2024 Annual Report: IQOS devices & HeatSticks	Page 2 of 2
Annex 12: Advertising, Marketing, and/or Promotional Materials	Version 1.0

The Marketing Orders require submission of an Annual Report with a summary of how the marketing of the tobacco products continues to be appropriate for the protection of public health, including, “all final full color-advertising, marketing, and/or promotional materials, published, disseminated to adult smokers 21 years of age or older, or for use in engaging or communicating with consumers not previously submitted, along with the original date such materials were first disseminated and the date they were discontinued, and a description of all changes to the materials.”

Pursuant to the relevant Letters of Authorization from Philip Morris Products S.A.,⁴ Altria Client Services LLC (“ALCS”), on behalf of PM USA, submitted advertising, marketing, and promotional materials to the FDA via the 30-Day Notification process throughout prior reporting periods, consistent with the requirements of the Marketing Orders and in line with *IQOS* commercial activity. There has been no sale or distribution of the IQOS holders, chargers, or HeatSticks in the US during the Reporting Period. As a result, there were no 30-Day Notifications throughout the reporting period, and there is nothing to report in this periodic report.

⁴ Currently effective Letters of Authorization sent to FDA on October 23, 2019, January 22, 2021 and November 18, 2022, to authorize Altria Client Services LLC, to submit quarterly reports on behalf of PMP S.A.
