Chief Infection Prevention Officer
Beth Israel Lahey Health
Boston, MA

Voluntary Disclosures

Lilian Abbo has been a co-investigator in clinical trials for Regeneron. In 2020, Dr. Abbo served on the advisory board for Ferring Pharmaceuticals.

Susan Huang has conducted clinical trials and studies in which participating nursing homes and hospitals received contributed antiseptic and environmental cleaning products from Medline, Molnlycke, Stryker, and Xttrium. These companies had no role in the design, conduct, analysis, or publication of the studies.

Vince Wachter is a full-time employee with Synthetic Biologics, Inc.
