

FDA Staff Manual Guides, Volume I – Organizations and Functions

Department of Health and Human Services

Food and Drug Administration

Center for Devices and Radiological Health

Office of Strategic Partnerships and Technology Innovation

Office of Technology and Data Services

Division of Business Transformation Delivery

Effective: August 8, 2023

1. Division of Business Transformation Delivery (DCCCGA).

- A. Leads the identification and analysis of business operations to identify opportunities for improvement of core business services through information technology (IT) solutions, translating those needs to solutions that ensure a seamless customer experience.
- B. Leads the development of projects to support the Center for Devices and Radiological Health mission and strategic initiatives, assuring quality and value from IT and data assets working collaboratively across the Food and Drug Administration.
- C. Promotes citizen and business-led IT and data development, creating mechanisms that ensure adherence to governance and allow for a smooth transition through initiation, implementation and maintenance of IT and data solutions.

2. Authority and Effective Date.

The functional statements for the Division of Business Transformation Delivery were approved by the Secretary of Health and Human Services on June 27, 2023, and effective on August 8, 2023.
