Training/Experience

1. Formal Sabbatical Leave
 - a. Robert Wood Johnson Health Policy Fellowship, Washington, DC. One of six awards given to physicians from the Institute of Medicine of the National Academy of Sciences for Outstanding Health Science Professionals. As a recipient of the award, served as a legislative assistant in the United States Senate (office of Senator John Breaux D-LA) playing a senior role in developing and promoting health legislation and policy, 1999-2000.
2. Other Specialized Training Following Academic Appointment
 - a. ECMO Clinician, Texas Children's Hospital Neonatal ECMO Team, 2002-Present.
 - b. Neonatal Special Procedures Course, Baylor College of Medicine/Texas Children's Hospital Simulation Course, 2018-Present.
 - c. Leadership Training Course, Gallup Leadership Institute, Lincoln, Nebraska, 1999.
 - d. Congressional Fellowship Program, the American Political Science Association, Washington, DC, 1999.

E. Other Information

1. Honors or Awards
 1. Master Clinician Faculty Award for Excellence in Patient Care. Baylor College of Medicine's highest institution-wide honor for faculty contributions to patient care. It is awarded to active faculty members who have made stellar and enduring contributions over the course of their careers to the clinical mission of the institution. Baylor College of Medicine, March 2021.
 2. Houston's Top Doctors. H Texas Magazine, 2009-Present.
 3. Best Doctors[®] in America. Teledoc Health, Inc., 1996-Present.
 4. Norton Rose Fulbright Award for Faculty Excellence in Enduring Materials. Awarded by Baylor College of Medicine to faculty members whose contributions to the development of high quality, enduring educational materials have been used repeatedly over an extended period of time disseminated by educators, learner groups and others outside of the institution. Baylor College of Medicine, December 2020.
 5. Department of State Health Services (DSHS) Chair Appreciation Recognition. From Commissioner Hellerstedt and Associate Commissioner Dr. Manda Hall for outstanding public service as Chairwoman of the State Newborn Screening Advisory Committee from 2016-2019. Board Room, Moreton Building, DSHS, Austin, Texas, January 31, 2020.

6. Outstanding Alumni Award. Christiana-Smith African-American Chapter. Angelle Hall/UL Alumni Center, Louisiana State University at Lafayette, November 2, 2019.
7. Trailblazer Honoree. Celebrating and honoring woman who have positively impacted the community through leadership and public service. Houston Area Urban League, Houston Area Gala, Hilton Americas Hotel, Houston, Texas, June 15, 2019.
8. Certificate of Congressional Recognition.  70. Gender Equity Award Nominee. Baylor College of Medicine, 1996.
 71. March of Dimes (MOD) National Volunteer Honor Roll Award. In recognition of support of the Campaign for Healthier Babies. National March of Dimes, 1996.
 72. Mayor's Award for Outstanding Volunteer Service in Health. City of Houston, August 1996.
 73. Citizen of the Month. Houston Defender Newspaper, June 1996.
 74. Certificate of Appreciation. Center for Education at Rice University, the Rice Model Science Laboratory, May 1996.
 75. John P. McGovern Outstanding Teacher Award Nominee. Baylor College of Medicine, April 1996.
 76. First Female African American Graduate from Louisiana State University Medical School. *Who's Who in African-American Medical Pioneers*, Betz Publishing Company, 1994.
 77. Certificate of Appreciation for Development of the Level III Nurseries. Texas Woman's Hospital, June 22, 1986.
 78. National Medical Fellowship Award. Student American Medical Association, 1971-1974.
2. Board Eligibility/Certification
 - a. American Board of Pediatrics
 1. Neonatal-Perinatal Medicine, Re-certified, May 2010-Present.
 2. Neonatal-Perinatal Medicine, in Maintenance of Certification, 2010-Present.
 3. Neonatal-Perinatal Medicine, Lifetime Certification, October 1987.
 4. Pediatrics, Lifetime Certification, June 1981.

- b. American Heart Association and American Academy of Pediatrics
 - 1. Neonatal Resuscitation Provider, 2012-Present.
 - 2. Neonatal Resuscitation Instructor, 2010-2011.
- c. Fellow, American Academy of Pediatrics, September 1991.
- 3. Other Non-academic Positions
 - a. Health Campaign Advisor, Senator Elbert Lee Guillory (D-LA), May 2009.

II. RESEARCH INFORMATION

A. Research Support *Active Research*

1. **68349-1 Hemolytic Anemia Educational Booklet:** Funding for a family education booklet about hemolytic anemias, especially G6PD deficiency, to address the need for better educational materials for families with children who have hemolytic anemias.
Texas Pediatric Society Foundation
Grant
Principle Investigator
January 2022-January 2024
\$3000
2. **H-49068 It Takes a Village: A Project to Reach Mothers in Need**
BCM Addressing Inequitable Health Outcomes Affecting Underrepresented Minorities
Grant
Co-Principle Investigator
April 2021-April 2022
\$25,000

Completed Research Support

1. **Texas Pulse Oximetry Project 2 (TxPOP2):** A project to develop, educate, implement and evaluate a training program for health care providers in screening, reporting and referring for critical congenital heart disease (CCHD) in the Neonatal Intensive Care Unit.
Sub-Contract with University of Texas Health Science Center at San Antonio (UTHSCSA) through a grant with the Texas Department of State Health Services (DSHS)
Grant
Co-Principle Investigator
January 2014-September 2015
\$34,000 (UTHSCSA) (Direct Costs Entire Period)
2. **Texas Pulse Oximetry Project (TxPOP):** A project to develop, educate, implement and evaluate a training program for health care providers in screening, reporting and referring for critical congenital heart disease (CCHD) in the normal newborn.
Sub-Contract with University of Texas Health Science Center at San Antonio (UTSCSA) through a grant with the Texas Department of State Health Services (DSHS)
Grant
Co-Principle Investigator
July 2012-September 2013
\$81,000 (Direct Costs Entire Period)
3. **Training a New Generation of Pediatricians:** Developing an educational curriculum to transition NICU graduates to a medical home.

Fulbright and Jaworski Educational Fund of the Academy of Distinguished Educators
Grant

Principle Investigator

2010-2011

\$5,000 (Direct Costs Entire Period)

5. **Harris County Hospital and Universities National Children's Study (HC-HUNCS)**

Eunice Kennedy Shriver National Institute of Child Health and Human Development/
National Institutes of Health (NIH)

Grant

Director, Pediatric Core

September 2008- September 2013

5% of salary (Direct Cost for Entire Funding Period)

6. **P20 Crossing an Invisible Quality Chasm: From NICU to Ambulatory Care Failure Mode and Effect Analysis (FMEA) Team**

Agency for Healthcare Research and Quality (AHRQ)

Grant

Research Team Member

July 2007-August 2008

2% of salary (\$133,000); (Direct Cost for Entire Funding Period)

7. **R18-Safe Passages: A Toolkit to Ensure Quality Transitions from NICU to Ambulatory Care**

Agency for Healthcare Research and Quality (AHRQ)

Grant

Research Team Member

December 2008-December 2011

2% of salary (\$133,000); (Direct Cost for Entire Funding Period)

8. **24880-1 Back to Community Care 2006 CATCH (Community Access to Child Health) Implementation Funds Grant**

American Academy of Pediatrics

Grant

Principle Investigator

2006-2007

\$10,000 (Direct Cost for Entire Funding Period)

9. **Back to Community Care 2004 CATCH (Community Access to Child Health) Planning Funds Grant**

American Academy of Pediatrics;

Grant

Principal Investigator

2004-2005

\$10,000 (Direct Cost for Entire Funding Period)

10. **Development of an Infant and Fetal Mortality/Morbidity Review Board**

City of Houston & March of Dimes
Chart review
Co-Principal Investigator
2002-2010
No Direct Costs

11. **Robert Wood Johnson Health Policy Fellowship**

National Academy of Science and National Institute of Medicine and Robert Wood Johnson Foundation
Grant
Fellow
1999-2000
\$67,000 (Direct Cost for Entire Funding Period)

