Recording of the full event (including closed captioning and an audio transcript), presentation slides, and answers to all questions (received via email to FDABAA mailbox and live) will be posted on [FY25 FDA Broad Agency Announcement Question and Answer Session - 01/16/2025 | FDA](#) by 1/23/2025

FDA BAA Updates

➤ Concept Paper Template Updates

Does the proposal involve DURC, PEPP, and/or nucleic acid synthesis (See Part III, Section 9.1 for details)? Yes or No

All submitted research proposals must be compliant with the United States Government Policy for Oversight of Dual Use Research of Concern (DURC) and Pathogens with Enhanced Pandemic Potential (PEPP) Policy published in May 2024.

- FDA's recommendations for Optional Early Concept Papers were communicated to applicants on December 16th, 2024. Any feedback received from FDA Program Offices was communicated to the applicants.
- Updated solicitation will be posted on SAM.gov on 1/17/2025
