

Our STN: BL 125701/259

**SUPPLEMENT APPROVAL**

December 17, 2024

Sanofi Pasteur SA  
Attention: Michael F. Stirr  
Discovery Drive  
Swiftwater, PA 18370-0187

Dear Mr. Stirr:

We have approved your request received on June 20, 2024, to supplement your Biologics License Application (BLA) under section 351(a) of the Public Health Service Act for Meningococcal (Groups A, C, W, Y) Conjugate Vaccine (MenQuadfi), manufactured at your Swiftwater, PA facility, to update the Package Insert to include febrile seizure, convulsion, and syncope in the Postmarketing Experience Section (6.2) under ADVERSE REACTIONS.

**LABELING**

We hereby approve the draft content of Package Insert labeling submitted under amendment 4, dated December 11, 2024.

**CONTENT OF LABELING**

As soon as possible, but no later than 14 days from the date of this letter, please submit the final content of labeling (21 CFR 601.14) in Structured Product Labeling (SPL) format via the FDA automated drug registration and listing system (eLIST), as described at <http://www.fda.gov/ForIndustry/DataStandards/StructuredProductLabeling/default.htm>. Content of labeling must be identical to the Package Insert submitted on December 11, 2024. Information on submitting SPL files using eLIST may be found in the guidance for industry *SPL Standard for Content of Labeling Technical Qs and As* at <http://www.fda.gov/downloads/Drugs/GuidanceComplianceRegulatoryInformation/Guidances/UCM072392.pdf>.

The SPL will be accessible via publicly available labeling repositories.

All final labeling should be submitted as Product Correspondence to this BLA, STN BL 125701, at the time of use and include implementation information on Form FDA 356h.

**ADVERTISING AND PROMOTIONAL LABELING**

You may submit two draft copies of the proposed introductory advertising and promotional labeling with Form FDA 2253 to the Advertising and Promotional Labeling Branch at the following address:

Food and Drug Administration  
Center for Biologics Evaluation and Research  
Document Control Center  
10903 New Hampshire Ave.  
WO71–G112  
Silver Spring, MD 20993-0002

You must submit copies of your final advertising and promotional labeling at the time of initial dissemination or publication, accompanied by Form FDA 2253 (21 CFR 601.12(f)(4)).

All promotional claims must be consistent with and not contrary to approved labeling. You should not make a comparative promotional claim or claim of superiority over other products unless you have substantial evidence or substantial clinical experience to support such claims (21 CFR 202.1(e)(6)).

For each pending supplemental application for this BLA that includes proposed revised labeling, please submit an amendment to update the proposed revised labeling with the changes approved today.

We will include information contained in the above-referenced supplement in your BLA file.

Sincerely,

Rebecca Reindel, M.D.  
Director  
Division of Clinical and Toxicology Review  
Office of Vaccines Research and Review  
Center for Biologics Evaluation and Research