12. **Infant Mortality Update Quarterly Publication Newsletter**

March of Dimes
Grant
Co-Principal Investigator
1999-2000
\$14,410 (Direct Cost for Entire Funding Period)

13. **Infant Mortality Update Quarterly Publication Newsletter**

March of Dimes;
Grant
Co-Principal Investigator
1998-1999
\$14,410 (Direct Cost for Entire Funding Period)

14. **Infant Mortality Update Quarterly Publication Newsletter**

March of Dimes
Contract
Co-Principal Investigator
1997-1998
\$14,410 (Direct Cost for Entire Funding Period)

15. **A Smoking Cessation Intervention Program to Decrease the Incidence of Low Birth Weight Infants and Infant Mortality in 5th Ward, Houston, Texas**

March of Dimes
Grant
Principal Investigator
1996-1998
No Direct Costs

16. Infant Mortality Update, Quarterly Publication Newsletter

March of Dimes

Contract

Co-Principal Investigator

1996-1997

\$ 14,410 (Direct Cost for Entire Funding Period)

B. National Scientific and Professional Participation

1. Editorial Contributions
 - a. Editor-in-Chief, Journal of Pediatrics and Mother Care, Elyns Group, New Jersey, March 2017-2019.
 - b. Editorial Board Member, Journal of Pediatrics and Mother Care, Elyns Group, New Jersey, March 2016-March 2017.
2. Review Panels and Selection Committees, etc.
 - a. Annual Program Reviewer for Texas Pediatric Society Education Committee, responsible for development of the curriculum for the Texas Pediatric Society Annual Meeting, July 2019-Present.
 - b. Medical Student/Resident and Fellow Poster Review Panel, Texas Pediatric Society Education Committee, July 2019-Present.
 - c. AAP NICU Verification Program Surveyor, 2016-2020.
 - d. Member, Multicenter Prospective Study to Validate a Blood Screening Tool that Measures Conjugated Bilirubin Levels in Newborns, Neonatology, Gastroenterology and Surgery Departments, Texas Children's Hospital and Baylor College of Medicine, 2015-2019.
 - e. Member, Neonatology Subcommittee of the Pediatric Advisory Committee, Food and Drug Administration (FDA) Office of Pediatric Therapeutics, December 2012-Present.
 - f. Member, Joint Meeting of the Food and Drug Administration (FDA) Gastrointestinal Drugs Advisory Committee and the Pediatric Advisory Committee Meeting Announcement, Hilton Double Tree, Washington, DC, May 3, 2018.
 - g. Member, Tomorrow's Building Bright Futures Summit: A Policy Summit on Supporting Healthy Moms, Babies and Childhood Development, Joe C. Thompson Conference Center, University of Texas, Austin, Texas, December 6, 2017
 - h. Member, Newborn Screening Program X-ALD Consultants Meeting, Texas Department of State Health Services, Main Campus, Austin, Texas, August 21-22, 2017.
 - i. Member, National Newborn Screening for Critical Congenital Heart Disease: Texas Pulse Oximetry Project (TxPOP), United States Department of Health and Human Services, Health Resources Services Administration (HHS-HRSA) Critical Congenital Heart Disease (CCHD) Technical Assistance Work Group, Washington, DC, 2014-2015.
 - j. Member, Neonatal Opioid Withdrawal Syndrome, Risk Communication Advisory Committee, Food and Drug Administration (FDA), Silver Springs, Maryland, June 2015.

- k. Participant, CCHD Screening Algorithm Project, National Center on Birth Defects and Developmental Disabilities, Centers for Disease Control and Prevention, Atlanta, Georgia, June 2014.
 - l. Co-Chair Lead, National Research Neonatal Networks Terminology Harmonization Project, National Children’s Study, National Institutes of Health/National Institutes of Child Health and Human Development, 2012.
 - m. Participant/Stakeholder, National Research Networks Terminology Harmonization Project, National Children’s Study, National Institutes of Health/National Institutes of Child Health and Human Development, 2011-2012.
 - n. Appointed, Steering Committee, National Children’s Study, NIH Campus, Bethesda, MD, August 2010.
 - o. Reviewer, Title V Population Based Services to Improve Maternal and Children Health Status, Texas Department of State Health Services, 2006-2007.
 - p. Infant Mortality Task Force Data Initiative, Perinatal Periods of Risk Report Writing Group, March of Dimes-Sunny Futures Healthy Start Consortium, 2006-2010.
3. Professional Societies
- a. Academy of Pediatrics Perinatal Section
 - b. American Academy of Pediatrics, Fellow
 - c. Harris County Medical Society
 - d. Houston Pediatric Society
 - e. Mountain States Genetics Regional Consortium
 - f. National Medical Association
 - g. National Perinatal Association
 - h. Texas Medical Association
 - i. American Academy of Pediatrics-Texas Pediatric Society (AAP-TPS)
 - j. Texas Perinatal Association
4. Elected Positions
- a. American Academy of Pediatrics (AAP)
 - 1. **National Committee on Fetus and Newborn (COFN), July 2020-June 2026.**
COFN studies issues and current advances in fetal and neonatal care; makes recommendations regarding neonatal practice; collaborates with the American College of Obstetricians and Gynecologists (ACOG) to consider perinatal issues on which the practices of obstetrics and pediatrics merge and works cooperatively with ACOG on new editions of Guidelines for Perinatal Care. It’s mission is to improve health outcomes for the fetus and newborn by critically reviewing and synthesizing evidence on key topics into policy statements and reports for dissemination to Academy members and others working to improve perinatal outcomes; by encouraging further research when knowledge gaps exist and by providing expert collaboration with other agencies, organizations, and individuals that share our common goal of achieving the best outcomes for all children.
 - 2. Federal Government Affairs Committee (COFGA)–Access to Care Committee, July 2013-June 2019.
 - b. American Academy of Pediatrics (AAP)-Texas Pediatric Society (TPS)
 - 1. **Chapter Chair, 2022-2024**
 - 2. **Immediate Past-President, 2022-2023.**
 - 3. **President, 2021-2022**
 - 4. President-Elect, 2020-2021.

5. Executive Board, 2018-Present.
 6. Fetus and Newborn Committee, Co-Chair, 2006-2020.
 7. Education Committee, 2006-Present.
 8. Legislative Committee, 2006-Present.
 9. Delegate, Texas Medical Association, 2018-2020.
 10. Fetus and Newborn Committee, 1996-Present.
 11. Alternate Delegate, Texas Medical Association, 2017- 2018.
 12. Fetus and Newborn Committee, Consultant to the March of Dimes, 2002-2005.
 13. Obesity Task-Force, Ad-Hoc Committee, 2007.
 - c. Texas Medical Association (TMA)
 1. Member, Committee on Reproductive, Women’s and Perinatal Health, 2010-Present.
 2. Consultant, Reproductive, Women’s and Perinatal Health, 2017-Present.
 3. Interspecialty Society Committee, July 2018-Present
 - d. Harris County Medical Society (HCMS)
 1. Alternate Delegate, Texas Medical Association House of Delegates, 2010-2012
 2. Mini-Internship Program of the HCMS, 1996-2008.
 - e. Rice Women’s Mentorship Committee, Rice University, 1996-2007.
5. Invited Lectures, Presentations, Seminars
- a. International/National
 1. Dr. Diane Anderson Memorial Lecture: “Neonatal Advocacy: What Can We Do,” Dr. Diane Anderson Neonatal Nutrition Virtual Conference, Sponsored by Baylor College of Medicine, Houston, Texas, March 6, 2023.
 2. “Improving Critical Congenital Heart Disease (CCHD) outcomes by addressing Social Determinants of Health (SDoH) and Health Disparities,” Obstetrics and Neonatal Concurrent Session 1, Texas Collaborative for Healthy Mothers and Babies (TCHMB), AT&T Conference Center, Austin, Texas, February 17, 2023.
 3. “Health Disparities and the Honey Child Project,” Dr. Diane Anderson Neonatal Nutrition Virtual Conference, Sponsored by Baylor College of Medicine, Houston, Texas, March 7, 2022.
 4. “Screening of Critical Congenital Heart Disease (CCHD) in Texas,” Neonatal Concurrent Session 2: Incidence and Impact of CCHD in Newborns in Texas, Virtual Texas Collaborative for Healthy Mothers and Babies (TCHMB), Austin, Texas, February 17, 2022.
 5. “Health Inequities in Infant Mortality: What Does the Data Tell Us and What Can We Do? 2021 Temple Baylor Swan Conference Grand Rounds, Baylor Scott & White Medical Center, Temple, Texas, June 15, 2021.
 6. Panelist: “Newborn Survival: Achieving SDG 3.2 in less than 10 years,” Plenary Session of the Consortium Universities for Global Health (CUGH), Hosted by Rice 360 Institute for Global Health, Rice University, March 14, 2021.
 7. “Health Disparities and the Honey Child Project,” Dr. Diane Anderson Neonatal Nutrition Virtual Conference, Sponsored by Baylor College of Medicine, Houston, Texas, March 8, 2021.

