Bargaining Unit Status: Bargaining Unit Position

Position: Unclassified Duties

Office Location: FDA
Center for Tobacco Products
Office of Science
11785 Beltsville Drive
Beltsville, MD 20705

Duty Location: **Anywhere in the U.S. (REMOTE JOB)**

Opening Date: January 23, 2024
Closing Date: February 05, 2024

Area of Consideration: FDA-Wide

The CTP Office of Science (OS), Immediate Office offers a fast-paced, dynamic environment and an opportunity to work with dedicated, energetic people who want to make a difference to improve public health. The position is ideal for someone who wishes to play a critical role in the organization.

Duties Include:

The incumbent will be responsible for tracking and moving forward commitments that OS has made, and working with necessary personnel in OS to implement changes and monitor progress over time.

- Develops and oversees Pre-market Tobacco Product Application (PMTA) scientific review and clearance timelines across PMTAs under scientific review.
- Works closely with PMTA program staff and senior leadership to coordinate and prioritize timelines across applications.
- Monitors the progress of PMTAs under scientific review.
- Regularly communicates updates to OS leadership, PMTA program staff, review teams, OCC, and OS staff.
- Quickly identifies issues or barriers that need resolution and facilitates, documents, and communicates resolution.

- Serves as a primary OS PMTA POC/SME for questions about applications under review.
- Works closely with OS-IO to coordinate dissemination of internal PMTA-related information.

Desired Knowledge and Skills:

The ideal candidate will exhibit a willingness and ability to quickly get up-to-speed on all the key, ongoing activities across the Office and Center and understand the roles of all parties involved. The position may entail assigning tasks and directing work, so the ideal candidate will feel comfortable interacting with various groups in the Office, including the Office leadership team.

- Highly organized and skilled in multi-tasking in fast-paced environment with rapidly shifting priorities.
- Excellent oral, written and interpersonal communication skills.
- Knowledge of the PMTA review process and of the stakeholders involved in the review process.
- Excellent planning skills with the ability to identify areas of overlap and opportunities for collaboration, cohesion and process improvement.

Application Procedure:

This opportunity is open to all candidates currently at or eligible for the GS-12/13 grade levels or Commissioned Corps Officers. Supervisory concurrence is required prior to applying for this detail. Applicants should submit the following by the closing date of the announcement:

Please enter **Detail: CTP, OS Unclassified Duties (PMTA Project Manager GS-12/13) (January)** in the subject line of e-mail.

Interested applicants should submit a copy of their resume, most recent copy of SF-50, unofficial transcripts, a copy of their Supervisor's concurrence, and statement of interest via email to:

CTP-Recruitment@fda.hhs.gov

Detail is reimbursable.

Travel Expenses will not be paid.

Candidates must express interest by February 05, 2024.

***This is not an official vacancy announcement under the Merit Promotion System.**
