

## AGENDA

### FDA CDRH General and Plastic Surgery Devices Advisory Committee Meeting

August 13, 2025

(VIRTUAL)

*As required by section 513(b) of the Federal Food, Drug, and Cosmetic Act (FD&C Act), the Food and Drug Administration (FDA) is convening the General and Plastic Surgery Devices Advisory Panel (the Panel) for the purposes of discussing a new indication for use for dermal filler devices in the décolletage area and making recommendations regarding risks associated with new indications for use such as in the décolletage area, the potential impact of filler material on imaging studies and clinical exams (e.g., breast cancer screening), premarket and post-market study assessments for benefit and risk, removal of dermal filler implant material, and patient preference.*

*The panel meeting will be held in a virtual format over the course of one day and includes time for open public comment, questions by the panel, and panel deliberation.*