8. Moderator: “Incorporating Health Equity Lens into Quality Improvement Projects to Address Racial/Ethnic Disparities,” Panel Discussion: Dewayne Pursley, MD, 2021 Texas Collaborative for Healthy Mothers and Babies Summit, AT&T Conference Center, Austin, Texas, February 11, 2021.
9. “Newborn Screening in Texas: When Every Minute Counts,” Genetic Series Grand Rounds, (Webinar) Collaboration of Early Childhood Intervention, Texas Health and Human Services and the University of Texas Center for Disability Studies, January 19, 2021.
10. “Health Disparities and the Honey Child Project,” Neonatal Nutrition Conference, Sponsored by Baylor College of Medicine, Sheraton Suites Near the Galleria, Houston, Texas, March 4, 2020.
11. Moderator and Speaker: “Experience in Addressing Health Disparities in a Hospital Setting,” Panel Discussion: Rachel R, Hardeman PhD, MPH and Jochen Profit, MD, 2020 Texas Collaborative for Healthy Mothers and Babies Summit, AT&T Conference Center, Austin, Texas, February 28, 2020.
12. “Maternal and Infant Mortality: What Does the Data Tell Us and What Can We Do?” Invited American Academy of Pediatrics (AAP) Panelist Congressional Briefing: First Focus on Children and the March of Dimes for a Congressional Briefing, Hosted by the Co-chairs of the Black Maternal Health Caucus, Congresswomen Lauren Underwood and Alma Adams, Cannon House Office Building, Washington, DC, November 19, 2019.
13. “Addressing Disparities in Pre-Term Births in African-American Women: Methods and Results of the Honey Child Project.” Visiting Professorship. The Endowed Berggren Lectureship, Maurer Center for Public Health, University of Nebraska Medical Center, Omaha, NE, October 17, 2019.
14. “Health Disparities and the Honey Child Project,” Neonatal Nutrition Conference, Sponsored by Baylor College of Medicine, Sheraton Suites Near the Galleria, Houston, Texas, March 4, 2019.
15. “Healthcare Finance in Texas for Children - Update,” American Academy of Pediatrics (AAP) - Federal Government Affairs-Sub-Committee on Access to Care, Washington, DC, February 24, 2019.
16. “Transitioning from NICU to a Medical Home,” 2019 Texas Collaborative for Health Mothers and Babies Summit, AT&T Conference Center, Austin, Texas, January 29-30, 2019.
17. Moderator: Strategies for Addressing the Biggest Health Threats Facing Moms and Babies, Presenter: Stacey Stewart, President of the March of Dimes, 2019 Texas Collaborative for Health Mothers and Babies Summit, AT&T Conference Center, Austin, Texas, January 29-30, 2019.
18. Facilitator: Neonatal Resuscitation Program, 2019 Texas Collaborative for Health Mothers and Babies Summit, AT&T Conference Center, Austin, Texas, January 29-30, 2019.
19. “Medicaid and CHIP in Texas Children - Update,” American Academy of Pediatrics (AAP)-Federal Government Affairs-Sub-Committee on Access to Care, Washington, DC, September 24, 2018.

20. “Strategies to Increase Breastfeeding in African-American Women,” National Institute for Children’s Health Quality (NICHQ), Houston Marriott West Loop, Houston, Texas, August 17, 2018.
21. Keynote Speaker, “Maternal Deaths in Houston,” March of Dimes National Board of Trustees and President, Stacey Stewart, University Museum at Texas Southern University, Houston, Texas, June 20, 2018.
22. Collaborative Workgroup Session: “Birth Health Equity,” The Prematurity Prevention Summit: Building a Birth Equity Movement, Renaissance Arlington Capitol View Hotel, Arlington, Virginia, May 22, 2018.
23. “How the Texas Collaborative for Healthy Mothers and Babies (TCHMB) is working to improve breastfeeding and human milk use in the Neonatal Intensive Care Unit.” Neonatal Nutrition Conference, Joint Sponsored by Texas Children’s Hospital and Baylor College of Medicine, Sheraton Suites Near the Galleria, Houston, Texas, March 7, 2018.
24. “Medicaid and CHIP in Texas Children - Update,” American Academy of Pediatrics (AAP)-Federal Government Affairs-Sub-Committee on Access to Care, Washington, DC, October 9, 2017.
25. “Current and Emerging Issues in Newborn Screening,” Mountain States Genetics Regional Collaborative Annual Conference, Salt Lake City, Utah, April 21, 2017.
26. “Increasing Breast Milk Use in the NICU-Texas Collaborative for Healthy Mothers and Babies (TCHMB).” Neonatal Nutrition Conference, Joint Sponsored by Texas Children’s Hospital and Baylor College of Medicine, Sheraton Suites Near the Galleria, Houston, Texas, March 8, 2017.
27. “Medicaid and CHIP in Texas Children - Update,” American Academy of Pediatrics (AAP)-Federal Government Affairs-Sub-Committee on Access to Care, Washington, DC, February, 27, 2017.
28. “March of Dimes-Folic Acid Update,” Invited Chair, 5th Annual World Congress of Food and Nutrition, Kaohsiung Exhibition Center Convention Center, Taiwan, November 18-20, 2016.
29. Moderator: “Point of Care Discussion” Newborn Screening Workgroup Meeting: Breakout Session, Mountain States Genetics Regional Collaborative, 2015-2016 Annual Meeting, Phoenix, Arizona, April 15, 2016.
30. “Access for Texas Children - Update,” American Academy of Pediatrics (AAP) - Federal Government Affairs-Sub-Committee on Access to Care, Washington, DC, March 19, 2016.
31. “Do All Babies Lives Matter.” Neonatal Nutrition Conference, Joint Sponsored by Texas Children’s Hospital and Baylor College of Medicine, Sheraton Suites Near the Galleria, Houston, Texas, March 6, 2016.
32. “Universal Health Care for Children,” American Academy of Pediatrics (AAP) - Federal Government Affairs-Sub-Committee on Access to Care, Washington, DC, May 30, 2015.

