

1 PRODUCT SAMPLES

ZYN® is a tobacco-free, smoke-free, and spit-free nicotine pouch. This Premarket Tobacco Product Application covers all 20 ZYN products representing 20 stock keeping units (SKUs) (10 flavors x 2 nicotine strengths [3 and 6 mg]).

ZYN is sold as 15 pouches in a can. For shipping, there are five cans per roll and 18 rolls per case.

Upon request, Swedish Match is prepared to provide product sample lots of half a case (ie, 45 cans) of each flavor and strength of ZYN for all 20 SKUs listed in [Table 1](#). The powder was manufactured, and the product was packaged at the Owensboro, Kentucky, United States plant.
