

FDA Staff Manual Guides, Volume I – Organizations and Functions

Department of Health and Human Services

Food and Drug Administration

Center for Devices and Radiological Health

Office of Strategic Partnerships and Technology Innovation

Digital Health Center of Excellence

Division of Digital Health Outreach

Effective: August 8, 2023

1. Division of Digital Health Outreach (DCCCFC).

- A. Represents the Food and Drug Administration (FDA) and fosters and advances partnerships with patient organizations, healthcare professional organizations, industry, and other external organizations including public-private partnerships and collaborative communities to support broad national and international digital health programs and activities related to the safety, effectiveness, and quality of digital health technologies.
- B. Leads cross-cutting regulatory science and human capital development for the FDA and external stakeholders for digital health technologies.
- C. Develops educational tools, materials, and communications to support and foster the consistent understanding of the Digital Health Center of Excellence activities by all stakeholders.

2. Authority and Effective Date.

The functional statements for the Division of Digital Health Outreach were approved by the Secretary of Health and Human Services on June 27, 2023, and effective on August 8, 2023.