33. “An Educational Strategy to Implement Screening for Critical Congenital Heart Disease by Pulse Oximetry In Apparently Healthy Newborns: A Pilot Study in Texas.” Mountain States Genetics Regional Collaborative, 2012-2013 Annual Meeting, Phoenix, Arizona, April 23, 2015.
34. “Bridging the Cultural Divide for Health Disparities.” Neonatal Nutrition Conference, Joint Sponsored by Texas Children’s Hospital and Baylor College of Medicine, Sheraton Suites Near the Galleria, Houston, Texas, March 1, 2015.
35. “State of CHIP in Texas,” American Academy of Pediatrics (AAP)- Federal Government Affairs-Sub-Committee on Access to Care, Washington, DC, October 25, 2014.
36. “Status of Steroids Use in Texas,” Big 5 Conference, March of Dimes and Day Before Birth, Washington, DC, June 2-3, 2014.
37. “Health Disparities and Maternal Child Health” Neonatal Nutrition Conference, Joint Sponsored by Texas Children’s Hospital and Baylor College of Medicine, Sheraton Suites Near the Galleria, Houston, Texas, March 2, 2014.
38. “March of Dimes- Folic Acid Update,” 1st Annual World Congress of Nutrition and Health, Dalian International Convention Center, China, October 12-14, 2013.
39. “Texas Pulse Oximetry Project (TxPOP),” United States Department of Health and Human Services, Health Resources Services Administration (HHS-HRSA) Critical Congenital Heart Disease (CCHD) Technical Assistance Work Group, Newborn Screening and Genetics Program, Association of Public Health Laboratories, August 9, 2013.
40. “An Educational Strategy to Implement Screening for Critical Congenital Heart Disease by Pulse Oximetry in Apparently Health Newborns: A Pilot Study in Texas.” 2013 Joint Meeting of the Newborn Screening and Genetic Testing Symposium and the International Society for Neonatal Screening, Atlanta Marriott Marquis, Atlanta, Georgia, May 5-10, 2013.
41. “An Educational Strategy to Implement Screening for Critical Congenital Heart Disease by Pulse Oximetry in Apparently Healthy Newborns: A Pilot Study in Texas.” Mountain States Genetics Regional Collaborative, 2012-2013 Annual Meeting, Phoenix, Arizona, March 17-19, 2013.
42. “March of Dimes Big Steps to Prevent Prematurity.” Neonatal Nutrition Conference, Joint Sponsored by Texas Children’s Hospital and Baylor College of Medicine, Sheraton Suites Near the Galleria, Houston, Texas, March 3, 2013.
43. “Lessons Learned from Concurrent Sessions: Community-Based Programs,” Prematurity Prevention Symposium, Organized by the March of Dimes in collaboration with the American College of Obstetricians and Gynecologists, American Academy of Pediatrics, American Academy of Family Physicians, American College of Nurse Midwives, Association of Women’s Health, Obstetric and Neonatal Nurses, and Centers for Disease Control and Prevention (CDC), Omni Shoreham Hotel, Washington, DC, January 19-20, 2012.
44. “Honey Child,” Concurrent Session on Community-Based Programs, Prematurity Prevention Symposium, Organized by the March of Dimes in collaboration with the American College of Obstetricians and Gynecologists, American Academy of Pediatrics, American Academy of Family Physicians, American College of Nurse

Midwives, Association of Women’s Health, Obstetric and Neonatal Nurses, and Centers for Disease Control and Prevention (CDC), Omni Shoreham Hotel, Washington, DC, January 19-20, 2012.

45. “Preventing Premature Births-Victims of Neglectful Prenatal Care,” Protecting Children Conference, Hilton Hotel, Houston, Texas, April 26, 2010.
46. “Honey Child Program,” March of Dimes video presentation to the National March of Dimes Board of Trustees, February 25, 2010.
47. “Honey Child - A Faith-Based Intervention in the African-American Community to Decrease Prematurity,” Perinatal Disparities Health Conference, Sutter Health University, Sacramento, California, February 26, 2009.
48. “Prematurity: A Public Health Problem,” Oklahoma State Prematurity State Summit, Renaissance Tulsa Hotel, December 9, 2005.
49. “Infant Mortality and Prematurity in the United States,” University Hospital in Cairo, Egypt and conducted rounds with residents and faculty, Cairo, Egypt, June 29, 2005.
50. “Unintended Consequences of Health Policy Programs and Policies.” Invited Participant, Workshop Summary, Robert Wood Johnson Health Policy Fellowship Program, Institute of Medicine and the National Academy of Science, Washington, DC, August 22, 2000.
51. “Reaching Uninsured Children: Are Medicaid and SCHIP Doing the Job?” Robert Wood Johnson Fellows’ Breakfast Presentation, Institute of Medicine and the National Academy of Science, Washington, DC, July 12, 2000.
52. Keynote Speaker National March of Dimes Volunteer Leadership Conference, Washington, DC, October 1999.
53. “Reducing Perinatal and Neonatal Mortality – Review of Potential Interventions and Implications for Programs and Research”, Invited Participant, Sponsored by USAIDS’s Child Health Research Project: Johns Hopkins Family Health and Child Survival, The Harvard Applied Research on Child Health Project, the International Center for Diarrheal Disease Research, Bangladesh, the World Health Organization Department of Child and Adolescent Health and Development, and the International Clinical Epidemiology Network in collaboration with the Maternal and Neonatal Health Program at Johns Hopkins University. Johns Hopkins School of Public Health, May 10-12, 1999.

c. Regional

1. Critical Congenital Heart Disease: Current Texas Status – What can Pediatricians do? Texas Pediatric Society Annual Meeting, September 9, 2022.
2. “Newborn Screening in Texas: When Every Minute Counts,” Midwives Educational Summit, (Virtual) Texas Department of Licensing and Regulation, Austin, Texas, December 10, 2021.
3. CCHD Screening Compliance in Texas, Texas Collaborative for Healthy Mothers and Babies Executive Committee, October 4, 2021.
4. “A New Era in Newborn Screening: Spinal Muscular Atrophy,” Texas Pediatric Society Annual Meeting (Virtual), September 12, 2021.

5. “Health Disparities and Legislative Advocacy,” Neonatal Nutrition Fellows, Supported by the Maternal and Child Health Bureau/Health Resources and Services Administration, Department of Health and Human Services, Houston, Texas, June 15, 2021.
6. “Health Inequities in Infant Mortality: What Does the Data Tell Us and What Can We Do? Fetal Center Conference, Texas Children’s Hospital, Houston, Texas, May 20, 2021.
7. “A New Era in Newborn Screening: Spinal Muscular Atrophy,” Department of State Health Services Newborn Screening Grand Rounds, May 3, 2021.
8. “The “New” in Newborn Screening: X-linked Adrenoleukodystrophy,” Texas Pediatric Society Annual Meeting (Virtual), October 15-18, 2020.
9. Moderator, “Addressing Health Disparities,” Newborn Medicine Conference, Baylor College of Medicine Regularly Scheduled Conference, September 9, 2020.
10. Moderator and Presenter, “Hidden Biases in the Practice of Neonatology, Neonatology Ethics Series Conference, Baylor College of Medicine Regularly Scheduled Conference, August 20, 2020.
11. “Access to Healthcare for the Poor,” St. John Pope Paul II, Converging Roads, Houston, Texas, March 25, 2020.
12. “History of Infant Mortality in Texas,” Founder’s Award Luncheon honoring Dr. David Lakey former Commissioner of the Texas Department of State Health Services, Texans Care for Children, JW Marriott Downtown, Austin, Texas, March 5, 2020
13. “The Role of the Pediatrician in Recognizing and Managing Postpartum Depression, Texas Pediatric Society Annual Meeting, Renaissance Dallas at Plano Legacy West, Plano, Texas September 22, 2019.
14. “Postpartum Depression Screening in the NICU,” Texas Collaborative for Healthy Mothers and Babies Governance Discussion, University of Texas Conference Room, Austin, Texas, October 3, 2019.
15. “Care of the Newborn in the 1st Six Weeks of Life,” Midwives Educational Summit, Texas Department of Health and Human Services, Hurst Convention Center, Hurst, Texas, July 26, 2019.
16. “Transitioning Newborns from NICU to a Medical Home,” Texas Collaborative of Healthy Mothers and Babies, Texas Department of State Health Services, Austin, Texas, July 16, 2019.
17. “Future Conditions- Status Updates,” Newborn Screening Advisory Committee, Texas Department of Health and Human Services, Austin, Texas, July 12, 2019.
18. Keynote Speaker, “Economic Impact of Health Disparities on Black Infant and Maternal Mortality in Houston, Texas,” celebrating and honoring woman who have positively impacted the community through leadership and public service, Houston Area Urban League, Houston Area Gala, Hilton Americas Hotel, Houston, Texas, June 15, 2019.
19. “Health Disparities,” Neonatal Nutrition Fellows, Supported by the Maternal and Child Health Bureau/Health Resources and Services Administration, Department of Health and Human Services, Houston, Texas, May 2, 2019.

