

FDA Staff Manual Guides, Volume I – Organizations and Functions

Department of Health and Human Services

Food and Drug Administration

Center for Devices and Radiological Health

Office of Strategic Partnerships and Technology Innovation

Office of Readiness and Response

Division of All Hazards Preparedness and Response

Effective: August 8, 2023

1. Division of All Hazards Preparedness and Response (DCCCDA).

- A. Advances national preparedness, coordination, and response for all hazards threats, including but not limited to chemical, biological, radiological, nuclear, explosive (CBRNE), emerging infectious diseases, and natural disasters while enhancing collaborations, optimizing operational responsiveness and leveraging CDRH regulatory science capabilities via an integrated approach.
- B. Expands the breadth and depth of regulatory science knowledge and expertise that will inform safety and effectiveness evaluation of medical countermeasure (MCM) assets critical for deployment before and during a public health incident and facilitates the timely review of all MCM medical devices and diagnostics in CDRH's MCM portfolio.

2. Authority and Effective Date.

The functional statements for the Division of All Hazards Preparedness and Response were approved by the Secretary of Health and Human Services on June 27, 2023, and effective on August 8, 2023.
