

The purpose of this short note is to indicate the correction in reference made on page 6 and 8 of the clinical pharmacology review for NDA 22225/S14 Sugammadex for pediatric patients.

Please note the previously entered review dated 11/19/2024 makes reference to "See Dr. Lee Anne Connell-Templin's review" instead of "See Dr. Lisa Banta's review".

This is a representation of an electronic record that was signed electronically. Following this are manifestations of any and all electronic signatures for this electronic record.