20. “The Role of the Pediatrician in Addressing Postpartum Depression,” Impacting Maternal and Prenatal Care Together (IMPACT), Dedra Shealy Maternal Mental Health Conference, The Council on Recovery, Houston, Texas, March 28, 2019.
21. Testimony on behalf of Texas Medical Association, Texas Pediatric Society, March of Dimes, Texas Public Health Coalition, “Creating the Newborn Screening Preservation Account,” Testimony in support of Senate Bill 748 to the Senate Health and Human Services Committee, State Capitol, Austin, Texas, March 5, 2019.
22. “Improving Statewide Newborn Screening,” Lobby Day Presentation, Texas State Capital, Austin, Texas, February 13, 2019.
23. “Advocating for Newborn Screening, Medicaid Expansion for Postpartum Care and Maternal Mortality,” March of Dimes Pre-Lobby Day Training Webinar Call, February 1, 2019.
24. “Academic Voice for Advocacy: The Perfect Mixed Panel,” American Academy of Pediatrics Advocacy Conference Workshop, Pavilion for Women, Texas Children’s Hospital, Houston, Texas, February 8, 2019.
25. “Newborn Screening Advisory Committee-Update,” Report to Committee on Reproductive, Women’s and Perinatal Health, Winter 2019 Meeting, Texas Medical Association, Hyatt Hill Country, January 25, 2019.
26. “Newborn Screening Medicaid Funding,” Newborn Screening Advisory Committee, Texas Department of Health and Human Services, Austin, Texas, January 23, 2019.
27. “Postpartum Depression – Screening and Referral,” Midwives Educational Summit, Texas Department of Health and Human Services, Austin, Texas, January 7, 2019.
28. “Maternal Mortality: Trickle Down Theory,” Uniting to Transform Health in Texas, Healthier Texas Summit, It’s Time Texas in collaboration with The University of Texas System in conjunction with Texas Health Improvement Network, AT&T Executive Education and Conference Center, Austin, Texas, October 25-26, 2018.
29. Panelist, “Maternal Health and Health Equity,” Uniting to Transform Health in Texas, Healthier Texas Summit, It’s Time Texas in collaboration with The University of Texas System in conjunction with Texas Health Improvement Network, AT&T Executive Education and Conference Center, Austin, Texas, October 25-26, 2018.
30. “Health Disparities and Maternal Infant Health,” Pediatric Grand Rounds, University of Texas Health Science Center at San Antonio, San Antonio, Texas, September 21, 2018.
31. Key Note Address, “Honey Child – New Beginnings: A Faith-Based Initiative,” Caring for Our Mothers: A Gathering of Faith, Family and Medicine, Center for Medical Humanities and Ethics, The Faith-Based Initiative of the City of San Antonio, University of Texas Health Science Center at San Antonio, San Antonio, Texas, September 20, 2018.
32. “All Things Being Equal: Disparities in Pediatrics and Women’s Health,” Texas Children’s Health Plan Grand Rounds, TCHP Bellaire, Bellaire, Texas, September 13, 2018.

33. “The Care and Feeding of Intestinal Rehabilitation in the Short-Gut NICU Graduate: Impact of Texas Collaborative (TCHMB),” Texas Pediatric Society Annual Meeting, Grand Hyatt San Antonio, San Antonio, Texas September 7, 2018.
34. “Promoting Sickle Cell Awareness Among Healthcare Professionals,” Sickle Cell Awareness Committee Meeting, Texas Health and Human Services, Texas Department of State Health Services, Moreton Building, Austin, Texas, July 27, 2018.
35. “Human Milk in the NICU,” Neonatal Nutrition Fellows, Supported by the Maternal and Child Health Bureau/Health Resources and Services Administration, Department of Health and Human Services, Houston, Texas, June 25, 2018.
36. “Health Disparities and Infant Mortality,” Preconception Pier Education Program Prairie View A&M University, Prairie View, Texas, April 21, 2018.
37. “Health Equity from the Start,” Perinatal Advisory Council, Texas Neonatal-Maternal Levels of Care Designation, Tomorrow’s Building Bright Futures Summit: A Policy Summit on Supporting Healthy Moms, Babies and Childhood Development, Joe C. Thompson Conference Center, University of Texas, Austin, Texas, December 6, 2017.
38. “The Pediatrician and Genetic Testing: New Test, New Knowledge, New Problems,” Texas Pediatric Society Annual Meeting, Renaissance Dallas at Plano Legacy West, Plano, Texas, October 7, 2017.
39. “How the Texas Collaborative for Healthy Mothers and Babies (TCHMB) is working to improve breastfeeding and human milk use in the Neonatal Intensive Care Unit?” Texas Children’s Pediatrics Grand Rounds, Texas Children’s Auditorium, Houston, Texas, August 18, 2017.
40. Testimony on behalf of Texas Medical Association, Texas Pediatric Society, March of Dimes, “Support Tobacco-Use-Age Bill for Women’s and Babies Health,” Testimony in support of House Bill 1908, Texas House of Representatives, State Capitol, Austin, Texas, March 28, 2017.
41. Requesting Funding for Newborn Screening for X-ALD, Testimony at the Texas Legislature on behalf of the March of Dimes, House Appropriations Subcommittee on Article II, as Chair, March of Dimes Texas Chapter State Public Affairs Committee, Capitol Building, Austin, Texas, February 23, 2017.
42. Speaker/educator, “Day at the Capitol Training: Newborn Screening Funding for X-ALD,” for volunteers participating in March of Dimes Lobby Day. She also advocated on matters related to newborn screening and women’s health postpartum care, Legislative Conference Room, Austin, Texas, February 15, 2017.
43. “Pediatric Primary Care and the NICU Graduate,” 2016 Texas Pediatric Society Annual Meeting, Hilton Austin, Austin, Texas, September 15, 2016.
44. “Honey Child: New Beginnings: Increasing Breast Milk Usage in African-American Women,” Texas Collaborative for Healthy Mothers and Babies (TCHMB) 2016 Annual Conference, JJ Pickle Research Center, Austin, Texas, November 16, 2016.
45. Testimony, March of Dimes Advocacy Outlook Programs Focused on Improving Birth Outcomes, Committee on Public Health, State of Texas House of Representatives, Austin, Texas, May 19, 2016.

46. Public Health Birth Outcomes Hearing, Testimony at the Texas Legislature on behalf of the March of Dimes, House Public Health Committee as Vice-Chair, March of Dimes Texas Chapter State Public Affairs Committee, Capitol Building, Austin, Texas, May 9, 2016.
47. Table Facilitator: “How to Get More Involved with the AAP and TPS/Texas Chapter of AAP”, AAP/TPS/TCH Combined Meeting, Texas Children’s Hospital, April 8, 2016.
48. “Impact and Outreach of TXPOP II,” Texas Pulse Oximetry Project II Regional Conference, Hyatt Hill Country, San Antonio, Texas, August 1, 2015.
49. Moderator “Health Disparities,” Department of State Health Services Healthy Texas Mothers & Babies Conference: A Clinical and Community Life Course Perspective, Omni Houston Hotel at Westside, Houston, Texas, June 22-24, 2015.
50. “Texas Collaborative for Healthy Mothers and Babies,” Department of State Health Services Healthy Texas Mothers & Babies Conference: A Clinical and Community Life Course Perspective, Omni Houston Hotel at Westside, Houston, Texas, June 22-24, 2015.
51. “Breastfeeding Promotion and Cultural Implications for Different Communities,” Department of State Health Services Healthy Texas Mothers & Babies Conference: A Clinical and Community Life Course Perspective, Omni Houston Hotel at Westside, Houston, Texas, June 22-24, 2015.
52. “High Rate of African-American Preterm Births in Texas.” Preconception Peer Educator Program, Office of Minority Health, Prairie view A&M University, Prairie view, Texas, March 15, 2015.
53. Speaker/educator, “Day at the Capitol Training: Importance of the Texas Birth Defects Registry,” for volunteers participating in March of Dimes Lobby Day. She also advocated on matters related to newborn screening and women’s health postpartum care, February 19, 2015.
54. “Bridging the Cultural Divide for the Pediatrician,” 2014 Texas Pediatric Society Annual Meeting, Westin Galleria Hotel, Dallas, Texas, September 19, 2014.
55. “The Expanded Newborn Screening Panel and Its Impact on Patient Care,” Baylor College of Medicine Perinatal Outreach Program’s 37th Annual Nursing Symposium, University of Houston-Hilton Hotel, October 25, 2013.
56. Testimony to the House Public Health Committee in support of HB15/CSHB 15, regarding the importance and impact of regionalization of neonatal intensive care units, March of Dimes State Chapter Public Affairs Committee, and Texas Pediatric Society Fetus and Newborn Committee, Capitol Building, Austin, Texas, March 13, 2013.
57. Testimony to the House Public Health Committee in support of HB 740/CSHB 740 regarding the importance of adding critical congenital heart disease screening to the Department of State Health Services uniform newborn screening panel, March of Dimes State Chapter Public Affairs Committee, and Texas Pediatric Society Fetus and Newborn Committee, Capitol Building, Austin, Texas, March 13, 2013.

