Dear Reanna Toney:

We have approved your request received July 1, 2025, to supplement your Biologics License Application (BLA) submitted under section 351(a) of the Public Health Service Act for Elecsys HTLV-I/II for an addition to the Intended Use of this device for testing serum specimens to screen cadaveric (non-heart-beating) donors.

We will include the information contained in the above-referenced supplement in your BLA file.

Sincerely,

Hira L. Nakhasi, PhD
