PROFESSIONAL SUMMARY

American Board of Internal Medicine diplomate/board-certified, award-winning physician executive with an MBA in healthcare administration and extensive experience in clinical leadership, regulatory oversight, and North American medical operations. Proven expertise in clinical governance, quality systems, clinician education, and public facing health communication. Experienced advisor to healthcare organizations on evidence-based care delivery, patient safety, and regulatory compliance.

PROFESSIONAL EXPERIENCE

Global Chief Medical Officer

Gameday Men’s Health | 2025–Present

Largest concierge men’s health network in North America (400+ clinics; 1,000+ in development).

- Provide enterprise-wide clinical governance and physician oversight across North American operations.
- Approve, standardize, and monitor clinical protocols involving compounded sterile and non-sterile medications, including hormones, peptides, GLP-1s, and adjunctive therapies.
- Evaluate and oversee relationships with licensed compounding pharmacies operating under 503A and 503B frameworks, with emphasis on quality systems, sterility assurance, beyond-use dating (BUD), storage, documentation, and patient education.
- Lead clinician education initiatives, including protocol development, clinical training, and ongoing medical education focused on evidence-based prescribing, USP standards, and risk mitigation.
- Serve as principal physician spokesperson for the organization, guiding public-facing medical messaging, media engagement, and educational content to ensure accuracy, regulatory alignment, and patient safety.
- Direct public education and PR strategy related to men’s health, pharmaceutical compounding, and emerging therapies, countering misinformation and reinforcing physician-led, evidence-based care.
- Collaborate with executive leadership, legal, and compliance teams to align clinical operations with FDA guidance, state regulations, and public health priorities.

Chief Executive Officer

South Florida Wellness Group, South Florida FL | 2023–Present

Owner/operator of concierge Gameday men's health clinics across Miami, Broward and Palm Beach counties.

- Provide direct patient care; supervise clinical directors and clinical staff; oversee compliance, operations, marketing, business development and community outreach.
 - Clinics designated Gameday international training centers for clinical excellence.
 - Awarded **2024 New Business of the Year** (Chamber of Commerce); **2024 Healthcare Innovator of the Year** (South Florida Business & Wealth); **2024 Congressional Recognition**.
-

Partner & Chief of Business Development