58. "Lobby Day Training 2013: Access to Health Care for Pregnant Women and Infants," March of Dimes State Public Affairs Committee Representative, Lobby Day, Austin, Texas, February 13, 2013.
59. "Newborn Screening for Severe Combined Immune-Deficiency (SCID) in Texas," Baylor College of Medicine Department of Pediatrics Grand Rounds, Texas Children's Hospital, January 25, 2013.
60. Testimony to the Senate Health and Human Services Committee regarding the importance and impact of the Texas Birth Defects Registry, March of Dimes State Chapter Public Affairs Committee, and Texas Pediatric Society Fetus and Newborn Committee, Capitol Building, Austin, Texas, April 11, 2012.
61. "Honey Child," Prematurity: A Family Struggle and Community Crisis: The Devastating Effects of Prematurity on Houston's African-American Community, March of Dimes Health Disparity Summit. The Power Center: Jesse H. Jones Conference Center, February 28, 2012.
62. "Texas Pediatric Workforce: Performance, Policy and Practical Problems", Texas Pediatric Society Annual Meeting, Sugar Land Marriott Town Square, Sugar Land, Texas, September 22, 2011.
63. Testimony on Senate Bill 229 to the Senate Health and Human Services Committee regarding guaranteeing all babies born in Texas have equal access to hearing screening, as representative for the March of Dimes State Chapter Public Affairs Committee and Texas Pediatric Society Fetus and Newborn Committee, Capitol Building, Austin, Texas, May 22, 2011.
64. "Newborn Screening Disclosures," Physician Education Video, Texas Department of State Health Services Newborn Screening Video Production, Buckalew Media, March 2011.
65. "Texas Children's Hospital Newborn Screening Program," Stakeholder Meeting, Texas Newborn Screening Performance Measures Project, Texas Department of State Health Services, Texas Children's Hospital, January 2011.
66. "The Spitting up Baby and Meeting the Vitamin and Mineral Needs of Infants," Texas Pediatric Society Annual Meeting, Westin La Cantera Resort, San Antonio, Texas, November 5, 2010.
67. "National Children's Study Media and Community Outreach," University of Texas School of Public Health, Houston, Texas, August 2010.
68. "Preterm Births and Reducing Elective Deliveries," Impacting Maternal and Prenatal Care Together (IMPACT) Collaborative of Greater Houston, United Way, June 30, 2010.
69. Testimony on House Bill 1672 regarding the newborn screening policies and procedures related to disclosure required by Chapter 33, Health and Safety Code, to parents and guardians to the 81st Texas Legislature, as representative for the March of Dimes State Chapter Public Affairs Committee and Texas Pediatric Society Fetus and Newborn Committee, Capitol Building, Austin, Texas, May 17, 2010.
70. "The Honey Child Project," Improving the Quality of Perinatal Care For the Health of Texas, T. Boone Pickens Conference Center, The University of Texas Southwestern Medical Center, Dallas, Texas, May 5, 2010.

71. "Rising Rate of Prematurity," Texas Pediatric Society and Children's Hospital Association, Austin City Club, February 4, 2010.
72. "Late Preterm Births," Quality Improvement to Reduce Late Preterm Births, Prematurity Summit, March of Dimes Texas Chapter, Austin, Texas, February 2010.
73. "March of Dimes 2009 Premature Birth Report Card for Texas," Committee on Maternal and Perinatal Health, Texas Medical Association, January 30, 2010.
74. "NICU Transition Back to Community Care," Texas Pediatric Society Annual Meeting, Dallas, Texas September 10-13, 2009.
75. Testimony to the House Public Health Committee in Support of House Bill 1671 at the 81st Texas Legislature on behalf of the March of Dimes relating to mutual aid agreements for newborn screening laboratory services, as Chair, March of Dimes Texas State Chapter Public Affairs Committee and Co-Chair of the Texas Pediatric Society, Fetus and Newborn Committee, Capitol Building, Austin, Texas, March 10, 2009.
76. Testimony to the Agriculture and Live Stock Committee in support of House Bill 681 and 779 at the 81st Texas Legislature on behalf of the March of Dimes, "relating to signs posted at lakes warning of mercury levels and relating to point of purchase signs for fish and shellfish," as Chair, March of Dimes Texas State Chapter Public Affairs Committee and Co-Chair of the Texas Pediatric Society, Fetus and Newborn Committee, Capitol Building, Austin, Texas, March 10, 2009.
77. Speaker/educator, "Day at the Capitol Training: Newborn Screening Expansion in the State of Texas," for over 200 volunteers participating in March of Dimes Lobby Day. I developed an educational pamphlet and advocated for children on matters related to prematurity prevention, Texas birth defects registry, and funding for Medicaid and CHIP, February 12, 2009.
78. Testimony to the Senate Finance Committee in support of "DSHS exceptional item 11, which includes \$2.9 million for newborn screening for cystic fibrosis, and DSHS exceptional item 3, which includes \$1.9 million for the Texas Birth Defects Registry," as Chair, March of Dimes Texas State Chapter Public Affairs Committee, and Co-Chair of the Texas Pediatric Society, Fetus and Newborn Committee, Capitol Building, Austin, Texas, February 12, 2009.
79. "Disparity in the Neonate: It's Not Just Black and White," Pediatric Grand Rounds, University of Texas Health Science Center, San Antonio, Texas, June 13, 2008.
80. "Prematurity: Health Disparities," Texas Healthy Start Alliance's Annual Spring Conference, South Padre Island, Texas, January 18, 2008.
81. "Prenatal and Perinatal Roots of Childhood Obesity: Early Rapid Weight Gain: Potential Mechanisms," Obesity Task Force, Texas Pediatric Society Annual Meeting, Austin, Texas, August 24, 2007.
82. "State Newborn Screening Program Expansion Raises Questions," Department of Pediatrics Grand Rounds, Baylor College of Medicine, TCH Auditorium, June 15, 2007.
83. "On-Demand Delivery," March of Dimes 12th Annual Visiting Professorship in Nursing, University of Texas School of Nursing, Houston, Texas, April 2007.

84. "Late Preterm Infants: A Population at Risk," March of Dimes 12th Annual Visiting Professorship In Nursing, University of Texas School of Nursing, Houston, Texas, April 2007.
85. Speaker/educator, "Day at the Capitol Training: Newborn Screening Expansion in the State of Texas," for volunteers participating in March of Dimes Lobby Day. She also advocated on matters related to prematurity, immunizations, and funding for Medicaid and CHIP, March 12, 2007.
86. Testimony In Support of House Bill 657 at the 80th Texas Legislature on behalf of the March of Dimes to label cigarette signs with a warning that "cigarette smoking is a cause of prematurity," House Public Health Committee as Vice-Chair, March of Dimes Texas Chapter State Public Affairs Committee, Capitol Building, Austin, Texas, March 7, 2007.
87. Testimony In Support of Senate Bill 91 on behalf of the March of Dimes, Senate Committee on State Affairs as Vice-Chair, March of Dimes Texas Chapter State Public Affairs Committee, Capitol Building, Austin, Texas, February 26, 2007.
88. "March of Dimes Lobby Day Training Course Advocacy Agenda: CHIP/Medicaid, Birth Defects Registry, Newborn Screening Expansion, Cigarette Point of Sale Legislation," March of Dimes State Lobby Day, Austin, Texas, March 2006.
89. "Prematurity Prevention," Texas Pediatric Society Meeting, San Angelo, Texas, September 13, 2005.
90. "Newborn Screening," Baylor College of Medicine Perinatal Outreach Program's 29th Annual Nursing Symposium, University of Houston-Hilton Hotel, October 28th, 2005.
91. Presented testimony at the Texas State Capitol for the March of Dimes on House Bill 790 in support of newborn screening, April 7, 2005.
92. "Prematurity Campaign Kick-Off: Newborn Screening, Children's Health Insurance Program, Birth Defects Registry and Immunizations," Press Conference at the Texas State Capital, March of Dimes State Public Affairs Committee Representative, Lobby Day 2003, Austin, Texas, February 18, 2003.
93. "Lobby Day Training 2003: Birth Defects Registry," March of Dimes State Public Affairs Committee Representative, Lobby Day, Austin, Texas, February 18, 2003.
94. "Access to Health Care: Where do we turn?" Baylor Perinatal Outreach Program's Twenty-Sixth Annual Nursing Symposium at the Hilton Hotel on the University of Houston Campus, Houston, Texas, October 25, 2002.
95. "Town Hall Meeting on Fetal Alcohol Syndrome/Effects," Public Testimony for March of Dimes State Public Affairs Committee Representative, Sponsored by Fetal Alcohol Center for Excellence, Austin, Texas, June 21, 2002.
96. "Lobby Day Educational Training Program on Newborn Screening, Children's Health Insurance Program, Birth Defects Registry and Immunizations," Press Conference at the Texas State Capital, March of Dimes State Public Affairs Committee Co-Chair, Austin, Texas, March 9, 2005

97. Keynote Speaker, “Viewpoints: Ethical Challenges in Medicine,” presented by the Social Work Department at Texas Children’s Hospital, as part of their Annual Spring Ethics Conference, Texas Children’s Hospital, Houston, Texas, March 1, 2002.
98. Keynote Speaker, Arnold J. Rudolph 25th Annual Perinatal Symposium, Hilton University of Houston, November 2, 2001.
99. Keynote Speaker Annual Senior Awards Banquet, Texas Southern University College of Pharmacy and Health Sciences, Houston, Texas, May 1999.
100. “Testimony on Development of a State Plan for the Children’s Health Insurance Program (CHIP)” as advocate and Public Affairs Chair of the March of Dimes to Texas Department of Health Hearing, March and November 1998.
101. “Testimony on Development of a State Plan for the Children’s Health Insurance Program (SCHIP)” as advocate and Public Affairs Chair of the March of Dimes to Texas Pediatric Society, April 25, 1998.
102. “New State Data Releases on Infant Mortality in Texas,” Keynote Speaker, March of Dimes Motherhood and Apple Pie Day at the State Capitol, an advocacy day for mothers and babies, Austin, TX. February 19, 1997.
103. “Infant Mortality,” University of Texas School of Public Health Grand Rounds, March 14, 1996.
104. “The Importance of Black Health,” Guest Speaker, Texas Southern University, Texas Southern Enrichment Program Grand Rounds, December 6, 1995.
105. “Professional Relationships in the Nurseries,” St. Joseph’s Hospital, Medical Staff Grand Rounds, 1994.
106. “Anemia in the Newborn,” Grand Rounds, Department of Pediatrics, Texas Children’s Hospital, 1990.

D. Innovation and Commercialization

1. Patents
2. Device, Software or Other Development
3. Evidence of Impacting Health/Scientific Policy or Clinical Practice Guidelines
 - a. [Transitioning Newborns from NICU to Home Toolkit](http://www.ahrq.gov/professionals/systems/hospital/nicu_toolkit/index.html). Agency for Healthcare Research and Quality, Rockville, MD. This resource toolkit was created through collaborative efforts and partnerships among teams of investigators working on the "Safe Passages" project at Baylor College of Medicine; Texas Children's Hospital; Texas Children's Health Plan; University of Texas Houston; and the Veteran Affairs Hospital's doctors, local researchers, nurses, and hospital staff. This toolkit includes resources for hospitals that wish to improve safety when newborns transition home from their neonatal intensive care unit (NICU) by creating a Health Coach Program, tools for coaches, and information for parents and families of newborns who have spent time in the NICU. http://www.ahrq.gov/professionals/systems/hospital/nicu_toolkit/index.html. 2013
 - b. [Texas Pulse Oximetry Toolkit](https://txpeds.org/txpop). The Texas Pulse Oximetry Project (TxPOP), a joint educational effort from The University of Texas Health Science Center at San Antonio/Department of Pediatrics, Baylor College of Medicine/Department of Pediatrics and Texas Department of State Health Services, is an initiative to implement an educational program to improve readiness of CCHD screening in Texas. <https://txpeds.org/txpop>
4. Participation in Business Development and Commercialization
5. Other Activities

III. TEACHING INFORMATION

A. Educational Leadership Roles

1. Pediatric Elective Course Director, “Patient Advocacy” Clinical Rotation Elective (520-516E), Developed and Coordinate, Developed an elective module as part of the neonatal-perinatal medicine curriculum to address advocacy and implement public health policy for future physicians. The elective is intended to encourage students to expand and diversify their educational leadership experiences in advocacy and health policy. 2009-Present.
2. Public Health Practicum, University of Texas School of Public Health, 4-month elective. September 2021.

B. Didactic Coursework

1. Courses Taught at BCM Within the Primary Department
 - a. “Prematurity in the Texas NICU,” Neonatal Nutrition Fellows, 1-hour, biannually, 2016-Present.
 - b. Regional Instructor of Neonatal Resuscitation, American Heart Association and American Academy of Pediatrics, 1994-2010.
 - c. Patient, Physician and Society (PPS) Course, precept and teach neonatal/pediatric physical exam sessions, 1995-2005.
 - d. Bilirubin,” Pediatric Core Lecture, 1 hour every 3 months, 1995-1997.
2. Courses Taught at BCM External to the Primary Department
 - a. “Cultural Diversity and Sensitivity in Healthcare Course” Baylor College of Medicine, Block Course Elective, 1 hour every spring, 2007-2018.
 - b. “Honors Premedical Academy Lecture” Baylor College of Medicine/Rice University Preceptor Course, 1 hour every year, 1995-2010.
3. Courses Taught at Other Institutions While at BCM
 - a. “Current Child Health Issues,” University of Texas School of Public Health, 4 hours every semester. Spring 2003-2008.
 - b. “Current Child Health Issues,” University of Texas School of Public Health, 4 hours every semester. Spring 1996-Spring 1999.

C. Curriculum Development Work

1. Course(s)/Curricula to Which Contributions Have Been Made
2. Role in Course/Curriculum Development
3. Audience(s) for Course(s)/Curricula Developed
 - a. Texas Southern University, Advisory Committee, College of Pharmacy and Health Sciences, Graduate Program in Health Care Administration, 2003-2010.

D. Non-didactic Teaching While at BCM

1. Resident Training
 - a. 2 Residents @ 4 hours per day for 1 month a year -180 hours per year, 2015-Present.
 - b. 2 Residents @ 4 hours per day for 4 months a year -720 hours per year, 1994-2015
2. Clinical Fellow Training (221 since 1980)
 - a. Member, Scholastic Oversight Committee (SOC) for Johnae Snell, MD, Neonatal-Perinatal Medicine Fellow, Project: Promoting a Predominantly Mother’s-Own-Milk Diet in Very Low Birthweight Infants, 2021-2024.

- b. Member, Scholastic Oversight Committee (SOC) for Danielle Gonzales, MD, Neonatal-Perinatal Medicine Fellow, Project: Maternal Environmental Lead Exposure and Racial/Ethnic Disparity in Fetal Body and Brain Size, 2020-2023.
- 3. Research Fellow Training(N/A)
- 4. Graduate Student Training: (3 students)
- 5. Medical Student Mentoring: 29 Students

E. Faculty Development or Continuing Medical Education

- 1. Texas Pediatric Society, Education Committee, reviews program submissions and based on needs assessments, gap analysis, and attendee evaluations, develops course and program content for the annual meeting, 2006-Present.
- 2. Texas Department of State Health
 - a. External Physician Subject Matter Expert for Texas Healthy Steps (THSteps) Online Provider Education: Genetic Testing, Treating and Referral Module, Texas Healthy Steps Module for Physicians, 2021-2024.
 - b. External Physician Subject Matter Expert for Texas Healthy Steps (THSteps) Online Provider Education: Genetic Testing, Treating and Referral Module, Texas Healthy Steps Module for Physicians, 2018-2024.
 - c. External Physician Subject Matter Expert for Texas Healthy Steps (THSteps) Online Provider Education: Newborn Screening, Texas Healthy Steps Module for Physicians, 2018-2020.
 - d. External Physician Subject Matter Expert for Texas Healthy Steps (THSteps) Online Provider Education: Newborn Screening, Texas Healthy Steps Module for Physicians, 2016-2018.
 - e. External Physician Subject Matter Expert for Texas Healthy Steps (THSteps) Online Provider Education: Newborn Screening, Texas Healthy Steps Newborn Screening Module for Physicians, 2014-2016.
 - f. External Physician Subject Matter Expert for Texas Healthy Steps (THSteps) Online Provider Education: Newborn Screening, Texas Healthy Steps Newborn Screening Module, 2012-2014.

F. Lectures and Presentations

- 1. National
 - 1. “ACE Kids Act,” Tour of the Texas Children’s Hospital NICU with Congressman Steve Scalise, R-Louisiana, US Congress Majority Whip, Texas Children’s Hospital March 1, 2016.
 - 2. Key Note Speaker: “High Rate of Prematurity in the African-American Community,” Jack and Jill of America, Inc., National Conference, Hosted by South Central Region Foundation Program, Woodlands Resort and Conference Center, Woodlands, Texas, July 18, 2015.
 - 3. “Developing a Mission Moment,” National March of Dimes Webinar, October 16th and November 6, 2014.
 - 4. “Importance of Volunteering,” National March of Dimes Board Conference, Westin Galleria, Houston, Texas, March 3, 2013.

5. "Healthy Babies are Worth the Wait Program." Houston Chronicle Editorial Board, Houston, Texas, November 3, 2011.

1. The Endowed Berggren Lectureship Visiting Professor, “Addressing Disparities in Pre-Term Births in African-American Women: Methods and Results of the Honey Child Project,” at the Maurer Center for Public Health, University of Nebraska Medical Center, Omaha, NE, October 17, 2019.

IV. PATIENT CARE AND CLINICAL CONTRIBUTIONS

A. Patient Care Responsibilities

1. Department-wide
 - a. St. Luke's Episcopal Hospital – Main Campus and Woodlands
 - b. Texas Children's Hospital
 - c. The Methodist Hospital
2. Section or Specialty
 - a. Texas Children's Hospital
 1. Director, Texas Children's Hospital Neonatal-Perinatal Public Health Program, 2003-Present.
 2. Special Care Committee, 2006-Present.
 3. Perinatal Advisory Committee, 1993-Present.
 4. Newborn Center Quality Assessment and Performance Improvement (NQAPI) Committee, July 2016-Present.
 5. Congenital Diaphragmatic Hernia (CDH)-Periventricular Hemorrhage (PH) Interdisciplinary Meeting, 2015-Present.
 6. ECMO Administrative Committee, 1993-Present.
 7. Newborn and Infant Genetic & Metabolic Screening Committee, 2019-Present.
 8. Newborn Screening Advisory Committee Newborn Center, 2017-Present
 9. Fetal Center Multidisciplinary Perinatal Conference, 2009-Present.
 10. Director, Level II Nurseries, Texas Children's Hospital, Houston, Texas, 1994-2015.
 11. Medical Executive Committee,
 1. Medical Staff President Nominee, 2018
 2. Secretary, 2005-2007
 12. Nutrition Committee, 2003-2007.
 - b. The Methodist Hospital
 1. Obstetrics/Pediatrics Newborn Committee, 1996-2010.
 - c. Neonatology Section-Committees
 1. Implicit Bias Committee, Co-chair, July 2020-Present.
 2. NICU Leadership Strategy Team, 2020-2021.
 3. Coding Champion, May 2018, January-February 2019, Sept 2019, April 2020
 4. Newborn Care – Guidelines Clinical Review Committee, 20-Present.
 5. Genetics – Guidelines Clinical Review Committee, 2010-Present.
 6. Maintenance of Certification, CCHD Screening, April 1, 2016-April 30, 2018
 7. Infectious Diseases - Clinical Review Committee, 2010-2017.
 8. Medications - Clinical Review Committee, 2010-2017.
 9. VLBW - Clinical Review Committee, 2009-2017.
 10. Cardiopulmonary Care - Clinical Review Committee, 1998-2017.
 11. Newborn Center - Leadership Committee, 2004-2015.
 12. Environment/Genetics - Clinical Review Committee, 1998-2014.

13. NICQ7 Collaborative - Goldenhour Committee Quality Improvement Initiative, 2011-2015.
14. Normal Newborn Care - Clinical Review Committee, 1998-2007.
15. Nutrition/Metabolic Management - Clinical Review Committee, 1998-2007.
- d. Woman's Hospital of Texas
 1. Director, NICU (Levels II & III), Houston, Texas, 1984-1994.
 2. Infection Control Committee, 1992-2000.
 3. Medical Records Committee, 1992-1996.
- e. Harris Health System (formerly Harris County Hospital District)
 1. Project PRINT Board, 1995-1999.
 2. Ad Hoc Committee for Blood Utilization, 1989-1999.
- f. St. Luke's Episcopal Hospital
 1. Newborn and Premature Record Screening, 1997-2005.
 2. Perinatal C.P.R. Committee, 1995-2006.
 3. Mortality/Morbidity Committee, 1992-2012.
 4. Newborn and Premature Service Committee, 1992-2012.
3. Clinical Service (hours/clinic half days, RVU metrics, etc.
 - a. 7 months clinical service
 1. 3 months Intermediate Care Nursery, Level II
 2. 1 months Neonatal intensive Care Unit, Level III
 3. 3 months Neonatal Intensive Care Unit, Level IV
 4. ECMO Service
 5. In-house call attending, Levels III-IV
 - b. Productivity reflected in RVU's for the last five year:
 1. April 2019-March 2020 – Adjusted 6653 vs Actual 6936
 2. April 2018-March 2019 – Adjusted 6058 vs Actual 6347 (exceeded expectations)
 3. April 2017-March 2018 – Adjusted 6106 vs Actual 7559 (exceeded expectations)
 4. April 2016-March 2017– Adjusted 5659 vs Actual 13319 (exceeded expectations)
 5. April 2015-March 2016 – Adjusted 4961 vs Actual 7303 (exceeded expectations)
 6. July 2014-June 2015 - >60th percentile (exceeded expectations)

B. Clinical Leadership or Business Development (n/a)

C. Voluntary Health Organization Participation

1. Elected Positions
 - a. March of Dimes Birth Defects Foundation
 - (1) March of Dimes Texas State Executive Committee, (Disbanded to redirect efforts to local chapters)
 1. Member, Texas State Executive Board, 2008-2019
